ITEM 3. SOURCE AND AMOUNT OF FUNDS OR OTHER CONSIDERATION.

On September 23, 2014, the Issuer issued 868,750 shares of Stock to the Reporting Person as consideration for the purchase by the Issuer from the Reporting Person of the outstanding equity securities of each of Hudspeth Oil Corporation (“Hudspeth”) and McCabe Petroleum Corporation (“MPC”). Such issuance and purchase were undertaken pursuant to a Purchase Agreement, dated as of August 7, 2014 (the “Hudspeth Agreement”), by and among the Issuer, the Reporting Person, Hudspeth and MPC. As provided in the Hudspeth Agreement and the participation agreement executed and delivered in connection therewith, the Reporting Person received a reversionary interest with respect to certain of the real property leasehold interests and related assets held by Hudspeth in the event that the Issuer does not commence drilling on such real property by March 31, 2015.

On March 30, 2015, the Reporting Person entered into a letter agreement with the Issuer (the “Option Agreement”) whereby the Issuer granted the Reporting Person an option to acquire 631,250 shares of the Stock at a price per share of approximately \$0.36 as consideration for the Reporting Person’s agreement to extend the deadline described above for drilling on the real property leased by Hudspeth and MPC. This option will expire 30 days after the Reporting Person receives logs associated with the Rich A-1 well to be drilled on such real property. The Reporting Person has not acquired any shares pursuant to the Option Agreement.

On May 11, 2015, the Reporting Person used \$700,000 of his personal funds to purchase 2,800,000 shares of the Stock through a private placement transaction with the Issuer. Such shares were acquired pursuant to a Subscription Agreement, dated as of May 11, 2015 (the “Subscription Agreement”), by and between the Issuer and the Reporting Person. None of such funds were borrowed or otherwise obtained by the Reporting Person for the purpose of acquiring, holding, trading or voting the shares.

The foregoing descriptions of the private placement transaction, the Hudspeth Agreement, the Option Agreement and the Subscription Agreement do not purport to be complete and are qualified in their entirety by the description of the private placement transaction set forth in the Current Report on Form 8-K filed by the Issuer on May 11, 2015, the actual text of the Hudspeth Agreement, a copy of which is attached hereto as Exhibit 99.1, the actual text of the Option Agreement, a copy of which is attached hereto as Exhibit 99.2, and the actual text of the Subscription Agreement, a copy of which is attached hereto as Exhibit 99.3, respectively.

ITEM 4. PURPOSE OF TRANSACTION.

The Reporting Person is currently engaged in discussions with management of the Issuer regarding the potential purchase by the Reporting Person and other investors unaffiliated with the Reporting Person of shares of the Issuer's preferred stock through a private placement transaction, which preferred stock would be convertible into shares of Stock. The Reporting Person and the Issuer have not entered into any definitive agreement with respect to such a private placement transaction. As a condition to the issuance of any such preferred stock, the Issuer would amend its charter by filing a certificate of designation setting forth the rights of such preferred stock.

The Reporting Person holds shares of the Stock for investment purposes. In addition to the potential purchase of the Issuer's convertible preferred stock as described above, the Reporting Person may determine to purchase additional shares of the Stock depending upon price, market conditions, evaluation of alternative investments and other factors. While the Reporting Person views the Stock reported herein as an attractive investment and has no present intent to sell any shares, he could, based upon the same factors listed above with respect to purchases, decide to sell some or all of such shares.

Except as set forth in this Item 4, the Reporting Person has no present plans or proposals that relate to or that would result in any of the actions specified in clauses (a)-(j) of Item 4 of Schedule 13D of the Act.

ITEM 5. INTEREST IN SECURITIES OF THE ISSUER.

(a) The Reporting Person is the beneficial owner of 4,300,000 shares of the Stock, which constitutes approximately 15.14% of the outstanding shares of the Stock.

(b) The Reporting Person has the sole power to vote or to direct the vote and to dispose or to direct the disposition of an aggregate of 3,668,750 shares of the Stock.

(c) On March 30, 2015, the Reporting Person entered into the Option Agreement described in Item 3 above (which Item 3 is incorporated by reference herein). On May 11, 2015, the Reporting Person purchased 2,800,000 shares of the Stock from the Issuer in a private placement transaction pursuant to the Subscription Agreement described in Item 3 above (which Item 3 is incorporated by reference herein). The price per share of Stock paid by the Reporting Person in such transaction was \$0.25.

(d) The Reporting Person affirms that no person other than those persons named in Item 2 has the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of, the shares of the Stock owned by the Reporting Person.

(e) Not applicable.

The disclosures set forth in Items 3 and 4 above are incorporated by reference herein.

ITEM 7. MATERIAL TO BE FILED AS EXHIBITS.
