ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.

On August 17, 2017, PEDEVCO Corp. (the “Company”, “we”, “us” or “PEDEVCO”) entered into a Series B Convertible Preferred Stock and Warrant Subscription Agreement (the “Subscription Agreement”) with Dragon Gem Limited (“DGL”) and Absolute Frontier Limited (“AFL,” and together with DGL, the “Investors”), pursuant to which the Investors agreed to pay \$12 million in cash to the Company in exchange for the issuance by the Company of (i) an aggregate of 542,790 shares of to-be-designated Series B Convertible Preferred Stock of the Company (the “Series B Preferred”), convertible into an aggregate of 53.86% of the Company’s issued and outstanding shares on an as-converted to common stock basis (the “I/O Shares”), subject to adjustment as provided below, and (ii) warrants (“Warrants”) issuable to AFL to purchase an additional aggregate of 10% of the Company’s I/O Shares, to be issued five (5) business days following the later to occur of receipt of Shareholder Approval and receipt of NYSE American Approval (previously NYSE MKT) (each as defined below). The Warrants will have a three (3) year term and be exercisable on a cash basis with an exercise price equal to the 5-day trailing average closing price of the Company’s common stock as of the date of issuance.

The closing (“Closing”) of the offering contemplated by the Subscription Agreement (the “Offering”) is scheduled to occur as soon as possible, but no later than September 30, 2017, subject to the satisfaction of certain closing conditions, including: (i) forfeiture, cancellation or conversion of 100% of the Company’s currently outstanding Series A Convertible Preferred Stock (the “Series A Preferred”); (ii) the conversion into Series B Preferred, or satisfaction and/or discharge of, all Company debt other than the Company’s senior secured debt issued in May 2016, with an aggregate outstanding principal amount of approximately \$5.8 million (the “Tranche A Debt”) and seven (7) secured bridge promissory notes issued in March 2013 with an aggregate outstanding principal amount of approximately \$475,000; (iii) the restructuring of the Tranche A Debt on terms acceptable to the Investors; (iv) the entry into voting agreements with key shareholders of the Company necessary to secure Shareholder Approval; (v) the Company’s receipt of confirmation from the NYSE American (formerly the NYSE MKT) that the issuance of the Series B Preferred and Warrants will not require Company shareholder approval prior to Closing, and that the additional listing of the common stock issuable upon conversion of the Series B Preferred is approved for additional listing on the NYSE American, pending receipt of Shareholder Approval (the “NYSE American Approval”); (vi) receipt of approvals by any such U.S. regulatory committees as may be required by the parties; and (vii) other standard and customary closing conditions described in the Subscription Agreement.

The Company plans to use the proceeds from the Offering (i) to fund development of the Company’s existing oil and gas assets, (ii) fund additional asset acquisitions and business combinations consistent with the Investors’ vision for growing the Company, (iii) for general working capital, including funding expenses related to the Offering, which include a cash commission equal to 7.0% of the cash investment received from the Investors in the Offering that is payable to the Company’s placement agent, Somerley International (Beijing) Limited (the “Placement Agent”), (iv) to repay no more than \$500,000 of existing Company debt being discharged at Closing that will not be converted into Series B Preferred, and (v) to fund such additional Company debt repayment and/or repurchase or redemption of shares issuable to Company debtholders upon conversion of their debt at or following Closing as approved by the Investors and the Company’s Board of Directors. The Company anticipates that approximately \$1 million in cash will be paid to certain senior lenders at Closing to discharge their debt, which is anticipated to be funded by Company cash on hand and \$500,000 of Offering proceeds. If Offering proceeds are used to discharge these debts, AFL will receive an additional 26,480 shares of Series B Preferred at Closing, which will be convertible into an additional approximately 2.5% of the Company’s I/O Shares following receipt of Shareholder Approval. At Closing, the aggregate number of Series B Preferred will be adjusted proportionately based on the Company’s I/O Shares as calculated immediately prior to Closing, provided that the number of shares of Series B Preferred to be issued to DGL will not exceed 49.0% of the Company’s I/O Shares at Closing, with any and all additional Series B Preferred to be issued to the Investors being issued to AFL at Closing.

Edgar Filing: PEDEVCO CORP - Form 8-K

Upon Closing, the Company's existing management team will remain in place and continue to oversee the post-Closing Company's operations, subject to Board of Directors' approval. In addition, upon Closing, the Company's Board of Directors will be composed of six (6) members, comprised of existing Board members Frank C. Ingriselli, Elizabeth P. Smith, and Adam McAfee, and up to three (3) designees of the Investors, at least two (2) of whom are required to be "independent" as defined under applicable NYSE American and Securities and Exchange Commission ("SEC") regulations.

Within sixty (60) days of the Closing, the Company is required to use commercially reasonable efforts to file all the required documents with the SEC necessary to seek requisite approval from the Company's shareholders necessary to approve the conversion terms of the Series B Preferred into Company common stock, the creation of a new (or amendment to the current) Company equity incentive plan (the "New Plan"), and such other matters that are required to be approved by the shareholders of the Company pursuant to applicable NYSE American and SEC rules and regulations (the "Shareholder Approval").

It is contemplated that upon receipt of Shareholder Approval and NYSE American Approval, all of the Series B Preferred will convert into common stock of the Company, resulting in Company capitalization structure on an issued and outstanding basis (excluding options, warrants and other convertible securities) approximately as follows: (i) 11.0% held by current Company common stockholders; (ii) 33.0% held by converting Company debtholders; (iii) 51.0% held by the Investors; and (iv) 5.0% held by then-current members of Company management as fully-vested restricted stock, which shares are contemplated to be issued thereto after NYSE American Approval and Shareholder Approval.

In addition, following Closing, the Company is required to use commercially reasonable efforts to file all the required documents with the SEC to raise funds through a registered public offering (a "Secondary Offering"), which Secondary Offering is contemplated to include a portion of the shares issuable to the converting lenders at Closing, pursuant to the terms and conditions to be set forth in a debt conversion agreement currently being negotiated with the Company's converting lenders, which terms and conditions are subject to final approval by the Investors before Closing.

The Subscription Agreement contains customary representations of the parties and requires that the Company indemnify the Investors against any breaches of the Subscription Agreement by the Company.

The foregoing descriptions of the Subscription Agreement and Warrant are qualified in their entirety by the full text of the documents which are filed as Exhibit 10.1 and Exhibit 10.2, respectively, to this Current Report on Form 8-K and incorporated in this Item 1.01 by reference.
