Report of Independent Auditors

Board of Directors and Stockholders  
One Liberty Properties, Inc.

We have audited the statement of revenues and certain expenses of Andrita Stages ("Andrita Stages") as described in Note 1 to be acquired by OLP Los Angeles, Inc., a wholly owned subsidiary of One Liberty Properties, Inc. (the "Company") and Andrita GERP LLC as tenants in common, for the period from September 15, 2002 (commencement of operations) to December 31, 2002. The statement of revenues and certain expenses is the responsibility of Andrita Stages' management. Our responsibility is to express an opinion on this statement of revenues and certain expenses based on our audit.

Edgar Filing: ONE LIBERTY PROPERTIES INC - Form 8-K/A

We conducted our audit in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement of revenues and certain expenses is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the statement of revenues and certain expenses. An audit also includes assessing the accounting principles used and the significant estimates made by management, as well as evaluating the overall statement of revenues and certain expenses presentation. We believe that our audit provides a reasonable basis for our opinion.

The accompanying statement of revenues and certain expenses was prepared for the purpose of complying with Rule 3-14 of Regulation S-X of the Securities and Exchange Commission for inclusion in Form 8-K of One Liberty Properties, Inc. and is not intended to be a complete presentation of Andrita Stages' revenues and expenses.

In our opinion, the statement of revenues and certain expenses referred to above presents fairly, in all material respects, the revenues and certain expenses of Andrita Stages as described in Note 2 for the period from September 15, 2002 (commencement of operations) to December 31, 2002, in conformity with accounting principles generally accepted in the United States.

### Andrita Stages

#### Notes to Statement of Revenues and Certain Expenses

##### 1. Organization and Basis of Presentation

Presented herein is the statement of revenues and certain expenses related to the operation of Andrita Stages (the "Property"), a studio and office building in Los Angeles, California. Andrita Stages has approximately 109,000 square feet of leasable space. The Property, which is currently owned by Kingston-Andrita, LLC, is not a legal entity, but rather a property which is under contract for purchase by OLP Los Angeles, Inc., a wholly owned subsidiary of One Liberty Properties, Inc. (the "Company").

The accompanying statement of revenues and certain expenses has been prepared in accordance with the applicable rules and regulations of the Securities and Exchange Commission for the acquisition of real estate properties. Accordingly, the statement of revenues and certain expenses exclude certain expenses that may not be comparable to those expected to be incurred in the future operations of the aforementioned property. Items excluded consist of interest, depreciation, and amortization.

##### 2. Use of Estimates

The preparation of the statement of revenues and certain expenses in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the amounts reported in the statement of revenues and certain expenses and accompanying notes. Actual results could differ from those estimates.

##### 3. Revenue Recognition

The lease with the tenant is accounted for as an operating lease. Base rent is recognized on a straight-line basis over the lease term. The excess of the amount so recognized over the contractual amount due pursuant to the underlying lease amounted to approximately \$142,000 for the period from September 15, 2002 (commencement of operations) to December 31, 2002.

##### 4. Risks and Uncertainties

The Property is leased to a single tenant, Playboy Entertainment Group ("the Tenant"), which occupies 100% of the Property's total gross leasable area.

## Edgar Filing: ONE LIBERTY PROPERTIES INC - Form 8-K/A

Therefore, the Property's results of operations are significantly dependent on the overall health of the Tenant and the entertainment industry.

### Andrita Stages

#### Notes to Statement of Revenues and Certain Expenses (Continued)

##### 5. Base Rents

On September 20, 2001, Playboy entered into a 15-year lease agreement (the "Lease") to lease the Property. The Lease provides for annual base rent, as well as the payment of applicable expenses associated with the Property. The Lease also provides for rent to commence upon the earlier of (i) possession of the Property (ii) upon the date of which the Property becomes operational, as defined or (iii) at the date the Property is substantially completed as defined. Subsequent to the completion of the renovations Playboy commenced operations in September 2002. Accordingly, the Lease commenced in September 2002 with annual base rent ranging from \$1.9 million to \$3.0 million through 2017.

##### 6. Future Minimum Rents

Future minimum lease payments to be received by the Property as of December 31, 2002 under a noncancellable operating lease are as follows:

2003	\$ 1,946,358
2004	2,234,022
2005	2,298,553
2006	2,365,019
2007	2,433,479
Thereafter	27,704,352
	-----
	\$ 38,981,783
	=====

##### 7. Interim Unaudited Financial Information

The statement of revenues and certain expenses for the six months ended June 30, 2003 is unaudited, however, in the opinion of management, all adjustments (consisting solely of normal, recurring adjustments) necessary for the fair presentation of the statement of revenues and certain expenses for the interim period have been included. The results of the interim period are not necessarily indicative of the results to be obtained for a full fiscal year.
