## Edgar Filing: CERADYNE INC - Form SC 13D/A

The Schedule 13D filed by Ford Motor Company ("Ford") on March 21, 1986, as amended by Amendment Number 1 to Schedule 13D filed by Ford on February 23, 1988, in connection with Ford's acquisition of Common Stock of Ceradyne, Inc. (the "Issuer"), is amended as hereinafter provided. This is the first electronic amendment to a paper format Schedule 13D and, therefore, restates the entire text of the previously filed paper format Schedule 13D, as amended.

### Item 1. Security and Issues.

This statement relates to the Common Stock of Ceradyne, Inc., whose principal executive offices are located at 3169-A Redhill Avenue, Costa Mesa, California 92626.

### Item 2. Identity and Background.

This statement is filed by Ford Motor Company ("Ford"), a corporation organized and existing under the laws of the State of Delaware, whose principal executive offices are located at One American Road, Dearborn, Michigan 48126.

Ford is a manufacturing company whose principal business is the design, manufacture, assembly and sale of cars and trucks and related products and services.

Information concerning the executive officers and directors of Ford, including the business address for each, is set forth in Attachment I hereto, which is incorporated by reference in this statement as if fully set forth herein.

During the last five years, neither Ford nor any of its executive officers or directors identified in Attachment I (i) has been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors) or (ii) was a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

Except as otherwise indicated in Attachment I hereto, each officer and director of Ford is a citizen of the United States of America.

### Item 3. Source and Amount of Funds or Other Consideration.

On March 11, 1986, Ford paid to the Issuer, out of the general funds of Ford, the sum of \$10 million as consideration for the issuance to Ford of 526,316 shares of the Issuer's Common Stock. Pursuant to the Issuer's exercise of a certain call option with respect to the common stock of Ceradyne Advanced Products, Inc. ("CAPI") owned by Ford, on February 12, 1988, Ford acquired an additional 680,983 shares of the Issuer's Common Stock. In accordance with the terms of the call option, and as provided in the Stock Sale Agreement between Ford and the Issuer dated March 11, 1986, Ford transferred to the Issuer 8,000 shares of CAPI common stock as consideration for the 680,983 shares acquired by Ford on February 12.

Ford acquired the shares of the Issuer's Common Stock covered by this statement for investment purposes pursuant to a certain Stock Sale Agreement between Ford and the Issuer entered into on March 11, 1986 (the "Stock Sale Agreement"), which Stock Sale Agreement was filed as Exhibit A to the original paper format Schedule 13D amended hereby and is incorporated by reference as an Exhibit to this Schedule (file number reference 00537271). Pursuant to Articles VI (pp. 21-25), VII (pp. 25-27) and X (pp. 33-34) of the Stock Sale Agreement, Ford may acquire additional Common Stock of the Issuer upon the exercise by the Issuer of certain call option rights in accordance with the terms and conditions set forth in such Article VIII (pp. 28-30). By letter dated February 3, 1988, the Issuer notified Ford of its intention to exercise its call option rights. At the closing held pursuant thereto on February 12, 1988, Ford acquired 680,983 shares of the Issuer's Common Stock. The Issuer's exercise of its call option rights effectively terminated Ford's put option rights contained in Article VII of the Stock Sale Agreement.

Pursuant to Section 5.05 of the Stock Sale Agreement (p. 20), so long as Ford retains a sufficient amount of the Issuer's Common Stock to meet the Minimum Equity Level (as defined in Section 5.01, p. 18), the Issuer is obligated to use its best efforts, as permitted by applicable law, to ensure that its Board of Directors includes one representative designated by Ford. Ford's nominee currently serving as director of the Issuer is Christopher D. Johnson, Technology Venture Fund Manager of Ford.

Except for the potential acquisition of additional shares of the Issuer's Common Stock by Ford pursuant to the Stock Sale Agreement and the seating of a Ford nominee on the Issuer's Board, as hereinabove described in this Item 4, Ford has no plans or proposals as of the date hereof which relate to or would result in:

- (a) The acquisition by any person of additional securities of the Issuer, or the disposition of securities of the Issuer;
- (b) An extraordinary corporate transaction, such as a merger, reorganization or liquidation, involving the Issuer or any of its subsidiaries;
- (c) A sale or transfer of a material amount of assets of the Issuer of any of its subsidiaries;
- (d) Any change in the present Board of Directors or managers of the Issuer, including any plans or proposals to change the number or term of directors or to fill any existing vacancies on the Board;
- (e) Any material change in the present capitalization or dividend policy of the Issuer;
- (f) Any other material change in the Issuer's business or corporate structure;
- (g) Changes in the Issuer's charter, by-laws or instrument corresponding thereto or other actions which may impede the acquisition of control of the Issuer by any person;
- (h) Causing a class of securities of the Issuer to be delisted from a national securities exchange or to cease to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association;
- (i) A class of equity securities of the Issuer becoming eligible for

## Edgar Filing: CERADYNE INC - Form SC 13D/A

termination of registration pursuant to Section 12(g)(4) of the Securities Exchange Act of 1934; or

CUSIP No. 156710 10 5 13D Page 5 of 8

- (j) Any action similar to any of those enumerated in sub-items (a)-(j) above.

### Item 5. Interest in Securities of the Issuer.

- (a) As of the date hereof, Ford is the beneficial owner of 1,027,300 shares of Common Stock of the Issuer, which represents 12.3% of the issued and outstanding Common Stock of the Issuer. Ford has the right to acquire additional shares of the Issuer's Common Stock pursuant to Articles VI and X of the Stock Sale Agreement appended hereto as Exhibit A.
- (b) Ford has the sole power to vote or direct the vote of all 1,027,300 shares of the Issuer's Common Stock beneficially owned by Ford as of the date hereof and the sole power to dispose or to direct the disposition of such shares.
- (c) Ford has not had any transactions in the Common Stock of the Issuer other than the acquisition of 526,316 shares on March 11, 1986, the acquisition of 680,983 shares on February 12, 1988, the sale of 80,000 shares on June 14, 2001 and the sale of 99,999 shares on February 28, 2002.
- (d) No person other than Ford has the right to receive or the power to direct the receipt of dividends from the shares of the Issuer's Common Stock herein reported on, and, to Ford's knowledge, no person other than Ford has the right to receive or to direct the receipt of the proceeds from the sale of such shares.
- (e) As of the date hereof, Ford is the beneficial owner of more than five percent of the Common Stock of the Issuer.

### Item 6. Contracts, Arrangements, Understandings or Relationships With Respect to Securities of the Issuer.

- (a) Ford and certain shareholders of the Issuer have entered into an Agreement dated March 11, 1986 pursuant to which the latter have undertaken to vote their respective shares of Common Stock of the Issuer, whenever acquired, that are not otherwise required to assure the election of the current Chief Executive Officer of the Issuer to the Board of Directors of the Issuer, in favor of the election of a Ford nominee to such Board of Directors. A copy of such Agreement was filed as Exhibit B to the original paper format Schedule 13D amended hereby and is incorporated by reference as an Exhibit to this Schedule (file number reference 00537271).
- (b) Pursuant to Article XIII of the Stock Sale Agreement (pp. 37-39), the Issuer has a right of first negotiation in the event Ford shall propose to offer or sell more than 100,000 shares of the Common Stock of the Issuer in a single transaction or in a number of contemporaneous transactions. In the event Ford and the Issuer fail to reach agreement within a specified negotiations period on the terms and conditions by which the Issuer would reacquire the shares of its

Edgar Filing: CERADYNE INC - Form SC 13D/A

Common Stock proposed to be sold by Ford, Ford may negotiate and consummate the sale of such Common Stock to a third party or parties without further obligation to the Issuer provided that (i) such sale or sales are consummated within 90 days following such negotiations period and (ii) the terms and

CUSIP No. 156710 10 5 13D Page 6 of 8

conditions of each third party sale are more favorable to Ford than those proposed in writing by the Issuer within the negotiations period.

- (c) Pursuant to a certain Stock Purchase Agreement entered into on March 11, 1986 by and among Ford, the Issuer and Ceradyne Advanced Products, Inc. ("CAPI"), Ford acquired 80% of the issued and outstanding common stock of CAPI and the Issuer acquired 20% of the issued and outstanding common stock of CAPI. A copy of such Stock Purchase Agreement was filed as Exhibit C to the original paper format Schedule 13D amended hereby and is incorporated by reference as an Exhibit to this Schedule (file number reference 00537271). Pursuant to Article VII of the Stock Sale Agreement (pp. 25-27), Ford may elect to put to the Issuer all of Ford's common stock of CAPI in exchange for 608,020 shares of Common Stock of the Issuer (as such number may be adjusted in certain events). Ford's put option is exercisable for a period commencing on March 11, 1991 and ending on the first to occur of 6:00 P.M. Eastern time on March 10, 1993, the date of the closing pursuant to the Issuer's exercise of its call option, as hereinafter described. The Issuer has exercised its call option as provided in Article VIII of the Stock Sale Agreement, thereby effectively terminating Ford's put option contained in Article VII thereof.
