**PART I**

**INFORMATION REQUIRED IN THE SECTION 10(a) PROSPECTUS**

The documents containing the information specified in Part I of Form S-8 Registration Statement (the Registration Statement ) will be sent or given to participants in the plan listed on the cover of the Registration Statement as specified by Rule 428(b)(1) under the Securities Act of 1933, as amended (the Securities Act ). Such documents need not be filed with the Securities and Exchange Commission (the Commission ) either as part of this Registration Statement or as prospectuses or prospectus supplements pursuant to Rule 424. These documents and the documents incorporated by reference in this Registration Statement pursuant to Item 3 of Part II of this Registration Statement, taken together, constitute a prospectus that meets the requirements of Section 10(a) of the Securities Act.

**PART II**

**Item 3. Incorporation of Documents by Reference.**

The following documents, filed by Wausau Paper Corp. (the Registrant ), are incorporated by reference in this Registration Statement (excluding any portions of such documents that have been furnished but not filed for purposes of the Securities Exchange Act of 1934, as amended, which is referred to in this Registration Statement as the Exchange Act ):

The Registrant's annual report on Form 10-K for the year ended December 31, 2009, filed with the Commission on March 1, 2010, including all material incorporated by reference therein (the Form 10-K ). Note that, at December 31, 2009, and during the year then ended, the Registrant's operations were classified into three principal reportable segments: Specialty Products, Printing & Writing, and Towel & Tissue, each providing different products. Effective January 1, 2010, the Registrant combined the Specialty Products and Printing & Writing segments into a single strategic operating unit. The consolidation did not impact the organization of the Registrant's Towel & Tissue business segment, nor did the consolidation of segments have a material impact on the Registrant's consolidated financial statements. The asset information, sales, operating profit, and other significant items shown by segment

below have, however, been restated in comparison to the presentation contained in the Form 10-K in order to show the information in accordance with the segment disclosures that became effective on January 1, 2010.

**Item 4. Description of Securities.**

Not applicable.

**Item 5. Interests of Named Experts and Counsel.**

Not applicable.

**Item 6. Indemnification of Directors and Officers.**

The Registrant is incorporated under the Wisconsin Business Corporation Law. Pursuant to sections 180.0850 to 180.0859 of the Wisconsin statutes, subject to the limitations stated therein, the Registrant is required to indemnify any director or officer against liability and reasonable expenses (including attorneys' fees) incurred by such person in the defense of any threatened, pending or completed civil, criminal, administrative or investigative action, suit or proceeding in which such person is made a party by reason of being or having been a director or officer of the Registrant, unless liability was incurred because such person breached or failed to perform a duty owed to the Registrant which constituted (1) a willful failure to deal fairly with the Registrant or its shareholders in connection with a matter in which such person has a material conflict of interest; (2) a violation of criminal law, unless such person had reasonable cause to believe his or her conduct was lawful or no reasonable cause to believe his or her conduct was unlawful; (3) a transaction from which such person derived an improper personal profit; or (4) willful misconduct. The statute provides that indemnification pursuant to its provisions is not exclusive of other rights or indemnification to which a person may be entitled under the Registrant's articles of incorporation or bylaws, or any written agreement, vote of shareholders or disinterested directors, or otherwise.

Section 180.0859 of the Wisconsin statutes provides that it is the public policy of the State of Wisconsin that such indemnification provisions apply, to the extent applicable to any other proceeding, to, among other things, the offer, sale or purchase of securities in any proceeding involving a state or federal statute.

Bylaw ten of the Registrant's bylaws requires that the Registrant indemnify its directors and officers to the fullest extent provided under Wisconsin law. Directors and officers of the Registrant are also insured, subject to certain specified exclusions and deductible and maximum amounts, against loss from claims arising in connection with their acting in their respective offices, which include claims under the Securities Act of 1933, as amended.

(a)

The undersigned Registrant hereby undertakes:

(1)

To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i)

To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii)

To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement (or the most recent post-effective amendment thereto); and

(iii)

To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement; *provided, however*, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in the periodic reports filed by the Registrant pursuant to Section 13 or 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the Registration Statement.

(2)

That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c)

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer, or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
