Item 4. Description of Securities

Not applicable.

Item 5. Interests of Named Experts and Counsel

Naran U. Burchinow, our Vice President, General Counsel and Secretary has issued an opinion regarding certain legal matters and matters with respect to Ohio law. He has been granted 4,950 stock only stock appreciation rights and 5,425 performance restricted share units. Additionally, he has direct ownership of 19,604 shares of common stock.

Item 6. Indemnification of Directors and Officers

Section 1701.59 of the Ohio General Corporation Law, inter alia, empowers an Ohio corporation to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding (other than an action by or in the right of the corporation) by reason of the fact that such person is or was a director, officer, employee or agent of the corporation or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him or her in connection with such action, suit or proceeding if he or she acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was

unlawful. Similar indemnity is authorized for such person against expenses (including attorneys' fees) actually and reasonably incurred in connection with the defense or settlement of any such threatened, pending or completed action or suit if such person acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the corporation, and provided further that (unless a court of competent jurisdiction otherwise provides) such person shall not have been adjudged liable to the corporation. Any such indemnification may be made only as authorized in each specific case upon a determination by the shareholders or disinterested directors or by independent legal counsel in a written opinion that indemnification is proper because the indemnitee has met the applicable standard of conduct.

Section 1701.59 further authorizes a corporation to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation or enterprise, against any liability asserted against him or her and incurred in any such capacity, or arising out of his or her status as such, whether or not the corporation would otherwise have the power to indemnify him or her under Section 1701.59. The Company maintains policies insuring its and its subsidiaries' officers and directors against certain liabilities for actions taken in such capacities, including certain liabilities under the Securities Act of 1933.

Article IV of the Code of Regulations of the Company provides for indemnification of the directors and officers of the Company to the full extent permitted by law, as now in effect or later amended. In addition, the Code of Regulations provides for indemnification against expenses incurred by a director or officer to be paid by the Company in advance of the final disposition of such action, suit or proceeding; provided, however, that if required by the Ohio General Corporation Law, an advancement of expenses will be made only upon receipt of an undertaking by or on behalf of the director or officer to repay such amount if it shall be ultimately determined that he or she is not entitled to be indemnified by the Company. The Code of Regulations further provides for a contractual cause of action on the part of directors and officers of the Company with respect to indemnification claims which have not been paid by the Company.

Article Six of the Company's Restated Articles of Incorporation limits to the fullest extent permitted by the Ohio General Corporation Law as the same exists or may have been amended, the personal liability of the Company's directors to the Company or its shareholders for monetary damages for a breach of their fiduciary duty as directors. Section 1701.59 of the Ohio General Corporation Law currently provides that such provisions do not eliminate the liability of a director (i) for a breach of the director's duty of loyalty to the Company or its shareholders; (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law; (iii) under Section 1701.59 of the Ohio General Corporation Law (relating to the declaration of dividends and purchase or redemption of shares in violation of the Ohio General Corporation Law); or (iv) for any transaction from which the director derived an improper benefit.

Item 9. Undertakings

The undersigned Registrant hereby undertakes (1) to file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement to include any material information with respect to the plan of distribution in the Share Purchase Plan not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement; (2) that, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities

offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; and (3) to remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
