PRESS RELEASE - For Immediate Release

HOME FEDERAL BANCORP, INC. ANNOUNCES SECOND QUARTER EARNINGS

Nampa, ID (April 22, 2005) - Home Federal Bancorp, Inc. (the "Company") (Nasdaq: HOME), the parent company of Home Federal Bank (the "Bank"), today reported net income of \$1.7 million, or \$0.11 per share, for the quarter ended March 31, 2005, compared to \$915,000 for the same period a year ago. Results for the quarter ended March 31, 2005 include a \$386,000 pre-tax gain on the sale of a former branch. Excluding the gain on the sale of the branch, the Company had net income of \$1.4 million, or \$0.10 per share for the quarter.

For the first six months ended March 31, 2005 (the first six months of the Company's fiscal year ending September 30, 2005), the Company's net income was \$1.7 million, or \$0.12 per share, compared to \$2.0 million for the same six-month period a year ago. Excluding the gain on the sale of the branch and the \$1.8 million expense for establishing the Home Federal Foundation, Inc. (the "Foundation"), the Company had net income of \$2.6 million, or \$0.18 per share for the six months ended March 31, 2005.

Edgar Filing: HOME FEDERAL BANCORP INC - Form 8-K

On December 6, 2004, the Bank completed its mutual holding company reorganization, at which time the Bank converted to stock form and the Company was organized. As a result, comparisons to prior periods refer to the results of the Bank as a federal mutual savings and loan association, and per share data is not applicable. The per share data for the six months ended March 31, 2005 is being reported on shares outstanding from December 6, 2004 through March 31, 2005.

The following table reconciles the Company's actual net income to pro forma net income for the first three and six months ended March 31, 2005, exclusive of the sale of the branch and the contribution to the Foundation and as adjusted for Federal and state taxes (in thousands, except per share data):

	Three Months Ended March 31,		Six Months Ended March 31,	
	2005	2004	2005	2004
Pro forma disclosure				
		(unaudited)		
Net income, as reported	\$1,674	\$915	\$1,748	\$1,953
Sale of former branch	(386)	-	(386)	-
Contribution to Foundation	-	-	1,825	-
Federal and State income tax benefit (expense)	151	-	(561)	-
Pro forma net income	\$1,439	\$915	\$2,626	\$1,953
Earnings per share				
Basic as reported	\$0.11	nm (1)	\$0.12	nm (1)
Pro forma basic	\$0.10	nm (1)	\$0.18	nm (1)

(1) Earnings per shares information is not meaningful. The Company did not complete its minority stock offering until December 6, 2004.

Home Federal Bancorp, Inc.
April 22, 2005
Page 2 of 6

Revenues for the quarter ended March 31, 2005, which consisted of net interest income before the provision for loan losses and non-interest income, increased 29% to \$8.1 million for the quarter, compared to \$6.3 million in the quarter ended March 31, 2004. Revenues for the six months ended March 31, 2005 increased 19% to \$15.3 million, compared to \$12.9 million for the same period of last year. Net interest income before the provision for loan losses increased 28% to \$5.5 million for the quarter ended March 31, 2005, compared to \$4.3 million for the same quarter of the prior year. For the six months ended March 31, 2005, net interest income before the provision for loan losses increased 24% to \$10.5 million, compared to \$8.5 million for the six months ended March 31, 2004.

For the quarter ended March 31, 2005, net interest income after provision for loan losses grew 32% to \$5.3 million, compared to \$4.0 million for the same quarter a year ago. Net interest income after provision for loan losses for the six months ended March 31, 2005 increased 29% to \$10.2 million, compared to \$7.9 million for the same period of the prior year.

Edgar Filing: HOME FEDERAL BANCORP INC - Form 8-K

The Company's net interest margin decreased 20 basis points to 3.67% for the second quarter, from 3.87% for the second quarter last year. The net interest margin for the six months ended March 31, 2005 decreased 32 basis points to 3.59% from 3.91% a year earlier. During the first quarter, the Company invested the majority of the proceeds from the Company's minority stock offering in lower-yielding mortgage-backed securities which was the primary reason for the decrease in the net interest margin for the quarter and the six months ended March 31, 2005.

Non-interest income increased 30% to \$2.6 million for the quarter ended March 31, 2005, compared to \$2.0 million for the same quarter a year ago. For the six months ended March 31, 2005, non-interest income increased 14% to \$4.9 million, compared to \$4.3 million for the same period of the prior year. The increase in non-interest income is primarily attributable to the \$386,000 gain on the sale of a branch.

Non-interest expense for the quarter ended March 31, 2005 increased 13% to \$5.2 million, compared to \$4.6 million for the comparable period a year earlier. The efficiency ratio, excluding the gain on sale of the branch, improved to 67.01% for the quarter, compared to 72.83% for the second quarter last year. Non-interest expense for the six months ended March 31, 2005 increased 32% to \$12.2 million, compared to \$9.2 million for the six months ended March 31, 2004. The \$3.0 million increase was primarily a result of the \$1.8 million contribution to the Foundation, additional employee compensation and professional expenses related to being a publicly held company. Excluding the contribution to the Foundation and the gain on sale of the branch, the efficiency ratio was 69.71% for the first six months of fiscal year end 2005, compared to 71.59% for the same period of last fiscal year. The efficiency ratio indicates how much is spent on non-interest expenses as a percentage of total revenue.

Total assets increased 30% to \$643.4 million at March 31, 2005 compared to \$496.8 million a year earlier. Total assets at March 31, 2005 decreased \$100.5 million, or 14%, from \$743.9 million at September 30, 2004. Assets at September 30, 2004 included cash of \$220.8 million that was received from subscribers in the initial stock offering. These subscription funds were subsequently refunded to subscribers in the quarter ended December 31, 2004 as a result of a change in the appraisal of the Company, which increased the valuation range of the offering. Following the refund to subscribers, the Company conducted a resolicitation and received \$153.1 million from subscribers. The Company's stock offering, however, was oversubscribed and as a result, \$97.2 million of the \$153.1 million of subscription funds received were returned to investors.

Home Federal Bancorp, Inc.
April 22, 2005
Page 3 of 6

Deposits increased 13% to \$373.1 million at March 31, 2005 compared to \$329.5 million at March 31, 2004. In connection with the mutual holding company reorganization and the minority stock offering, shareholders' equity increased \$55.1 million. In total, shareholders' equity increased \$59.5 million to \$101.9 million at March 31, 2005 compared to \$42.4 million a year earlier. The Company's book value per share as of March 31, 2005 was \$6.70 per share based upon 15,208,750 outstanding shares.

Net loans at March 31, 2005, increased 9% to \$419.1 million, compared to

Edgar Filing: HOME FEDERAL BANCORP INC - Form 8-K

\$383.9 million at March 31, 2004. Single family lending represented 62% of the Bank's loan portfolio at March 31, 2005, compared to 64% at March 31, 2004. Commercial real estate loans accounted for 28% of the loan portfolio at March 31, 2005, compared to 27% of the portfolio at March 31, 2004.

Credit quality remains high, as non-performing assets were \$803,000 or 0.12% of total assets, at March 31, 2005, compared to \$723,000, or 0.10% of total assets, at September 30, 2004 and \$566,000, or 0.11% of total assets, at March 31, 2004. The allowance for loan losses was \$2.8 million, or 0.67% of gross loans, including loans held for sale, at March 31, 2005 as compared to \$2.6 million, or 0.66% of gross loans, at September 30, 2004 and \$2.4 million, or 0.62% of gross loans, at March 31, 2004.

About the Company:

Home Federal Bancorp, Inc. is a savings and loan holding company headquartered in Nampa, Idaho. It is the subsidiary of Home Federal MHC, a federally chartered mutual holding company, and the parent company of Home Federal Bank, a federal savings bank that was originally organized as a building and loan association in 1920. The Company serves the Treasure Valley region of southwestern Idaho, which includes Ada, Canyon, Elmore and Gem Counties, through our 15 full-service banking offices and two mortgage loan centers. For more information, visit the Company web site at www.myhomefed.com

Forward Looking Statements:

Statements in this report regarding future events, performance or results are "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995 ("PSLRA") and are made pursuant to the safe harbors of the PSLRA. Actual results could be materially different from those expressed or implied by the forward-looking statements. Factors that could cause results to differ include but are not limited to: general economic and banking business conditions, competitive conditions between banks and non-bank financial service providers, interest rate fluctuations, regulatory and accounting changes, the value of mortgage servicing rights, risks related to construction and development, commercial real estate and consumer lending and other risks. Additional factors that could cause actual results to differ materially are disclosed in Home Federal Bancorp, Inc.'s recent filings with the Securities and Exchange Commission, including but not limited to Annual Reports on Form 10-K, quarterly reports on Form 10-Q and current reports on Form 8-K. Forward-looking statements are accurate only as of the date released, and we do not undertake any responsibility to update or revise any forward-looking statements to reflect subsequent events or circumstances.
