Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On May 18, 2018, the Board of Directors (the “Board”) of Benchmark Electronics, Inc. (the “Company”) elected Ms. Merilee Raines as a member of the Board. The Board also appointed Ms. Raines to serve on the audit committee. The full Board is now comprised of nine members.

Ms. Raines, age 62, served as Chief Financial Officer of IDEXX Laboratories, Inc. from October 2003 until her retirement in May 2013. Ms. Raines also served as Executive Vice President of IDEXX from July 2012 until her retirement in May 2013. Over her 28 year career with IDEXX, Ms. Raines held several management positions, including Corporate Vice President of Finance, Vice President and Treasurer of Finance, Director of Finance, and Controller. IDEXX Laboratories develops, manufactures and distributes diagnostic and information technology based products and services for companion animal, livestock, poultry, water quality and food safety, and human point-of-care diagnostics.

Ms. Raines has served as a member of the Board of Watts Water Technologies since 2011, a global manufacturer of products & systems that control, conserve and improve the quality of water in the residential and commercial markets. Since 2014, she has also served as a member of the Board of Aratana Therapeutics, a biopharmaceutical company focused on licensing, developing and commercializing of products for the pet companion market.

An independent search consultant retained by the Board identified Ms. Raines as a possible candidate for the Board, and the Board’s Nominating/Governance Committee, comprised entirely of independent members of the Board, recommended her to the full Board for consideration. The Board has determined that Ms. Raines does not have any interest requiring disclosure under Item 404(a) of Regulation S-K and satisfies (i) the independence standards promulgated by the New York Stock Exchange and applicable regulations under the Securities Exchange Act of 1934, as amended, (ii) the “non-employee director” standards set forth in such regulations, and (iii) the “outside director” requirements of Section 162(m) of the Internal Revenue Code of 1986, as amended, and applicable regulations.

For her service as a member of the Board, Ms. Raines will receive the same compensation as other non-employee directors under the Company’s current non-employee director compensation program described in the Company’s definitive proxy statement filed with the U.S. Securities and Exchange Commission on March 30, 2018. During 2018, our non-employee directors will receive: (a) an annual retainer of \$60,000, (b) \$1,000 for each Board or committee meeting attended and (c) an annual restricted stock unit (“RSU”) with a grant-date fair market value of \$150,000. Ms. Raines’s annual retainer and RSU will be prorated from the date she began serving on the Board, and the RSU is scheduled to vest in equal quarterly installments over a one-year period following the date of grant.
