PROXY STATEMENT

March 30, 2001

The form of proxy accompanying this Proxy Statement and the persons named therein as proxies have been approved by the Board of Directors of the Company, and this solicitation is made on behalf of the Board of Directors of the Company. Any proxy given pursuant to this solicitation is revocable by the communication of such revocation in writing to the Secretary of the Company at any time prior to the exercise thereof, and any person executing a proxy, if in attendance at the meeting, may vote in person instead of by proxy. All shares represented by properly executed proxies will, unless such proxies have previously been revoked, be voted at the meeting in accordance with the directions on the proxies. If no direction is indicated, the shares will be voted in favor of the nominees for the Board of Directors listed in this Proxy Statement and in favor of Proposal 2 as described herein. By signing, dating and returning the enclosed proxy card, you will confer discretionary authority on the named proxies to vote on any matter not specified in the notice of meeting if the Company did not receive notice of such matter in a reasonable time before the date this Proxy Statement was mailed to stockholders.

Matters to be considered and acted upon at the meeting are set forth in the Notice of Annual Meeting accompanying this Proxy Statement and are more fully outlined herein. This Proxy Statement was first mailed to stockholders on or about March 30, 2001.

The authorized capital stock of the Company presently consists of 300,000,000 shares of Common Stock, \$.01 par value per share (the "Common Stock"). At the close of business on March 9, 2001, the record date for determining stockholders entitled to vote at the meeting, 159,240,128 shares of Common Stock were outstanding and entitled to vote at the meeting. Each stockholder is entitled to one vote for each share held of record on that date on all matters which may come before the meeting.

There is no cumulative voting in the election of directors. The affirmative vote of a plurality of the votes cast at the meeting will be required for the election of directors. A properly executed proxy marked "WITHHOLD AUTHORITY" with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although it will be counted for purposes of determining whether there is a quorum. For each item other than the election of directors to be acted upon at the meeting, the affirmative vote of the holders of a majority of the shares of Common Stock represented in person or by proxy and entitled to vote on the item will be required for approval. A properly executed proxy marked "ABSTAIN," although counted for purposes of determining whether there is a quorum, will not be voted. Accordingly, an abstention will have the same effect as a vote cast against a proposal.

In accordance with the rules of the New York Stock Exchange, brokers and nominees may be precluded from exercising their voting discretion with respect to certain matters to be acted upon (e.g., any proposal which would substantially affect the rights or privileges of the Common Stock) and thus, in the absence of specific instructions from the beneficial owner of shares, will not be empowered to vote the shares on such matters. A broker non-vote will not be counted in determining the number of shares necessary for approval of proposals. Shares represented by such broker non-votes will, however, be counted for purposes of determining whether there is a quorum. The matters set forth in

Edgar Filing: MGM MIRAGE - Form DEF 14A

this Proxy Statement to be brought before the meeting are not considered to substantially affect the rights or privileges of the Common Stock.

(1) Unless otherwise indicated, the address for the persons listed is 3600 Las Vegas Blvd. South, Las Vegas, Nevada 89109.

(2) The number of shares listed reflects the effect of the Company's February 10, 2000 two-for-one stock split. Except as otherwise indicated and subject to applicable community property and similar laws, the persons listed as beneficial owners of the shares have sole voting and investment power with respect to such shares.

(3) Of these shares, 91,221,432 are held by Tracinda Corporation ("Tracinda"), a Nevada corporation wholly owned by Mr. Kerkorian.

(4) Based upon a Schedule 13G, dated December 31, 2000, filed by FMR Corp. and Fidelity Management and Research Company, a subsidiary of FMR Corp. and an investment advisor under the Investment Advisors Act of 1940, which are deemed to be the beneficial owner 14,426,990 shares of Common Stock as a result of acting as investment advisor to various investment companies.

(5) Based upon a Schedule 13G, dated December 29, 2000, filed by Capital Research and Management Company, an investment advisor under the Investment Advisors Act of 1940, which is deemed to be the beneficial owner of 11,949,600 shares of Common Stock as a result of acting as investment advisor to various investment companies.

Edgar Filing: MGM MIRAGE - Form DEF 14A

Included in these amounts are 1,038,108 shares, 287,329 shares, 228,600 shares, 430,000 shares and 41,600 shares subject to stock options exercisable on or prior to May 9, 2001 held by Messrs. Lanni, Redmond, Wade, Murren and Langsner, respectively.

(7)

Also included are 727,260 shares subject to stock options exercisable on or prior to May 9, 2001, of which six non-employee directors hold 10,000 shares each, one non-employee director holds 664,460 shares, one non-employee director holds 2,000 shares, and one non-employee director holds 800 shares (see "Election of Directors"). Additionally included are a total of 64,008 shares held by four non-director executive officers.

(8)

Less than one percent (1%).

As indicated above, Mr. Kerkorian beneficially owns over 50% of the currently outstanding shares of Common Stock. Mr. Kerkorian intends to vote his shares of Common Stock in favor of the nominees for the Board of Directors listed in the Proxy Statement. Since the holders of Common Stock do not have cumulative voting rights and since Mr. Kerkorian's shares represent more than 50% of the shares to be voted at the meeting, Mr. Kerkorian will be able to elect the entire Board of Directors. Mr. Kerkorian also intends to vote his shares in favor of Proposal 2 and Mr. Kerkorian's vote will be sufficient to cause adoption of that Proposal.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires the Company's executive officers and directors to file reports of ownership of the Common Stock with the Securities and Exchange Commission. Executive officers and directors are required to furnish the Company with copies of all Section 16(a) forms that they file. Based upon a review of these filings and representations from the Company's directors and executive officers that no other reports were required, the Company notes that all reports for the year 2000 were filed on a timely basis.

INFORMATION REGARDING BOARD AND COMMITTEES

Certain Committees: Functions, Memberships and Meetings. The following is a brief description of the functions of certain committees of the Board of Directors and the identity of their members. There is no nominating committee or committee performing a similar function.

The Executive Committee. During intervals between the meetings of the Board of Directors, the Executive Committee exercises all the powers of the Board (except those powers specifically reserved by Delaware law to the full Board of Directors) in the management and direction of the Company's business and conduct of the Company's affairs in all cases in which specific directions have not been given by the Board. The current members of the Executive Committee are J. Terrence Lanni (Chairman), James D. Aljian, Robert H. Baldwin, Fred Benninger, Kirk Kerkorian, James J. Murren, John T. Redmond, Walter M. Sharp, Daniel M. Wade, Alex Yemenidjian and Jerome B. York. The Executive Committee held 16 meetings during fiscal 2000 and acted by written consent one time.

The Audit Committee. The functions of the Audit Committee are to recommend an accounting firm to conduct an annual audit of the Company's consolidated financial statements and to review with such firm the plan, scope and results of such audit, and the fees for the services performed. The Audit Committee also reviews with the independent and internal auditors the adequacy of internal control systems, receives internal audit reports and reports its findings to the full Board of Directors. The Audit Committee is composed exclusively of directors who are not salaried employees of the Company and who are, in the opinion of the Board of Directors, free from any relationship which would interfere with the exercise of independent judgment as a Committee member. The current members of the Audit Committee are Fred Benninger (Chairman), Willie D. Davis and Glenn A. Cramer. The Audit Committee held four meetings during fiscal 2000.

The Compensation and Stock Option Committee. The functions of the Compensation and Stock Option Committee (the "Compensation Committee") are to ensure that the compensation program for executives of the Company (1) is effective in attracting and retaining key officers, (2) links pay to business strategy and performance and (3) is administered in a fair and equitable fashion in the stockholders' interests. The Compensation Committee recommends executive compensation policy to the Board, determines compensation of senior executives of the Company, determines the performance criteria and bonuses to be granted pursuant to the Company's Annual Performance Based Incentive Plan, and administers and approves granting of Company stock options. The Compensation Committee's authority and oversight extends to total compensation, including base salaries, bonuses, stock options, and other forms of compensation. The Compensation Committee is comprised exclusively of directors who are not salaried employees of the Company and who are, in the opinion of the Board of Directors, free from any relationship which would interfere with the exercise of independent judgment as a Compensation Committee member. The current members of the Compensation Committee are James D. Aljian (Chairman) and Jerome B. York. Fred Benninger was also a member of the Compensation Committee during fiscal 2000. The Compensation Committee held 17 meetings during fiscal 2000.

Compensation Committee Interlocks and Insider Participation. Mr. Aljian is an executive of Tracinda and director of Metro-Goldwyn-Mayer Inc., a California-based motion picture studio in which Tracinda owns a majority of the outstanding shares of common stock. Mr. Benninger was formerly Vice Chairman of the Company and prior thereto Chairman, President and Chief Executive Officer of the Company. Mr. York was an executive of Tracinda from September 1995 to October 1999, and is a director of Metro-Goldwyn-Mayer Inc.

Board Meetings. The Board of Directors held four meetings during 2000, and acted by unanimous written consent three times. The work of the Company's directors is performed not only at meetings of the Board of Directors and its committees, but also by consideration of the Company's business through the review of documents and in numerous communications among Board members and others. During 2000, all directors attended at least 88.5% of the aggregate of all meetings of the Board of Directors and committees on which they served (held during the period for which they served).

Fees for Board and Committee Service. Directors who are compensated as full-time employees of the Company or its subsidiaries receive no additional compensation for service on the Board of Directors or its committees. Effective July 1, 2000, each director who is not a full-time employee of the Company or its subsidiaries was paid \$38,000 per annum, plus \$1,500 for each Board meeting attended (\$750 if such Board meeting was attended telephonically), plus \$1,000 per meeting for each Executive Committee meeting attended (\$500 if such meeting of the Executive Committee was attended telephonically), if such director is a member of the Executive Committee of the Board of Directors. Each member of the Audit Committee receives \$1,500 for each meeting attended (\$750 if such meeting of the Audit Committee was attended telephonically), and each member of the Compensation Committee receives \$750 per quarter. Directors are also reimbursed expenses for attendance at Board and committee meetings.

Through June 2000, each director who was not a full-time employee of the Company or its subsidiaries was paid \$26,000 per annum, plus \$750 per meeting of each Executive Committee meeting attended, if such Director was a member of the Executive Committee of the Board of Directors. Each member of the Audit Committee received \$1,500 for each meeting attended (subject to an annual \$6,000 maximum), and each member of the Compensation Committee received \$750 per quarter. Directors were also reimbursed expenses for attendance at Board and committee meetings.

The Company maintains a stock option grant program pursuant to the Nonqualified Stock Option Plan, which received Compensation Committee approval and subsequent stockholder approval, whereby members of the Company's Board of Directors who are not full-time employees of the Company or its subsidiaries would receive an initial grant of 10,000 stock options, and subsequent yearly grants of 2,000 stock options during their respective terms as directors. Effective July 1, 2000, the annual grants were increased to 5,000 stock options during their respective terms as directors.

The Company implemented a Supplemental Executive Retirement Plan (the "SERP") in December 2000 which commenced on January 1, 2001 for Certain Key Employees not a part of a collective bargaining unit. The SERP is a nonqualified plan in which the Company makes contributions, based on certain actuarial assumptions, which are intended to provide a retirement benefit, that is a fixed percentage of a participant's estimated final five year average salary, up to a maximum of 65%. All contributions are deferred, on a pretax basis, and accumulate tax-deferred earnings plus interest as a retirement fund. Employees do not make contributions under this plan. The Company contributions commence vesting after three years of SERP participation, and are fully vested after ten years of continuous service. All deferred amounts are invested in either eight equity funds, a balanced income fund, a money market fund or a bond fund as directed by the participant. At the time of enrollment in the SERP, each participant must elect either a lump-sum payment or up to a 20-year installment-payout to be distributed following normal retirement or in the event of disability or death, and a five-year installment payout following termination. A participant may also make a request for withdrawal of the vested account balance based on financial hardship.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

Compensation Policies

The Compensation Committee of the Board of Directors is responsible for establishing, monitoring and implementing the policies governing the compensation of the Company's executives. During 2000, the Committee was comprised of the three directors whose names appear at the bottom of this report. These policies may be summarized as follows:

1. The Company's compensation programs should be effective in attracting, motivating and retaining key executives;
2. There should be a correlation between the compensation awarded to an executive, the performance of the Company as a whole, and the executive's individual performance; and
3. The Company's compensation programs should provide the executives with a financial interest in the Company similar to the interests of the Company's stockholders.

The Company's executives are compensated through a combination of salary, performance bonuses and long-term incentive arrangements (where appropriate), and grants of stock options under the Company's Nonqualified Stock Option Plan and Incentive Stock Option Plan. The annual salaries of the executives are reviewed from time to time and adjustments are made where necessary in order for the salaries of the Company's executives to be competitive with the salaries paid by companies included in the Dow Jones Casinos Industry Group (the "Casinos Group"). Performance bonuses, where appropriate, are usually determined after the end of the Company's fiscal year based on an assessment of the Company's results and the level of an individual's particular performance for that year. Long-term incentive arrangements, on a case by case basis, may be determined as part of an overall compensation package in conjunction with demonstrable enhancements to stockholder values. The Company did not enter into any long-term incentive arrangement with any executives in 2000.

The Company's Annual Performance Based Incentive Plan for Executive Officers (the "Incentive Plan") provides for performance-based bonuses for executives who are "covered employees" under Section 162(m) of the Internal Revenue Code. Section 162(m) generally disallows a tax deduction to public companies for compensation over \$1 million paid to any such company's chief executive officer and four other most highly compensated executive officers. Qualifying performance-based compensation will not be subject to the deduction limitation if certain requirements are met. In determining

compensation, the Compensation Committee considers the effect of Section 162(m), although in appropriate circumstances, it has determined to award compensation to covered executive officers which is not fully deductible by virtue of Section 162(m). A portion of the bonuses awarded to Messrs. Lanni and Murren for 2000 outside of the Incentive Plan were not deductible as a result of this limitation. The Compensation Committee based the performance measure in 2000 on achievement by the Company of pretax income before interest, plus in the case of Messrs. Wade, Redmond and Murren, operating income of specified divisions of the Company, subject to application of an adjustment factor. The actual bonus awards, if any, under the Incentive Plan are determined by the Compensation Committee, provided that no bonus award under the Incentive Plan may be made if the performance criteria are not met and no such bonus award may exceed the lesser of 100% of the eligible executive's average annual base salary in effect for the plan year or \$1,000,000. The average annual base salary for any participant is the average of such participant's annual base salary at (a) the beginning of the performance period (generally the first day of the year) and (b) the date that the Committee establishes the performance goals under the Incentive Plan (generally not later than the 90th day of the year).

The performance goals set by the Compensation Committee in 2000 were met, and accordingly, the Company's senior executives qualified for bonuses for 2000 under the Incentive Plan. In determining whether to grant any bonuses to such executives for 2000, the Compensation Committee also considered the successful achievement of certain other Company goals, including the acquisition of Mirage Resorts. In addition, the Compensation Committee considered the following factors, in order of importance: an assessment of overall Company performance; the executives' levels of responsibility and performance, based upon evaluations and recommendations of the Chairman of the Board as to proposed bonuses for executives other than himself; and the other components of the senior executives' compensation attributable to 2000. The Compensation Committee determined, on February 12, 2001, to grant bonuses for 2000 to the Named Executives pursuant to the Incentive Plan as follows: Mr. Lanni \$1,000,000; Mr. Wade \$600,000; Mr. Redmond \$600,000; Mr. Murren \$600,000; Mr. Jacobs \$500,000; and Mr. Langsner \$230,000, based upon the factors and compensation policies discussed above. In addition, the Compensation Committee determined during 2000 to award additional bonuses outside of the Incentive Plan to certain of the Named Executives. For successful completion of the acquisition of Mirage Resorts, the following bonuses were awarded: Mr. Lanni \$1,500,000; Mr. Murren \$1,000,000; and Mr. Langsner \$50,000. For the successful sale of MGM Grand Monorail, Inc., Mr. Langsner was awarded a bonus of \$250,000. Additionally, pursuant to commencement of employment contracts, Mr. Lanni, received \$40,000 in February 2000 and Messrs. Wade, Redmond, Murren and Jacobs received \$30,000 each in June 2000.

The Compensation Committee believes that a significant component of the compensation paid to the Company's executives over the long term should be derived from stock options. The Compensation Committee strongly believes that equity ownership in the Company is a valuable incentive to executives and that the grant of stock options to them serves to align their interests with the interests of the shareholders as a whole and encourages them to manage the Company for the long term. The Compensation Committee determines whether to grant stock options, as well as the amount of the grants, by taking into account, in the following order of importance, the individual's past and prospective value to the Company, the performance of the proposed recipient (based upon evaluations by the executive's superior or the Board of Directors) and the amount of stock options previously granted. In 2000, the Compensation Committee granted to J. Terrence Lanni, Daniel M. Wade, John T. Redmond, James J. Murren, Gary N. Jacobs and Scott Langsner options to purchase 1,000,000 shares, 150,000 shares, 150,000 shares, 150,000 shares, 500,000 shares and 50,000 shares of Common Stock, respectively. The Compensation Committee anticipates that it will grant additional options to the Company's senior executive officers in the future.

15

Compensation Awarded to the Co-Chief Executive Officers

Mr. Redmond and Mr. Wade became Co-Chief Executive Officers of the Company effective December 30, 1999. Pursuant to the terms of their employment agreements now in effect, each of Mr. Redmond and Mr. Wade now receives a salary of \$800,000 per year. As Co-Chief Executive Officers, Messrs. Redmond and Wade are eligible to participate in the same executive compensation plans available to the Company's other senior executives, including the Incentive Plan. The performance measure for the Incentive Plan in 2000 was based upon achievement by the Company of pretax income before interest, plus in the case of Mr. Wade, operating income of MGM Grand Las Vegas and New York New York and in the case of Mr. Redmond, operating income of the Company's hotel/casinos in Primm, Nevada and the MGM Grand Detroit interim casino. In considering whether to pay Messrs. Redmond and Wade bonuses under the Incentive Plan for 2000, the Compensation Committee considered the achievement of the Company goals set forth above, as well as the following factors, in order of importance: an assessment of overall Company performance; the level of responsibility and performance of each; and the other components of their compensation attributable to 2000. The Compensation Committee determined, on February 12, 2001, to grant a bonus of \$600,000 to each of Mr. Wade and Mr. Redmond for 2000 pursuant to the Incentive Plan.

AUDIT COMMITTEE REPORT

The Audit Committee of the Board of Directors (the "Audit Committee") consists of Mr. Benninger (Chairman), Mr. Cramer and Mr. Davis. Messrs. Cramer and Davis meet the independence and experience requirements of the New York Stock Exchange listing standards. However, Mr. Benninger did not meet such independence requirements in 2000 because of his prior relationship with the Company. Mr. Benninger served as Vice Chairman of the Board from April 1995 to March 1998 and prior thereto, he served as Chairman of the Board from August 1987 to April 1995, as President from August 1987 to March 1990 and as Chief Executive Officer from August 1987 to January 1991. Pursuant to Section 303.02 (D) of the New York Stock Exchange Listed Company Manual, the Board of Directors determined in its business judgment that, as a result of Mr. Benninger's knowledge of financial and accounting matters, his membership on the Audit Committee was required in the best interests of the Company and its stockholders.

The Audit Committee's responsibilities are described in a written charter adopted by the Board of Directors, which is attached as Appendix A to this Proxy Statement. The Audit Committee is responsible for providing independent, objective oversight of the Company's financial reporting system by focusing on three areas:

1. The adequacy of the Company's internal controls and financial reporting process and the reliability of the Company's financial statements,
2. The independence and performance of the Company's internal auditors and independent accountants, and
- 3.

Edgar Filing: MGM MIRAGE - Form DEF 14A

The Company's compliance with legal and regulatory requirements.

The Audit Committee meets with management, the Company's independent accountants and the internal accountants periodically to consider the adequacy of the Company's internal controls and the objectivity of its financial reporting. The Audit Committee also recommends to the Board of Directors the appointment of the independent accountants, and periodically reviewed their performance and independence from management for the year 2000. During fiscal year 2000, the Company retained its principal independent accountants, Arthur Andersen LLP, to provide services in the following categories and amounts:

Audit Fees	\$	617,000
Financial Information Systems Design and Implementation Fees		53,000
All Other Fees		1,520,000
		<hr/>
		\$ 2,190,000
		<hr/>

The category of "All Other Fees" substantially relates to services traditionally provided by auditors, such as, but not limited to, due diligence, review of registration statements, tax review and other services. The Audit Committee has concluded that the provision of non-audit services by the Company's principal independent accountants is compatible with maintaining auditor independence.

The Audit Committee reviewed and discussed the audited financial statements with management and Arthur Andersen LLP and management represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles. The discussions with Arthur Andersen LLP also included the matters required by Statement on Auditing Standards No. 61 (communication with Audit Committees). Arthur Andersen LLP provided to the Audit Committee the written disclosures and the letter regarding its independence as required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), which was discussed with Arthur Andersen LLP.

17

Based on the Audit Committee's review of the audited financial statements and the review and discussions described in the foregoing paragraphs, the Audit Committee recommended to the Board of Directors that the audited financial statements for the fiscal year ended December 31, 2000 be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2000 for filing with the Securities and Exchange Commission.

If Mr. Lanni seeks to terminate the agreement for good cause, he must give the Company 30 days notice to cure the breach. If such breach is not cured (and the Company does not invoke its right to arbitration), or if Mr. Lanni terminates without cause upon 30 days notice, then termination will result and Mr. Lanni shall be entitled to exercise those of his stock options granted under the Company's Nonqualified Stock Option Plan as had been vested but were unexercised as of the date of termination. March 15, 2000 with an exercise price of \$20.1876 per share. All of these options vested on March 15, 2001. In addition, Mr. Lanni was granted options to purchase 600,000 shares of Common Stock on May 31, 2000 with an exercise price of \$32.50 per share. These options vest in one-third increments on May 31, 2002, May 31, 2003 and May 31, 2004. If there is a Change in Control (as defined) of the Company, all unvested stock options become fully vested. If the Change in Control results from an exchange of outstanding Common Stock as a result of which the Common Stock of the Company is no longer publicly held, then the options held by Mr. Lanni shall be exercisable at the time or times they would have been exercisable for the consideration (cash, stock or otherwise) which the holders of the Company's Common Stock received in such exchange.

John T. Redmond, President and Chief Executive Officer of MGM Grand Resorts, is a party to an employment agreement with the Company which terminates on May 31, 2004. Under the agreement he receives a minimum salary of \$800,000. The Company may terminate the agreement for good cause (as defined). In such event, Mr. Redmond shall be entitled to exercise those of his stock options granted under the Company's Nonqualified Stock Option Plan as had been vested but were unexercised as of the date of termination. If the agreement is terminated as a result of death or disability, Mr. Redmond (or his beneficiary) will be entitled to exercise those of his unexercised options as would have been vested as of the first anniversary of the date of termination. Also, pursuant to the agreement, if the Company terminates the agreement for other than good cause (as defined), Mr. Redmond's salary will continue for the term of the agreement, he will continue to receive certain employee benefits, and all unvested stock options held will continue to vest for the remaining term of the agreement. If Mr. Redmond seeks to terminate the agreement for good cause, he must give the Company 30 days notice to cure the breach. If such breach is not cured (and the Company does not invoke its right to arbitration), or if Mr. Redmond terminates without cause upon 30 days notice, then termination will result and Mr. Redmond shall be entitled to exercise those of his stock options granted under the Company's Nonqualified Stock Option Plan as had been vested but were unexercised as of the date of termination. Mr. Redmond was granted options to purchase 150,000 shares of Common Stock on May 31, 2000 with an exercise price of \$32.50 per share. These options vest 25% annually commencing on May 31, 2001. If there is a Change in Control (as defined) of the Company, all unvested stock options become fully vested. If the Change in Control results from an exchange of outstanding Common Stock as a result of which the Common Stock of the Company is no longer publicly held, then the options held by Mr. Redmond shall be exercisable at the time or times they would have been

exercisable for the consideration (cash, stock or otherwise) which the holders of the Company's Common Stock received in such exchange.

Daniel M. Wade, Vice Chairman of the Company, is a party to an employment agreement with the Company which terminates on May 31, 2004. Under the agreement he receives a minimum annual salary of \$800,000. The Company may terminate the agreement for good cause (as defined). In such event, Mr. Wade shall be entitled to exercise those of his stock options granted under the Company's Nonqualified Stock Option Plan as had been vested but were unexercised as of the date of termination. If the agreement is terminated as a result of death or disability, Mr. Wade (or his beneficiary) will be entitled to exercise those of his unexercised options as would have been vested as of the first anniversary of the termination date. Also, pursuant to the agreement, if the Company terminates the agreement for other than good cause (as defined), Mr. Wade's salary will continue for the term of the agreement, he will continue to receive certain employee benefits, and all unvested stock options held will continue to vest for the remaining term of the agreement. If Mr. Wade seeks to terminate the agreement for good cause, he must give the Company 30 days notice to cure the breach. If such breach is not cured (and the Company does not invoke its right to arbitration), or if Mr. Wade terminates without cause upon 30 days notice, then termination will result and Mr. Wade shall be entitled to exercise those of his stock options granted under the Company's Nonqualified Stock Option Plan as had been vested but were unexercised as of the date of termination. Mr. Wade was granted options to purchase 150,000 shares of Common Stock on May 31, 2000 with an exercise price of \$32.50 per share. These options vest 25% annually commencing May 31, 2001. If there is a Change in Control (as defined) of the Company, all unvested stock options become fully vested. If the Change in Control results from an exchange of outstanding Common Stock as a result of which the Common Stock of the Company is no longer publicly held, then the options held by Mr. Wade to purchase Common Stock of the Company shall be exercisable at the time or times they would otherwise have been exercisable for the consideration (cash, stock or otherwise) which the holders of the Company's Common Stock received in such exchange.

James J. Murren, President and Chief Financial Officer of the Company, is a party to an employment agreement with the Company which terminates on May 31, 2004. Under the agreement he receives a minimum annual salary of \$800,000. The Company may terminate the agreement for good cause (as defined). In such event, Mr. Murren shall be entitled to exercise those of his stock options granted under the Company's Nonqualified Stock Option Plan as had been vested but were unexercised as of the date of termination. If the agreement is terminated as a result of death or disability, Mr. Murren (or his beneficiary) will be entitled to exercise those of his unexercised options as would have been vested as of the first anniversary of the date of termination. Also, pursuant to the agreement, if the Company terminates the agreement without good cause (as defined), Mr. Murren's salary will continue for the term of the agreement, he will continue to receive certain employee benefits and all unvested stock options held will continue to vest for the remaining term of the agreement. If Mr. Murren seeks to terminate the agreement for good cause, he must give the Company 30 days notice to cure the breach. If such breach is not cured (and the Company does not invoke its right to arbitration), or if Mr. Murren terminates without cause upon 30 days notice, then termination will result and Mr. Murren shall be entitled to exercise those of his stock options granted under the Company's Nonqualified Stock Option Plan as had been vested but were unexercised as of the date of termination. Mr. Murren was granted options to purchase 150,000 shares of Common Stock on May 31, 2000 with an exercise price of \$32.50 per share. These options vest 25% annually commencing May 31, 2001. If there is a Change in Control of the

Company (as defined), all unvested stock options become fully vested. If the Change in Control results from an exchange of outstanding Common Stock as a result of which the Common Stock of the Company is no longer publicly held, then the options held by Mr. Murren to purchase Common Stock of the Company shall be exercisable at the time or times they would otherwise have been exercisable for the consideration (cash, stock or otherwise) which the holders of the Company's Common Stock received in such exchange.

Robert H. Baldwin, President and Chief Executive Officer of Mirage Resorts, the Company's wholly owned subsidiary, is a party to an employment agreement with Mirage Resorts which terminates on May 31, 2004. Under the agreement he received \$7,100,000 as an inducement to enter into the agreement and commencing June 1, 2000, receives a minimum annual salary of \$1,000,000. Additionally, Mr. Baldwin received a bonus of \$600,000 in February 2001 based on the 2000 financial performance of Mirage Resorts. If the Company terminates the agreement, Mr. Baldwin shall be entitled to exercise those of his stock options granted under the Company's Nonqualified Stock Option Plan as had been vested but were unexercised as of the date of termination. If the agreement is terminated as a result of death or disability, Mr. Baldwin (or his beneficiary) will be entitled to exercise those of his unexercised options as would have been vested as of the first anniversary of the date of termination. If Mr. Baldwin seeks to terminate the agreement for good cause, he must give the Company 30 days notice to cure the breach. If such breach is not cured (and the Company does not invoke its right to arbitration), or if Mr. Baldwin terminates without cause upon 30 days notice, then termination will result and Mr. Baldwin shall be entitled to exercise those of his stock options granted under the Company's Nonqualified Stock Option Plan as had been vested but were unexercised as of the date of termination. Mr. Baldwin was granted options to purchase 800,000 shares of Common Stock on May 31, 2000 with an exercise price of \$32.50 per share. These options vest 25% annually commencing on May 31, 2001. If there is a Change in Control (as defined) of the Company, all unvested stock options become fully vested. If the Change in Control results from an exchange of outstanding Common Stock as a result of which the Common Stock of the Company is no longer publicly held, then the options held by Mr. Baldwin shall be exercisable at the time or times they would have been exercisable for the consideration (cash, stock or otherwise) which the holders of the Company's Common Stock received in such exchange.

Gary N. Jacobs, Executive Vice President and General Counsel of the Company, is a party to an employment agreement with the Company which terminates on May 31, 2004. Under the agreement he receives a minimum annual salary of \$500,000, and a minimum bonus of \$500,000 for 2000 which was paid in February 2001. The Company may terminate the agreement for good cause (as defined). In such event, Mr. Jacobs shall be entitled to exercise those of his stock options granted under the Company's Nonqualified Stock Option Plan as had been vested but were unexercised as of the date of termination. If the agreement is terminated as a result of death or disability, Mr. Jacobs (or his beneficiary) will be entitled to exercise those of his unexercised options as would have been vested as of the first anniversary of the date of termination. Also, pursuant to the agreement, if the Company terminates the agreement for other than good cause (as defined), Mr. Jacobs' salary will continue for the term of the agreement, he will continue to receive certain employee benefits, and all unvested stock options held will continue to vest for the remainder of the term of the agreement. If Mr. Jacobs seeks to terminate the agreement for good cause, he must give the Company 30 days notice to cure the breach. If such breach is not cured (and the Company does not invoke its right to arbitration), or if Mr. Jacobs terminates without cause upon 30 days notice, then termination will result and Mr. Jacobs shall be entitled to exercise those of his stock options granted under the Company's Nonqualified Stock Option Plan as had been vested but were unexercised as of the date of termination. Mr. Jacobs was granted options to purchase 500,000 shares of Common Stock on June 1, 2000 with an exercise price of \$33.3125 per share. These options vest 25% annually commencing on June 1, 2001. If there is a Change in Control (as defined) of the Company, all unvested stock options become fully vested. If the Change in Control results from an exchange of outstanding Common Stock as a result of which the Common Stock of the Company is no longer publicly held, then the options held by Mr. Jacobs shall be exercisable at the time or times they would have been exercisable for the consideration (cash, stock or otherwise) which the holders of the Company's Common Stock received in such exchange.

Scott Langsner, Senior Vice President, Secretary and Treasurer of the Company, is a party to an employment agreement with the Company which terminates on December 9, 2002. Under the agreement he received an annual salary of \$200,000, which was increased to \$230,000 effective

January 1, 2000, and to \$250,000 effective June 1, 2000. The Company may terminate the agreement for good cause (as defined). In such event, Mr. Langsner shall be entitled to exercise those of his stock options granted under the Company's Nonqualified Stock Option Plan as had been vested but were unexercised as of the date of termination. If the Company terminates the agreement without good cause (as defined), Mr. Langsner's salary will continue for the term of the agreement, he will continue to receive certain employee benefits and all unvested stock options held will continue to vest for a period of 12 months. If Mr. Langsner seeks to terminate the agreement for good cause, he must give the Company 30 days notice to cure the breach. If such breach is not cured (and the Company does not invoke its right to arbitration), or if Mr. Langsner terminates without cause upon 30 days notice, then termination will result and Mr. Langsner shall be entitled to exercise those of his stock options granted under the Company's Nonqualified Stock Option Plan as had been vested but were unexercised as of the date of termination. Mr. Langsner was granted options to purchase 30,000 shares of Common Stock on May 31, 2000 with an exercise price of \$32.50 per share, and 20,000 shares of Common Stock on July 6, 2000 with an exercise price of \$34.00 per share, which vest 25% annually

commencing one year from the dates of grant. If there is a Change in Control (as defined) of the Company, all unvested stock options become fully vested. If the Change in Control results from an exchange of outstanding Common Stock as a result of which the Common Stock of the Company is no longer publicly held, then the options held by Mr. Langsner to purchase Common Stock of the Company shall be exercisable at the time or times they would otherwise have been exercisable for the consideration (cash, stock or otherwise) which the holders of the Company's Common Stock received in such exchange.

Christensen, Miller, Fink, Jacobs, Glaser, Weil & Shapiro, LLP, a law firm of which Terry Christensen, a member of the Board of Directors of the Company, is a partner and Gary N. Jacobs, Executive Vice President General Counsel and a director of the Company, is of counsel (see "Election of Directors"), has performed extensive legal services for the Company. Such services rendered relate to litigation, sales of securities, financing transactions, acquisitions and dispositions of certain assets and operations, tax matters and other business transactions, contracts and agreements.

Bear, Stearns & Co. Inc, an investment banking and brokerage firm of which George J. Mason, a member of the Board of Directors of the Company, is Senior Managing Director, was paid \$1,803,000 by the Company in 2000 for investment banking and brokerage services rendered.

In June 2000, Mr. Yemenidjian, a member of the Board of Directors of the Company, received \$1,500,000 for services rendered in the successful completion of the acquisition of Mirage Resorts.

During 2000, Alexander M. Haig, Jr., a member of the Board of Directors of the Company, rendered consulting services to the Company, for which he received fees of \$50,000.

In 1997, the Compensation Committee adopted a stock option grant program pursuant to the Nonqualified Stock Option Plan, which was subsequently approved by the stockholders, whereby members of the Company's Board of Directors who are not full-time employees of the Company would receive an initial grant (adjusted to reflect the effect of the Company's February 10, 2000 two-for-one stock split) of 10,000 stock options, and subsequent yearly grants of 2,000 stock options during their respective terms as directors. Effective July 1, 2000, the annual grants were increased to 5,000 stock options during their respective terms as directors.

For the 12 months ended December 31, 2000, the Company and its subsidiaries rented aircraft from Tracinda for various business purposes. The aggregate amount of rental payments were approximately \$15,000, and the rent payments were at rates which management believes are generally below those offered by third parties. The Company provided hotel services and usage of its aircraft to Tracinda in the aggregate amount of approximately \$46,000, which management believes to be at rates generally comparable to those offered to third parties. The Company and Tracinda have entered into various other transactions and arrangements which, individually and in the aggregate, are not material.

On April 18, 2000, in connection with the May 31, 2000 Mirage Resorts acquisition, the Company completed a private placement of 46.5 million shares of its common stock for a total purchase price of \$1.23 billion. On May 18, 2000, as required by the private placement agreement, the Company filed a shelf registration statement to register the resale of these shares. Tracinda purchased 23 million shares in the private placement.

In February 2000, MGM Grand Hotel, Inc., predecessor to MGM Grand Hotel, LLC, contributed \$125,000 to The Lincy Foundation, a charitable foundation established by Tracinda. James D. Aljian, a director of the Company, also serves as an employee and on the five-member Board of Directors of The Lincy Foundation.

Certain affiliates of the Company, including MGM Grand Hotel, LLC, purchase on a wholesale basis from a subsidiary of Metro-Goldwyn-Mayer Inc., a California-based motion picture studio of which Tracinda owns a majority of the outstanding shares of common stock (collectively with its subsidiaries, "MGM Inc."), videocassettes and other merchandise such as baseball caps, clothing, key chains and watches bearing the trademarks and logos of MGM Inc. for resale to consumers in retail shops located within MGM MIRAGE affiliated hotels. For the year ended December 31, 2000, the Company purchased approximately \$2,200 in MGM Inc. merchandise at rates which management believes are generally comparable to those offered to third parties. Hotel affiliates of MGM MIRAGE and MGM Inc. occasionally conduct cross-promotional campaigns, in which MGM MIRAGE's hotel affiliates and MGM Inc.'s motion picture releases are promoted together; however, management believes that the amounts involved are immaterial. MGM MIRAGE and its hotel affiliates and MGM Inc. have an ongoing relationship whereby the MGM MIRAGE hotel affiliates can utilize key art, still photographs of artwork and one-minute film clips from certain of MGM Inc.'s motion picture releases on an as-needed basis. MGM MIRAGE and its hotel affiliates do not pay any monetary compensation for these licenses.

Pursuant to a License Agreement between a predecessor in interest to the Company and Metro-Goldwyn-Mayer Lion Corp. dated February 29, 1980, as amended, the Company has an open-ended exclusive license to use certain trademarks, trade names and logos in and in

Edgar Filing: MGM MIRAGE - Form DEF 14A

connection with the Company's resort hotel and/or gaming and other businesses, excluding the filmed entertainment business. The Company has agreed to pay \$1 million per year for that portion of the license which permits the Company to use the letters "MGM" combined with the name "Mirage" and or "MIRAGE."

Pursuant to a Merchandise License Agreement effective as of December 1, 2000 between MGM Inc. and a subsidiary of the Company, the Company has the right to use certain trademarks and logos of MGM Inc. in connection with the retail sale of merchandise at the Company's properties. The Company is required to pay MGM Inc. royalties based on retail sales of the licensed merchandise. The agreement has a term of five years, subject to the Company's right to extend the term for one additional five-year period and its option to terminate the agreement at any time upon 60 days' notice. The amount of royalties which will become payable in 2001 and future years cannot be determined at this time.

The Company and MGM Inc. have entered into various other transactions and arrangements which, individually and in the aggregate, are not material.
