PART II  
INFORMATION NOT REQUIRED IN PROSPECTUS

Item 24. Indemnification of Directors and Officers

Section 145 of the Delaware General Corporation Law grants us the power to indemnify our directors and officers against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement in connection with specified actions, suits or proceedings, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation — a "derivative action"), if they acted in good faith and in a manner they reasonably believed to be in or not opposed to the best interests of the corporation, and with respect to any criminal action or proceeding, had no reasonable cause to believe their conduct was unlawful. A similar standard is applicable in the case of derivative actions, except that indemnification only extends to expenses (including attorneys' fees) incurred in connection with the defense or settlement of such actions, and the statute requires court approval before there can be any indemnification in which the person seeking indemnification has been found liable to the corporation. The statute provides that it is not exclusive of other indemnification that may be granted by a corporation's charter, bylaws, disinterested director vote, stockholder vote, agreement or otherwise.

Our Certificate of Incorporation also provides that a director will not be personally liable to us or to our stockholders for monetary damages for breach of the fiduciary duty of care as a director. This provision does not eliminate or limit the liability of a director:

- for breach of his or her duty of loyalty to us or to our stockholders;
- for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law;
- under Section 174 of the Delaware General Corporation Law (relating to unlawful payments or dividends or unlawful stock repurchases or redemptions); or
- for any improper benefit.

We have indemnity agreements with two of our directors which allow for certain procedural protections.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons pursuant to our Certificate of Incorporation, Bylaws and the Delaware General Corporation Law, we have been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy and is, therefore, unenforceable.

Item 25. Other Expenses of Issuance and Distribution

The following are the fees and expenses we incurred in connection with the offering are payable by us. Other than the SEC registration fee all of such fees expenses are estimated.

Registration fee	\$156.45
Printing expenses	15,000.00
Accounting fees and expenses	10,000.00
Legal fees and expenses	40,000.00
Miscellaneous	4,843.55
Total	\$70,000.00

## Item 26. Recent Sales of Unregistered Securities

In connection with the merger with PerfectData, we issued a total of 568,140 shares of our Series A Convertible Preferred Stock, par value \$.01 per share; 539,733 shares were issued to the former shareholders of Sona Mobile and 28,407 were issued to Sona Mobile's financial advisor in connection with the Merger. These shares were converted into 27,334,165 shares of our common stock.

In April 2005 we agreed to issue 150,000 shares of common stock to Wachtel & Masyr LLP, our former counsel, in full payment for legal services. The shares were actually issued in June 2005.

Between June 21, 2005 and July 8, 2005 we sold \$5.05 million worth of our Series B Convertible Preferred Stock and warrants to 10 accredited investors. The investors purchased an aggregate of 3,848.7 shares of the Series B Preferred Stock, convertible into 3,848,700 shares of our common stock, and warrants to purchase an aggregate of 962,175 shares of our common stock at an exercise price of \$1.5421 (as adjusted) per share at any time up until June 20, 2009. All shares of the Series B Convertible Preferred Stock were converted to shares of common stock.

In January 2006, we sold 2,307,693 shares of our common stock to Shuffle Master for \$3.0 million and issued an 18-month warrant to purchase 1,200,000 shares of our common stock to Shuffle Master. This warrant has an exercise price of \$2.025 per share and expires on July 12, 2007. The sale of these shares and the issuance of this warrant were in connection with a strategic alliance distribution and licensing agreement between us and Shuffle Master.

On July 7, 2006, we sold 16,943,323 shares of our common stock and 8,471,657 warrants to purchase shares of our common stock to 34 accredited investors for an aggregate purchase price of approximately \$10.1 million. The warrants have a five-year term, expiring on July 7, 2011, and an exercise price of \$0.83 per share, subject to adjustment in certain circumstances, including the failure by the company to achieve certain financial targets. The warrants include a cashless exercise feature under certain circumstances when there is not an effective registration statement available for the resale of the shares of common stock issuable upon exercise of the warrants.

On November 28, 2007, we sold our 8% senior unsecured convertible debentures due 2010 in the aggregate principal amount of \$3.0 million and warrants to purchase 3,333,333 shares of our common stock to accredited investors for an aggregate purchase price of \$3.0 million. The debentures bear interest at a rate of 8% per annum, payable quarterly on January 1, April 1, July 1 and October 1 in cash or shares of common stock, or combination thereof. The debentures mature November 28, 2010 and are convertible into shares of common stock at an initial conversion price of \$0.45 per share, subject to adjustment in certain circumstances. The warrants have a five-year term, expiring on November 28, 2012, and an exercise price of \$0.50 per share, subject to adjustment in certain circumstances. The warrants are exercisable for cash or, at certain times, cashless exercise.

All of the above offerings and sales were deemed by the company to be exempt under Regulation D promulgated under the Securities Act and/or Section 4(2) of the Securities Act. We believe no advertising or general solicitation was employed in offering the securities. The offerings and sales were made to a limited number of persons, all of

whom were accredited investors or directors, executive officers or advisers of our company, and transfer was restricted in accordance with the requirements of the Securities Act of 1933 (including by legending of certificates representing the securities). Where we did not receive a representation that a purchaser was an accredited investor, we made an independent determination that such person had such knowledge and experience in financial and business matters that they were capable of evaluating the merits and risks of their investment.

Item 28. Undertakings

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which it offers or sells securities, a post-effective amendment to this registration statement:

(i) To include any prospectus required by section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events which, individually or in the aggregate, represent a fundamental change in the information set forth in this registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(iii) To include any additional or changed material information with respect to the plan of distribution.

(2) That, for the purpose of determining any liability under the Securities Act, treat each such post-effective amendment as a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) (i) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers, and controlling persons of the small business issuer pursuant to the foregoing provisions, or otherwise, the small business issuer has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable.

(ii) In the event that a claim for indemnification against such liabilities (other than the payment by the small business issuer of expenses incurred or paid by a director, officer or controlling person of the small business issuer in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the small business issuer will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

(c) Each prospectus filed pursuant to Rule 424(b)(§230.424(b) of this chapter) as part of a registration statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A (§230.430A of this chapter), shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document

immediately prior to such date of first use.
