PROXY STATEMENT
for Annual Meeting of Stockholders
to be held on June 9, 2004

April 29, 2004

TO THE STOCKHOLDERS:

Our Board of Directors is soliciting proxies for the 2004 Annual Meeting of Stockholders. This Proxy Statement contains important information for you to consider when deciding how to vote on the matters brought before the meeting. Please read it carefully.

In this Proxy Statement:

- o "We," "Us," "Our" and the "Company" means Riviera Holdings Corporation (a Nevada corporation);
- o "Annual Meeting" means our 2004 Annual Meeting of Stockholders that will be held on Tuesday, June 9, 2004, at 1:00 p.m. Las Vegas time, at the Riviera Hotel and Casino, 2901 Las Vegas Boulevard South, Las Vegas, Nevada 89109;
- o "Common Stock" means our common stock, par value \$.001 per share; and
- o "Stockholders" means holders of record of Common Stock as of the close of business on April 27, 2004.

Our principal executive offices are located in the Riviera Hotel and Casino at 2901 Las Vegas Boulevard South, Las Vegas, Nevada 89109. Our 2003 Annual Report, this Proxy Statement and the accompanying proxy card are first being sent to stockholders on or about April 29, 2004.

Stockholders are entitled to one vote at the Annual Meeting for each outstanding share of Common Stock that they hold as of April 27, 2004 (the "Record Date"), except as otherwise discussed herein. At the close of business on the Record Date, 3,610,155 shares of Common Stock were outstanding.

We request each Stockholder to execute and return the enclosed proxy as soon as possible. The person who signs the proxy must be either (i) the registered Stockholder of such shares of Common Stock or (ii) a trustee, executor, administrator, guardian, attorney-in-fact, officer of a corporation or other business entity, or any other person acting in a fiduciary or representative capacity on behalf of such registered Stockholder. You can, of course, revoke a proxy at any time before it is voted, if so desired, by filing with the Secretary of the Company an instrument revoking the proxy or by returning a duly executed proxy bearing a later date, or by attending the Annual

Edgar Filing: RIVIERA HOLDINGS CORP - Form DEF 14A

Meeting and voting in person. Any such proxy revocation should be sent to Riviera Holdings Corporation, 2901 Las Vegas Boulevard South, Las Vegas, Nevada 89109, Attention: Secretary. Your attendance at the Annual Meeting will not by itself constitute revocation of your proxy.

We are paying all costs of the solicitation of proxies, including the expenses of printing and mailing to Stockholders this Proxy Statement, the accompanying Notice of Annual Meeting of Stockholders, the enclosed proxy card and the Annual Report. We will also reimburse brokerage houses and other custodians, nominees and fiduciaries for their expenses, in accordance with the regulations of the Securities and Exchange Commission, in sending proxies and proxy materials to the beneficial owners of Common Stock. Our directors, officers and employees may also solicit proxies in person, or by mail, e-mail or telephone, but such persons will receive no compensation for that work, other than their normal compensation.

PURPOSE OF THE ANNUAL MEETING

At the Annual Meeting, the Stockholders will consider and vote on:

1. the election of six directors to hold office until our next annual meeting and until their respective successors shall have been elected and qualified, or until resignation or removal; and
2. such other matters as may properly come before the Annual Meeting.

VOTE REQUIRED; PROXIES

The presence in person or by proxy of a majority of the shares of Common Stock outstanding and entitled to vote as of the Record Date is required for a quorum at the Annual Meeting. If a quorum is present, the six nominees who receive the highest number of votes will be elected.

For any other matters submitted to Stockholders at the Annual Meeting, if a quorum is present, the affirmative vote of a majority of the shares represented and entitled to vote will be required for approval. Consequently, abstentions and "non-voted" shares, as described below in this section, will have the same effect as a vote against any such other matters submitted at the Annual Meeting.

Shares of Common Stock represented by properly executed proxies that have not been revoked will be voted in accordance with the instructions in such proxies. If no contrary instructions are given, such shares will be voted: (1) FOR the election of all nominees for director named in this Proxy Statement; and (2) in the discretion of the persons named as proxy appointees as to any other matters that may properly come before the Annual Meeting.

It is possible that shares held by brokers and other Stockholder nominees could be voted on certain matters but not others. This would occur, for example, when the broker or nominee does not have discretionary authority to vote the shares and is instructed by the beneficial owner thereof to vote on a particular matter but is not instructed on other matters. These are known as

"non-voted" shares. Non-voted shares will be counted for determining whether a quorum is present, but will not be voted on matters as to which the beneficial

Edgar Filing: RIVIERA HOLDINGS CORP - Form DEF 14A

owner has given no voting instructions.

Certain Relationships and Related Transactions

Jeffrey A. Silver is a shareholder in the law firm of Gordon & Silver, Ltd., which we have engaged for various legal matters.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires our directors and executive officers and persons who own more than 10% of our Common Stock to file with the Securities and Exchange Commission certain reports regarding Common Stock ownership. Such persons are required to furnish us with copies of all Section 16(a) reports they file. To our knowledge, all of these persons met their Section 16(a) reporting obligations on a timely basis during 2003.

Code of Ethics

We have adopted certain ethical policies that apply to all of our employees at the level of Supervisor or higher, including our principal executive officer, principal financial officer and principal accounting officer. Those policies, together with certain rules adopted by our Disclosure Committee, comprise what we consider to be our code of ethics. Those policies and rules are posted on our Internet web site at www.theriviera.com.

7

Board of Directors and Committee Meetings

We have an Audit Committee, which is composed of Messrs. DiVito, Silver and Harvey. The Audit Committee recommends to our Board of Directors the selection of an auditor, reviews the plan and scope of our audits, reviews the auditors' critique of management and internal controls and management's response to such critique and reviews the results of our audit.

We and ROC each have a Compensation Committee composed of Messrs. Silver, Barengo, Harvey and DiVito. The Compensation Committee is responsible for recommending executive compensation programs to the Board of Directors and for approving all compensation decisions with respect to the Chief Executive Officer and his recommendations for our other executive officers.

In 2003, in addition to the three regularly scheduled Audit Committee meetings, the Audit Committee participated in the four quarterly earnings release meetings which included a review of regulatory filings, and our and ROC's Compensation Committees each met four times.

In 2003, our Board of Directors held fourteen meetings. No member of our Board of Directors attended in 2003 less than 75% of the aggregate of (1) the number of meetings of the Board of Directors held during the period for which he was a director and (2) the total number of meetings held by all committees on which he served.

Edgar Filing: RIVIERA HOLDINGS CORP - Form DEF 14A

Nominating Committee Report

The Company's Nominating Committee, which does not have a charter and does not have a policy considering nominees recommended by holders of the Company's securities, is comprised of the Company's entire six member Board of Directors. Four of the six members meet the American Stock Exchange independence requirements for nominating committee members. The Nominating Committee does not have a policy regarding Board of Directors candidate recommendations by security holders because historically, the Company has rarely, if ever, been contacted by outside security holders to sit on the Board of Directors or nominate candidates to sit on the Board of Directors. Given this lack of activity, the Company has seen no need to adopt any specific policies on this subject.

In order for the Nominating Committee to nominate a candidate for the Board of Directors, the nominee must have a strong business background and display a sense of leadership. The Nominating Committee believes that each member of the Board of Directors should possess certain skills that compliment the other Directors so as to achieve the overall goal of a well-rounded Board of Directors. Qualities and skills necessary for consideration are a financial, legal or business background or demonstrate leadership abilities.

Mr. Land, who was appointed to the Company's Board of Directors on April 12, 2004, was nominated by the Company's Chief Executive Officer, non-management Directors and other management Director.

8

Security Holder Communications

Our security holders may send communications to Directors by directing such communications to the Company's Treasurer and Chief Financial Officer, Duane Krohn. Communications may be sent to Mr. Krohn via regular mail at the Company's corporate offices located at 2901 Las Vegas Boulevard South, Las Vegas, NV 89109; via telephone and fax at (800) 362-1460 and (702) 794-9442, respectively; and via e-mail at dkrohn@theriviera.com. Mr. Krohn will direct all relevant communications, as determined by Mr. Krohn and Tullio Marchionne, the Company's Secretary and General Counsel, to the appropriate Director(s).

The members of the Company's Board are strongly encouraged to attend all Board Meetings and especially the Annual Meeting. All of the members of the Board were in attendance at the Company's 2003 Annual Meeting.

Audit Committee Report; Audit Committee Independence

In accordance with its written charter adopted by our Board of Directors which is attached hereto as Appendix "A", the Audit Committee assists the Board of Directors in fulfilling its responsibility for oversight of the quality and integrity of our accounting, auditing and financial reporting practices.

During our fiscal year ended December 31, 2003, the Audit Committee met three times, and the Audit Committee chairman, as representative of the Audit Committee, discussed the interim financial information contained in each of our quarterly earnings announcement with our Chief Financial Officer and independent auditors prior to public release.

In discharging its oversight responsibility as to the audit process, the Audit Committee obtained from the independent auditors a formal written statement describing all relationships between the auditors and the Company that

Edgar Filing: RIVIERA HOLDINGS CORP - Form DEF 14A

might bear on the auditors' independence consistent with Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees," discussed with the auditors any relationships that may impact their objectivity and independence and satisfied itself as to the auditors' independence. The Audit Committee specifically addressed, discussed and concluded that the independent auditors' provision of non-audit services was compatible with maintaining the auditors' independence. The Audit Committee also discussed with management, the internal auditors and the independent auditors the quality and adequacy of the Company's internal controls and the internal audit function's organization, responsibilities, budget and staffing. The Audit Committee reviewed with both the independent and the internal auditors their audit plans, audit scope, and identification of audit risks.

The Audit Committee discussed and reviewed with the independent auditors all communications required by generally accepted auditing standards, including those described in Statement on Auditing Standards No. 61, as amended (Codification of Statements on Auditing Standards, AU Section 380), and with and without management present, discussed and reviewed the results of the independent auditors' examination of the financial statements. The Audit Committee also discussed the results of the internal audit examinations.

9

The Audit Committee reviewed the audited financial statements of the Company as of and for the fiscal year ended December 31, 2003, with management and the independent auditors. Management has the responsibility for the preparation of the Company's financial statements and the independent auditors have the responsibility for the examination of those statements.

Based on the above-mentioned review and discussions with management and the independent auditors, the Audit Committee recommended to our Board of Directors that the Company's audited financial statements be included in its Annual Report on Form 10-K for the fiscal year ended December 31, 2003, for filing with the Securities and Exchange Commission. The Audit Committee also recommended the reappointment of the independent auditors and our Board of Directors concurred in such recommendation.

The Audit Committee presently consists of four members including James N. Land, Jr., who was appointed to the Audit Committee when he was appointed to our and ROC's Board of Directors on April 12, 2004. Due to Jeffrey A. Silver's status as a shareholder of the law firm of Gordon & Silver, Ltd., our engagement of that law firm for various legal matters and the new Audit Committee independence requirements of the American Stock Exchange with which we must comply by the Annual Meeting date, Mr. Silver will resign as a member of our Audit Committee effective June 9, 2004. Mr. Silver will remain as Director of the Company and of ROC (assuming his election at the Annual Meeting). Messrs. DiVito, Harvey and Land will remain as members of our Audit Committee (assuming their election as Directors at the Annual Meeting).

Option Surrenders

On November 26, 1996, we granted 410,000 stock options to 18 executives at an option price of \$13.625 per share, 320,000 of which were granted to Mr. Westerman. Two of these executives' options totaling 11,000 shares were cancelled because they left our employment, resulting in a balance of 399,000 options at \$13.625 per share held by 16 of our executives. The options of these 16 executives were 100% vested.

On January 16, 2001, we approved a Stock Option Surrender Plan under which each executive could surrender all or any portion of his/her \$13.625 options. Further, we could, but were not obligated to, grant new options for not less than the number of shares applicable to the surrendered options. The new options would be issued not sooner than six months and a day after the surrender of the \$13.625 options. Any new options granted would be at the price of our Common Stock on the date of grant and would be subject to the vesting requirements of our Employee Stock Option Plan.

All 16 of our executives surrendered the entire balance of 399,000 of the \$13.625 options effective January 31, 2001.

In August 2001, we granted 107,500 stock options to 15 of our 16 executives who surrendered options on January 31, 2001. The August option grant was not premised on the January 31 option surrender, but was made pursuant to our Board of Director's customary annual grant of stock options.

Option Grants

The number of shares available for purchase under our 1993 Employee Stock Option Plan (the "Stock Option Plan") is 1,000,000. Excluding the options surrendered and forfeited pursuant to the Stock Option Surrender Plan discussed above, options for an aggregate of 980,000 shares have been granted under the Stock Option Plan as of December 31, 2003 of which 367,000 have been exercised and 613,000 remain outstanding. During our 2003 fiscal year, 128,500 options were granted under the Stock Option Plan.

Employment Agreements

William L. Westerman serves as our Chairman of the Board, President and Chief Executive Officer, and as Chairman of the Board and Chief Executive Officer of ROC.

Under Mr. Westerman's employment agreement with the Company, which was last amended on July 15, 2003, he is employed for an indefinite period, subject to termination by either Mr. Westerman upon at least 180 days written notice or the Company upon at least 90 days written notice. Mr. Westerman's base annual compensation is \$1,000,000. Under his amended employment agreement, Mr.

Edgar Filing: RIVIERA HOLDINGS CORP - Form DEF 14A

Westerman is not entitled to participate in the Senior Management Compensation Bonus Plan or other executive bonus plan established by the Company's Board of Directors.

13

The employment agreement required the Company to fund a retirement account for Mr. Westerman. Pursuant to that agreement, the Company makes no further principal contributions to the retirement account subsequent to January 1, 2001. The account continues to accrue interest pursuant to the employment agreement. The retirement account had an accrued balance of \$6,171,020 as of December 31, 2003.

Mr. Westerman's retirement account is credited quarterly with interest on the first day of each succeeding calendar quarter in an amount equal to the product of (i) the Company's average borrowing cost for the immediately preceding fiscal year, as determined by the Company's Chief Financial Officer, and (ii) the average outstanding balance in the retirement account during the preceding calendar quarter. At the recommendation of our Compensation Committee, in order to reduce the amount that would be payable immediately upon Mr. Westerman's separation from the Company, it was requested that commencing April 1, 2003, and continuing the first day of each quarter thereafter, that he be paid the following in cash: (i) a distribution of \$250,000 from the principal balance of his retirement account; and (ii) the quarterly interest credited to his retirement account one quarter in arrears. Total interest accrued to Mr. Westerman in 2003 was \$757,686, while interest accrued was \$840,150 for 2002 and \$779,000 for 2001.

We retain beneficial ownership of the retirement account, which is earmarked to pay Mr. Westerman's retirement benefits. However, upon (1) the vote of a majority of the outstanding shares of Common Stock approving a "Change of Control" (as defined below), (2) the occurrence of a Change of Control without Mr. Westerman's consent, (3) a breach by us of a material term of the employment agreement or (4) the expiration or earlier termination of the employment agreement for any reason other than cause, Mr. Westerman has the right to require us to establish a "Rabbi Trust" for his benefit. He also has the right to require us to fund such trust with cash equal to the amount then credited to the retirement account, including any amount to be credited to the retirement account upon a Change of Control.

On February 5, 1998, our stockholders approved a merger agreement with R&E Gaming Corp., and its subsidiary. That approval constituted a Change of Control under Mr. Westerman's employment agreement. On March 5, 1998, Mr. Westerman exercised his right to require us to establish and fund a Rabbi Trust for his benefit. On March 20, 1998, Mr. Westerman waived his right to have us fund the Rabbi Trust in exchange for our agreement to fund it within five business days after notice from him.

In the event that Mr. Westerman ceases to be employed by us (except for termination for cause, in which case Mr. Westerman would forfeit all rights to monies in the retirement account), Mr. Westerman will be entitled to receive the amount in the retirement account (principal and current interest) in 20 equal quarterly installments commencing as of the date he ceases to be employed. In the event that Mr. Westerman's Rabbi Trust has not yet been funded, the balance of principal and interest of the retirement account shall be paid directly to Mr. Westerman upon his retirement or termination (except for cause) or upon a change of control.

The agreement provides that for a period of 24 months following termination for any reason except cause, Mr. Westerman shall not engage in any activity, which is in competition with the Company within a 75 mile radius from

Edgar Filing: RIVIERA HOLDINGS CORP - Form DEF 14A

the location of any hotel and/or casino then operated by the Company. As

14

consideration for not competing, the Company shall pay to Mr. Westerman a total of \$500,000 payable in two equal annual installments of \$250,000. The first installment is payable within five business days of termination of employment with the second installment payable on the first anniversary of termination.

In addition to Mr. Westerman, one other executive, Robert Vannucci, has an employment agreement with us.

Mr. Vannucci serves as President of ROC and his employment agreement was last amended on March 24, 2003. Mr. Vannucci's base compensation is \$300,000. His employment agreement contains a Salary Continuation Agreement. See "Salary Continuation Agreements" below. It also provides for a "Normal Incentive Bonus" entitling Mr. Vannucci to participate in our Incentive Compensation Plan, whereby he may share in a portion of such plan's pool which provides for a target of \$25 million EBITDA before deductions of incentives, as defined, for the years 2001 and 2002. Such amounts are credited to the Incentive Compensation Plan's pool up to a maximum of \$1.2 million. Mr. Vannucci did not receive an incentive bonus for the year 2003.

Mr. Vannucci also receives compensation in the form of restricted Common Stock pursuant to our Restricted Stock Plan (see "Restricted Stock Plan" below). Mr. Vannucci's agreement provides that he is to receive \$25,000 in Common Stock, based on the stock's market value, on the first business day of each quarter, plus Common Stock, based on the stock's market value, in the same amount he receives pursuant to our Incentive Compensation Plan. Pursuant to the Restricted Stock Plan, Mr. Vannucci is presently entitled to rights of ownership with respect to the restricted shares, including the right to vote and receive dividends. Mr. Vannucci may not, however sell, assign, pledge, encumber or otherwise transfer any of the shares so long as he is employed by us, without our written consent. The restricted shares fully vest to Mr. Vannucci upon his separation of employment from us, so long as such separation is not a termination for cause. Mr. Vannucci's agreement was amended on March 4, 2003 and again on March 24, 2003 so that, commencing with the restricted stock award of April 1, 2003 and for each quarter thereafter, Mr. Vannucci can choose between receiving \$25,000 in cash or \$25,000 in Common Stock. Mr. Vannucci choose to receive \$25,000 in Common Stock and \$75,000 in cash in 2003 pursuant to this provision. Mr. Vannucci also has the choice between cash and Common Stock as a match to his annual incentive bonus award. Mr. Vannucci received no such matching award in 2003. Mr. Vannucci's agreement automatically renews annually subject to 120 days prior written notice by him or us.

Profit Sharing and 401(k) Plans

On June 30, 1993, we and ROC assumed the combined profit sharing and 401(k) plans of Riviera, Inc. (the "Profit Sharing and 401(k) Plans"), and we and ROC continued the Profit Sharing and 401(k) Plans after June 30, 1993. We also provided that all current employees of Riviera Las Vegas who were employed on April 1, 1992, were at least 21 years of age and not covered by a collective bargaining agreement were immediately eligible to participate in the Profit Sharing and 401(k) Plans. We further provided that all current employees who were employed by Riviera Las Vegas after April 1, 1992, were at least 21 years of age and are not covered by a collective bargaining agreement were eligible to participate after one year of service at the Riviera Las Vegas.

15

Edgar Filing: RIVIERA HOLDINGS CORP - Form DEF 14A

We have identical plans for our 100% indirectly owned subsidiary, Riviera Black Hawk, Inc., which operates its casino in Black Hawk, Colorado. Employees hired prior to June 30, 2000, who were at least 21 years of age and who were not covered by a collective bargaining agreement were immediately eligible to participate in the Profit Sharing and 401(k) Plans. After June 30, 2000, all new employees who were at least 21 years of age and not covered by a collective bargaining agreement were eligible to participate after one year of service at Riviera Black Hawk.

We may make a matching contribution to the 401(k) component of the Profit Sharing and 401(k) Plans in an amount not to exceed 25% of the first 8% of each participant's compensation, which is contributed as a salary deferral. Our Common Stock is not an investment option to participants in the 401(k) component and any Company contribution to the 401(k) component is made in the form of cash to be invested in the participant's selected investment options.

The profit sharing component of the Profit Sharing and 401(k) Plans provides that we will make a contribution equal to 1% of each eligible employee's annual compensation if a prescribed annual operating earnings target is attained and an additional 1% thereof for each \$2 million by which our targeted operating earnings are exceeded, up to a maximum of 3% thereof. We may elect not to contribute to the Profit Sharing and 401(k) Plans if we notify our employees by January of the Profit Sharing and 401(k) Plans year. An employee becomes vested as to our contributions based on the employee's years of service. An employee receives a year of vesting service for each plan year in which the employee completed 1,000 hours of service. Vesting credit is allocated in 20% increments for each year of service commencing with the attainment of two years of service. An employee is fully vested following the completion of six years of service.

Effective January 1, 2000, we suspended contributions to the profit-sharing component of the Profit Sharing and 401(k) Plans and substituted contributions to an Employee Stock Ownership Plan, which is discussed directly below.

Employee Stock Ownership Plan

We have an Employee Stock Ownership Plan ("ESOP"). The ESOP was established effective January 1, 2000 and effectively replaced the profit sharing contribution component of the Profit Sharing and 401(k) Plans. (The 401(k) component remains unchanged.) The ESOP provides that all employees of Riviera Las Vegas and Riviera Black Hawk employed in the plan year who completed a minimum of 1,000 hours of service in that year, were employed through December 31 of that plan year, were at least 21 years of age and were not covered by a collective bargaining agreement are eligible to participate. The ESOP provides that we will make a contribution to the ESOP's participants at our Las Vegas and Black Hawk properties relative to the economic performance of each property. For Riviera Las Vegas, we will make a contribution equal to 1% of each eligible employee's annual compensation if a prescribed annual operating results target is attained and an additional 1% thereof for each \$2 million by which that target is exceeded, up to a maximum of 4% for 2000 and 5% thereafter. For Riviera Black Hawk, we will make a contribution equal to 1% of each eligible employee's annual compensation if a prescribed annual operating results target is attained and an additional 1% thereof for each \$1 million by that target is exceeded, up to a maximum of 4% for 2000 and 5% thereafter. Under the ESOP, our contribution will be made in cash, which will be used primarily to buy Common Stock.

Edgar Filing: RIVIERA HOLDINGS CORP - Form DEF 14A

Incentive Compensation Programs

Approximately 70 executives and other significant employees at Riviera Las Vegas and 20 at Riviera Black Hawk participate in incentive compensation programs. Participants in each of the two programs are eligible to receive an annual incentive bonus based on attainment of predetermined financial targets at each location. An aggregate of \$0 and \$249,140 was awarded to participants at Riviera Las Vegas and Black Hawk, respectively, under these programs in the year ended December 31, 2003.

Deferred Compensation Plan

On October 2, 2000, we adopted a Deferred Compensation Plan to give eligible employees the opportunity to defer cash compensation. Participation in this non-qualified plan is limited to employees who receive compensation of at least \$100,000. The deferred funds are maintained on our books as liabilities. All elections to defer the receipt of compensation must be made not later than December 1st preceding the plan year to which the election relates and are irrevocable for the duration of such year. Six of our executives currently participate in this plan.

Restricted Stock Plan

On October 2, 2000, we adopted a Restricted Stock Plan to attract and retain highly competent persons as officers and key employees by providing them with opportunities to receive restricted shares of Common Stock. Participants consist of such officers and key employees as our Compensation Committee determines are significantly responsible for our success and future growth and profitability. Awards of restricted stock are subject to such terms and conditions as we determine are appropriate at the time of the grant, including restrictions on the sale or other disposition of such stock and provisions for total or partial forfeiture of such stock upon termination of the participant's employment within specified periods or under certain conditions. Mr. Vannucci and Mr. Grippe, ROC's President and Executive Vice President, respectively, are currently the only participants in the Restricted Stock Plan.

Salary Continuation Agreements

Approximately 65 officers and significant employees (excluding Messrs. Westerman and Vannucci) of ROC have salary continuation agreements effective through December 31, 2004, pursuant to which each of them will be entitled to receive (1) either six months' or one year's base salary if their employment is terminated, without cause, within 12 or 24 months of a change of control of the Company or ROC; and (2) certain benefits for periods of either one or two years. The base salary is payable in bi-weekly installments subject to the employee's duty to mitigate by using his or her best efforts to find other employment. In addition, four officers and significant employees have salary continuation agreements effective through December 31, 2005, pursuant to which each of them will be entitled to receive two year's base salary and certain benefits for two

years, if their employment is terminated without cause within 24 months of a change of control of the Company or ROC. These four salary continuation agreements are not subject to a duty to mitigate. As of December 31, 2003, the total amount that would be payable under all such agreements if all payment obligations were to be triggered was approximately \$6.6 million, including \$1.5 million in benefits.

Edgar Filing: RIVIERA HOLDINGS CORP - Form DEF 14A

Compensation of Directors

Messrs. Silver, Harvey and Land are each paid an annual fee of \$50,000 for services as a director of us and ROC. Mr. DiVito is paid an annual fee of \$75,000 for services as a director of us and ROC and as Chairman of our Audit Committee. Each director is also reimbursed for expenses incurred in connection with attendance at meetings of the Board of Directors.

On March 5, 1996, we adopted the Directors' Option Plan, which was approved by our stockholders on May 10, 1996. Under the Directors' Option Plan, each individual elected, re-elected or continuing as a non-employee director will automatically receive a nonqualified stock option for 2,000 shares of Common Stock, with an exercise price equal to the fair market value of our Common Stock on the date of grant. 50,000 shares have been reserved for issuance under the Directors' Option Plan. Of the 50,000 shares available under this plan, we issued 3,103 shares to Mr. Barengo for a portion of his director's fees in 1996 and 877 shares to him for a portion of his fees in 1997.

Compensation Committee Report on Executive Compensation

Edgar Filing: RIVIERA HOLDINGS CORP - Form DEF 14A

The Compensation Committee endeavors to ensure that the compensation program for executive officers of the Company is effective in attracting and retaining key executives responsible for the success of the Company and is tailored to promote the long-term interests of the Company and its stockholders. The Company's executive officer compensation program in its last completed fiscal year was principally comprised of base salary, an executive incentive plan, a 401(k) plan, a profit-sharing plan (revised to provide contributions to ESOP) and long-term incentive compensation in the form of incentive stock options or non-qualified stock options, a deferred compensation plan and a restricted stock plan.

The Compensation Committee takes into account various qualitative and quantitative indicators of corporate and individual performance in determining the level and composition of compensation for the Company's Chief Executive Officer and his recommendations regarding the other executive officers. In particular, the Compensation Committee considers several financial performance measures, including revenue growth and net income. However, the Compensation Committee does not apply any specific quantitative formula in making compensation decisions. The Compensation Committee also considers achievements that, while difficult to quantify, are important to the Company's long-term success. The Compensation Committee seeks to create a mutuality of interest between the executive officers and the Company's stockholders by increasing the executive officers' ownership of Common Stock through the Stock Option Plan, ESOP, Deferred Compensation Plan and Restricted Stock Plan.

Salary levels for the Company's executive officers are significantly influenced by the need to attract and retain management employees with high levels of expertise. In each case, consideration is given both to personal factors, such as the individual's experience, responsibilities and work performance, and to external factors, such as salaries paid by comparable companies in the gaming industry. With regard to the latter, it is important to recognize that because of the opening of new properties on the Las Vegas Strip in 1998, 1999 and 2000 coupled with proposed openings of new properties and expansion of existing properties, and the growth of riverboat and dockside gaming, Native American gaming operations and the proliferation of jurisdictions in which gaming is permitted, the Company competes with numerous other companies for a limited pool of experienced and skilled personnel. Therefore, it is critical that the Company provide base salaries that are competitive in the casino industry. With respect to the personal factors, the Compensation Committee makes salary decisions in an annual review based on the recommendations of the Chief Executive Officer. This annual review considers the decision-making responsibilities of each position as well as the experience and work performance of each executive. The Chief Executive Officer views work

19

performance as the single most important measurement factor. As a baseline measure, in 2001 the Compensation Committee engaged the services of an independent CPA firm, other than Deloitte & Touche LLP, which conducted a compensation survey of comparable Las Vegas resorts. The CPA firm concluded that compensation of Company executives was consistent with other members of the industry.

The compensation of Mr. Westerman for the Company's last completed fiscal year was set pursuant to the employment agreement described above in "Employment Agreements."

The Common Stock is listed on the American Stock Exchange. The following table sets forth certain information regarding the beneficial ownership of the Common Stock as of April 19, 2004, by (1) each person who, to our knowledge, beneficially owns more than 5% of the outstanding Common Stock (based on reports filed with the Securities and Exchange Commission under the Securities Exchange Act of 1934, or upon information furnished to us), (2) each of our directors and executive officers and (3) all of our directors and executive officers as a group. The percentage of outstanding Common Stock represented by each named person's stock ownership assumes the exercise by such person of all stock options that are exercisable within 60 days of April 19, 2004, but does not assume the exercise of stock options by any other persons. The percentage of outstanding Common Stock represented by the stock ownership of all executive officers and directors as a group assumes the exercise of stock options by all members of that group, but does not assume the exercise of options by any persons outside of that group. Except as indicated in the footnotes to the table, each person listed below has sole voting and investment power with respect to the shares set forth opposite such person's name.
