(2)

Have all other periodic reports required under Section 13 or 15(d) of the Securities Exchange Act of 1934 or Section 30 of the Investment Company Act of 1940 during the preceding 12 months or for such shorter period that the Registrant was required to file such report(s) been filed?

If the answer is no, identify report(s). Yes No

(3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof? Yes No

The following is an explanation of Cordia's unaudited anticipated changes:

1.

Cordia's operating revenues for the year ended December 31, 2008, increased by approximately \$29,790,000 or approximately 68.7%, to approximately \$73,159,000 as compared to approximately \$43,369,000 reported for the year ended December 31, 2007. Approximately \$24,168,000 of this increase was attributable to our prepaid service offerings, which were launched during 2008.

2.

Cordia's gross profit increased approximately \$2,288,000 from the prior year due to a revenue increase of 68.7% offset, in part, by a decrease in gross profit margin. Gross profit margin decreased to 27.83% in 2008 from 41.67% in 2007. The decrease in gross profit margin percentage was due to the increase of cost of revenues associated with our prepaid services which typically has a lower gross profit than our wireline and VOIP divisions.

3.

Cordia's consolidated operating expenses increased by approximately \$2,215,000 or 10%, to approximately \$23,533,000 for fiscal 2008, as compared to approximately \$21,318,000 during fiscal 2007. Approximately \$1,100,000 was related to prepaid services and approximately \$513,000 was related to an increase in our provision for bad debts.

4.

Cordia's other income and expenses increased approximately \$2,345,000 to \$2,902,000 during 2008. Included in this amount is a loss provision of \$1,360,000 for potential penalties and interest on fees and taxes owed to various governmental agencies. In addition, Cordia's factoring fees and interest expense increased by approximately \$496,000 and \$201,000, respectively, over the prior year.

Cordia Corporation has caused this notification to be signed on its behalf by the undersigned hereunto duly authorized.
