Engaged Capital, LLC, together with the other participants named herein (collectively, "Engaged Capital"), has filed a definitive proxy statement and an accompanying BLUE proxy card with the Securities and Exchange Commission to be used to solicit votes for the election of its slate of director nominees at the 2016 annual meeting of stockholders of Benchmark Electronics, Inc., a Texas corporation.

Item 1: On April 26, 2016, Engaged Capital issued the following press release:

ENGAGED CAPITAL REMINDS BENCHMARK BOARD THAT NUMBERS DON'T LIE

- Reminds investors of BHE's ten year history of long-term underperformance under the current Board
- Vote the BLUE Engaged Capital Proxy Card today to elect Robert K. Gifford, Jeffrey S. McCreary, and Brendan B. Springstubb and Restore Shareholder Value

Newport Beach, CA, April 26, 2016 /Business Wire/ - Engaged Capital, LLC (together with its affiliates, "Engaged Capital"), an investment firm specializing in enhancing the value of small and mid-cap North American equities and a 4.9% shareholder of Benchmark Electronics, Inc. ("BHE" or the "Company") (NYSE: BHE), issued the following statement in connection with its campaign to elect three highly-qualified directors at the Company's upcoming May 11, 2016 Annual Meeting of Shareholders. The statement is also available on Engaged Capital's website www.adeeperbench.com.

"Absent from BHE's misleading and increasingly shrill April 26th letter to shareholders was any reference to the returns the Company has generated for shareholders under the oversight of the current incumbent directors. Allow us to remind you of the facts: BHE has underperformed all relevant indices and peer groups for over a decade.

"We have proposed three highly-qualified individuals (two of whom have extensive EMS industry backgrounds and one who is a top-5 shareholder) to act as shareholder representatives on BHE's board. BHE only has one independent director in the boardroom with EMS industry experience and no large shareholders. The Company's increasingly hyperbolic and panicked response to a well-reasoned call for change, underscores the urgent need for independent voices in the boardroom. Vote today to let the Board know that the time for change is now!"
