If you specify a vote on the Proposal, your proxy will be voted as you indicate. If you simply sign and date the proxy card, but do not specify a vote on the Proposal, your proxy will be voted FOR the Proposal.

..THE PROPOSAL: ELECTION OF DIRECTORS

How are nominees selected?

The Board of Directors of the Fund (the "Board" or the "Directors") has a Nominating Committee (the "Committee") consisting of Edith E. Holiday (Chairman), Frank J. Crothers and Gordon S. Macklin, none of whom is an "interested person" of the Fund as defined by the Investment Company Act of 1940, as amended (the "1940 Act"). Directors who are not interested persons of the Fund are referred to as the "Independent Directors" and Directors who are interested persons of the Fund are referred to as the "Interested Directors."

The Committee is responsible for selecting candidates to serve as Directors and recommending such candidates (a) for selection and nomination as Independent Directors by the incumbent Independent Directors and the full Board; and (b) for selection and nomination as Interested Directors by the full Board. In considering a candidate's qualifications, the Committee generally considers the potential candidate's educational background, business or professional experience, and reputation. In addition, the Committee has established as minimum qualifications for Board membership as an Independent Director (1) that such candidate be independent from relationships with the Fund's investment manager and other principal service providers both within the terms and the spirit of the statutory independence requirements specified under the 1940 Act, (2) that such candidate demonstrate an ability and willingness to make the considerable time commitment, including personal attendance at Board meetings, believed necessary to his or her function as an effective Board member, and (3) that such candidate have no continuing relationship as a director, officer or board member of any investment company other than those within the Franklin Templeton Investments fund complex.

When the Board has or expects to have a vacancy, the Committee receives and reviews information on individuals qualified to be recommended to the full Board as nominees for election as Directors, including any recommendations by shareholders. Such individuals are evaluated based upon the criteria described above. To date, the Committee has been able to identify, and expects to continue to be able to identify, from its own resources an ample number of qualified candidates. The Committee, however, will review shareholders' recommendations to fill vacancies on the Board if these recommendations are submitted in writing and addressed to the Committee at the Fund's offices.

The Board has adopted and approved a formal written charter for the Committee. A copy of the charter is attached as Exhibit A to this proxy statement.

Who are the nominees and Directors?

The Board is divided into three classes. Each class has a term of three years. Each year the term of office of one class expires. This year, the terms of three Directors expire. Edith E. Holiday, Martin L. Flanagan and Charles B. Johnson have been nominated for three-year terms, set to expire at the 2007 Annual Meeting of Shareholders. Frank A. Olson has been nominated for a two-year term, set to expire at the 2006 Annual Meeting of Shareholders. These terms continue, however, until successors are duly elected and qualified. Among these Directors, Martin L. Flanagan and Charles B. Johnson are each deemed to be an "interested person" for purposes of the 1940 Act. All of the nominees are currently members of the Board; however, Mr. Olson is standing for election by

Edgar Filing: TEMPLETON DRAGON FUND INC - Form DEF 14A

shareholders of the Fund for the first time. An incumbent Independent Director recommended Mr. Olson for consideration by the Committee as a nominee for Director. In addition, all of the current nominees and Directors are also directors or trustees of other Franklin(R) funds and/or Templeton(R) funds.

2

Certain Directors of the Fund hold director and/or officer positions with Franklin Resources, Inc. ("Resources") and its affiliates. Resources is a publicly owned holding company, the principal shareholders of which are Charles B. Johnson and Rupert H. Johnson, Jr., who owned approximately 18.23% and 15.22%, respectively, of its outstanding shares as of December 31, 2003. Resources, a global investment organization operating as Franklin Templeton Investments, is primarily engaged, through various subsidiaries, in providing investment management, share distribution, transfer agent and administrative services to a family of investment companies. Resources is a New York Stock Exchange, Inc. ("NYSE") listed holding company (NYSE: BEN). Charles B. Johnson, Chairman of the Board, Director and Vice President of the Fund, and Rupert H. Johnson, Jr., Vice President of the Fund, are brothers. There are no family relationships among any of the Directors or nominees for Director.

Each nominee currently is available and has consented to serve if elected. If any of the nominees should become unavailable, the designated proxy holders will vote in their discretion for another person or persons who may be nominated as Directors.

*We base the number of portfolios on each separate series of the U.S. registered investment companies within the Franklin Templeton Investments fund complex. These portfolios have a common investment adviser or affiliated investment advisers, and also may share a common underwriter.

**Nicholas F. Brady, Martin L. Flanagan, and Charles B. Johnson are "interested persons" of the Fund as defined by the 1940 Act. The 1940 Act limits the percentage of interested persons that can comprise a fund's board of directors. Mr. Johnson is considered an interested person of the Fund due to his position as an officer and director and major shareholder of Resources, which is the parent company of the Fund's Investment Manager, and his position with the Fund. Mr. Flanagan is considered as an interested person of the Fund due to his position as an officer of Resources and his position with the Fund. Mr. Brady's status as an interested person results from his business affiliations with Resources and Templeton Global Advisors Limited. On October 1, 2003, Resources acquired all of the shares of Darby Overseas Investments, Ltd. ("Darby Investments") and the remaining portion of the limited partner interests not currently owned by Resources of Darby Overseas Partners, L.P. ("Darby Partners"). Concurrently with this transaction, the Fund ceased paying directors' fees to Mr. Brady, effective October 1, 2003. Mr. Brady, formerly a shareholder of Darby Investments and a partner of Darby Partners, will continue as Chairman of Darby Investments, which is the corporate general partner of Darby Partners. In addition, Darby Partners and Templeton Global Advisors Limited are limited partners of Darby Emerging Markets Fund, L.P. ("DEMF"). Mr. Brady will also continue to serve as Chairman of the corporate general partner of DEMF, and Darby Partners and Darby Investments own 100% of the stock of the general partner of DEMF. Resources also is an investor in Darby Technology Ventures Group, LLC ("DTV") in which Darby Partners is a significant

investor and for which Darby Partners has the right to appoint a majority of the directors. Templeton Global Advisors Limited also is a limited partner in Darby--BBVA Latin America Private Equity Fund, L.P. ("DBVA"), a private equity fund in which Darby Partners is a significant investor, and the general partner of which Darby Partners controls jointly with an unaffiliated third party. Mr.

Edgar Filing: TEMPLETON DRAGON FUND INC - Form DEF 14A

Brady is also a director of Templeton Capital Advisors Ltd. ("TCAL"), which serves as investment manager to certain unregistered funds. TCAL and Templeton Global Advisors Limited are both indirect subsidiaries of Resources. The remaining nominees and Directors of the Fund are Independent Directors.

How often do the Directors meet and what are they paid?

The role of the Directors is to provide general oversight of the Fund's business, and to ensure that the Fund is operated for the benefit of all shareholders. The Directors anticipate meeting at least five times during the current fiscal year to review the operations of the Fund and the Fund's investment performance. The Directors also oversee the services furnished to the Fund by Templeton Asset Management Ltd.--Hong Kong branch, the Fund's investment manager (the "Investment Manager"), and various other service providers. The Fund currently pays the Independent Directors an annual retainer of \$2,000 and a fee of \$400 per Board meeting attended. Directors serving on the Audit Committee of the Fund and other investment companies in Franklin Templeton Investments receive a flat fee of \$2,000 per Audit Committee meeting attended, a portion of which is allocated to the Fund. Members of a committee are not compensated for any committee meeting held on the day of a Board meeting.

During the fiscal year ended December 31, 2003, there were seven meetings of the Board, three meetings of the Audit Committee, and five meetings of the

Edgar Filing: TEMPLETON DRAGON FUND INC - Form DEF 14A

Nominating Committee. Each Director then in office attended at least 75% of the aggregate of the total number of meetings of the Board and the total number of meetings held by all committees of the Board on which the Director served. The Fund does not currently have a formal policy regarding Directors' attendance at the annual shareholders' meeting. No Directors attended the Fund's last annual meeting held on May 29, 2003.

Certain Directors and officers of the Fund are shareholders of Resources and may receive indirect remuneration due to their participation in management fees and other fees received by the Investment Manager and its affiliates from the funds in Franklin Templeton Investments. The Investment Manager or its affiliates pay the salaries and expenses of the officers. No pension or retirement benefits are accrued as part of Fund expenses.

The table below indicates the total fees paid to Directors by the Fund individually and by all of the funds in Franklin Templeton Investments. These Directors also serve as directors or trustees of other funds in Franklin Templeton Investments, many of which hold meetings at different dates and times. The Directors and the Fund's management believe that having the same individuals serving on the boards of many of the funds in Franklin Templeton Investments enhances the ability of each fund to obtain, at a relatively modest cost to each separate fund, the services of high caliber, experienced and knowledgeable Independent Directors who can more effectively oversee the management of the funds.

***We base the number of boards on the number of U.S. registered investment companies in the Franklin Templeton Investments fund complex. This number does not include the total number of series or funds within each investment company for which the Board members are responsible. Franklin Templeton Investments currently includes 51 registered investment companies, with approximately 154 U.S. based funds or series.

****Mr. Hines retired from the Board effective December 31, 2003.

*****Ms. Krahmer retired from the Board effective February 24, 2004.

*****Mr. Olson was appointed to the Board in May 2003.

Board members historically have followed a policy of having substantial

Edgar Filing: TEMPLETON DRAGON FUND INC - Form DEF 14A

investments in one or more of the funds in Franklin Templeton Investments, as is consistent with their individual financial goals. In February 1998, this policy was formalized through adoption of a requirement that each board member invest one-third of the fees received for serving as a director or trustee of a Templeton fund in shares of one or more Templeton funds and one-third of the fees received for serving as a director or trustee of a Franklin fund in shares of one or more Franklin funds until the value of such investments equals or exceeds five times the annual fees paid to such board member. Investments in the name of family members or entities controlled by a board member constitute fund holdings of such board member for purposes of this policy, and a three-year phase-in period applies to such investment requirements for newly elected board members. In implementing this policy, a board member's fund holdings existing on February 27, 1998 were valued as of such date, with subsequent investments valued at cost.

Other Matters. The Fund's last audited financial statements and annual report for the fiscal year ended December 31, 2003, are available free of charge. To obtain a copy, please call 1-800/DIAL BEN(R) (1-800-342-5236) or forward a written request to Franklin Templeton Investor Services, LLC, P.O. Box 33030, St. Petersburg, Florida 33733-8030.

On May 29, 2002, the Fund's shareholders approved an Agreement and Plan of Reorganization (the "Plan") that provides for the reorganization of the Fund from a Maryland corporation to a Delaware statutory trust. The completion of the reorganization is pending guidance from the National Tax Agency in Japan relating to the tax treatment of the Plan under Japanese laws with respect to the Fund's Japanese shareholders. If and when the reorganization is completed, the Delaware statutory trust will be the successor to the Fund. Therefore, the use of the term "Fund" in this proxy statement includes such successor entity.

Principal Shareholders. As of April 2, 2004, the Fund had 37,770,115 shares outstanding and total net assets of \$662,840,655. The Fund's shares are listed on the NYSE (NYSE: TDF) and on the Osaka Securities Exchange (Symbol: 8683). From time to time, the number of shares held in "street name" accounts of various securities dealers for the benefit of their clients may exceed 5% of

Edgar Filing: TEMPLETON DRAGON FUND INC - Form DEF 14A

the total shares outstanding. To the knowledge of the Fund's management, as of April 2, 2004, there were no other entities holding beneficially or of record more than 5% of the Fund's outstanding shares.

In addition, to the knowledge of the Fund's management, as of April 2, 2004, no nominee or Director of the Fund owned 1% or more of the outstanding shares of the Fund, and the Directors and officers of the Fund owned, as a group, less than 1% of the outstanding shares of the Fund. However, Charles B. Johnson, who is Chairman of the Board, Director and an officer of the Fund, Martin L. Flanagan, who is Director and an officer of the Fund, and Rupert H. Johnson and Harmon E. Burns, who are officers of the Fund, serve on the administrative committee of the Franklin Templeton Profit Sharing and 401(k) Plan, which owns 435,940 shares or approximately 1.15% of the outstanding shares of the Fund. In that capacity, they participate in the voting of such shares. Charles B. Johnson, Martin L. Flanagan, Rupert H. Johnson and Harmon E. Burns disclaim beneficial ownership of any shares of the Fund owned by the Franklin Templeton Profit Sharing and 401(k) Plan, except to the extent of their pecuniary interest.

Section 16(a) Beneficial Ownership Reporting Compliance. U.S. securities laws require that the Fund's Directors, officers and shareholders owning more than 10% of outstanding shares, as well as affiliated persons of its Investment Manager, report their ownership of the Fund's shares and any changes in that ownership. Specific due dates for these reports have been established and the Fund is required to report in this proxy statement any failure to file by these dates during the fiscal year ended December 31, 2003. All of the filing dates of these reports were met except that two reports involving one transaction filed on behalf of Martin L. Flanagan were inadvertently filed late. In making this disclosure, the Fund relied upon the written representations of the persons affected and copies of their relevant filings.

Contacting the Board of Directors. If a shareholder wishes to send a communication to the Board of Directors, such correspondence should be in writing and addressed to the Board of Directors at the Fund's offices, 500 East Broward Boulevard, Suite 2100, Fort Lauderdale, FL 33394-3091, Attention: Secretary. The correspondence will be given to the Board for its review and consideration.

..AUDIT COMMITTEE

Audit Committee and Independent Auditors. The Fund's Audit Committee is responsible for the selection of the Fund's independent auditors, including evaluating their independence, and meeting with such auditors to consider and review matters relating to the Fund's financial reports and internal accounting. The Audit Committee also reviews the maintenance of the Fund's records and the safekeeping arrangements of the Fund's custodian. The Audit Committee is comprised of Messrs. Millsaps (Chairman), Crothers, Olson and Tseretopoulos, all of whom are Independent Directors and also are considered to be "independent" as that term is defined by the NYSE's listing standards.

Selection of Independent Auditors. The Audit Committee and the Board selected the firm of PricewaterhouseCoopers LLP ("PwC") as independent auditors of the Fund for the current fiscal year. Representatives of PwC are not expected to be present at the Meeting, but will have the opportunity to make a statement if they wish, and will be available should any matter arise requiring their presence.

Audit Fees. The aggregate fees paid to PwC for professional services rendered by PwC for the audit of the Fund's annual financial statements or for

Edgar Filing: TEMPLETON DRAGON FUND INC - Form DEF 14A

services that are normally provided by PwC in connection with statutory and regulatory filings or engagements were \$32,549 for the fiscal year ended December 31, 2003 and \$33,650 for the fiscal year ended December 31, 2002.

Audit-Related Fees. The aggregate fees paid to PwC for assurance and related services by PwC that are reasonably related to the performance of the audit or review of the Fund's financial statements and are not reported under "Audit Fees" above were \$0 for the fiscal year ended December 31, 2003 and \$378 for the fiscal year ended December 31, 2002. The services for which these fees were paid included payments for internal control examination pursuant to Statement of Auditing Standards No. 70 and other attestation services.

In addition, the Audit Committee pre-approves PwC's engagement for audit-related services with the Investment Manager and certain entities controlling, controlled by, or under common control with the Investment Manager that provide ongoing services to the Fund, which engagements relate directly to the operations and financial reporting of the Fund. The fees for these services were \$3,134 for the fiscal year ended December 31, 2003 and \$195,862 for the fiscal year ended December 31, 2002. The services for which these fees were paid included payments for internal control examination pursuant to Statement of Auditing Standards No. 70 and other attestation services.

Tax Fees. PwC did not render any tax compliance, tax advice or tax planning services to the Fund for the fiscal year ended December 31, 2003 or for the fiscal year ended December 31, 2002.

In addition, the Audit Committee pre-approves PwC's engagement for tax services with the Investment Manager and certain entities controlling, controlled by, or under common control with the Investment Manager that provide ongoing services to the Fund, which engagements relate directly to the operations and financial reporting of the Fund. The fees for these services were \$0 for the fiscal year ended December 31, 2003 and \$84,424 for the fiscal year ended December 31, 2002. The services for which these fees were paid included payments for tax compliance and advice.

All Other Fees. PwC did not bill for other products and services, other than the services reported above, for the fiscal year ended December 31, 2003 or for the fiscal year ended December 31, 2002.

In addition, the Audit Committee pre-approves PwC's engagement for other services with the Investment Manager and certain entities controlling, controlled by, or under common control with the Investment Manager that provide ongoing services to the Fund, which engagements relate directly to the operations and financial reporting of the Fund. No such services were provided for the fiscal years ended December 31, 2003 and December 31, 2002.

Audit Committee Pre-Approval Policies and Procedures. As of the date of this proxy statement, the Audit Committee has not adopted pre-approval policies and procedures. As a result, all services provided by PwC to the Fund must be directly pre-approved by the Audit Committee.

Aggregate Non-Audit Fees. PwC did not render any non-audit services to the Fund. The aggregate fees paid to PwC for non-audit services to the Investment Manager or to any entity controlling, controlled by, or under common control with the Investment Manager that provide ongoing services to the Fund were \$3,134 for the fiscal year ended December 31, 2003 and \$280,664 for the fiscal year ended December 31, 2002.

The Audit Committee has determined that the provision of the non-audit services that were rendered to the Investment Manager and certain entities controlling, controlled by, or under common control with the Investment Manager is compatible with maintaining PwC's independence.

Edgar Filing: TEMPLETON DRAGON FUND INC - Form DEF 14A

Audit Committee Report. The Board has adopted and approved a formal written charter for the Audit Committee, which sets forth the Audit Committee's responsibilities. A copy of the charter is attached as Exhibit B to this proxy statement.

15

As required by the charter, the Audit Committee reviewed the Fund's audited financial statements and met with management, as well as with PwC, the Fund's independent auditors, to discuss the financial statements.

The Audit Committee received the written disclosures and the letter from PwC required by Independence Standards Board Standard No. 1. The Audit Committee also received the report of PwC regarding the results of their audit. In connection with their review of the financial statements and the auditors' report, the members of the Audit Committee discussed with a representative of PwC, their independence, as well as the following: the auditors' responsibilities in accordance with generally accepted auditing standards; the auditors' responsibilities for information prepared by management that accompanies the Fund's audited financial statements and any procedures performed and the results; the initial selection of, and whether there were any changes in, significant accounting policies or their application; management's judgments and accounting estimates; whether there were any significant audit adjustments; whether there were any disagreements with management; whether there was any consultation with other accountants; whether there were any major issues discussed with management prior to the auditors' retention; whether the auditors encountered any difficulties in dealing with management in performing the audit; and the auditors' judgments about the quality of the Fund's accounting principles.

Based on its discussions with management and the Fund's auditors, the Audit Committee did not become aware of any material misstatements or omissions in the financial statements. Accordingly, the Audit Committee recommended to the Board that the audited financial statements be included in the Fund's Annual Report to Shareholders for the fiscal year ended December 31, 2003 for filing with the U.S. Securities and Exchange Commission.

.. FURTHER INFORMATION ABOUT VOTING AND THE MEETING

Solicitation of Proxies. Your vote is being solicited by the Board of Directors of the Fund. The cost of soliciting proxies, including the fees of a proxy soliciting agent, is borne by the Fund. The Fund reimburses brokerage firms and others for their expenses in forwarding proxy material to the beneficial owners and soliciting them to execute proxies. In addition, the Fund may retain a professional proxy solicitation firm to assist with any necessary solicitation of proxies. The Fund expects that the solicitation would be primarily by mail, but may also include telephone, facsimile, electronic or other means of communication. If the Fund does not receive your proxy by a certain time you may receive a telephone call from a proxy soliciting agent asking you to vote. If professional proxy solicitors are retained, it is expected that soliciting fees would be approximately \$5,000, plus expenses. The Fund does not reimburse Directors and officers of the Fund, or regular

Edgar Filing: TEMPLETON DRAGON FUND INC - Form DEF 14A

employees and agents of the Investment Manager involved in the solicitation of proxies. The Fund intends to pay all costs associated with the solicitation and the Meeting.

16

Voting by Broker-Dealers. The Fund expects that, before the Meeting, broker-dealer firms holding shares of the Fund in "street name" for their customers, as well as the Japan Securities Clearing Corporation ("JSCC") holding shares of the Fund for its beneficial owners, will request voting instructions from their customers and beneficial owners. If these instructions are not received by the date specified in the broker-dealer firms' or JSCC's proxy solicitation materials, the Fund understands that NYSE Rules permit the broker-dealers and JSCC to vote on the Proposal on behalf of their customers and beneficial owners. Certain broker-dealers may exercise discretion over shares held in their name for which no instructions are received by voting these shares in the same proportion as they vote shares for which they received instructions.

Quorum. A majority of the shares entitled to vote--present in person or represented by proxy-- constitutes a quorum at the Meeting. The shares over which broker-dealers and JSCC have discretionary voting power, the shares that represent "broker non-votes" (i.e., shares held by brokers or nominees as to which (i) instructions have not been received from the beneficial owners or persons entitled to vote and (ii) the broker or nominee does not have discretionary voting power on a particular matter), and the shares whose proxies reflect an abstention on any item will all be counted as shares present and entitled to vote for purposes of determining whether the required quorum of shares exists.

Methods of Tabulation. The Proposal to elect Directors requires the affirmative vote of the holders of a plurality of the Fund's shares present and voting on the Proposal at the Meeting. Abstentions and broker non-votes will be treated as votes present at the Meeting, but will not be treated as votes cast. Abstentions and broker non-votes, therefore, will have no effect on the Proposal.

Adjournment. The holders of a majority of shares entitled to vote at the Meeting and present in person or by proxy, whether or not sufficient to constitute a quorum, or any officer present entitled to preside or act as Secretary of the Meeting may adjourn the Meeting. Such authority to adjourn the Meeting may be used in the event that a quorum is not present at the Meeting or in the event that a quorum is present but sufficient votes have not been received to approve the Proposal or to permit further solicitation of proxies or for any other reason consistent with Maryland law and the Fund's Articles of Incorporation and By-Laws. Unless otherwise instructed by a shareholder granting a proxy, the persons designated as proxies may use their discretionary authority to vote as instructed by management of the Fund on questions of adjournment and on any other proposals raised at the Meeting to the extent permitted by the SEC's proxy rules, including proposals for which management of the Fund did not have timely notice, as set forth in the SEC's proxy rules and the Fund's proxy statement for the 2003 annual meeting.

Shareholder Proposals. If and when the reorganization of the Fund from a Maryland corporation to a Delaware statutory trust is completed will dictate the requirements relating to shareholder proposals for the 2005 Annual Meeting of Shareholders. This section describes those requirements.

17

Edgar Filing: TEMPLETON DRAGON FUND INC - Form DEF 14A

Submission of Shareholder Proposals to the Fund. If the reorganization is not completed, the Fund will remain a Maryland corporation, and the proxy rules under the federal securities laws alone will continue to govern shareholder proposals. The Fund anticipates that its 2005 Annual Meeting of Shareholders will be held on or about May 25, 2005. A shareholder who wishes to submit a proposal for consideration for inclusion in the Fund's proxy statement for the 2005 Annual Meeting of Shareholders must send such written proposal to the Fund's offices, at 500 East Broward Boulevard, Suite 2100, Fort Lauderdale, Florida 33394-3091, Attention: Secretary, so that it is received no later than December 14, 2004 in order to be included in the Fund's proxy statement and proxy card relating to that meeting and presented at the meeting.

A shareholder of the Fund who has not submitted a written proposal for inclusion in the Fund's proxy statement by December 14, 2004, as described above, may nonetheless present a proposal at the Fund's 2005 Annual Meeting of Shareholders if such shareholder notifies the Fund, at the Fund's offices, of such proposal by February 27, 2005. If a shareholder fails to give notice by this date, then the persons designated as proxies for the 2005 Annual Meeting of Shareholders may exercise discretionary voting power with respect to any such proposal.

Submission of a proposal by a shareholder does not guarantee that the proposal will be included in the Fund's proxy statement or presented at the meeting.

Submission of Shareholder Proposals to the Trust. If the reorganization is completed, the Fund will be reorganized as a Delaware statutory trust (the "Trust"), and the Trust's By-Laws, in addition to the proxy rules under the federal securities laws, will govern shareholder proposals. The Trust anticipates that the 2005 Annual Meeting of Shareholders will be held on or about May 25, 2005. A shareholder who wishes to submit a proposal for consideration for inclusion in the Trust's proxy statement for the 2005 Annual Meeting of Shareholders must send such written proposal to the Trust's offices, at 500 East Broward Boulevard, Suite 2100, Fort Lauderdale, Florida 33394-3091, Attention: Secretary, so that it is received no later than December 14, 2004 in order to be included in the Trust's proxy statement and proxy card relating to that meeting and presented at the meeting.

A shareholder of the Trust who has not submitted a written proposal for inclusion in the proxy statement by December 14, 2004, as described above, may nonetheless present a proposal at the Trust's 2005 Annual Meeting of Shareholders if such shareholder notifies the Trust, at the Trust's offices, of such proposal not earlier than December 26, 2004 and not later than January 25, 2005. If a shareholder fails to give notice within these dates, then the matter shall not be eligible for consideration at the shareholders' meeting. If, notwithstanding the effect of the foregoing notice provisions, a shareholder proposal is acted upon at the 2005 Annual Meeting of Shareholders, the persons designated as proxy holders for proxies solicited by the Board of Trustees for the 2005 Annual Meeting of Shareholders may exercise discretionary voting power with respect to any shareholder proposal not received by the Trust at the Trust's offices by February 27, 2005.

In addition to the requirements set forth above, a shareholder must comply with the following:

1. A shareholder intending to present a proposal must (i) be entitled to vote at the meeting; (ii) comply with the notice procedures set forth in this proxy statement; and (iii) have been a shareholder of record at the time the shareholder's notice was received by the Trust.

Edgar Filing: TEMPLETON DRAGON FUND INC - Form DEF 14A

2. Each notice regarding nominations for the election of Trustees shall set forth (i) the name, age, business address and, if known, residence address of each nominee proposed in such notice; (ii) the principal occupation or employment of each such nominee; (iii) the number of outstanding shares of the Trust which are beneficially owned by each such nominee; and (iv) all such other information regarding each such nominee that would have been required to be included in a proxy statement filed pursuant to the proxy rules of the SEC, had each such nominee been nominated by the Trustees of the Trust. In addition, the shareholder making such nomination shall promptly provide any other information reasonably requested by the Trust.

3. Each notice regarding business proposals shall set forth as to each matter: (i) a brief description of the business desired to be brought before the meeting and the reasons for conducting such business at the meeting; (ii) the name and address, as they appear on the Trust's books, of the shareholder proposing such business; (iii) the number of outstanding shares of the Trust which are beneficially owned by the shareholder; (iv) any material interest of the shareholder in such business; and (v) all such other information regarding each such matter that would have been required to be included in a proxy statement filed pursuant to the proxy rules of the SEC had each such matter been proposed by the Trustees of the Trust.

Submission of a proposal by a shareholder does not guarantee that the proposal will be included in the Trust's proxy statement or presented at the meeting.

A shareholder proposal may be presented at the 2005 Annual Meeting of Shareholders only if such proposal concerns a matter that may be properly brought before the meeting under applicable federal proxy rules and state law.

NOMINATING COMMITTEE CHARTER

I. The Committee.

The Nominating Committee (the "Committee") is a committee of, and established by, the Board of Directors/Trustees of the Fund (the "Board"). The Committee consists of such number of members as set by the Board from time to time and its members shall be selected by the Board. The Committee shall be comprised entirely of "independent members." For purposes of this Charter, independent members shall mean members who are not interested persons of the Fund ("Disinterested Board members") as defined in Section 2(a)(19) of the Investment Company Act of 1940, as amended (the "1940 Act").

II. Board Nominations and Functions.

1. The Committee shall make recommendations for nominations for Disinterested Board members on the Board to the incumbent Disinterested Board members and to the full Board. The Committee shall evaluate candidates'

Edgar Filing: TEMPLETON DRAGON FUND INC - Form DEF 14A

qualifications for Board membership and the independence of such candidates from the Fund's investment manager and other principal service providers. Persons selected must be independent in terms of both the letter and the spirit of the 1940 Act. The Committee shall also consider the effect of any relationships beyond those delineated in the 1940 Act that might impair independence, e.g., business, financial or family relationships with investment managers or service providers.

2. The Committee also shall evaluate candidates' qualifications and make recommendations for "interested" members on the Board to the full Board.

3. The Committee may adopt from time to time specific, minimum qualifications that the Committee believes a candidate must meet before being considered as a candidate for Board membership and shall comply with any rules adopted from time to time by the U.S. Securities and Exchange Commission regarding investment company nominating committees and the nomination of persons to be considered as candidates for Board membership.

4. The Committee shall review shareholder recommendations for nominations to fill vacancies on the Board if such recommendations are submitted in writing and addressed to the Committee at the Fund's offices. The Committee shall adopt, by resolution, a policy regarding its procedures for considering candidates for the Board, including any recommended by shareholders.

III. Committee Nominations and Functions.

1. The Committee shall make recommendations to the full Board for nomination for membership on all committees of the Board.

2. The Committee shall review as necessary the responsibilities of any committees of the Board, whether there is a continuing need for each committee, whether there is a need for additional committees of the Board, and whether committees should be combined or reorganized. The Committee shall make recommendations for any such action to the full Board.

A-1

3. The Committee shall, on an annual basis, review the performance of the Disinterested Board members.

IV. Other Powers and Responsibilities.

1. The Committee shall meet at least twice each year or more frequently in open or executive sessions. The Committee may invite members of management, counsel, advisers and others to attend its meetings as it deems appropriate. The Committee shall have separate sessions with management and others, as and when it deems appropriate.

2. The Committee shall have the resources and authority appropriate to discharge its responsibilities, including authority to retain special counsel and other experts or consultants at the expense of the Fund.

3. The Committee shall report its activities to the Board and make such recommendations as the Committee may deem necessary or appropriate.

4. A majority of the members of the Committee shall constitute a quorum for the transaction of business at any meeting of the Committee. The action of a majority of the members of the Committee present at a meeting at which a quorum is present shall be the action of the Committee. The Committee may meet in person or by telephone, and the Committee may act by written consent, to the

Edgar Filing: TEMPLETON DRAGON FUND INC - Form DEF 14A

extent permitted by law and by the Fund's by-laws. In the event of any inconsistency between this Charter and the Fund's organizational documents, the provisions of the Fund's organizational documents shall be given precedence.

5. The Committee shall review this Charter at least annually and recommend any changes to the full Board.

ADDITIONAL STATEMENT FOR CLOSED-END FUNDS ONLY

The Committee shall comply with any rules of any stock exchange, if any, applicable to nominating committees of closed-end funds whose shares are registered thereon.

AUDIT COMMITTEE CHARTER

I. The Committee.

The Audit Committee ("Committee") is a committee of, and established by, the Board of Directors/Trustees of the Fund (the "Board"). The Committee shall consist of such number of members as set by the Board from time to time and its members shall be selected by the Board. The Committee shall be comprised entirely of "independent" members, as defined in Item 3(a)(2) of SEC Form N-CSR ("Disinterested Board members"). Members shall be financially literate. At least one member of the Committee shall be designated by the Board as an "audit committee financial expert," as defined in Item 3(b) of SEC Form N-CSR, unless the Board determines that the Fund does not have an audit committee financial expert on the Committee.

II. Purposes of the Committee.

The function of the Committee is to be directly responsible for overseeing the Fund's accounting and auditing processes, which shall include the appointment, compensation, retention and oversight of the work of the Fund's independent auditors ("auditors") engaged (including resolution of disagreements between management and the auditors regarding financial reporting) for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Fund. It is management's responsibility to maintain appropriate systems for accounting and internal controls. It is the auditors' responsibility to plan and carry out a proper audit and to report directly to the Committee.

Consistent with such allocation of functions, the purposes of the Committee are:

(a) To oversee the Fund's accounting and financial reporting policies and practices and its internal controls, and to obtain, where it deems appropriate, reports on internal controls of service providers to the Fund;

(b) To oversee the quality and objectivity of the Fund's financial statements and the independent audit thereof;

(c) To act as a liaison between the Fund's independent auditors and the Board; and

(d) To consider such other matters as it deems appropriate in carrying out its purpose and any other matters that may be assigned to it by the

Edgar Filing: TEMPLETON DRAGON FUND INC - Form DEF 14A

Board.

In addition, the Committee shall serve as the Fund's Qualified Legal Compliance Committee ("QLCC") pursuant to Section 205 of the SEC's Standards of Professional Conduct for Attorneys (the "Standards"). In this capacity, the Committee is required to adopt and maintain written procedures for the confidential receipt, retention and consideration of any report of evidence of a material violation. "Evidence of a material violation" means credible evidence, based upon which it would be unreasonable, under the circumstances, for a prudent and competent attorney not to conclude that it is reasonably likely that a material violation of an applicable U.S. federal or state securities law, a material breach of fiduciary (or similar duty) to the Fund arising under U.S. federal or state law, or a similar material violation of any U.S. federal or state law has occurred, is ongoing, or is about to occur.

B-1

III. Powers and Duties.

The Committee shall have the following powers and duties to carry out its purposes:

(a) To select the auditors, subject to approval both by the Board and by a separate vote of the Disinterested Board members, and, in connection therewith, to evaluate the independence of the auditors in accordance with applicable law.

(b) To be directly responsible for approving the services to be provided by, and the compensation of, the auditors, including:

(i) pre-approval of all audit and audit related services;
