**PROXY STATEMENT**

**GENERAL INFORMATION**

This proxy statement and the accompanying proxy card are being furnished to the stockholders of SunGard Data Systems Inc. (SunGard or the Company) in connection with the solicitation of proxies on behalf of the Board of Directors of SunGard for use in voting at the 2003 Annual Meeting of Stockholders to be held at the Four Seasons Hotel, One Logan Square, Philadelphia, Pennsylvania 19103, on Friday, May 9, 2003, at 9:00 a.m., or at any adjournment or postponement of the meeting. These proxy materials are first being mailed to stockholders on or about April 4, 2003.

**VOTING RIGHTS AND OUTSTANDING SHARES**

Stockholders as of the close of business on March 14, 2003, the record date for this solicitation, are entitled to receive notice of and to vote at the 2003 Annual Meeting. On the record date, approximately 283,786,360 shares of SunGard's common stock, held by approximately 7,500 stockholders of record, were outstanding and entitled to vote. The 2003 Annual Meeting may be held only if a quorum, consisting of a majority of the outstanding shares entitled to vote, is present. All shares that are present in person or represented by proxy at the meeting will be counted in determining whether a quorum is present, no matter how the shares are voted or whether they abstain from voting or are broker non-votes. A broker non-vote occurs when a broker, bank or other nominee votes on one or more matters but not on others because the nominee does not have authority to do so. A broker who is a member of the New York Stock Exchange and who holds shares in street name for a customer but has not received voting instructions from that customer, has the authority to vote that customer's shares on certain matters, including proposals one and two in this proxy statement.

Holders of common stock are entitled to one vote per share. The election of directors will be determined by a plurality vote, with the ten nominees receiving the most for votes being elected. Votes may be cast for each nominee or withheld. Votes that are withheld will be excluded from the vote on proposal one and will have no effect except in determining whether a quorum is present. Approval of proposal two (Ratification of Selection of Independent Accountants) requires the affirmative vote of the holders of a majority of the shares present in person or represented by proxy and entitled to vote at the meeting. An abstention on proposal two, therefore, will have the same legal effect as an against vote. Broker non-votes will have no effect on either proposal.

## Edgar Filing: SUNGARD DATA SYSTEMS INC - Form DEF 14A

### **VOTING SHARES BY INTERNET, TELEPHONE OR MAIL**

Whether or not stockholders attend the Annual Meeting and vote in person, they should vote their shares by Internet, telephone or mail. To vote by Internet or telephone 24 hours a day, seven days a week, follow the instructions on the enclosed proxy card. To vote by mail, mark, sign and date the enclosed proxy card and return it in the postage-paid envelope provided. If shares are held through a broker, bank or other nominee, stockholders will receive separate instructions from the nominee

**Table of Contents**

explaining how to vote the shares. Shares held in a savings plan and shares of an acquired company that have not yet been exchanged for SunGard shares may be voted only by mail.

**VOTING BY PROXY; REVOCABILITY OF PROXIES**

Proxies will be voted as directed on the proxies if they are properly submitted and not revoked. Any proxy not directing to the contrary will be voted for the election of all of the named nominees as directors and for approval of proposal two. Any stockholder who votes by Internet or telephone may revoke the vote at any time before it is voted by voting again using the same procedure, in which case the later vote will be recorded and the earlier vote will be revoked. Any stockholder who submits a proxy by mail may revoke it at any time before it is voted by delivering a proxy bearing a later date or a written notice of revocation to the Secretary of SunGard at SunGard's headquarters or at the meeting.

**SOLICITATION**

SunGard will pay the cost of this solicitation, which will be made primarily by mail. Proxies also may be solicited in person, or by telephone, facsimile or similar means, by directors, officers or employees of SunGard without additional compensation. In addition, D. F. King & Co., Inc. will provide solicitation services to SunGard for a fee of approximately \$5,500 plus out-of-pocket expenses. SunGard will, on request, reimburse stockholders who are brokers, banks or other nominees for their reasonable expenses in sending proxy materials and annual reports to the beneficial owners of the shares they hold of record.

**PROPOSAL ONE**

**ELECTION OF DIRECTORS**

Ten directors are to be elected at the 2003 Annual Meeting to serve for one-year terms until the 2004 Annual Meeting and until their respective successors are elected and qualified. All of the nominees currently are serving as directors of SunGard. SunGard knows of no reason why any nominee would be unable to serve as a director. Each nominee has consented to being named in this proxy statement and to serve if elected. If any nominee should for any reason become unable to serve, then all valid proxies will be voted for the election of a substitute nominee designated by the Board of Directors, or the Board may reduce the number of directors to eliminate the vacancy.

The following information about the nominees for election as SunGard directors is based, in part, upon information furnished by the nominees.

### INFORMATION REGARDING THE BOARD OF DIRECTORS AND ITS COMMITTEES

Since the Company's initial public offering in 1986, the majority of SunGard's directors have been independent. The only SunGard executives who are members of the Board of Directors are the chairman of the board and the chief executive officer.

During 2002, the Board of Directors held ten meetings, the Audit Committee held eleven meetings, the Compensation Committee (and/or its Equity Award Subcommittee) held five meetings, the newly established Data Center Oversight Committee held no meetings, the Executive Committee held one meeting and the newly established Nominating and Corporate Governance Committee held one meeting. During 2002, each director attended 75% or more of the total number of meetings of the Board of Directors and Committees on which he or she served. Meeting attendance averaged 95% among all directors.

The Audit Committee assists the Board of Directors in overseeing the audit and integrity of SunGard's financial statements, the performance of SunGard's independent accountants, the adequacy and effectiveness of SunGard's accounting, auditing and financial reporting processes, including systems and controls, and SunGard's compliance with legal and regulatory requirements. The duties of the Audit Committee include the selection and appointment of SunGard's independent accountants, including evaluation of their qualifications and independence, and the oversight of SunGard's Business Conduct and Compliance Program. All members of the Audit Committee are independent within the meaning of the applicable listing standards of the New York Stock Exchange. The Board of Directors has adopted a written charter for the Audit Committee, which is reviewed annually by the Audit Committee. The current Audit Committee Charter (which was last amended on February 26, 2003) is attached as an appendix to this proxy statement.

The Compensation Committee assists the Board of Directors in establishing the compensation policies for cash and equity compensation of SunGard's executive officers, and in administering SunGard's stock option, purchase and award plans. The duties of the Compensation Committee include evaluating and approving the compensation of the chairman of the board and the chief executive officer and reviewing the chief executive officer's recommendations as to the compensation of the other executive officers. All members of the Compensation Committee are independent directors.

The Data Center Oversight Committee assists the Board of Directors in overseeing the audit and integrity of the Company's data centers and other IT infrastructure, including information systems security policies. This includes reviewing and overseeing periodic audits of the Company's data centers by regulatory authorities. All members of the Data Center Oversight Committee are independent directors.

The Executive Committee assists the Board of Directors in exercising the powers of the Board during the intervals between Board meetings, except those powers that are prohibited by law from being delegated. Two of the four members of the Executive Committee are independent directors.

The Nominating and Corporate Governance Committee assists the Board of Directors in identifying and evaluating potential candidates for director, making recommendations to the Board of Directors for director nominees and overseeing corporation governance matters. In fulfilling this responsibility, the Nominating and Corporate Governance Committee will consider recommendations received from stockholders. Stockholder recommendations must be in writing and addressed to the Chairperson of the Nominating and Corporate Governance Committee, c/o Corporate Secretary, SunGard Data Systems Inc., 680 East Swedesford Road, Wayne, Pennsylvania 19087. All members of the Nominating and Corporate Governance Committee are independent directors.

### **DIRECTOR COMPENSATION**

Directors who are executives of SunGard do not receive additional compensation for serving on the Board of Directors or Committees. Each independent director (except as noted below) receives (1) an annual fee of \$15,000, (2) meeting fees of \$2,000 for each quarterly Board meeting, \$1,000 for each other Board meeting and \$1,000 for each Committee meeting attended, and (3) reimbursement of applicable travel and other expenses. In addition, the chairpersons of the Audit Committee and the other Committees receive additional annual fees of \$5,000 and \$2,000, respectively. No additional compensation is paid for service on subcommittees. Directors may elect to receive shares of SunGard common stock in lieu of cash compensation.

Under SunGard's Restricted Stock Award Plan for Outside Directors, restricted stock awards are automatically granted to outside directors those who are not, and were not during the twelve months before election to the Board, officers or employees of SunGard. Each outside director automatically receives an initial five-year award when first elected to the Board, and automatically receives additional awards upon reelection as an outside director every fifth year thereafter. The shares awarded are subject to transfer restrictions until they vest, at the rate of 20% per year, on the dates of SunGard's next five Annual Meetings after the date of grant. If an outside director dies or is permanently disabled, or if a change in control of SunGard occurs, then all remaining unvested shares immediately vest. If an outside director's directorship terminates for any other reason, then all remaining unvested shares are forfeited. Each five-year award is for a number of shares equal to the result of dividing \$500,000 by the closing price of SunGard's common stock on the date of grant. At the 2003 Annual Meeting, if reelected, Mr. Bentley will receive an additional restricted stock award. Based upon the closing price of SunGard's common stock on March 14, 2003, which was \$19.50, Mr. Bentley's new restricted stock award would be for 25,641 shares vesting ratably over five years.

The cash and equity compensation programs described above will not become effective for Mr. Bentley until May 2003 and for Mr. Goldstein until May 2004, which is when their current restricted stock awards fully vest. Until then, each receives (1) an annual fee of \$6,000, (2) meeting fees of \$2,000 for each quarterly Board meeting, \$500 for each other Board meeting and \$1,000 for each Committee meeting attended, and (3) reimbursement of applicable travel and other expenses.

SunGard has entered into indemnification agreements, in the form approved by the stockholders, with SunGard's directors and officers.

### **AGREEMENT WITH THE CHAIRMAN OF THE BOARD**

As the successful culmination of a three-year succession plan, Mr. Conde was elected chief executive officer in August 2002, succeeding Mr. Mann, who continues to serve as chairman of the board of directors. At that time, Mr. Mann and SunGard entered into an agreement regarding Mr. Mann's continuing role with the Company. The major terms of the agreement are: (1) subject to the Board satisfying its fiduciary duties and other applicable legal standards, Mr. Mann will be nominated for reelection as a director and will be elected as Chairman of the Board through May 31, 2004, (2) after that date, Mr. Mann's election as Chairman of the Board will be at the sole discretion of the Board, (3) the Company will use its best efforts to retain Mr. Mann as an employee through May 31, 2011 to provide advice and services in the areas of acquisitions, long-term strategy, executive development and other subjects within his knowledge and experience, (4) Mr. Mann will continue to participate in the Company's executive compensation program until May 31, 2004 at levels determined by the

**Table of Contents**

Compensation Committee, (5) if Mr. Mann is reelected as Chairman of the Board in May 2004, he will receive an annual salary of \$500,000 for the period from June 1, 2004 through May 31, 2005, and (6) after May 31, 2005, Mr. Mann's compensation will be as determined by the Compensation Committee.

**REPORT OF THE AUDIT COMMITTEE**

The Audit Committee has reviewed and discussed SunGard's audited consolidated financial statements for the year ended December 31, 2002 with management and with representatives of PricewaterhouseCoopers LLP, SunGard's independent accountants.

Management has the primary responsibility for the financial statements and SunGard's accounting, auditing and financial reporting processes. The Audit Committee is not providing any expert or special assurance as to SunGard's financial statements. PricewaterhouseCoopers is responsible for expressing an opinion on the conformity of SunGard's financial statements with generally accepted accounting principles in the United States. The Audit Committee is not providing any professional certification as to PricewaterhouseCoopers' work product.

The Audit Committee has discussed with representatives of PricewaterhouseCoopers the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees). The Audit Committee has received and reviewed the written disclosures and letter from PricewaterhouseCoopers required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and has discussed the independence of PricewaterhouseCoopers with representatives of the firm.

Based on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that SunGard's audited consolidated financial statements for the year ended December 31, 2002 be included in SunGard's Annual Report on Form 10-K for the year ended December 31, 2002 for filing with the Securities and Exchange Commission.

## EXECUTIVE COMPENSATION

### REPORT OF THE COMPENSATION COMMITTEE

SunGard's compensation policies for executive officers, as determined by the Compensation Committee, are to (1) provide competitive compensation packages to retain and attract superior executive talent, (2) link a significant portion of compensation to financial results to reward successful performance, and (3) provide long-term equity compensation to further align the interests of executive officers with those of stockholders and further reward successful performance. The principal components of SunGard's executive officer compensation program are base salary, annual cash incentive plans and long-term equity incentive awards.

**Cash Compensation.** The primary factor used to set base salaries and annual cash incentives for SunGard's executive officers is an analysis of competitive executive compensation based upon general business compensation surveys as well as more specific compensation surveys of companies of comparable business, size and complexity to SunGard. An independent compensation consultant, whose services are available to the Compensation Committee, assists SunGard with this analysis of competitive compensation. Although many of the companies covered by this analysis are included in the Nasdaq Computer and Data Processing Index (see PERFORMANCE GRAPH), the Index companies are not separately analyzed for compensation purposes, because compensation data for the Index companies as a group is not readily available to SunGard.

SunGard's policy is to pay its executive officers at or somewhat above competitive compensation averages for comparable positions. Compensation levels for individual executive officers, however, may be more or less than competitive averages, depending upon a subjective assessment of individual factors such as the executive's position, experience, skills, achievements, tenure with SunGard and historical compensation levels. Generally, previously granted stock options and other equity awards are not considered in setting cash compensation levels.

The performance goals for executive officers' 2002 annual cash incentive plans were set at the beginning of the year and took into account SunGard's overall financial goals for 2002. For all executive officers, the incentive payments depended upon either the rate of increase in SunGard's earnings per share over the previous year, or the budgeted operating income of the businesses that report to the officer. For two executive officers, there were additional incentive payments based upon performance goals specific to their functions.

On average, total cash compensation at targeted goals for executive officers increased by 21% in 2002, and incentive payments at targeted goals constituted 52% of total cash compensation. The primary reason for the increase in total cash compensation was the growth of the Company, resulting in its inclusion in a higher revenue bracket in the compensation surveys. Based upon actual 2002 results, all executive officers except one met or exceeded their minimum targeted goals, and some met or exceeded their maximum targeted goals.

**Equity Compensation.** SunGard provides equity compensation to its executive officers principally through a long-term incentive award program, under which eligible executives receive a performance accelerated stock option (PASO) each year. PASOs are long-term options under which the vesting of shares is subject both to financial performance goals and continued long-term employment. Since PASOs cannot be exercised until the shares vest, the PASO program operates both as a performance-based equity compensation program and as an executive retention program.

## Edgar Filing: SUNGARD DATA SYSTEMS INC - Form DEF 14A

Each PASO has a term of about ten years, and none of the shares vest until nine and one-half years after the date of grant unless the financial performance goals are met. If the financial performance

## Table of Contents

goals are partly or fully achieved, then some or all of the PASO shares vest early, after about three years. If the financial performance goals are exceeded, then the recipient earns additional cash compensation that is paid when the shares vest.

The financial performance goals are based upon calendar year measurement periods. For PASOs granted in early 2002, the financial performance period was calendar year 2002. Before 2002, PASOs had three-year financial performance periods, but these proved to be very difficult to administer. As a result, the performance period but not the vesting period was changed to one year beginning in 2002. For all PASOs (irrespective of the length of the financial performance period), accelerated vesting cannot occur unless the executive remains with SunGard for three years. For example, accelerated vesting under PASOs granted in early 2002 would not occur (if at all) until December 31, 2004.

The number of PASO shares granted to each recipient is determined on the basis of an analysis of competitive equity compensation programs, similar to the analysis described above with respect to cash compensation, and is subject to subjective adjustments based upon individual factors. The financial performance goals for each PASO are based upon the year-over-year growth, during the performance period covered by the PASO, in the earnings per share or operating income of the businesses managed by the recipient, with the growth targets for all PASOs, taken together, being consistent with SunGard's overall growth objectives. All executive officers participate in SunGard's PASO program, excluding Mr. Mann and, beginning in 2001, Mr. Conde. In addition, group chief executive officers, business unit presidents and certain other key executives of SunGard participate in the PASO program.

The Compensation Committee has the authority to approve all grants of stock options and other equity awards and administers SunGard's PASO program by approving, among other things, who will participate and the number of option shares that will be subject to each PASO. Outside the scope of the PASO program, ordinary stock options (which usually vest ratably over four years) or other equity compensation also may be awarded from time to time, at the discretion of the Compensation Committee, to executive officers and other key employees when they are hired, are promoted or join SunGard via acquisition, or under other circumstances approved by the Compensation Committee in accordance with SunGard's equity incentive plans.

In evaluating the share levels for SunGard's PASO program, ordinary options and other equity awards, the Compensation Committee takes into account SunGard's total overhang, which equals (a) the number of shares of common stock subject to outstanding stock options and awards plus the number of shares of common stock available for future stock options and awards, divided by (b) the number of total outstanding shares of common stock plus the number of shares of common stock described in clause (a), expressed as a percentage. As of December 31, 2002, the Company's total overhang was 15.4%, of which 11.9% was represented by shares under outstanding stock options and 3.5% was represented by shares available for future stock options.

**Chief Executive Officer's Compensation.** In August 2002, Mr. Conde was elected chief executive officer, succeeding Mr. Mann, who continues to serve as chairman of the board of directors and continues to provide services to the Company especially in the areas of acquisitions, long-term strategy, executive development and investor relations. Mr. Mann's total earned salary for 2002 was \$706,000. At the beginning of 2002, Mr. Mann's annual base salary was increased to \$796,000, up \$59,000 or 8.0% over his 2001 base salary. Beginning in September 2002, Mr. Mann's annual base salary was reduced to \$500,000 after he relinquished the chief executive officer position. Mr. Conde's

**Table of Contents**

total earned salary for 2002 was \$631,000. At the beginning of 2002, Mr. Conde's annual base salary was increased to \$597,000, up \$44,000 or 8.0% over his 2001 base salary. Beginning in September 2002, Mr. Conde's annual base salary was increased to \$700,000 after he was elected chief executive officer.

Mr. Mann's and Mr. Conde's 2002 cash incentives depended solely upon the rate of increase in SunGard's earnings per share. SunGard's historical policy has been to set cash incentive plans for the chief executive officer and chief operating officer such that, if SunGard's diluted earnings per share (adjusted for certain items and for differences of accounting for goodwill amortization from year to year) increase by 15%, then total cash compensation will be at approximately the 60<sup>th</sup> percentile of competitive compensation levels for the respective positions, based upon SunGard's analysis. In 2002, total cash compensation at the 15% growth target was set somewhat below the 60<sup>th</sup> percentile due to large increases in the compensation survey data caused primarily by SunGard's growth and resulting inclusion in a higher revenue bracket in the survey.

On this basis, the 2002 cash incentive payments at the 15% earnings-per-share growth target were set at \$720,000 for the chief executive officer and \$540,000 for the chief operating officer. Due to the transition in the chief executive officer position, Mr. Mann's and Mr. Conde's cash incentive plans were later reallocated so that Mr. Mann would receive two-thirds of the incentive amount for the chief executive officer position and one-third of the incentive amount for the chief operating officer position, and Mr. Conde would receive the converse. Accordingly, at 15% growth, Messrs. Mann and Conde would have received cash incentive payments of \$660,000 and \$600,000, respectively. SunGard's actual 2002 diluted earnings per share (adjusted for certain items and for differences of accounting for goodwill amortization from year to year) grew by 19% over comparable 2001 earnings per share, yielding incentive payments to Mr. Mann and Mr. Conde of \$1,274,033 and \$1,158,567, respectively.

After considering an analysis of competitive equity compensation for the chief executive officer position, as well as Mr. Conde's recent promotions and his tenure with and performance at SunGard, Mr. Conde was awarded, in August 2002, options to purchase 350,000 shares of SunGard's common stock, at an exercise price equal to the market value on the date of grant, vesting ratably over four years.

***Deductibility of Certain Compensation.*** Section 162(m) of the Internal Revenue Code denies a deduction for certain compensation exceeding \$1,000,000 paid to the chief executive officer and the other highest paid executive officers, named in the Summary Compensation Table excluding (among other things) certain performance-based compensation. The Compensation Committee has attempted to structure performance-based awards to executive officers under equity plans in a manner that satisfies Section 162(m). The Compensation Committee also intends to consider whether it is in the best interest of SunGard to structure cash incentive payments to be deductible under Section 162(m). Notwithstanding the efforts of SunGard in this area, no assurance can be given that compensation intended by SunGard to satisfy the requirements for deductibility under Section 162(m) does in fact do so.

With respect to PASOs, upon a change in control of SunGard during the financial performance period, a prorated percentage of the unvested PASOs vest six months later or upon an earlier involuntary termination of employment without cause. Upon a change in control of SunGard after the end of the financial performance period, there is no acceleration of PASO shares.

The number of shares available for issuance under SunGard's 1998 Equity Incentive Plan increases each January 1 by the number of option shares exercised during the previous year under all of the Company's equity plans, with a maximum annual increase of 2% of the Company's outstanding shares as of the end of the previous year. Under this provision, 1,823,163 shares became available for issuance under the 1998 Equity Incentive Plan on January 1, 2003. These additional shares are not included in the table.
- (3) Reflects shares available under SunGard's plan that permits outside directors to elect to receive shares of SunGard common stock in lieu of cash compensation. Unless an outside director elects in writing to receive shares in lieu of cash compensation, all fees are paid in cash. If an outside director elects to receive shares in lieu of cash compensation, then the shares are issued on a quarterly basis based upon the closing price of SunGard's common stock on the date of each quarterly board meeting.

**CERTAIN TRANSACTIONS WITH MANAGEMENT**

Mr. Mann, chairman of the board and former chief executive officer of SunGard, owns Hawk Flight, Inc., which operates a charter aircraft business. The services of Hawk Flight, Inc. are used by SunGard for business travel by Mr. Mann and other SunGard executives at arms-length terms approved by the disinterested members of the Board of Directors. During 2002, SunGard paid approximately \$69,000 to Hawk Flight, Inc. for business travel by SunGard executives. See also AGREEMENT WITH THE CHAIRMAN OF THE BOARD under PROPOSAL ONE.

**COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION**

Messrs. Brooks, Eisenstat and Goldstein have served on the Compensation Committee since 1994, and Mr. Duques has served on the Compensation Committee since 2002. No person who served as a member of SunGard's Compensation Committee during 2002 was a current or former officer or employee of SunGard. During 2002, SunGard had no compensation committee interlocks meaning that it was not the case that an executive officer of SunGard served as a director or member of the compensation committee of another entity and an executive officer of the other entity served as a director or member of the Compensation Committee of SunGard.

**SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE**

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires SunGard's directors and officers, and persons who own more than ten percent of SunGard's common stock, if any, to file reports about their beneficial ownership of SunGard's common stock and other equity securities. Based solely upon a review of the copies of these reports that are furnished to SunGard by its directors, officers and greater than ten percent stockholders during and for calendar year 2002, and based upon their written representations that they were not required to file any other reports for 2002, SunGard believes that none of its directors, officers or greater than ten percent stockholders failed to file on a timely basis any reports required by Section 16(a) during SunGard's fiscal year ended December 31, 2002.

Table of Contents**PROPOSAL TWO****RATIFICATION OF SELECTION OF INDEPENDENT ACCOUNTANTS**

The Audit Committee of the Board of Directors has selected PricewaterhouseCoopers LLP as SunGard's independent accountants for 2003 and has further directed that management submit the selection of independent accountants for ratification by the stockholders at the 2003 annual meeting.

PricewaterhouseCoopers LLP has acted as SunGard's independent accountants since its inception in 1983. PricewaterhouseCoopers' services to SunGard for 2002 included the audit of SunGard's annual consolidated financial statements, reviews of SunGard's interim financial statements, reviews of certain of SunGard's income tax returns, statutory audits of certain of SunGard's foreign subsidiaries, audits of certain of SunGard's broker-dealer subsidiaries, audits or reviews of many of SunGard's data processing and business continuity centers, and consultation on various accounting, tax, securities and other matters.

A representative of PricewaterhouseCoopers is expected to be present at the 2003 Annual Meeting, to have the opportunity to make a statement if he or she desires to do so, and to be available to respond to appropriate questions.

Stockholder ratification of the selection of PricewaterhouseCoopers as SunGard's independent accountant is not required by applicable law, or by SunGard's Bylaws or other governing documents. However, the Audit Committee of the Board is submitting the appointment of PricewaterhouseCoopers to the stockholders as a matter of good corporate practice. If the stockholders fail to ratify the appointment, the Audit Committee will reconsider whether or not to retain the firm. The affirmative vote of the holders of a majority of the shares present in person or represented by proxy and entitled to vote at the 2003 Annual Meeting will be required to ratify the selection of PricewaterhouseCoopers.

- (3) Consists of worldwide tax services.
- (4) In 2001 and 2002, consists of consulting services primarily for implementation of an upgrade in the financial processing and reporting system of one of SunGard's business units (completed in the first quarter of 2002) and, in 2001, also includes consulting services for documentation of foreign investment management compliance regulations (\$130,000).

Although certain specific pre-approval policies and procedures exist related to both audit and non-audit services, SunGard is currently revising these policies and procedures to satisfy regulatory requirements which will become effective in May 2003.

## **STOCKHOLDER PROPOSALS**

Stockholder proposals intended to be presented at SunGard's 2004 Annual Meeting must be submitted to SunGard by December 5, 2003 to receive consideration for inclusion in SunGard's 2004 proxy materials. Any stockholder who intends to present a proposal at SunGard's 2004 Annual Meeting that is not to be included in SunGard's 2004 proxy materials should notify SunGard of such proposal in writing by February 19, 2004. If SunGard does not receive the stockholder's notice by that date, then SunGard's management will have discretionary authority to vote all shares for which it has proxies in opposition to such proposal. Stockholders who intend to submit director nominations must do so by the close of business on the thirtieth day before the date of the 2004 Annual Meeting. Late nominations cannot be considered at the 2004 Annual Meeting. Stockholders are advised to review SunGard's bylaws, which contain additional requirements with respect to director nominations by stockholders.

## **OTHER MATTERS**

### **OTHER BUSINESS AT 2003 ANNUAL MEETING**

SunGard currently knows of no other business that will be presented for consideration at the 2003 Annual Meeting. Nevertheless, the enclosed proxy confers discretionary authority to vote with respect to matters described in Rule 14a-4(c) under the Exchange Act, including matters that the Board of Directors does not know, a reasonable time before proxy solicitation, are to be presented at the meeting. If any of these matters are presented at the meeting, then the proxy agents named in the enclosed proxy card will vote in accordance with their judgment.

### **DELIVERY OF THIS PROXY STATEMENT**

The Securities and Exchange Commission has adopted rules that permit companies and intermediaries (such as brokers) to satisfy delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement and annual report addressed to those stockholders. This process, known as "householding," potentially means extra convenience for stockholders and cost savings for companies. This year, a number of brokers with customers who are SunGard stockholders will be "householding" SunGard's proxy materials unless contrary instructions have been received from the customers. The Company will promptly deliver, upon oral or written request, a separate copy of the proxy statement and annual report to any stockholder sharing an address to which

Edgar Filing: SUNGARD DATA SYSTEMS INC - Form DEF 14A

only one copy was mailed. Requests for additional copies should be directed to Investor Relations at SunGard Data Systems Inc., 680 East Swedesford Road, Wayne, PA 19087, or by telephone at 484-582-5506.

**Table of Contents**

Once a stockholder has received notice from his or her broker that the broker will be householding communications to the stockholder's address, householding will continue until the stockholder is notified otherwise or until the stockholder revokes his or her consent. If, at any time, a stockholder no longer wishes to participate in householding and would prefer to receive separate copies of the proxy statement and annual report, the stockholder should so notify his or her broker. Any stockholder who currently receives multiple copies of the proxy statement and annual report at his or her address and would like to request householding of communications should contact his or her broker or, if shares are registered in the stockholder's name, the Company's Investor Relations at the address or telephone number provided above.

**EACH PERSON SOLICITED BY THIS PROXY STATEMENT MAY OBTAIN, WITHOUT CHARGE, A COPY OF SUNGARD'S ANNUAL REPORT ON FORM 10-K FOR 2002, AS FILED WITH THE SECURITIES AND EXCHANGE COMMISSION, BY SENDING A WRITTEN REQUEST TO SUNGARD DATA SYSTEMS INC., 680 EAST SWEDES FORD ROAD, WAYNE, PA 19087, ATTENTION: INVESTOR RELATIONS.**

**PORTIONS CONSIDERED NOT FILED**

Stockholders should be aware that under Securities and Exchange Commission rules, the COMPENSATION COMMITTEE REPORT, AUDIT COMMITTEE REPORT and PERFORMANCE GRAPH are not considered filed with the Securities and Exchange Commission and are not incorporated by reference in any past or future filing by SunGard under the Securities Exchange Act of 1934, as amended, or the Securities Act of 1933, as amended.

Each member shall be independent and financially literate, as such qualifications are interpreted by the Board consistent with the requirements of the New York Stock Exchange. At least one member shall have accounting or related financial management expertise, as such qualification is interpreted by the Board consistent with the requirements of the New York Stock Exchange.
