Item 3. Source and Amount of Funds or Other Considerations.

On November 16, 2007 Holder purchased, in a registered offering, 49,000,000 newly issued Shares from the Registrant for an aggregate purchase price of approximately \$622,300,000. Such funds came from the working capital of Mubadala and its affiliates including Holder. Additional Shares that may be purchased by the Reporting Persons pursuant to the transactions described herein will likely be purchased with working capital of Mubadala and its affiliates, including Holder.

The Shares (including additional Shares that may be purchased by the Reporting Persons pursuant to the transactions described herein) may be held through margin accounts maintained with brokers, which extend margin credit as and when required to open or carry positions in their margin accounts, subject to applicable regulations and such firms' credit policies. The positions which may be held in the margin accounts, including the Shares, are pledged as collateral security for the repayment of debit balances in the respective accounts.

Item 4. Purpose of Transaction.

The Reporting Persons have previously filed a statement on Schedule 13G to report the acquisition of the Shares that are the subject of this Schedule 13D.

On October 6, 2008, Holder, the Registrant, and Advanced Technology Investment Company LLC, a limited liability company wholly-owned by the Government of the Emirate of

Abu Dhabi (“ATIC”) entered into an agreement (the “Agreement”) pursuant to which the Registrant and ATIC agreed to form a U.S. headquartered joint venture (the “Foundry Company”) to manufacture leading-edge semiconductor products. Under the Agreement, at the “Closing” (as defined in the Agreement) the Registrant will contribute to the Foundry Company its manufacturing facilities, including two fabrication facilities in Dresden, Germany, as well as related assets and intellectual property rights. The Foundry Company will also assume approximately \$1.2 billion of the Registrant’s existing debt. At the Closing, ATIC will invest \$2.1 billion to purchase its stake in the Foundry Company, of which ATIC will invest \$1.4 billion directly in the new entity and pay the remainder to the Registrant to purchase additional shares in the Foundry Company from the Registrant. ATIC will not acquire beneficial ownership of any securities of the Registrant pursuant to the Agreement.

In addition, under the Agreement, Holder has agreed to pay, at the Closing, \$313,741,333 to the Registrant in exchange for 58,000,000 Shares and warrants (the “Warrants”) to purchase an additional 30,000,000 Shares at an exercise price of \$0.01 per share (as adjusted pursuant to the terms of the Warrants). The Warrants will be exercisable after the earlier of (a) public ground-breaking of the Registrant’s proposed new wafer fabrication facility located in the State of New York and (b) 24 months from the date of the issuance of the Warrants. The Warrants will have a ten-year term.

Under the Agreement, the Registrant has agreed to appoint, if requested by Holder, a representative of Holder to the board of directors of the Registrant at the Closing. Holder has also agreed to certain limitations, following the Closing, with respect to the acquisition and disposition of Shares. Holder has agreed that, following the Closing until it (together with its affiliates) beneficially owns less than 10% of the outstanding shares, it will not dispose of any Shares (other than to affiliates or permitted transferees) except (i) by a bona fide pledge or hypothecation in connection with a financing transaction, (ii) by means of an underwritten public offering pursuant to an effective registration statement, or (iii) pursuant to Rule 144. In addition, Holder has agreed that, following the Closing (i) it will not acquire additional Shares such that it would own more than 22.5% of the outstanding Shares, and (ii) for a period of five years, or until the Reporting Persons’ aggregated ownership falls below 10% of the outstanding Shares, the Reporting Persons will not take certain actions as a shareholder (either alone or with a “group,” as defined in Section 13(d)(3) of the Exchange Act) that would influence, or seek to influence, the control of the Registrant.

The transactions are expected to close at the beginning of 2009, subject to satisfaction of conditions contained in the Agreement, including approvals from regulators, the transfer of previously-confirmed New York incentives to the Foundry Company, the continued availability to the Foundry Company of existing public grants and subsidies in Germany, and the approval of the Registrant’s stockholders for the issuance of the Shares and the Warrants. Upon the Closing, the Reporting Persons will file an amendment to this Schedule 13D to report the acquisition of beneficial ownership of the Shares to be acquired at the Closing.

The foregoing description of the Agreement is qualified in its entirety by reference to the full text of the Agreement, which is attached to this Schedule 13D as Exhibit 99.4, and incorporated herein by reference.
