May 25, 2004

PROXY STATEMENT

General

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of The Brazil Fund, Inc., a Maryland corporation, (the "Fund"), for use at the Annual Meeting of Stockholders, to be held at the offices of Deutsche Investment Management Americas Inc., ("DeIM" or the "Investment Manager"), part of Deutsche Asset Management, 29th Floor, East Side,

Edgar Filing: BRAZIL FUND INC - Form DEF 14A

280 Park Avenue (at 48th-49th Streets), New York, New York 10017, on Wednesday, July 7, 2004 at 10:45 a.m., Eastern time, and at any adjournments or postponements thereof (collectively, the "Meeting").

This Proxy Statement, the Notice of Annual Meeting and the proxy card are first being mailed to stockholders on or about May 25, 2004, or as soon as practicable thereafter. Any stockholder giving a proxy has the power to revoke it prior to the time the proxy is exercised by attending the Meeting and casting his or her votes in person or by mail, by executing a superseding proxy or by submitting a notice of revocation to the Fund (addressed to the Secretary at the principal executive office of the Fund, 345 Park Avenue, New York, New York 10154). All properly executed proxies received in time for the Meeting will be voted as specified in the proxy or, if no specification is made, for each of the nominees for director named in the Proxy Statement and in the discretion of the proxy holders on any other matter that may properly come before the Meeting.

The presence at any stockholders' meeting, in person or by proxy, of stockholders entitled to cast a majority of the votes entitled to be cast at the Meeting shall be necessary and sufficient to constitute a quorum for the transaction of business. For purposes of determining the presence of a quorum for transacting business at the Meeting, abstentions and broker "non-votes" will be treated as shares that are present but which have not been voted. Broker non-votes are proxies received by the Fund from brokers or nominees when the broker or nominee has neither received instructions from the beneficial owner or other persons entitled to vote nor has discretionary power to vote on a particular matter. Accordingly, stockholders are urged to forward their voting instructions promptly.

With respect to the election of director nominees, abstentions and broker-non-votes will have the same effect as a vote not to elect the nominees, because election of a nominee requires the affirmative vote of a majority of the shares present in person or by proxy and entitled to vote. See "Proposal: Election of Directors -- Required Vote."

Holders of record of the common stock of the Fund at the close of business on April 8, 2004 (the "Record Date") will be entitled to one vote per share on all business of the Meeting and any adjournments or postponements. There were 16,241,288 shares of common stock outstanding on the Record Date.

The Fund provides periodic reports to all stockholders which include relevant information, including investment results and a review of portfolio changes. You may receive an additional copy of the annual report for the fiscal year ended June 30, 2003 and a copy of the semiannual report for the six-month period ended December 31, 2003, without charge, by calling 800-349-4281 or 800-294-4366 or writing the Fund at 345 Park Avenue, New York, New York 10154.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 (the "Exchange Act") and Section 30(h) of the Investment Company Act of 1940, as amended (the "1940 Act"), as applied to a closed-end management investment company, require the Fund's Officers and Directors, investment manager, investment advisor, affiliates of the Fund's investment manager and investment advisor, and persons who beneficially own more than ten percent of a registered class of the Fund's outstanding securities ("Reporting Persons"), to file reports of ownership of the Fund's securities and changes in such ownership with the Securities and Exchange Commission (the "SEC"). Such persons are required by SEC regulations to furnish the Fund with copies of all such filings.

Based on a review of reports filed by the Fund's directors and executive officers, the Investment Manager, officers and directors of the Investment Manager, affiliated persons of the Investment Manager and beneficial holders of 10% or more of the Fund's outstanding stock, and written representations by the Reporting Persons that no year-end reports were required for such persons, all filings required by Section 16(a) of the Exchange Act for the fiscal year ended June 30, 2003 were timely. As a convenience to the directors, the Investment Manager assists the directors in making their Section 16 filings.

According to filings made with the SEC in February 2004, February 2004 and April 2004, respectively, the following owned beneficially more than 5% of the Fund's outstanding stock:

Schedule 13G/A, President & Fellows of Harvard College, c/o Harvard Management Company Inc., 600 Atlantic Avenue, Boston, MA 02110, reported beneficial ownership as of December 31, 2003 of 4,046,600 shares, or 24.8% of the Fund's shares.

Schedule 13G/A, Lazard Asset Management LLC, 30 Rockefeller Plaza, New York, NY 10112, reported beneficial ownership as of December 31, 2003 of 1,302,000 shares, or 7.9% of the Fund's shares.

Schedule 13D, The Carrousel Fund Ltd., The Carrousel Fund II Limited, Carrousel Capital Ltd. and Bruno Sangle-Ferriere, c/o Bruno Sangle-Ferriere, Carrousel Capital Ltd., 203-205 Brompton Road, London SW3 1LA, reported beneficial ownership of 979,185 shares, or 5.07% of the Fund's shares.

Except as noted above, to the best of the Fund's knowledge, as of April 30, 2004, no other person owned beneficially more than 5% of the Fund's outstanding stock.

Honorary Director

Mr. Roberto Teixeira da Costa serves as an Honorary Director of the Fund. Honorary Directors are invited to attend all Board meetings and to participate in Board discussions, but are not entitled to vote on any matter presented to the Board. Mr. da Costa became a Director of the Fund in 1993 and retired from the Board in 2001.

Committees of the Board -- Board Meetings

The Board of Directors of the Fund met seven times during the fiscal year ended June 30, 2003. Each Director attended at least 75% of the total number of meetings of the Board of Directors and of all committees of the Board on which he or she served as regular members, except Nicholas Bratt, a former Director, who attended 43% of the meetings.

Edgar Filing: BRAZIL FUND INC - Form DEF 14A

The Board of Directors seeks to have at least a majority of its members present at annual stockholder meetings. At the Fund's last annual stockholder meeting on July 9, 2003, all Directors were in attendance.

8

The Board of Directors, in addition to an Executive Committee, has an Audit Committee, a Valuation Committee and a Committee on Independent Directors.

Audit Committee

The Board has an Audit Committee, consisting of those Directors who are not interested persons of the Fund or of the Investment Manager ("Independent Directors") as defined in the 1940 Act, which met three times during the fiscal year ended June 30, 2003. The members of the Audit Committee are independent, as independence is defined in the listing standards of the New York Stock Exchange. The Audit Committee reviews with management and the independent accountants for the Fund, among other things, the scope of the audit and the controls of the Fund and its agents, reviews and discusses with management the Fund's annual audited financial statements, reviews the auditor's required communications regarding the scope and results of the audit that may assist the Audit Committee in overseeing management's financial reporting and disclosure process, reviews and approves in advance the type of services to be rendered by independent accountants, approves and recommends to the Board for its approval the selection of independent accountants for the Fund, reviews matters related to the independence of the Fund's independent accountants and in general considers and reports to the Board on matters regarding the Fund's accounting and bookkeeping practices.

Audit Committee's Pre-Approval Policies and Procedures. The Audit Committee must approve the engagement of the independent accountants to provide audit or non-audit services to the Fund and non-audit services to DeIM or its control affiliates that relate directly to the Fund's operations and financial reporting prior to the commencement of any such engagement. In addition, the independent accountants must notify the Fund's Audit Committee not later than the Audit Committee's next meeting if the independent accountants enter into an engagement to provide audit or non-audit-related services to DeIM or its control affiliates that are not for services to the Fund or services that relate directly to the Fund's operations and financial reporting whose projected fees are in excess of \$25,000. Such notification must include a general description of the services awarded, the entity that is to be the recipient of such services, the timing of the engagement, the entity's reason for selecting the independent accountants, and the projected fees.

The Board of Directors has adopted a written charter for the Audit Committee, which is attached to this Proxy Statement as Appendix A.

At a meeting held on April 7, 2004, the Board of Directors of the Fund, including a majority of the Independent Directors, selected PricewaterhouseCoopers LLP to act as independent accountants for the Fund for the fiscal year ending June 30, 2005. The Fund's financial statements for the fiscal years ended June 30, 2003 and June 30, 2002 and for the six-month periods ended December 31, 2002 and December 31, 2001 were audited by PricewaterhouseCoopers LLP. The following table sets forth the aggregate fees billed for professional services rendered by PricewaterhouseCoopers LLP:

Audit-Related Fees

Edgar Filing: BRAZIL FUND INC - Form DEF 14A

^{^1} The aggregate audit fees billed by PricewaterhouseCoopers LLP to all funds managed by DeIM-related entities for each of the Fund's last two fiscal years were \$7,209,923 for the fiscal year ended June 30, 2002 and \$7,385,499 for the fiscal year ended June 30, 2003.

9

The fees disclosed in the table above under the caption "Audit Fees" are the aggregate fees billed for each of the last two fiscal years for professional services rendered for the audits of the Fund's annual and semi-annual financial statements and review of financial statements included in the registrant's N-CSR for services that are normally provided by the accountant in connection with statutory and regulatory filings or engagements for those fiscal years. The fees disclosed under the caption "Audit-Related Fees" are the aggregate fees billed in each of the last two fiscal years for assurance and related services that are reasonably related to the performance of the audit or review of the Fund's financial statements and are not reported under "Audit Fees." "Tax Fees" are the aggregate fees billed in each of the last two fiscal years for professional services rendered for tax compliance and tax return preparation. "All Other Fees" are the aggregate fees billed in each of the last two fiscal years for products and services provided, other than the services described above. "All Other Fees" were billed for services in connection with risk management, tax services and process improvement/integration initiatives for DeIM and other related entities that provide support for the operations of the Fund. DeIM-Related Fees include fees billed for services, if any, in each of the last two fiscal years to DeIM and all entities controlling, controlled by, or under common control with DeIM that provide services to the Fund. For engagements entered into on or after May 6, 2003, the Audit Committee pre-approved all non-audit services that PricewaterhouseCoopers LLP provided to DeIM and DeIM-related entities that related directly to the Fund's operations and financial reporting.

The aggregate non-audit fees billed by PricewaterhouseCoopers LLP to the Fund, DeIM and entities controlling, controlled by or under common control with DeIM that provide services to the Fund for each of the Fund's last two fiscal years were \$21,518,048 for the fiscal year ended June 30, 2002 and \$12,795,300 for the fiscal year ended June 30, 2003. The Fund's Audit Committee gave careful consideration to the non-audit related services provided by PricewaterhouseCoopers LLP to the Fund, DeIM and entities controlling, controlled by or under common control with DeIM that provide services to the Fund, and, based in part on certain representations and information provided by PricewaterhouseCoopers LLP, determined that the provision of these services was compatible with maintaining PricewaterhouseCoopers LLP's independence.

Representatives of PricewaterhouseCoopers LLP are not expected to be present at the Meeting, but will be available by telephone to respond to appropriate questions and to make a statement if they wish to do so.

Audit Committee Report

In connection with the audited financial statements as of and for the fiscal year ended June 30, 2003 included in the Fund's Annual Report for the fiscal

Edgar Filing: BRAZIL FUND INC - Form DEF 14A

year ended June 30, 2003 (the "Annual Report"), at a meeting held on August 20, 2003, the Audit Committee reviewed and discussed the annual audited financial statements with management and the independent accountants, and discussed the audit of such financial statements with the independent accountants.

The Audit Committee also discussed with the independent accountants the matters required to be discussed by Statement On Auditing Standards No. 61 (Communications with Audit Committees). The independent accountants provided to the committee the written disclosure and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the Audit Committee discussed with representatives of the independent accountants their firm's independence.

10

The members of the Audit Committee are not professionally engaged in the practice of auditing or accounting and are not employed by the Fund for accounting, financial management or internal control. Moreover, the Audit Committee relies on and makes no independent verification of the facts presented to it or representations made by management or the independent accountants. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or policies, or internal controls and procedures, designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not provide assurance that the audit of the Fund's financial statements has been carried out in accordance with auditing standards generally accepted in the United States of America or that the financial statements are presented in accordance with accounting principles generally accepted in the United States of America.

Based on its consideration of the audited financial statements and the discussions referred to above with management and the independent accountants and subject to the limitation on the responsibilities and role of the Audit Committee set forth in the Audit Committee's Charter and those discussed above, the Audit Committee of the Fund recommended to the Board of Directors of the Fund that the audited financial statements be included in the Fund's Annual Report.

The Audit Committee currently consists of Messrs. Froewiss (Chairman), Callander, Luers, Nogueira and Yun and Dr. Purcell.

Committee on Independent Directors

The Board has a Committee on Independent Directors consisting of the Independent Directors. The Committee met once during the fiscal year ended June 30, 2003. The primary purposes and responsibilities of the Committee are (i) to identify individuals qualified to become members of the Board in the event that a position is vacated or created; (ii) to recommend for the Board's selection the Director nominees for the next annual meeting of stockholders; (iii) to set any necessary standards or qualifications for service on the Board; (iv) to review and evaluate the compensation practices of the Independent Directors and to recommend any changes thereto to the Board; (v) to determine the policies governing retirement of all Independent Directors; (vi) to perform periodic evaluations of the effectiveness of the Independent Directors; and (vii) to consider such other matters of special relevance to the Independent Directors. The Committee met on April 7, 2004 to recommend the nominees for Independent Directors presented in this proxy statement.

The Committee on May 10, 2004 met to recommend successors to fill vacancies that would be created when Richard Hale, in connection with his forthcoming

Edgar Filing: BRAZIL FUND INC - Form DEF 14A

retirement from the Investment Manager, submitted his resignation as a Class III Director and Chairman of the Board of the Fund. To fill these vacancies the Committee recommended, and the Board appointed, Mr. Esposito as a director in Class III and as Vice Chairman of the Board. In addition, the Board elected Mr. Callander, the Chairman of the Committee on Independent Directors, as Chairman of the Board. The Board believes that its appointment of an Independent Director as Chairman reaffirms the Board's longstanding commitment to strong, independent oversight of the Fund's operations, and to progressive governance practices that seek to protect and serve the interests of all Fund stockholders.

11

The Committee requires that Director candidates have a college degree or equivalent business experience. Authorization to permit Georgeson to execute proxies may be obtained by telephonic or electronically transmitted instructions from stockholders of the Fund. If proxies are obtained telephonically, they will be recorded in accordance with procedures that are consistent with applicable law and that the Fund believes are reasonably designed to ensure that both the identity of the stockholder casting the vote and the voting instructions of the stockholder are accurately determined.

If a stockholder wishes to participate in the Meeting, but does not wish to give a proxy by telephone or electronically, the stockholder may still submit the proxy card originally sent with this proxy statement. Should stockholders require additional information regarding the proxy or a replacement proxy card, they may contact Georgeson toll-free at 800-366-2167. Any proxy given by a stockholder is revocable until voted at the Meeting.
See "Proxy Statement -- General."

In the event that sufficient votes in favor of the proposal set forth in the Notice of this Meeting are not received by July 7, 2004, the persons named as appointed proxies on the enclosed proxy card may propose one or more adjournments of the Meeting to permit further solicitation of proxies. Any such adjournment will require the affirmative vote of a majority of the votes cast on the matter at the session of the meeting to be adjourned. The persons named as appointed proxies on the enclosed proxy card will vote in favor of such adjournment those proxies which they are entitled to vote in favor of the proposal for which further solicitation of proxies is to be made. They will vote against any such adjournment those proxies required to be voted against such proposal. The costs of any such additional solicitation and of any adjourned session will be borne by the Fund.

Edgar Filing: BRAZIL FUND INC - Form DEF 14A
