### PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS TO BE HELD ON  
THURSDAY, MAY 22, 2003

### INTRODUCTION

This Proxy Statement and the accompanying Notice of Annual Meeting and Proxy Card are being furnished, on or about April 24,

## Edgar Filing: INNOVO GROUP INC - Form DEF14A

2003, to the stockholders of Innovo Group Inc. (the "Company") in connection with the solicitation of proxies by the Board of Directors of the Company to be used at the 2003 Annual Meeting of Stockholders of the Company (the "Annual Meeting") to be held on Thursday, May 22, 2003 at 10:00 a.m. (local time) The Wyndham Commerce Hotel, 5757 Telegraph Road, Commerce, CA 90040, and any adjournment thereof. The Company's 2002 Annual Report, which includes its consolidated financial statements and is not part of the proxy solicitation material, is being mailed with this Proxy Statement.

At the Annual Meeting, the holders of the Company's Common Stock (the "Common Stock") will vote upon: (a) the election of seven directors to serve until the Company's 2004 annual meeting of stockholders and until their respective successors are elected and qualified; (b) amendments to the 2000 Employee Stock Incentive Plan to increase the number of shares of Common Stock available for issuance under the 2000 Employee Stock Incentive Plan by 2,000,000 shares from 1,000,000 to 3,000,000 shares and to increase the maximum number of shares of the Company's Common Stock that may be granted under the 2000 Employee Stock Incentive Plan to any individual during any calendar year from 500,000 shares to 1,250,000 shares (the "2000 Employee Stock Incentive Plan Amendments"); (c) the ratification of the appointment of Ernst & Young, LLP as the Company's independent auditors for the fiscal year ending November 30, 2003; and (d) such other matters as may properly come before the Annual Meeting or any adjournment or postponement thereof.

A proxy for use at the Annual Meeting is enclosed. Any stockholder who executes and delivers such proxy has the right to revoke it at any time before it is exercised. The presence of a stockholder at the Annual Meeting will not automatically revoke such stockholder's proxy. Stockholders may, however, revoke a proxy at any time prior to its exercise by filing with the Secretary of the Company a written notice of revocation, by delivering to the Company a duly executed proxy bearing a later date or by attending the Annual Meeting and voting in person.

Subject to such revocation, if the enclosed form of proxy is properly executed and returned to the Company in time to be voted at the Annual Meeting, the shares represented thereby will be voted in accordance with the instructions thereon. If no instruction is specified with respect to a written matter to be acted upon, shares represented by the proxy will be voted: (a) "FOR" election of the Board of Director's seven nominees for director; (b) "FOR" 2000 Employee Stock Plan Amendments; and (c) "FOR" the ratification of the appointment of Ernst & Young LLP as the Company's independent auditors.

If any other matters are properly brought before the Annual Meeting, proxies will be voted in the discretion of the proxy holders. The Company is not aware of any other matters to be presented at its Annual Meeting.

The cost of preparing, assembling, printing and mailing this Proxy Statement and the material used in the Solicitation of Proxies will be borne entirely by the Company. It is contemplated that the proxies will be solicited by mail, but directors, officers and regular employees of the Company may

## Edgar Filing: INNOVO GROUP INC - Form DEFR14A

solicit proxies personally, without extra remuneration, by personal interviews, telephone, telegraph or otherwise. The Company will request persons, firms and corporations holding shares in their name or in the names of their nominees, which are beneficially owned by others, to send proxy materials to and obtain proxies from the beneficial owners and will reimburse the holders for their reasonable expenses in doing so.

### VOTING SECURITIES

The securities that may be voted at the Annual Meeting are the Company's shares of Common Stock. Each outstanding share of Common Stock entitles its owner to one vote on each matter as to which a vote is taken at the Annual Meeting. Holders of Common Stock do not have cumulative voting rights. The close of business on April 17, 2003 has been fixed by the Board of Directors as the record date (the "Record Date") for determination of stockholders entitled to notice of and to vote at the Annual Meeting. On the Record Date, approximately 15,129,764 shares of Common Stock will be outstanding and entitled to vote. The presence, in person or by proxy, of the holders of record of at least a majority of the shares of Common Stock issued and outstanding and entitled to vote on the Record Date is necessary to constitute a quorum for the transaction of business at the Annual Meeting.

A plurality of the votes duly cast by holders of Common Stock is required for the election of the directors. That is, the nominees receiving the greatest number of votes will be elected.

Approval of the 2000 Employee Stock Plan Amendments requires the affirmative vote of a majority of the votes duly cast by holders of Common Stock.

Ratification of the appointment of Ernst & Young, LLP as the Company's independent auditors for the fiscal year ending November 30, 2003 requires the affirmative vote of a majority of the votes duly cast by holders of Common Stock.

Unless otherwise required by law or the Company's Certificate of Incorporation or the Company's Amended and Restated Bylaws (the "Bylaws"), any other matter put to a stockholder vote will be decided by the affirmative vote of a majority of the votes duly cast by holders of Common Stock.

Abstentions and broker non-votes will be counted as present for the purpose of determining if a quorum is present. Broker non-votes occur when a nominee holding shares for a beneficial owner does not vote on a particular matter because the nominee does not have discretionary voting power with respect to that matter and has not received instructions from the beneficial owner.

In connection with the election of the director nominees, the approval of the 2000 Employee Stock Plan Amendments, the ratification of the appointment of Ernst & Young, LLP as the Company's independent auditors for the fiscal year ending November 30, 2003 and the adoption of all other proposals that may properly come before the Annual Meeting, abstentions and broker non-votes will not be deemed "votes cast" and accordingly will not have the effect of votes in opposition.

## NO APPRAISAL RIGHTS

Under the General Corporation Law of the State of Delaware, stockholders of the Company do not have appraisal rights in connection with any of the proposals upon which a vote is scheduled to be taken at the Annual Meeting.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE FOR APPROVAL OF THE PROPOSALS SET FORTH IN THIS PROXY STATEMENT.

### ELECTION OF DIRECTORS (PROPOSAL 1)

The Company's Bylaws provide that the Board of Directors shall consist of not fewer than three Directors, with the exact number of Directors (subject to such minimum and any range of size established by the Company's stockholders) to be determined by resolution of the Board of Directors. The Board of Directors currently consists of seven Directors. At the Annual Meeting, seven Directors will be elected to serve until the 2004 annual meeting of stockholders, which is expected to be held in May 2004. The Board of Directors' nominees for election are set forth below.

Each of the Company's Directors is elected at the annual meeting of stockholders and serves until the next annual meeting and until a successor has been elected and qualified or their earlier death, resignation or removal. Vacancies in the Board of Directors are filled by a majority vote of the remaining members of the Board of Directors.

In connection with investments by Commerce Investment Group, LLC and other investors affiliated with Hubert Guez ("Commerce Group") during August and October 2000, (as discussed in this Proxy Statement under "Certain Related Party Transactions"), the Company agreed that Mr. Guez shall have the right to nominate three individuals for election to the Board. Additionally, one of Mr. Guez's nominees, if elected, shall have the right to serve on each of the Company's Board committees. Mr. Guez has not nominated any Board member at this time. Joseph Mizrachi,

## Edgar Filing: INNOVO GROUP INC - Form DEFR14A

pursuant to investments made in October 2000, has the right to nominate one individual for election to the Board, with this individual having the right to serve on the Company's Board committees upon election. Mr. Mizrachi, at this time, has not nominated a member to the Board.

As a condition to the investment made by the Commerce Group, the Company amended its Bylaws to provide that from November 2, 2000 until November 1, 2003 the number of members of the Board of Directors will be between three and twelve, with the exact number to be designated by the Board of Directors. The investments made by the Commerce Group are further discussed in this Proxy Statement under "Certain Relationships and Related Transactions."

Unless otherwise instructed on the proxy, properly executed proxies will be voted for the election as Directors of all of the nominees set forth below. The Board of Directors believes that all such nominees will stand for election and will serve if elected. However, if any of the persons nominated by the Board of Directors fails to stand for election or is unable to accept election, proxies will be voted by the proxy holders for the election of such other person or persons as the Board of Directors may recommend. Directors will be elected by a plurality vote.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE ELECTION OF ITS NOMINEES FOR DIRECTORS.

## Edgar Filing: INNOVO GROUP INC - Form DEFR14A

In performing its oversight function, the Audit Committee reviewed and discussed the audited consolidated financial statements of the Company as of and for the year ended November 30, 2002 with management and the Company's independent auditors. The Audit Committee also discussed with the Company's independent auditors all matters required by generally accepted auditing standards, including those described in Statement on Auditing Standards No. 61, "Communication with Audit Committees" as amended by the Auditing Standards Board of the American Institute of Certified Public Accountants, and, with and without management present, discussed and reviewed the results of the independent auditors' examination of the financial statements.

The Audit Committee obtained from the independent auditors a formal written statement describing all relationships between the independent auditors and the Company that might bear on the independent auditors' independence consistent with Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees." The Audit Committee discussed with the independent auditors any relationships that may have an impact on their objectivity and independence and satisfied itself that the non-audit services provided by the independent accountants are compatible with maintaining its independence.

Based on the above-mentioned review and discussions with management and the independent auditors, the Audit Committee recommended to the Board of Directors that the Company's audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended November 30, 2002 for filing with the Securities and Exchange Commission.

### COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

During 2002, the Executive Compensation Committee of the Board of Directors was comprised of John G. Looney, MD, Daniel A. Page and Marc B. Crossman. Mr. Crossman resigned from this Committee when he was appointed to be the Company's Chief Financial Officer. Mr. Suhail R. Rizvi replaced Mr. Crossman on the Executive Compensation Committee.

During 2002, no executive officer of the Company served on the board of directors or compensation committee of any other entity that had one or more executive officers serving as a member of the Board or Executive Compensation Committee of the Company.

### REPORT OF THE EXECUTIVE COMPENSATION COMMITTEE

As the Company's business grows, the Executive Compensation Committee expects to work closely with management to design an executive compensation program to assist the Company in attracting and retaining needed outstanding executives and senior management personnel. The design and implementation of such program will evolve as needed, but will be based primarily on two

elements: (i) providing compensation opportunities that are competitive with competing companies of similar size; and (ii) linking executives' compensation with the Company's or a division's financial performance by rewarding the achievement of short-term and long-term objectives of the Company.

The three principal components of the executive compensation program are expected to include annual base salary, short-term incentive compensation in the form of performance bonuses payable in cash each year, and long-term incentive compensation in the form of stock options. The Company has not previously needed to attract additional executive management through its compensation arrangement, but expects have such requirements in the near future. Executive officers of the Company are elected on an annual basis and serve at the discretion of the Board of Directors.

Mr. Jay Furrow became Chief Executive Officer in July 2002, succeeding Ms. Patricia Anderson, who currently serves as the Company's President. Prior to December 2002, the annual base salary for both Mr. Furrow and Ms. Anderson was \$150,000 and \$200,000 respectively. As of December 2002, the annual compensation for both Mr. Furrow and Ms. Anderson was increased to \$275,000 in base salary in addition to each receiving, in December 2002, a stock option grant of 100,000 of Common Stock with an exercise price of \$2.40 per share expiring in December 2007. Up to 1,000,000 shares of Common Stock, subject to adjustment as provided in the 2000 Employee Plan, may be issued under the 2000 Employee Plan.

During fiscal 2002, the Executive Compensation Committee met during the Company's Board meeting held on November 27, 2002 at which time the Executive Compensation Committee voted in favor of granting the Company's Chief Executive Officer, Samuel J. Furrow, Jr. and the Company's President, Patricia Anderson each a raise to an annual salary of \$275,000 and 100,000 options priced at \$2.40. Such compensation was approved by the Executive Compensation Committee and ratified by the full Board of Directors and was based on individual performance and analysis of compensation for the positions at comparative companies.

Neither Ms. Anderson nor Mr. Furrow have employment agreements with the Company.

The SEC requires that this report comment upon the Company's policy with respect to Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Tax Code"), which limits the deductibility of the Company's tax return of nonperformance-based compensation in excess of \$1 million paid to any Named Executive Officers. The Executive Compensation Committee is monitoring the effects of the Company's compensation programs with respect to Section 162(m) of the Tax Code. To date, the Company has not suffered a loss of compensation deduction as a result of the \$1,000,000 limitation. The Executive Compensation Committee reserves the right to design programs that recognize a full range of performance criteria critical to the Company's success, even where the compensation paid under such programs may not be deductible.

### STOCK PLANS

#### 2000 Employee Plan

See "Proposal 2 - Proposal to Amend the 2000 Employee Stock Incentive Plan to Increase the Number of Shares Available under the 2000 Stock Employee Incentive Plan" for a summary description of the 2000 Employee Plan.

#### 2000 Director Plan

The purpose of the 2000 Director Plan is to permit the granting of stock options to Directors of the Company who are not employees of the Company at an exercise price less than market value at the date of grant in lieu of paying Directors' fees in cash, thereby advancing the interests of the Company by encouraging and enabling the acquisition of its common stock by Directors whose judgment and ability are relied upon by the Company for the attainment of its long-term growth and development. Accordingly the 2000 Director Plan is intended to promote a close identity of interest among the Company, the Directors, and its stockholders, as well as to provide a means to attract and attain well-qualified Directors. The 2000 Director Plan was adopted by the Company's Board of Directors on September 13, 2000 and approved by stockholders at the 2000 annual shareholder's meeting.

There are authorized for issuance or delivery upon the exercise of options to be granted from time to time under the 2000 Director Plan an aggregate of 500,000 shares, subject to adjustment as provided in the 2000 Director Plan. As of March 25, 2002, 142,564 shares have been issued under the 2000 Director Plan. The 2000 Director Plan is administered by

## Edgar Filing: INNOVO GROUP INC - Form DEFR14A

the Executive Compensation Committee, which shall consist of not less than two Directors appointed by the Board.

The 2000 Director Plan provides for the automatic grant of options to directors of the Company and its affiliates and subsidiaries (an "Affiliate") in place of director's fee payable in cash. Each non-management member of the Board of Directors receives annual compensation in the form of options to buy Common Stock with a nominal initial value of \$10,000. Board Members currently do not receive additional compensation for serving on the Company's Board committees.

Each option has an exercise price equal to one-half of the market price on the date of grant, and covers a number of shares equal to \$10,000 divided the exercise price per share. The market price is determined as of the close of business on the day of the Company's Board meeting immediately following the Company's annual shareholder meeting. The 2000 Director Plan will continue in effect until September 2010, unless terminated earlier. Options granted under the 2000 Director Plan are nonqualified stock options.

During 2002, the non-employee directors received exercisable 20-year term options to purchase 10,000 shares with an exercise price of \$1.00 per share under the Company's 2000 Director Plan in lieu of cash directors' fees.

### Anderson Stock Purchase Agreement

Pursuant to a Stock Purchase Right Award granted in February 1997, the Company's president purchased 250,000 shares of common stock (the Award Shares) with payment made by the execution of a non-recourse note (the Note) for the exercise price of \$2.81 per share (\$703,125 in the aggregate). The Note was due, without interest, on April 30, 2002, and was collateralized by the 1997 Award Shares. The Note may be paid or prepaid (without penalty) by (i) cash, or (ii) the delivery of the Company's common stock (other than the Award Shares) held for a period of at least six months, which shares would be credited against the Note on the basis of the closing bid price for the Common Stock on the date of delivery.

On July 18, 2002, the Board of Directors voted in favor of extending the term of Note until April 30, 2005. The remaining provisions of the Note remained the same. At November 30, 2002, \$703,000 remains outstanding under this promissory note.

### Purchases of Goods and Services

During fiscal 2000, the Company restructured its operations to focus on its core product categories with the highest volume and profit margin. The Company also raised additional working capital and converted certain indebtedness to equity. The restructuring was undertaken as a condition to the equity investment by the Commerce Group, a strategic investment partner, and resulted in Commerce and its affiliates becoming an affiliate of the Company. In an effort to reduce product costs and increase gross profit, the Company shifted manufacturing to third-party foreign manufacturers and outsourced certain distribution functions to the Commerce Group to increase the effectiveness of the distribution network and reduce freight costs. In September 2000, the Company completed the closure of its Knoxville, Tennessee, manufacturing and distribution operations and realigned these functions in accordance with terms under certain supply and distribution agreements with Commerce Group.

These agreements provide for Commerce Group or its designated affiliates to manufacture and supply specified craft products to the Company at agreed upon prices. In addition, Commerce Group provides distribution services to the Company for its craft products for an agreed upon fee, including warehousing, shipping and receiving, storage, order processing, billing, customer service, information systems, maintenance of inventory records, and all direct labor and management services. These agreements, which expired in 2002, were renewed for a two-year term ending 2004 and are renewable thereafter for consecutive two-year terms unless terminated by either party with 90 days notice. Purchases of craft goods and distribution services during the initial term were subject to a minimum of \$3,000,000, which the Company purchased from Commerce Group during the first term of the agreement. No minimum obligation is required for the renewal periods.

As required under the terms of the Commerce Group investment, the Company's Innoovo subsidiary purchased its craft goods and distribution and operational services from Commerce Group in fiscal 2002, 2001 and 2000. The services purchased included but were not limited to accounts receivable collections, certain general accounting functions, inventory management and

During fiscal 2002 and fiscal 2001, Joe's and IAA purchased goods and services from Commerce Group. Joe's and IAA did not purchase goods or services from Commerce Group in 2000. The purchases were made based on Joe's and IAA's needs during the period and were not made pursuant to contractual obligations. The distribution expenses are reflected in the cost of goods sold in the Company's financial statements. The following schedule represents Joe's and IAA's purchases from Commerce Group (in thousands):

		Joe's		IAA

Additionally, the Company is charged an allocation expense from Commerce Group for expenses associated with the Company occupying space in Commerce Group's Commerce Group, California facility and the use of general business machines and communication services. These expenses totaled approximately \$25,000 for fiscal 2002 and fiscal 2001.

The Company from time to time will advance or loan funds to Commerce Group for use in the production process of the Company's goods or for other expenses associated with the Company's operations. The Company believes that all the transactions conducted between the Company and Commerce Group were completed on terms that were competitive and at market rates.

As part of the Commerce Group transaction completed in 2000, Mr. Hubert Guez, a principal of the Commerce Group, was given the right to nominate three directors to the Company's Board of Directors. Additionally, if elected, one of Mr. Guez's nominees shall have the right to serve on each of the Company's Board committees.

Azteca Production International, Inc.

In the third quarter of fiscal 2001, the Company acquired Azteca Productions International, Inc.'s Knit Division and formed the subsidiary Innovo-Azteca Apparel, Inc. Azteca Production International, Inc. is an affiliate of the Commerce Group and Mr. Hubert Guez. Pursuant to equity transactions completed in 2000, Azteca Production International, Inc. and its principals, including Mr. Hubert Guez, became affiliates of the Company. The Company purchased the Division's customer list, the right to manufacture and market all of the Knit Division's current products and entered into certain non-compete and non-solicitation agreements and other intangible assets associated with the Knit Division. As consideration, the Company issued to Azteca, 700,000 shares of Company's Common Stock valued at \$1.27 per share based upon the closing price of the common stock on August 24, 2001, and promissory notes in the amount of \$3.6 million. Included in due to related parties is \$2,250,000 at November 30, 2002 relating to amounts due to Commerce Group for goods and services described above.

### Facility Lease Arrangements

The Company currently leases its Knoxville, TN office and storage space from a company owned by Sam Furrow, the Company's Chairman. The office space is approximately 5,000 square feet consisting of the first floor of a two-story building located in downtown Knoxville, Tennessee, with a monthly rental of \$3,500 triple net. The storage space is used by the Company to store its documents and is currently rented on a month-to month basis for \$450 per month.

### Crossman Loan to the Company

On February 7, 2003 the Company entered into a loan agreement with Marc Crossman, a member of the Company's Board of Directors and Chief Financial Officer. The loan was funded by Mr. Crossman in two phases of \$250,000 each on February 7, 2003 and February 13, 2003 for an aggregate loan value of \$500,000. In the event of default, each phase is collateralized by 125,000 shares of the Company's Common Stock as well as a general claim on the assets of the Company, subordinate to existing lenders. Each phase matures six months and one day from the date of its respective funding, at which point the principal amount and any accrued interest is due in full. The loan carries an 8% annualized interest rate with interest due on a monthly basis. The loan may be repaid by the Company at any time during the term of the loan without penalty. Further, the Company has the option to extend the term of the loan for an additional period of six months and one day at anytime before maturity. The disinterested directors of the Company approved the Loan from Mr. Crossman.

### Joseph Mizrachi and Yardworth Mortgage Corp. Transactions

## Edgar Filing: INNOVO GROUP INC - Form DEFR14A

Pursuant to a convertible note and pledge agreement dated on or about November 1, 2000 ("Note") whereby Yardworth Mortgage Corp. ("Yardworth") loaned Joseph Mizrachi ("Mizrachi") \$1,500,000, Yardworth had the right to convert the outstanding Note into an 85% membership interest in Innovation, LLC, a Delaware limited liability company ("Innovation"), wholly-owned by Mizrachi. Innovation owns 1,812,500 shares of the Company and 1,500,000 shares of Common Stock subject to currently exercisable warrants with an exercise price of \$2 per share expiring October 31, 2003. Yardworth's 85% membership interest in Innovation equals 1,540,625 shares of the Company and 1,275,000 shares of common stock subject to currently exercisable warrants to purchase shares of the Company. On February 6, 2003, Yardworth provided written notice to Mizrachi that it was converting the Note into the 85% membership interest in Innovation effective February 21, 2003. Yardworth has the right to vote all shares and warrants owned by Innovation. Seymour Braun, an attorney located at 110 East 59th Street, Suite 3201, New York, NY 10022, is the sole trustee of Praha Trust ("Praha"), a trust organized under the laws of Canada, with an address of 105 Penstraat, Curacao, Netherlands Antilles. Praha is the beneficial owner of Yardworth. This information is based solely upon information set forth in a Schedule 13D filed with the Securities and Exchange Commission, dated March 6, 2003.

Pursuant to an investment with Mizrachi and his affiliates, in October 2000, the Company granted Mizrachi the right to nominate an individual to serve on the Company's Board of Directors, and if elected, the nominated Director shall have the right to serve on each of the Company's Board committees.

### Section 16 Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires the Company's directors, officers and persons who beneficially own more than ten percent of a registered class of the Company's equity securities, to file reports of ownership and changes in ownership with the Securities and Exchange Commission (the "Commission") on a timely basis. Directors, officers and greater than ten percent beneficial owners are required by the Commission's regulations to furnish the Company with copies of all Section 16(a) forms they file.

Based solely on a review of copies of such forms furnished to the Company and certain of the Company's internal records, or upon written representations that no Form 5s were required, the Company believes that during the year ended December 31, 2001, all Section 16(a) filing requirements applicable to its directors, officers and greater than ten percent beneficial owners were satisfied on a timely basis except that Mr. Guez inadvertently failed to timely file a Form 4 reporting the acquisition of 500 shares in December 2001, the acquisition of 2,100 shares in January 2002 and the acquisition of 1,300 shares in February 2002.

## Edgar Filing: INNOVO GROUP INC - Form DEFR14A

GRANTED TO ANY INDIVIDUAL DURING ANY CALENDAR YEAR

(PROPOSAL 2)

### General

The Board of Directors has unanimously adopted a resolution approving, declaring and recommending to the holders of Common Stock for their approval, amendments to the 2000 Employee Stock Incentive Plan to increase the number of shares of Common Stock available for issuance under the 2000 Employee Stock Incentive Plan from 1,000,000 to 3,000,000 shares and to increase the maximum number of shares of the Company's Common Stock that may be granted under the 2000 Employee Stock Incentive Plan to any individual during any calendar year from 500,000 shares to 1,250,000 shares (the "Amended 2000 Employee Stock Plan"). As of March 25, 2003, 930,000 shares were subject to issuance under options and 70,000 shares of Common Stock are available for the grant of options under the 2000 Employee Stock Incentive Plan. The Board believes that the 2000 Employee Stock Plan Amendments are important in order to attract, retain and reward valuable personnel. The principal provisions of the 2000 Employee Stock Incentive Plan, as amended, are summarized below. This summary does not purport to be a complete and is qualified in its entirety by reference to the provisions of the 2000 Employee Stock Incentive Plan, a copy of which may be obtained by written request from the Secretary of the Company. Capitalized term used but not defined in this proxy statement, shall have the meanings set forth in the 2000 Employee Stock Incentive Plan.

### Purpose

The purpose of the Amended 2000 Employee Stock Plan is to: (a) provide incentive to officers and key employees of the Company and its Affiliates to stimulate their efforts toward the continued success of the Company and to operate and manage the business in a manner that will provide for the long-term growth and profitability of the Company; (b) encourage stock ownership by officers and key employees by providing them with a means to acquire a proprietary interest in the Company, acquire shares of stock, or to receive compensation which is based upon appreciation in the value of stock; and (c) provide a means of obtaining, rewarding and retaining key personnel and consultants.

### Administration

The Amended 2000 Employee Plan will be administered by a committee appointed by the Board of Directors of the Company. The Board of Directors has appointed the Executive Compensation Committee of the Board of Directors to administer the Amended 2000 Employee Stock Plan (the "Plan Committee"). The Plan Committee has exclusive authority to grant stock options, interpret the Amended 2000 Employee Stock Plan and otherwise administer the Amended 2000 Employee Stock Plan.

### Eligibility

Stock incentives may be granted only to officers, key employees and consultants of the Company, or any affiliates of the Company; provided, however, that an incentive stock option

## Edgar Filing: INNOVO GROUP INC - Form DEFR14A

may only be granted to an employee of the Company or any subsidiary corporation of the Company within the meaning of Section 424(f) of the Internal Revenue Code of 1986, as amended (the "Code"). The Plan Committee selects grantees and determines the number of shares to be subject to each award, taking into account the duties and responsibilities of the grantee, the value of the grantee's services, the grantee's present and potential contribution to the success of the Company and other relevant factors.

### Shares Available for Issuance and Limits

Subject to adjustment, under the Amended 2000 Employee Plan, 3,000,000 shares of Common Stock will be available for the grant of options, all of which may be granted as incentive stock options. For purposes of this limit, any Common Stock subject to a stock incentive that is forfeited, cancelled, expires or otherwise not settled in full will again be available for award under the Amended 2000 Employee Stock Plan. This is an increase from the share limit of 1,000,000 shares of Common Stock that is currently available under the 2000 Employee Stock Plan.

The maximum number of shares of Common Stock with respect to which options may be granted to any individual during any calendar year is 1,250,000. Under the Code, the aggregate market value of stock with respect to which incentive stock options become exercisable for the first time under all plans of the Company by an individual during any calendar year may not exceed \$100,000. This is an increase from the individual share limit of 500,000 shares of Common Stock that is currently available under the 2000 Employee Stock Plan.

The market value of the Company's Common Stock as reported on NASDAQ as of April 22, 2003 was \$2.72 per share.

### Type of Awards

Incentive stock options and nonqualified stock options may be granted under the 2000 Employee Plan. In addition, the Plan Committee may award cash bonuses to participants to pay all or a portion of any federal, state or local taxes imposed upon such participant as a consequence of the grant and/or exercise of a stock incentive. All awards shall be evidenced by an agreement between the Company and the participant.

### Terms of Options

**Vesting and Exercise.** Upon grant, the Plan Committee determines when options may will become vested and exercisable.

**Exercise Price.** The exercise price of any option is determined by the Plan Committee upon grant and may not be less than 100% of fair market value of the Common Stock on the date that it is granted. No options granted under the Plan may be directly or indirectly repriced.

**Method of Exercise.** Options may be exercised, in whole or in part, by written notice to the Company, specifying the number of shares to be purchased together with payment in full of the

## Edgar Filing: INNOVO GROUP INC - Form DEFR14A

exercise price. The exercise price may be paid in such form as the Plan Committee shall determine, including: (i) cash, (ii) surrender of Common Stock held by the optionee for at least six (6) months if so permitted by the Plan Committee, (iii) through a broker-assisted same-day sale or cashless share withholding program, (iv) through additional methods prescribed by the Committee, or (v) by any combination of the foregoing, to the extent permitted by applicable law.

**Termination of Employment.** Each option agreement entered into upon the grant shall specify what happens to such option upon a termination of employment. In general, incentive stock options exercise after three (3) months following termination of employment (one-year in the event of disability and no-limit in the event of death) shall lose their characteristic as incentive stock options and shall become nonqualified stock options.

**Term of Options.** Options granted under the Amended 2000 Employee Plan will have the term provided in the option agreement except that an incentive stock option will have a term of no more than ten years from the date of grant, or five years if an optionee owns stock representing more than 10% of the combined voting power of all classes of stock of the Company or any parent or subsidiary.

**Options Not Transferable.** In general, options may not be transferred except by will or the laws of descent and distribution.

**Change in Control.** The Plan Committee retains the right to accelerate vesting of any option upon the occurrence of certain events, including, without limitation, a change in control.

**Adjustments.** In the event of certain corporate events, including, without limitation, a merger, consolidation, reorganization, tender offer, change in capitalization, stock split or stock dividend then the Plan Committee may make adjustments to outstanding awards and the number of shares available under the 2000 Employee Plan to account for any such event.

**Amendment and Termination.** Subject to earlier termination pursuant to the terms of the Amended 2000 Employee Stock Plan, the Amended 2000 Employee Stock Plan shall have an indefinite term; provided that, the ability to grant incentive stock options will terminate on March 12, 2010. The Board may amend, suspend or terminate the Amended 2000 Employee Stock Plan at any time; provided that, (a) no such amendment shall be made without shareholder approval if such approval is necessary to comply with applicable law, regulation or stock exchange rule and (b) except as provided in the Amended 2000 Employee Stock Plan, no amendment shall be made that would adversely affect rights previously granted under the Amended 2000 Employee Stock Plan.

### General Federal Tax Consequences

The following is a brief summary of the U.S. federal income treatment that will generally apply to options granted under the Amended 2000 Employee Stock Plan based on federal income tax laws in effect as of this date. This summary is not intended to be exhaustive and optionees should consult their own tax advisors concerning tax implications of option grants and exercises and the disposition of stock acquired upon such exercise. This summary is not intended to

## Edgar Filing: INNOVO GROUP INC - Form DEFR14A

be tax advice.

**Section 162(m) Limitation.** Subject to a limited number of exceptions, Section 162(m) denies a deduction to a publicly held corporation for payments of remuneration to certain employees to the extent the employee's remuneration for the taxable year exceeds \$1,000,000. For this purpose, remuneration attributable to stock options is included within the \$1,000,000 limitation. However, to the extent that certain procedural requirements are met (e.g., the plan is approved by the stockholders of the Company, grants are made by a valid compensation committee comprised solely of 2 or more "outside directors", the exercise price is equal to the fair market value of the underlying shares upon grant, etc.), gain from the exercise of stock options should not be subject to the \$1,000,000 limitation.

The Company has attempted to structure the plan in such a manner that the remuneration attributable to the stock options will not be subject to the \$1,000,000 limitation. The Company has not, however, requested a ruling from the Internal Revenue Service or an opinion of counsel regarding this issue.

**Non-Qualified Stock Options.** An individual receiving non-qualified stock options should not recognize taxable income at the time of grant. A participant should generally recognize ordinary compensation income in an amount equal to the excess, if any, in the fair market value of the option shares on exercise of the non-qualified stock options over the exercise price thereof. In general, subject to the limitations set forth in Section 162(m) and discussed above, the Company is entitled to deduct from its taxable income the amount that the participant is required to include in ordinary income at the time of such inclusion.

**Incentive Stock Options.** An individual granted an incentive stock option will generally not recognize taxable income at the time of grant or, subject to certain conditions, at the time of exercise, although he or she may be subject to alternative minimum tax. In general, if a disqualifying disposition should occur (i.e., the shares acquired upon exercise of the option are disposed of within the later of two years from the date of grant or one year from the date of exercise), a participant will generally recognize ordinary compensation income in the year of disposition in an amount equal to the excess, if any, of the fair market value of the option shares at the time of exercise or, if less, the amount realized on disposition, over the exercise price thereof. The Company is not entitled to any deduction on account of the grant of the incentive stock options or the participant's exercise of the option to acquire common stock. However, in the event of a subsequent disqualifying disposition of such shares of common stock acquired pursuant to the exercise of an incentive stock option under circumstances resulting in taxable compensation to the participant, subject to the limitations set forth in Section 162(m) and discussed above, in general, the Company should be entitled to a tax deduction equal to the amount treated as taxable compensation to the participant.

The exercise of an incentive stock option may subject the optionee to alternative minimum tax. Alternative minimum tax will be due if the tax determined under a prescribed formula exceeds the regular tax of the taxpayer for the year. In computing alternative minimum taxable income, shares purchased upon exercise of an incentive stock option

## Edgar Filing: INNOVO GROUP INC - Form DEFR14A

are treated as if they had been acquired by the optionee pursuant to exercise of a nonqualified stock option. As a result, the optionee recognizes alternative minimum taxable income equal to the excess of the fair market value of the shares on the date of exercise over the option's exercise price. If an optionee pays alternative minimum tax, the amount of such tax may be carried forward as a credit against any subsequent year's regular tax in excess of the alternative minimum tax for such year.

### Registration with SEC

If this Proposal 2 is adopted, the Company intends to file a registration statement covering the offering of the shares under the Amended 2000 Employee Stock Plan with the SEC pursuant to the Securities Act of 1933, as amended.

Marc B. Crossman (1)

Assuming Proposal 2 is approved, the Plan Committee has determined that, in connection with the Company's hiring Mr. Crossman as the Company's Chief Financial Officer on March 25, 2003, Mr. Crossman will receive a ten (10) year option to purchase 1,000,000 shares of the Company's Common Stock with an exercise price per share equal to the greater of (1) \$2.86 and (2) 100% of the fair market value per share of one share of the Company's Common Stock on the date Proposal 2 is approved by the Company's stockholders. Assuming Proposal 2 is approved, these options shall vest in 24 nearly equal monthly installments commencing on April 25, 2003 until the option is 100% vested; provided, that Mr. Crossman continues to serve as Chief Financial Officer of or another senior executive position at the Company on each vesting date.

The granting of these options was material to the inducement of Mr. Crossman accepting the position of Chief Financial Officer. The Plan Committee believes that Mr. Crossman's compensation package is no more generous than market for similar types of compensation packages for similar type companies and are a benefit to the Company.

### New Plan Benefits

Name and Position -----	Number of Options -----
Marc B. Crossman	1,000,000

Except for the Plan Committee's grant of 1,000,000 options shares to Mr. Crossman, subject to approval of Proposal 2, the Plan Committee has not granted nor contemplates granting any options for shares of the Company's Common Stock pursuant to the Amended 2000 Employee Plan prior to approval of Proposal 2, and thus, since future participation in the Amended 2000 Employee Stock Plan and the level of participation will vary, it is not possible to determine the value of benefits which may be obtained by other individuals eligible to participate in the Amended 2000 Employee Stock Plan.

### RATIFICATION OF SELECTION OF INDEPENDENT AUDITORS (Proposal 3)

Representatives of E&Y will be present at the Annual Meeting and will have the opportunity to make a statement if they so desire and be available to respond to appropriate questions. Unless otherwise instructed on the proxy, properly executed proxies will be voted in favor of ratifying the appointment of E&Y to audit the books and accounts of the Company for the fiscal year ended November 30, 2002. The affirmative vote of a majority of the votes present in person or represented by proxy at the Annual Meeting is required to approve Proposal 3.

For the fiscal year ended November 30, 2002, E&Y billed the approximate fees set forth below:

#### Audit Fees

The aggregate fees billed for professional services rendered by E&Y for the audit of the Company's consolidated financial statements for the fiscal year ended November 30, 2002, including the reviews of the Company's condensed consolidated financial statements included in its quarterly reports on Form 10-Q during the fiscal year ended November, 30 2002, were approximately \$203,917. E&Y also billed the Company \$49,211 for audit related services, which primarily consisted of accounting consultations and audit work related to an acquired business.

#### Financial Information Systems Design and Implementation Fees

E&Y did not render any services to the Company related to financial information systems design and implementation during the fiscal year ended November 30, 2002.

#### All Other Fees

The aggregate fees billed for all other professional services rendered by E&Y during the fiscal year ended November 30, 2002 other than those described above were approximately \$16,580. These services consisted primarily of tax return preparation fees.

The Audit Committee has determined that the services provided by E&Y were compatible with maintaining E&Y's independence.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" PROPOSAL 3.
