The record date for the Meeting is April 9, 2007. The agenda of the Meeting is as follows:

- (1) election of Ami Erel, Shay Livnat, Raanan Cohen, Oren Lieder, Avraham Bigger, Rafi Bisker and Shlomo Waxe as directors;
- (2) election of Ronit Baytel and Joseph Barnea as external directors;
- (3) approval of the fees to be paid to external directors who may serve from time to time in the amount of NIS 100,000 (approximately \$24,000) per year and NIS 3,000 (approximately \$700) per meeting, payable in accordance with the regulations promulgated under the Companies Law, as adjusted for changes in the Israeli CPI;
- (4) approval of D&O liability insurance coverage for the benefit of our directors, as part of a policy which covers liabilities of the Company and its respective directors, officers and certain other employees up to a maximum of \$100 million per claim and in the aggregate, and an additional 20% of that sum relating to lawsuits in Israel only, as well as any renewal, extension or substitution of such policy from time to time, provided that such renewal, extension or substitution is for the benefit of the Company and its officers, directors and certain other employees and on terms substantially similar to or more favorable to the Company than those of the then effective insurance policy, that the coverage will not exceed the amounts described above and that the annual premium will not exceed an amount representing an increase of 10% in any year, as compared to the previous year; the total annual premium amount is currently \$1.2 million;
- (5) reappointment of Somekh Chaikin, a member of KPMG International, as our independent auditors, until the 2008 annual general meeting of shareholders; and

Quorum

Two or more shareholders holding in the aggregate at least one-third of the outstanding voting power in the Company, present in person or by proxy and entitled to vote, will constitute a quorum at the Meeting.

Voting Requirements

Items 1, 3, and 5 require the approval of a simple majority of the voting power in the Company voted on the matter. Item 2 requires the affirmative vote of the holders of a majority of the voting power in the Company present, in person or by proxy, and voting on the matter, provided that either (i) at least one third of the shares of non-controlling shareholders are voted in favor of the election of the

external director or (ii) the total number of shares of non-controlling shareholders voted against the election of the external director does not exceed one percent of the outstanding Ordinary Shares.

Item 4 requires the approval of a simple majority of the voting power in the Company voted on the matter, unless the holders of 1% or more of the outstanding voting rights in the Company notify the Company in writing, no later than 10:00 a.m. (New York time) April 12, 2007, that they request a special vote. Such notice must include appropriate evidence of share ownership in the Company. In that case, Item 4 will also require the approval of at least one-third of the voting power held by shareholders who do not have a personal interest in the matter (unless the total voting power of non-interested shareholders voted against the matter does not represent more than one percent of the outstanding voting power in the Company). This mechanism is required by Israeli law because one of our directors is a controlling shareholder of the Company and several others are affiliated with a controlling shareholder.

Item 6 will not involve a vote of the shareholders.

Our Audit Committee and Board of Directors approved the foregoing agenda items on March 29, 2007. In order to comply with Israeli procedural requirements, following the vote on Item 2, the Meeting will recess during which our Audit Committee and Board of Directors will convene to consider and resolve upon Items 3 and 4.

Shareholders wishing to express their position on an agenda item for the Meeting may do so by submitting a written statement to the Company's office at the above address no later than ten days following the record date. Reasonable costs incurred by the Company in dealing with such a position statement shall be borne by the submitting shareholder.
