Exhibit 99.1 Press Release of Cameron International Corporation, dated April 28, 2011 – Cameron First

Quarter Earnings Per Share \$0.46, Excluding Charge of \$0.03 Per Share

Exhibit 99.1 to this report contains "non-GAAP financial measures" as defined in Item 10 of Regulation S-K of the Securities Exchange Act of 1934, as amended. The non-GAAP financial measures reflect earnings before interest, taxes, depreciation and amortization expense ("EBITDA"). A reconciliation of EBITDA to the most directly comparable financial measures calculated and presented in accordance with Generally Accepted Accounting Principles in the United States ("GAAP") is included as an attachment to the press release. The Company believes the presentation of EBITDA is useful to the Company's investors because EBITDA is an appropriate measure of evaluating the Company's operating performance and liquidity that reflects the resources available for strategic opportunities including, among others, investing in the business, strengthening the balance sheet, repurchasing the Company's securities and making strategic acquisitions. In addition, EBITDA is a widely used benchmark in the investment community.

The presentation of this additional information is not meant to be considered in isolation or as a substitute for the Company's financial results prepared in accordance with GAAP.
