PROXY STATEMENT

2016 ANNUAL MEETING OF SHAREHOLDERS

This Proxy Statement is furnished to holders of the common stock, par value \$2.00 per share (“Common Stock”), of New Peoples Bankshares, Inc., in connection with the solicitation of proxies by our Board of Directors on behalf of the Company to be used at the 2016 Annual Meeting of Shareholders (the “Annual Meeting”) to be held on Tuesday, May 17, 2016 at 6:00 p.m. at the Abingdon office of New Peoples Bank, 350 West Main Street, Abingdon, Virginia 24210, and any duly reconvened meeting after adjournment thereof.

Your vote is very important, regardless of the number of shares you own. You are urged to submit your vote as soon as possible. You will have the option to vote by telephone, via the Internet or by completing, dating and signing a proxy and returning it to the Company. Any shareholder who executes a proxy has the power to revoke it at any time by written notice to our Secretary, by executing a proxy dated as of a later date, or by voting in person at the Annual Meeting. It is expected that this Proxy Statement and the enclosed proxy card will be mailed on or about April 4, 2016 to all shareholders entitled to vote at the Annual Meeting.

The cost of soliciting proxies for the Annual Meeting will be borne by us. We do not intend to solicit proxies other than by use of mail, however certain officers and our regular employees or our subsidiaries, without additional compensation, may use their personal efforts, by telephone or otherwise, to obtain proxies. We may also reimburse banks, brokerage firms and other custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses in forwarding proxy materials to the beneficial owners of shares of Common Stock.

To reduce the expenses of delivering duplicate proxy materials to shareholders, we are relying upon SEC rules that permit us to deliver only one proxy statement and annual report to multiple shareholders who share an address unless we received contrary instructions from any shareholder at that address. All shareholders sharing an address will continue to receive separate proxy cards based on their registered ownership of Common Stock. Any shareholder sharing an address who does not receive an individual proxy statement and annual report may write or call Computershare Investor Services (“Computershare”) as specified below and Computershare will promptly send the materials to the shareholder at no cost. For future meetings, a shareholder may request separate copies of our proxy statement and annual report, or request that we only send one set of these materials if the shareholder is receiving multiple copies, by contacting Computershare at Attn.: Shareholder Services, 211 Quality Circle, Suite 210, College Station, TX 77845 or by telephoning Computershare toll free at 1-800-368-5948.

On March 23, 2016, the record date for determining those shareholders entitled to notice of and to vote at the Annual Meeting, there were 23,354,082 shares of Common Stock issued and outstanding. Each outstanding share of Common Stock is entitled to one vote on all matters to be acted upon at the Annual Meeting. A majority of the shares of Common Stock entitled to vote, represented in person or by proxy, constitutes a quorum for the transaction of business at the Annual Meeting.

A shareholder may abstain or (only with respect to the election of directors) withhold his or her vote (collectively, “Abstentions”) with respect to each item submitted for shareholder approval. Abstentions will be counted for purposes of determining the existence of a quorum. Abstentions will not be counted as voting in favor of the relevant item, and generally will have no effect on whether or not the item is approved.

A broker who holds shares in “street name” is prohibited from voting on certain items when it has not received instructions from the beneficial owner. Except for certain items for which brokers are prohibited from exercising their discretion, a broker is entitled to vote on matters presented to shareholders without instructions from the beneficial owner. Brokers are not permitted to vote for the election of directors, and the advisory resolution on named executive compensation without specific instruction from the beneficial owner of the shares in street name. “Broker shares” that are voted on at least one matter will be counted for purposes of determining the existence of a quorum for the transaction of business at the Annual Meeting. Where brokers do not have or do not exercise such discretion, the inability or failure to vote is referred to as a “broker nonvote.” Broker nonvotes will not be counted as voting in favor of any particular matter. “Broker shares” that are not voted on any matter at the Annual Meeting will not be counted for purposes of determining the existence of a quorum.

The Board of Directors is not aware of any matters other than those described in this Proxy Statement that may be presented for action at the Annual Meeting. However, if other matters do properly come before the Annual Meeting, the persons named in the enclosed proxy possess discretionary authority to vote in accordance with their best judgment with respect to such other matters.

PROPOSAL ONE: ELECTION OF DIRECTORS

The Board of Directors consists of nine current members, three of whom are nominated for election as directors at the Annual Meeting to serve for terms of three years each expiring on the date of the annual meeting of shareholders in 2019. Six other directors are serving terms that end in either 2017 or 2018, as indicated below.

The election of each nominee for director requires the affirmative vote of the holders of a plurality of the shares of Common Stock cast in the election of directors. If the proxy is executed in such manner as not to withhold authority for the election of any or all of the nominees for directors, then the persons named in the proxy will vote the shares represented by the proxy for the election of the three nominees named below. If the proxy indicates that the shareholder wishes to withhold a vote from one or more nominees for director, such instructions will be followed by the persons named in the proxy.

Each nominee has consented to being named in this Proxy Statement and has agreed to serve if elected. The Board of Directors has no reason to believe that any of the nominees will be unable or unwilling to serve. If, at the time of the Annual Meeting, any nominee is unable or unwilling to serve as a director, votes will be cast, pursuant to the enclosed proxy, for such substitute nominee as may be nominated by the Board of Directors. There are no current arrangements between any nominee and any other person pursuant to which a nominee was selected. No family relationships exist among any of the directors or between any of the directors and executive officers of the Company.

The following biographical information discloses each nominee's age and business experience for the past five years, unless otherwise noted, and the year that each individual was first elected to our Board of Directors or earlier to the Board of Directors of New Peoples Bank, Inc. THE BOARD OF DIRECTORS RECOMMENDS THE SHAREHOLDERS VOTE "FOR" THE NOMINEES SET FORTH ABOVE.

PROPOSAL TWO: ADVISORY VOTE

**ON THE APPROVAL OF COMPENSATION
OF THE NAMED EXECUTIVE OFFICERS**

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the Dodd-Frank Act) enables our shareholders to approve, on an advisory or nonbinding basis, the compensation of the Company's named executive officers, as described in the disclosures and discussion regarding executive compensation in this proxy statement. Our performance-related compensation philosophy is the basis for all of our compensation decisions. Please refer to "Executive Compensation" for an overview of the compensation of the Company's named executive officers, as required by Securities and Exchange Commission rules. At the 2011 Annual Meeting of Shareholders, the shareholders approved a proposal on how frequently to hold this advisory nonbinding vote on compensation for named executive officers, which was to hold such vote annually.

We are asking for stockholder approval of our named executive officers' compensation as described in this proxy. The vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and the compensation policies and practices discussed in this proxy. Because the vote is advisory, it will not be binding on the Company or its Board of Directors. However, the Compensation Committee will take into account the outcome of the vote when considering future executive compensation arrangements. The compensation of our Chief Executive Officer, C. Todd Asbury, is included in the overall executive officer compensation which is the subject of this Proposal. Mr. Asbury attends the Board's Compensation Committee although he does not participate in any discussion or approval of his own compensation. A majority vote of the shares present in person or by proxy is required to approve this resolution.

THE BOARD OF DIRECTORS RECOMMENDS THE SHAREHOLDERS VOTE "FOR" APPROVAL OF THE COMPENSATION OF THE NAMED EXECUTIVE OFFICERS.

**PROPOSAL THREE: RATIFICATION OF
APPOINTMENT OF INDEPENDENT AUDITORS**

For the year ending December 31, 2016, the Audit Committee of the Board of Directors has selected Elliott Davis Decosimo, LLC, an independent registered public accounting firm, to perform the audit of the Company's financial statements.

The selection of Elliott Davis Decosimo, LLC as the Company's independent auditors is not required to be submitted to a vote of the shareholders for ratification. The Company is doing so because it believes that it is a matter of good corporate practice. If the shareholders fail to vote on an advisory basis in favor of the selection of Elliott Davis Decosimo, LLC, the Audit Committee will reconsider whether to retain Elliott Davis Decosimo, LLC, and may retain that firm or another firm without re-submitting the matter to the shareholders. Even if the shareholders ratify the appointment, the Audit Committee may, in its discretion, direct the appointment of a different independent registered public accounting firm at any time during the year if it determines that a change would be in the Company's best interests. Approval of this Proposal requires the affirmative vote of a majority of the shares voted on the Proposal.

A representative of Elliott Davis Decosimo, LLC is expected to be at the Annual Meeting of Shareholders. That representative will have the opportunity to make a statement at the meeting and will be available to respond to appropriate questions.

THE BOARD OF DIRECTORS RECOMMENDS THE SHAREHOLDERS VOTE "FOR" THE RATIFICATION OF THE APPOINTMENT OF ELLIOTT DAVIS DECOSIMO, LLC AS THE INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE YEAR ENDING DECEMBER

CORPORATE GOVERNANCE

General

Our business and affairs are managed under the direction of the Board of Directors in accordance with the Virginia Stock Corporation Act and our Articles of Incorporation and Bylaws. Members of the Board are kept informed of our business through discussions with our executive officers and other officers, by reviewing materials provided to them and by participating in meetings of the Board and its committees.

The Board of Directors has determined that all nine members are independent as defined by the listing standards of the NASDAQ Stock Market (“NASDAQ”). In reaching this conclusion, the Board of Directors considered that the Company and its subsidiary bank may conduct business with companies of which certain members of the Board of Directors or members of their immediate families are or were directors or officers; however, in 2015, no transactions occurred with such companies.

Code of Ethics

The Board of Directors has adopted a Code of Ethics for our directors, executive officers, and senior officers who have financial responsibilities. The Code of Ethics is designed to promote, among other things, honest and ethical conduct, proper disclosure of financial information in our periodic reports, and compliance with applicable laws, rules and regulations by our senior officers who have financial responsibilities.

A copy of the Code of Ethics may be obtained on our website at www.npbankshares.com/code-of-ethics.aspx.

Whistleblower Procedures

The Audit Committee and the Board of Directors have approved procedures for the receipt, retention and treatment of reports or complaints to the Audit Committee regarding accounting, internal accounting controls, auditing matters and legal or regulatory matters. There are also procedures for the submission by Company or Bank employees of confidential, anonymous reports to the Audit Committee of concerns regarding questionable accounting or auditing matters.

Communications with Directors

Any director may be contacted by writing to him c/o Post Office Box 1810, Honaker, Virginia 24260. Communications to the directors as a group may be sent to the same address, c/o the Secretary of the Company. We promptly forward, without screening, all such correspondence to the indicated directors.

Board Leadership

The Company's and the Bank's Board of Directors are composed of non-management members. For the years 2013 and 2014 until his resignation on December 17, 2014, Jonathan H. Mullins our former Chief Executive Officer, served as a member of the Board of Directors for the Company and the Bank.

The Chairman of the Board is occupied by a non-management member and typically rotates every two years. The Board believes that the principal role of the President and Chief Executive Officer is to manage the business of the company in a safe, sound, and profitable manner. The role of the Board, including its Chairman, is to provide independent oversight of the President and Chief Executive Officer, to oversee the business and affairs of the organization for the benefit of its shareholders, to adopt or approve major policies and procedures, to oversee financial reporting and compliance, and to balance the interests of the Company's constituencies including shareholders, customers, employees, and communities. Executive sessions of the Board are held periodically with the absence of the Chief Executive Officer.

The Company's leadership structure consists of varying levels of authority, responsibility and risk exposure that increase through each incremental level of management hierarchy. The senior management team reports directly to the CEO and meets collectively on a regular basis, and dialogs daily regarding the Bank's activities. The senior management team manages every aspect of the Bank's activities and acts as a primary communications medium across all functional areas of the organization. This structure enables information and management guidance to flow easily up, down and horizontally.

Board's Role in Risk Oversight

The Board is intimately engaged in overseeing the risk management of the Company, including credit risk, liquidity risk, interest rate risk, price risk, operational risk, compliance risk, strategic risk, and reputational risk. This is accomplished through a strong committee system consisting of the Asset Liability ("ALCO") Committee, the Director's Loan Committee, the Compensation Committee, the Risk and Compliance Committee and the Audit Committee; each of which meets with scheduled frequency with its senior staff counterparts. In addition, the leadership structure of the Board of Directors (independent chair) supports the Board's independent risk oversight role. Each of these committees is composed of directors who are familiar with their areas of responsibility. Senior management is responsible for day-to-day risk management in each functional area and report at each full Board meeting on the risk-related matters within their area of responsibility. In addition, the Board receives and reviews minutes from each committee and additional commentary from each respective committee chair is provided as deemed appropriate. Data reviewed are both historical and forward-looking to enable the Board to look at both recent outcomes and to the likelihood of various future outcomes. The entire executive management team attends all Board meetings and remains for the duration of the meeting except when the Board goes into Executive Session.

Board Committees & Committee Meeting Attendance

The Boards of the Company and the Bank are identical in membership. The Boards have standing executive, nominating, audit and compensation committees (or committees performing similar functions) as listed below. The Board of Directors has adopted charters for its Audit Committee, Compensation Committee and Nominating Committee to define the duties and responsibilities of those committees. These charters are available on our website at www.npbankshares.com. The Board had established a Risk and Compliance Committee in conjunction with its formal written agreement with the Federal Reserve Bank of Richmond and the Virginia State Corporation Commission Bureau of Financial Institutions ("Written Agreement".) The Written Agreement was terminated effective January 20, 2016; however, the Risk and Compliance Committee will still continue as a committee of the Company and Bank. The Board may, from time to time, establish committees for specific, designated purposes.

There were fifteen meetings of the Board of Directors in 2015. Each of our directors attended at least 75% of the aggregate of the total number of meetings of the Board of Directors and the total number of meetings of committees on which the director served.

We encourage, but do not require, members of the Board of Directors to attend the annual meeting of shareholders. All of the directors attended the 2015 annual meeting of shareholders.

Executive Committee - The Company and the Bank also have an Executive Committee which is chaired by the Board Chair. Its members include Messrs. Keene (Chairman), Gent, Carter, and Cox. The members are elected annually by the full Board, as are the members of every standing Committee. The Executive Committee, when necessary, is empowered to act on behalf of the full Board between scheduled Board meetings. The Executive Committee met one time in 2015.

Nominating Committee - The Nominating Committee was created in May 2006 to propose prospective members for nomination to the Board of Directors. All decisions by the Nominating Committee relating to the nominations of prospective Board members are reported to the full Board of Directors. The members of the Nominating Committee include Messrs. McGlothlin (Chairman), Cox, Ball, Meade and White. All of the members of the Committee are independent as defined in the NASDAQ Stock Market Listing Rules. The Committee met once in 2015 at which time the recommendations for nominees in the 2015 proxy were discussed for the Board of Directors' approval.

Shareholders entitled to vote for the election of directors may submit candidates for consideration by the Nominating Committee if the Committee receives timely written notice, in proper form, for each such recommended director candidate. If the notice is not timely and in proper form, the nominee will not be considered. Any candidates recommended by a shareholder will be reviewed and considered in the same manner as all other director candidates considered by the Board.

In accordance with our Bylaws, any shareholder entitled to vote in the election of directors may directly nominate one or more persons for election as director(s) at an annual meeting if the nomination is made in writing. Any such shareholder nominations must be received by our Secretary within the timeframe set forth in "Proposals for 2017 Annual Meeting of Shareholders" below. To be in proper form, the notice must include (a) the name and address of the shareholder who intends to make the nomination of the person(s) and of the person(s) to be nominated; (b) a representation that the shareholder is the owner of our stock entitled to vote at such meeting and intends to appear in person or by proxy at the meeting to nominate the person(s) specified in the notice; (c) a description of all arrangements or understandings between the shareholder and each nominee for director and any other person(s) (naming such person(s)) pursuant to which the nomination(s) are to be made by the shareholder; (d) such other information regarding such nominee proposed by such shareholder as would be required to be included in a proxy statement filed pursuant to the proxy rules of the Securities and Exchange Commission, had the nominee been nominated, or intended to be nominated, by the Board of Directors, including, but not limited to, the amount and nature of his beneficial ownership of our securities and his principal occupation for the past five years; and (e) the written consent of each nominee to serve as a director if so elected.

The Nominating Committee considers, at a minimum, the following factors in recommending to the Board potential new directors, including candidates submitted by shareholders, or the continued service of existing directors:

- the ability of the prospective nominee to represent the interests of our shareholders;
- the prospective nominee's standards of integrity, commitment and independence of thought and judgment;
- the prospective nominee's ability to dedicate sufficient time, energy and attention to the diligent performance of his or her duties, including the prospective nominee's service on other public company boards; and
- the extent to which the prospective nominee contributes to the range of talent, skill and expertise appropriate for the Board of Directors.

The Board's priorities in evaluating Board candidates and the relative weight it gives to any given characteristic will vary from time to time based on the particular needs of the Board and us at the time and based on the expertise of the

incumbent members of the Board of Directors. Diversity was not considered as a factor in selecting the current directors for nomination for an additional term.

To identify candidates for nomination, the Nominating Committee does the following:

Establish criteria and qualifications for the selection of new directors to serve on the board.
Identify individuals believed to be qualified as candidates to serve on the Board (including from among those individuals recommended by shareholders) and recommend the candidates for any directorships to be filled by the Board or by the shareholders at an annual or special meeting. In addition, the Committee reviews and makes recommendations to the Board with respect to whether members of the Board should stand for re-election.

13

Conduct all necessary and appropriate inquiries into the backgrounds and qualifications of possible candidates as directors. In that connection, the Committee has sole authority to retain and to terminate any search firm used to assist it in identifying candidates to serve as directors of the Company, including sole authority to approve the fees payable to such search firm and any other terms of retention.

Review and make recommendations to the Board, as the Committee deems appropriate regarding the composition and size of the Board in order to ensure the Board has the requisite expertise and its membership consists of persons with sufficient expertise and independent backgrounds and always consists of a majority of independent directors in accordance with NASDAQ listing standards.

Compensation Committee - The Compensation Committee of the Company and the Bank reviews management's performance and compensation, and reviews and sets guidelines for compensation of all employees, including the Company's executive officers. This includes recommendations to the Board of Directors with respect to the executive officers' bonuses and long-term incentive awards. Currently, the individuals serving as Chief Executive Officer and as executive officers of the Company also serve in the same capacities, respectively, for the Bank, except for Ms. Wimmer and Mr. Beard, who only serve as executive officers of the Bank and not the Company. These executive officers are presently compensated for services rendered by them to the Bank, but not for services rendered by them to the Company. All decisions by the Compensation Committee relating to the compensation of our executive officers are reported to the full Board of Directors. Except for his own compensation, Mr. Asbury provides information and advice to the Compensation Committee regarding the form and amount of compensation of executive officers. No other executive officer participates in this process with the Committee. The Compensation Committee may not delegate its authority and has not utilized a consultant.

The Chief Executive Officer does not set his own salary or bonus or the salaries or bonuses of the other named executive officers. The CEO participates in the discussion and approval of the other named executive officers' compensation, and provides input to the Committee regarding his own but does not participate in the Compensation Committee discussions or approval of his own compensation. Recommendations are made by the Committee and the final decision resides with the Board of Directors.

The Compensation Committee and Board attempt to align performance and compensation based upon strategic goals that are incorporated in the Company's budget as approved by the Board of Directors. We believe that our conservative but competitive compensation policies and practices are unlikely to create risks that are reasonably likely to have a materially adverse effect on New Peoples. As discussed in this Proxy Statement, most of the compensation that we pay consists of annually-determined salaries and bonuses. This permits the Board of Directors to review annually the budget versus actual performance, internal policy limits for various key performance ratios, asset quality ratios, interest rate sensitivity shocks, liquidity management, and capital levels before compensation is set. All of these components together with continuation of employment are assessed each year. It is at the discretion of the Board of Directors to pay cash bonuses or any other incentives if goals are met or exceeded. So, for example, in 2015 the Board did not pay bonuses or any other incentives based compensation to any employee except for a \$500 Christmas bonus to all employees. We believe that this substantially contemporaneous approach to determining compensation is not likely to encourage excessive risk taking and in fact allows the Board to align compensation with business factors such as acceptable versus unacceptable risk taking.

The members of the Compensation Committee are Messrs. Cox (Chairman), Ball, Gent, Hearl, Meade, and White all of whom the Board in its business judgment has determined are independent as defined by the NASDAQ Stock Market Listing Rules. The Compensation Committee held four meetings in 2015. For additional information regarding executive compensation and the Compensation Committee, see “Executive Compensation and Related Party Transactions” below.

Audit Committee - The Audit Committee assists the Board of Directors in fulfilling the Board’s oversight responsibility to the shareholders relating to the integrity of our financial statements, our compliance with legal and regulatory requirements for our accounting and reporting practices, the qualifications, independence and performance of our independent public accountants and the performance of the internal audit function. The Audit Committee is directly responsible for the appointment, compensation, retention and oversight of the work of the our independent public accountants engaged for the purpose of preparing or issuing an audit report or performing other audit, review or attestation services for us. The Board of Directors and the Audit Committee have adopted a written charter for the Audit Committee.

The members of the Audit Committee are Messrs. Cox, Gent, Hearl, Keene (Chairman) and White. The Board in its business judgment has determined that all of the members of the Audit Committee are independent as defined by NASDAQ Stock Market Listing Rules for audit committee members and applicable SEC regulations. The Board of Directors also has determined that all of the members of the Audit Committee have sufficient knowledge in financial and auditing matters to serve on the Audit Committee and that Mr. Keene qualifies as an audit committee financial expert as defined by SEC regulations who is independent as defined in the NASDAQ Stock Market Rules for audit committee members.

The Audit Committee held eleven meetings in 2015. For additional information regarding the Audit Committee, see “Audit Information – Audit Committee Report” below.

Risk and Compliance Committee – The Risk and Compliance Committee of the Company and the Bank provided oversight of the Company’s and Bank’s compliance with the Written Agreement entered into on July 29, 2010 with the banking regulators. Though the Written Agreement was terminated effective January 20, 2016, the Risk and Compliance Committee will continue as a committee to provide risk and regulatory oversight for the Company and Bank. This committee oversees the Bank’s risk management’s practices to ensure that management has a process in place to identify, monitor, and manage key risks. Other areas the committee will assist the board in complying with are as follows:

- Set strategy and identify key risk related to Strategic Imperatives;
- Monitor and oversee management’s executions of the Strategic Plan;
- Set the Risk Appetite for the Holding Company and Subsidiaries;

- Understand the Bank’s System of Risk Management and Control;
- Oversee and approve the Enterprise Risk Management Policy; and
- Have direct oversight responsibility of Strategic Risk, Reputational Risk, Operational Risk and Compliance Risk.

This Committee met twelve times in 2015 and reviewed management’s progress in meeting the requirements of the Written Agreement and also reviewed risk management progress and practices. The Committee consists of Chairman B. Scott White, John D. Cox, Charles H. Gent Jr., Eugene S. Hearl, Harold Lynn Keene, and Michael G. McGlothlin.

Narrative Disclosure to Summary Compensation Table

Base Salary and Bonus

Our performance, in general, is considered in determining the amount of annual salary increases. The Compensation Committee sets base salaries at levels competitive to senior executives with comparable qualifications, experience and responsibilities, of similarly sized banks. The Virginia Bankers Association Salary Survey was used for comparison of salaries paid for similar positions and responsibilities. The Compensation Committee also takes into consideration our strategic plans and Company performance, including but not limited to, branch performance, asset quality, capital management, core deposit growth, efficiency, regulatory compliance, and earnings.

The Compensation Committee approves the named executive officers' annual salary based on the above criteria and its assessment of their past performance and expected future contributions. In addition to the internal measures above, the Board of Directors also reviews our financial performance in relation to peer group averages in the Virginia Bankers' Association Salary Survey. A subjective approach is used in its evaluation of these factors, and therefore the Compensation Committee does not rely on a formula or weights of specific factors.

The annual base salary for Ms. Wimmer was increased to \$164,800 in May 2015. Mr. Asbury's salary was increased to an annual base of \$250,000 on December 17, 2014 upon his appointment as President and Chief Executive Officer of the Company and Bank. Mr. Sexton's salary was increased to an annual base amount of \$176,348 in November of 2014.

Christmas bonuses were paid in the years 2015 and 2014 to all employees of the Company. No incentive bonuses have been paid to named executives paid for the years 2009 through 2015.

Stock Options

The stock option plan expired on May 31, 2011. The remaining outstanding options which were granted to the named executive officers, directors and other key employees were intended to provide a means for this group to increase their personal financial interest in the Company, thereby stimulating the efforts of these employees and strengthening their desire to remain with us. The stock option plan permitted the award of incentive stock options and non-qualified stock options to directors and eligible officers and key employees. The Board of Directors made grants under the stock option plan on a discretionary basis, taking into consideration the respective scope of accountability and contributions of each director and employee, including the Chief Executive Officer, to the Company. In 2011, the Compensation Committee did not award any stock options to any of the executive officers or other employees. Since the change in accounting regulations in 2005 regarding expensing stock options, no stock options have been awarded to any individuals.

There were no outstanding equity awards to the named executive officers during 2015.

We have no established policy regarding the recapturing of awards if they were granted based on financial results that are determined to have been misstated.

Other Elements of Compensation

Each named executive officer, with the exception of Mr. Pennington, is provided with the use of a company vehicle.

The Bank has established a qualified defined contribution plan that covers all full time employees including the named executive officers. Matching contributions paid by the Bank to the named executive officers is detailed in the Summary Compensation Table above.

On December 18, 2002, the Bank entered into a salary continuation agreement with Frank Sexton, Jr. If Mr. Sexton were to terminate his employment after his 65th birthday, his benefit would be \$40,500 annually to be paid in 180 monthly installments for 15 years; total value is \$366,348 (as of November 1, 2015).

Employment Agreements

Neither the Company nor the Bank has entered into an employment agreement with any of the named executive officers.

Employee Incentive Plans

In December of 2015, the Board of Directors approved two employee incentive plans that will be in effect for 2016; a Short-Term Bonus Plan and Company-Wide Profit Sharing Plan. The Short-Term Bonus Plan is designed to reward and recognize individual employees “on-the-spot” for extraordinary performance/accomplishments. These bonuses will be paid to individual employees in amounts ranging from \$100 to \$1,000 (with an aggregate annual amount for all short term bonuses not to exceed \$25,000) and will be awarded on recommendation of senior officers with the approval of the President and Chief Executive Officer. The second plan is a Company-Wide Profit Sharing Plan which allows all employees of New Peoples Bank to share in the profits of the Company when strategic goals are met. For 2016 the Board of Directors has budgeted a total of \$225,000 for this plan. The Plan is designed to reward employees a percentage of his or her annual salary, or a flat dollar amount for commissioned or lower-wage employees, for Company performance when the Company exceeds a budgeted net income for the year. Adjustments to the budgeted amount are made depending on the Company’s net income for the year. If the Company’s net income

exceeds the budgeted net income the profit sharing pool is increased by 25% of the overage (but in no event will the total bonus pool exceed 10% of reportable net income in any year. Similarly if the Company does not make its budgeted net income for the year the bonus pool is reduced by the shortfall which is added back into net income until it equals the budgeted amount or the bonus pool is exhausted as the case may be. The Board of Directors has established an award schedule that allocates the bonus pool by percentage based on the employee's position with the Company.

Certain Relationships and Related Transactions

Certain of our directors and officers and persons with whom they are associated have had, and expect to have in the future, banking transactions with us. Any extensions of credit to our directors and officers are made in the ordinary course of business, were required to be on substantially the same terms, including interest rates and collateral, as comparable transactions to non-related parties at the time of the extension of credit, and did not involve more than the normal risk of collectability or present other unfavorable features, pursuant to Regulation O – Loans to Executive Officers, Directors and Principal Shareholders of Member Banks.

We have not adopted a formal policy that covers the review and approval of related person transactions by our Board of Directors. The Board, however, does review all related party transactions that are proposed to it for approval. During such a review, the Board will consider, among other things, the related person's relationship to us, the facts and the circumstances of the proposed transaction, the aggregate dollar amount of the transaction, the related person's relationship to the transaction and any other material information. Our Audit Committee has the responsibility to review significant conflicts of interest involving directors or executive officers.

Audit Committee Report

The Audit Committee has furnished the following report:

Management is responsible for our internal controls, financial reporting process and compliance with laws and regulations and ethical business standards. Our independent public accountants are responsible for performing an independent audit of our consolidated financial statements in accordance with generally accepted auditing standards and issuing a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes on behalf of the Board of Directors.

In this context, the Audit Committee has reviewed and discussed with management and Elliott Davis Decosimo, our independent public accountants for 2015, the audited financial statements. Management represented to the Audit Committee that our consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States.

The Audit Committee has discussed with the independent public accountants the matters required to be discussed by Statement on Auditing Standards No. 61 (Professional Standards), as amended, including its judgments about the quality, not just the acceptability, of our accounting principles and underlying estimates in our consolidated financial statements; all critical accounting policies and practices to be used; all alternative treatments within generally accepted accounting principles for policies and practices related to material items that have been discussed with our management; and other material written communication between the independent public accountants and our management, such as any management letter or schedule of unadjusted differences.

In addition, the Audit Committee has received from the independent public accountants the written disclosures and the letter required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the audit committee concerning independence, and discussed with them their independence from us and our management. Moreover, the Audit Committee has considered whether the independent public accountants' provision of other non-audit services to us is compatible with maintaining their independence from us.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in our Annual Report on the Form 10-K for the fiscal year ended December 31, 2015, for filing with the Securities and Exchange Commission. By recommending to the Board of Directors that the audited financial statements be so included, the Audit Committee is not opining on the accuracy, completeness or presentation of the information contained in the audited financial statements.
