PROXY STATEMENT

2006 ANNUAL MEETING OF STOCKHOLDERS

JANUARY 17, 2006

General

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of NovaDel Pharma Inc. (the "Company" or "NovaDel") of proxies to be voted at the 2006 Annual Meeting of Stockholders (the "Annual Meeting") to be held at 10:00 a.m., Eastern Standard Time, on Tuesday, January 17, 2006, at the principal office of the Company located at 25 Minneakoning Road, Flemington, New Jersey 08822, and at any adjournments or postponements thereof.

A copy of the Company's Annual Report on Form 10-KSB for the fiscal year ended July 31, 2005 and its Quarterly Report on Form 10-Q for the period ended October 31, 2005 are enclosed with these materials. Upon written request, the Company will provide each stockholder being solicited by this Proxy Statement with a copy, free of charge, of any of the exhibits to this Proxy Statement. All such requests should be directed to NovaDel Pharma Inc., 25 Minneakoning Road, Flemington, New Jersey 08822, Attn: Jean W. Frydman, Esq., Corporate Secretary

The Annual Meeting has been called to consider and take action on the following proposals: (i) to elect six Directors to the Company's Board of Directors (the "Board of Directors") to serve until the 2007 Annual Meeting of Stockholders or until their successors have been duly elected or appointed and qualified; (ii) to approve the NovaDel Pharma Inc. 2006 Equity Incentive Plan; (iii) to ratify the selection of J.H. Cohn LLP as the Company's independent registered public accounting firm for the fiscal year ending July 31, 2006; and (iv) to consider and take action upon such other business as may properly come before the Annual Meeting or any adjournments or postponements thereof.

The Company's principal executive offices are located at 25 Minneakoning Road, Flemington, New Jersey 08822 and its telephone number is (908) 782-3431. The approximate date on which this Proxy Statement, the proxy card and other accompanying materials are first being sent or given to stockholders is December 27, 2005.

Record Date and Shares Outstanding

Stockholders of record at the close of business on December 21, 2005 (the "Record Date") are entitled to notice of and to vote at the meeting. At the Record Date, 40,647,318 shares of our Common Stock were issued and outstanding.

Revocability of Proxies

You can revoke your proxy at any time before it is exercised by timely delivery of a properly executed, later-dated proxy (including a telephone vote), by delivering a written revocation of your proxy to the Corporate Secretary of NovaDel, or by voting at the meeting. The method by which you vote by proxy will in no way limit your right to vote at the meeting if you decide to attend in person. If your

shares are held in the name of a bank or brokerage firm, you must obtain a proxy, executed in your favor, from the bank or broker, to be able to vote at the meeting.

Voting Rights

Only holders of record of our Common Stock at the close of business on the Record Date are entitled to notice of and to vote at the Annual Meeting. Each share of Common Stock is entitled to one vote on all matters to be voted upon at the Annual Meeting. The presence, in person, or by proxy, of the holders of a majority of the outstanding shares on the Record Date will constitute a quorum for the transaction of business at the Annual Meeting and at any postponement or adjournment thereof.

Abstentions and broker non-votes will be counted for the purpose of determining the presence or absence of a quorum. A broker non-vote occurs when a nominee holding shares of Common Stock for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that item and has not received instructions from the beneficial owner. Accordingly, since the election of directors will be effected by a plurality vote, abstentions and broker non-votes will not affect the outcome of the election of directors. Since, pursuant to our By-Laws, approval of Proposals 2 and 3 requires the affirmative vote of a majority of the shares voted in person or by proxy on the proposal, abstentions will have the same effect as negative votes but broker non-votes will not count in the voting results.

Questions and Answers

Q. What am I voting on?

Election of six Directors (Thomas E. Bonney, CPA, Jan H. Egberts, M.D. William F. Hamilton, Ph.D., J. Jay Lobell, Charles Nemeroff, M.D., Ph.D. and Steven B. Ratoff) for a term ending at the 2007 Annual Meeting of Stockholders;

Approval of the NovaDel Pharma Inc. 2006 Equity Incentive Plan; and

Ratification of the selection of J.H. Cohn LLP as the Company's independent registered public accounting firm for the fiscal year ending July 31, 2006.

Q. Who is entitled to vote?

Only stockholders of record at the close of business on the Record Date, December 21, 2005, are entitled to vote shares held by such stockholders on that date at the Annual Meeting. Each outstanding share entitles its holder to cast one vote.

Q. How do I vote?

Vote By Mail: Sign and date the proxy card you receive and return it in the enclosed stamped, self-addressed envelope.

Vote By Telephone: If you are a stockholder of record (that is, if you hold your stock in your own name), you may vote by telephone by following the instructions on your proxy card. The telephone number is toll-free, so voting by telephone is at no cost to you. If you vote by telephone you do not need to return your proxy card.

If your shares are held in the name of a bank, broker or other holder of record (i.e., in street name), you will receive instructions from the holder of record that you must follow in order for your

shares to be voted. Telephone and Internet voting will be offered to stockholders owning shares through most banks and brokers.

Q. Can I access the proxy materials, annual report on Form 10-KSB and the quarterly report on Form 10-Q electronically?

This Proxy Statement, the Company's Annual Report on Form 10-KSB for the fiscal year ended July 31, 2005 and its Quarterly Report on Form 10-Q for the period ended October 31, 2005, are available on NovaDel's website at www.novadel.com.

Q. Can I change my vote or revoke my proxy?

Yes. You may change your vote or revoke your proxy at any time before the proxy is exercised. If you submitted your proxy by mail, you must (a) file with the Corporate Secretary a written notice of revocation or (b) timely deliver a valid, later-dated proxy. If you submitted your proxy by telephone, you may change your vote or revoke your proxy with a later telephone proxy. Attendance at the Annual Meeting will not have the effect of revoking a proxy unless you give written notice of revocation to the Corporate Secretary before the proxy is exercised or you vote by written ballot at the Annual Meeting.

Q. What is the process for admission to the Annual Meeting?

If you are a record owner of your shares (*i.e.*, your shares are held in your name), you must show government issued identification. Your name will be verified against the stockholder list. If you hold your shares through a bank, broker or trustee, you must also bring a copy of your latest bank or broker statement showing your ownership of your shares as of the Record Date.

Q. What constitutes a quorum?

The presence at the Annual Meeting, in person or by proxy, of the holders of a majority of the shares of Common Stock outstanding on the Record Date will constitute a quorum. On December 21, 2005, the Record Date, there were 40,647,318 outstanding shares of Common Stock entitled to vote at the Annual Meeting.

Abstentions and broker non-votes are counted for purposes of determining whether a quorum is present at the Annual Meeting.

Q. What vote is required to approve each item?

The affirmative vote of a plurality of the votes cast at the meeting by stockholders entitled to vote thereon is required for the election of Directors. For the approval of the NovaDel Pharma Inc. 2006 Equity Incentive Plan and ratification of the selection of J.H. Cohn LLP, the affirmative vote of a majority of the votes cast by stockholders entitled to vote thereon will be required.

Q. What happens if I do not instruct my broker how to vote or if I mark *abstain* on the proxy?

If you do not instruct your broker how to vote, your broker will vote your shares for you at his or her discretion on routine matters such as the election of directors or ratification of auditors, but will not be entitled to vote your shares with respect to Proposal 2.

Q. What are the recommendations of the Board of Directors?

The Board of Directors recommends that the stockholders vote:

FOR the election of the six nominated Directors;

FOR approval of the NovaDel Pharma Inc. 2006 Equity Incentive Plan; and

FOR ratification of the selection of J.H. Cohn LLP as NovaDel's independent registered public accounting firm for the fiscal year ending July 31, 2006.

With respect to any other matter that properly comes before the Annual Meeting, the proxy holders will vote as recommended by the Board of Directors or, if no recommendation is given, in their own discretion.

The Audit Committee meets with management periodically to consider the adequacy of the Company's internal controls and the objectivity of its financial reporting. The Audit Committee discusses these matters with the Company's independent registered public accounting firm and with appropriate Company financial personnel. Meetings are held with participation from the independent registered public accounting firm. The independent registered public accounting firm is given unrestricted access to the Audit Committee. Mr. Lobell was elected to the Board of Directors on December 14, 2005 upon the recommendation of the Corporate Governance and Nominating Committee. Mr. Lobell has not been appointed to any committees of the Board. Mr. Ratoff, who is standing for election for the first time, was recommended by ProQuest Investments, a security holder, and is a candidate for the Board based upon the recommendation of the Corporate Governance and Nominating Committee. Mr. Ratoff is an independent director as defined by the American Stock Exchange Listing Standards. Dr. Rachesky resigned from the Board of Directors on December 9, 2005 and Dr. Kessel and Dr. Shangold are not being nominated to stand for re-election. Mr. Savage notified the Company on November 18, 2005 that he would not stand for re-election. Following the 2007 Annual Meeting of Stockholders, there will be one vacancy on the Board of Directors. Proxies cannot be voted for a greater number of persons than the number of nominees named. For more information regarding the nominees for Director, see Information Regarding Board of Directors and Committees beginning on page 4.

The Board of Directors does not contemplate that any of the nominees will be unable to stand for election, but should any nominee become unable to serve or for good cause, will not serve, all proxies (except proxies marked to the contrary) will be voted for the election of a substitute nominee nominated by the Board of Directors. A plurality of the votes cast by the stockholders present or represented by proxy and entitled to vote at the Annual Meeting is required for the election of Directors.

Proposal 2

Approval of the NovaDel Pharma Inc. 2006 Equity Incentive Plan

At the Annual Meeting, the stockholders of the Company will be asked to approve the adoption of the NovaDel Pharma Inc. 2006 Equity Incentive Plan (the *2006 Plan*). The 2006 Plan was adopted by the Board in December 2005 and will become effective only after approval of the stockholders at the Annual Meeting.

The Board approved the 2006 Plan because it believes that the Company needs additional shares available for issuance as equity-based compensation. As of the Record Date, the Company had 510,500 shares available for future issuance under existing stockholder-approved plans. Additionally, the Board adopted the 2006 Plan because it allows for various types of equity-based awards, such as stock appreciation rights, restricted stock and stock bonuses that are not provided for under the Company's existing stockholder-approved equity compensation plans. It is the Company's intention to exhaust the remaining shares available under its 1998 Plan before any grants are made from the 2006 Plan.

Summary of the 2006 Plan

A copy of the 2006 Plan is attached to this Proxy Statement as Exhibit D. The following description of the 2006 Plan is a summary and is qualified by reference to the complete text of the 2006 Plan.

General

The purpose of the 2006 Plan is to retain and motivate our executives, other employees, consultants and directors while at the same time aligning their interests with those of our stockholders. Stock options, stock appreciation rights and stock awards (including restricted stock) may be granted under the 2006 Plan (each, an *Award*). Options granted under the 2006 Plan may be either incentive stock options, as defined in Section 422 of the Internal Revenue Code of 1986, as amended (the *Code*), or nonstatutory stock options.

Shares Reserved for Issuance. The 2006 Plan has six million (6,000,000) million shares of Common Stock initially reserved for issuance.

Recent Share Price. On December 16, 2005, the closing market price for the Company's Common Stock on the American Stock Exchange was \$1.36 per share.

Administration. The Compensation Committee (the *Committee*) of the Board will generally administer the 2006 Plan.

Eligibility. Nonstatutory stock options, stock appreciation rights and stock awards may be granted under the 2006 Plan to employees, directors and consultants of the Company (a *Participant*). Incentive stock options may be granted only to employees of the Company and stockholders owning 10% or less of the stock in the Company. The Committee, in its discretion, approves awards to be granted under the 2006 Plan. The Company intends the 2006 Plan to be a broad-based employee plan. As of the Record Date, the Company had approximately 25 employees, which includes four Executive Officers and four non-employee directors who would be eligible to participate in the 2006 Plan.

Termination of Awards. Generally, if a Participant's services to the Company as an employee, director and/or consultant terminates other than due to death, disability, a change in control or for cause, vested options and stock appreciation rights will remain exercisable for a period of ninety (90) days following the Participant's termination and all Restricted Shares shall be forfeited. Unless otherwise provided for by the Committee in the award agreement, if a Participant becomes disabled while an employee, director or consultant, the Participant's vested options and stock appreciation rights shall be exercisable for ninety (90) days or, if earlier, until the expiration of the term of such award and all restrictions on Restricted Shares will lapse. If a Participant dies while an employee, director or consultant, unless otherwise provided for by the Committee in the award agreement, the Participant's vested options and stock appreciation rights shall be exercisable for one hundred eighty (180) days or, if earlier, until the expiration of the term of such award and all restrictions on Restricted Shares will lapse. Unless otherwise provided for by the Committee in the award agreement, if a Participant's employment or service to the Company is terminated for Cause, then all of the Participant's unexercised options and stock appreciation rights, both vested and nonvested, shall be immediately forfeited and all nonvested Restricted Shares will be forfeited.

Change in Control. If the Participant's employment is terminated other than for Cause by the Company (or its successor) or if the Participant resigns for Good Reason within six months after the occurrence of a Change in Control, any portion of an option or SAR that has not vested as of the date of such Change in Control shall be accelerated and deemed to have vested as of such date and shall remain exercisable for the duration of its original terms. All restrictions on Restricted Shares shall lapse.

A Change in Control generally includes the following:

1. The acquisition by any person of the Company's then outstanding securities representing more than fifty (50%) percent of the combined voting power;
 2. During a consecutive two-year period, a change in the majority of the incumbent board of directors of the Company, defined as individuals who at the beginning of such period constitute the Board, and any new director whose election by the Board or nomination for election by the Company's stockholders was approved by a vote of at least two-thirds of the directors then still in office who either were directors at the beginning of the two-year period or whose election or nomination for election was previously so approved;
 3. Merger, consolidation, or similar transaction except for
 - a. Mergers or other corporate transactions in which the stock of the Company continues to represent more than fifty (50%) percent of the combined voting power of the voting securities of the Company or the surviving entity, and
 - b. A majority of the members of the board of directors of the surviving entity were incumbent directors at the initiation of the merger or other corporate transaction
 4. Approval by the Company's stockholders of a plan of complete liquidation or dissolution of the Company.
- Nontransferability of Awards.* Unless otherwise determined by the Committee, awards granted under the 2006 Plan are not transferable other than by will or the laws of descent and distribution.

Stock Options

Exercise Price. The Committee determines the exercise price of options at the time the options are granted; provided, however, that the exercise price of all options granted under the 2006 Plan may not be less than 100% of the fair market value of our Common Stock on the grant date. The exercise price of an incentive stock option granted to a stockholder that owns ten percent or less of the Company's Common Stock may not be less than 110% of the fair market value of our Common Stock on the grant date. The fair market value of our Common Stock is generally the closing sales price as quoted on the American Stock Exchange (*AMEX*) on the grant date.

Exercise of Option; Form of Consideration. The Committee determines when options become exercisable and the means of payment for shares issued on exercise of an option. The 2006 Plan permits payment to be made by cash, check or wire transfer.

Term of Option. The term of an option may not exceed ten years from the date of grant. The term of an incentive stock option granted to a stockholder, which may only be granted to a holder of ten percent or less of our Common Stock, may not exceed five years from the date of grant. No option may be exercised after the expiration of its term.

Stock Appreciation Rights

The Committee may grant stock appreciation rights, which entitle the recipient to receive compensation equal to the excess of the fair market value of a fixed number of shares on the date of exercise less the fair market value of such shares on the grant date. The Committee may grant SAR awards as stand-alone awards or in combination with a related option award under the 2006 Plan.

Stock Awards

The Committee may grant stock awards, in the form of either restricted shares or bonus shares, in its discretion. The purchase price of a restricted stock award, if any, will be determined by the Committee and set forth in the award agreement.

Adjustments on Changes in Capitalization, Merger or Change in Control

Changes in Capitalization. In the event of any stock dividend, stock split, reverse stock split, share combination, recapitalization, merger, consolidation, spin-off, split-off, reorganization, rights offering, liquidation, change in control or similar event of or by the Company, the Committee shall make equitable adjustment of the aggregate number of shares available under the 2006 Plan for awards and the aggregate number of shares for which awards may be granted to an individual participant in any calendar year, the number of shares or stock appreciation rights covered by an award or the exercise price of outstanding options.

Amendment and Termination of the 2006 Plan

The Committee may amend, alter, suspend or terminate the 2006 Plan, or any part thereof, at any time and for any reason. However, the Company must obtain stockholder approval for any amendment to the 2006 Plan to the extent necessary to comply with applicable laws or securities exchange regulations. Generally, no such action by the Committee or stockholders may alter or impair any award previously granted under the 2006 Plan without the written consent of the Participant. The 2006 Plan will continue in effect until the earlier of its termination by the Committee or the date on which all of the shares available for issuance under the 2006 Plan have been issued and all restrictions on such shares under the term of the 2006 Plan have lapsed. However, all Awards shall be granted, if at all, within ten (10) years from the date the 2006 Plan is approved by the stockholders.

Repricing of Awards

The 2006 Plan provides that Awards may not be repriced, replaced or regranted through cancellation or modification without stockholder approval.

Federal Income Tax Consequences Under the 2006 Plan

THE FOLLOWING IS A GENERAL SUMMARY OF THE TYPICAL FEDERAL INCOME TAX CONSEQUENCES OF THE ISSUANCE AND EXERCISE OF OPTIONS, STOCK APPRECIATION RIGHTS OR AWARDS OF RESTRICTED STOCK UNDER THE 2006 PLAN. IT DOES NOT DESCRIBE STATE OR OTHER TAX CONSEQUENCES OF THE ISSUANCE AND EXERCISE OF OPTIONS OR OF GRANTS OF RESTRICTED STOCK.

Stock Awards. A recipient of a stock award has taxable income in the amount equal to the excess of the fair market value of the stock on the date it vests over any consideration paid for the Common Stock (the spread). Stock vests either when (i) it is no longer subject to a substantial risk of forfeiture (such as a bona fide right of repurchase in favor of the Company upon cessation of employment) or (ii) the recipient has made an election under Section 83(b) of the Code. The taxable income constitutes wages subject to income and employment tax withholding, and the Company receives a corresponding income tax deduction. The recipient will have a basis in his or her shares equal to the value of the shares on the date they vest, and the holding period for the shares will date from vesting. In general, a sale of the shares will produce capital gain or loss which will be long-term or short-term depending on the period of time included in the recipient's holding period, except that a recipient who makes a Section 83(b) election will only be entitled to a capital loss as to the exercise price, if any, for such shares should the shares subsequently be forfeited back to the Company.

Options. The grant of an option has no federal income tax effect on the Participant. Upon exercise of the option, unless the option was qualified as an incentive stock option as discussed below, the Participant is treated in the same manner as a recipient of a stock award.

Incentive Stock Options. Like other options, the recipient of an incentive stock option does not recognize any income on the grant of the option. Unlike other transferees of shares, however, the Participant does not recognize income for regular tax purposes at the time the option is exercised. If the Participant does not dispose of the incentive stock option shares until at least one year after the date the incentive stock option was exercised and two years after the date the incentive stock option was granted, the only gain or loss the Participant will recognize for regular tax purposes will be the long-term capital gain or loss on the sale of the shares. However, any shares sold or otherwise disposed of before both of the holding period requirements have been met (a *disqualifying disposition*), will result in the gain being treated as ordinary income in an amount up to the excess of the fair market value of the stock subject to an option over the exercise price of such option (the *option spread*). Any additional gain will be treated as capital gain or loss and as long-term or short-term depending on the holding period for the stock.

In addition to the regular tax consequences discussed above, the exercise of an incentive stock option can have material alternative minimum tax consequences. In general, the transfer of the shares pursuant to the incentive stock option will create alternative minimum taxable income in the same way that the exercise of other options would create regular taxable income. As a result, the exercise of an incentive stock option can result in substantial alternative minimum tax. The Company is not entitled to a federal income tax deduction in connection with incentive stock options, except to the extent that the Participant has taxable ordinary income on a disqualifying disposition.

Stock Appreciation Rights. Upon the grant of a stock appreciation right, the recipient will not recognize ordinary income. However, upon the exercise of a stock appreciation right, the recipient will, in general, recognize ordinary income in an amount equal to the compensation received by the Participant which will generally be determined by the difference between the fair market value of the Company's shares on the date the stock appreciation right is exercised and the fair market value of the Company's shares on the date the stock appreciation right is granted. Such income will be treated as wages subject to income and employment tax withholding. The Company will have a deduction equal to the income to the recipient.

Limitation on Deduction of Certain Compensation. Section 162(m) of the Code disallows a federal income tax deduction to publicly held companies for certain compensation paid to certain of their executive officers, to the extent that compensation exceeds \$1 million per covered Executive Officer in any fiscal year. This limitation applies only to compensation that is not considered performance-based under the Section 162(m) rules. The 2006 Plan has been structured so that any compensation deemed paid in connection with the exercise of option grants made under that plan will qualify as performance-based compensation that will not be subject to the \$1 million limitation. Although certain other awards that may be granted under the 2006 Plan may not be considered performance-based under the Section 162(m) definition, the Company and the Compensation Committee will attempt to ensure that any awards under the 2006 Plan will qualify for deduction.

New Plan Benefits

Awards under the 2006 Plan. No Awards have yet been granted under the 2006 Plan.

Awards to be received by individual Participants are not determinable because our Compensation Committee determines the amount and nature of any award under the 2006 Plan in the Committee's sole discretion at the time of grant. In addition, awards are dependent upon the achievement of performance goals. As a result, the benefits that might be received by Participants receiving discretionary grants under the 2006 Plan are not determinable. For similar reasons, we cannot determine the awards that would have been granted during our 2005 fiscal year under the 2006 Plan, if it had been in place during that year.

Required Vote

Approval of the adoption of the 2006 Plan requires the affirmative vote of a majority of the shares of the Company's Common Stock voting in person or by proxy on such proposal at the Annual Meeting.

Proposal 3

Ratification of the Selection of the Independent Registered Public Accounting Firm

The Audit Committee, pursuant to its charter, has selected the independent registered public accounting firm of J.H. While the Audit Committee is responsible for the appointment, compensation, retention and oversight of the independent registered public accounting firm, the Audit Committee and our Board of Directors are requesting, as a matter of policy, that the stockholders ratify the appointment of J.H. Cohn LLP as the Company's independent registered public accounting firm. The Audit Committee is not required to take any action as a result of the outcome of the vote on this proposal. However, if the stockholders do not ratify the selection, the Audit Committee may investigate the reasons for stockholder rejection and may consider whether to retain J.H. Cohn LLP or to appoint another independent registered public accounting firm. Furthermore, even if the appointment is ratified, the Audit Committee in their discretion may direct the appointment of a different independent registered public accounting firm at any time during the year if they determine that such a change would be in the best interests of the Company and its stockholders.

Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Auditors

Under this policy, unless a type of service to be provided by the independent registered public accounting firm has received general pre-approval, it will require specific pre-approval by the Audit Committee. Any proposed services exceeding pre-approved cost levels will require specific pre-approval by the Audit Committee. The term of any pre-approval is 12 months from the date of pre-approval, unless the Audit Committee specifically provides for a different period. The Audit Committee periodically will revise the list of pre-approved services, based on subsequent determinations. The Audit Committee delegates pre-approval authority to its chairperson and may delegate such authority to one or more of its members, whose activities are reported to the Audit Committee at each regularly scheduled meeting.

Report of the Audit Committee

In September 2003, the Board of Directors adopted an Audit Committee Charter, which conforms with the requirements of the Sarbanes-Oxley Act of 2002 and the listing standards of AMEX. The Audit Committee Charter is attached hereto as Exhibit A and is also available on the Company's website at www.novadel.com.

Management is responsible for the Company's financial statements and the overall reporting process, including the Company's system of internal controls. The independent registered public accounting firm audits the annual financial statements prepared by management, expresses an opinion as to whether those financial statements present fairly the financial position, results of operations and cash flows of the Company in conformity with generally accepted accounting principles and discusses with the Audit Committee any issues they believe should be raised with

the Audit Committee.

Edgar Filing: NOVADEL PHARMA INC - Form DEF 14A

The Audit Committee has (1) reviewed and discussed the audited financial statements with management, (2) discussed with J.H. Cohn LLP, our independent registered accounting firm, the matters required to be discussed by Statement on Auditing Standards No. 61, and (3) received the written disclosures and the letter from the independent registered accounting firm required by the Independence Standards Board Standard No. 1, and has discussed the accounting firm's independence with the independent registered accounting firm. Based upon these discussions and reviews, the Audit Committee recommended to the Board that the audited financial statements be included in our Annual Report on Form 10-KSB for the fiscal year ended July 31, 2005 and filed with the SEC.

In accordance with the rules of the SEC, the information contained in the Report of the Audit Committee set forth above shall not be deemed to be soliciting material, or to be filed with the SEC or subject to the SEC's Regulation 14A, or to the liabilities of Section 18 of the Securities Exchange Act of 1934, as amended, except to the extent that the Company specifically requests that the information be treated as soliciting material or specifically incorporates it by reference into a document filed under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended.

Stockholder Approval of Equity Compensation Plans

The following table sets forth information as of July 31, 2005 with respect to the number of shares of our Common Stock issuable pursuant to equity compensation plans which have and have not been approved by our stockholders.

Equity Compensation Plan Information

Plan Category	Number of securities to be issued upon exercise of outstanding options (a)	Weighted average exercise price of outstanding options (b)	Number of securities remaining available for future issuance (c)
Equity compensation plans approved by security holders	2,424,500	\$1.58	860,500
Equity compensation plans not approved by security holders	4,050,000	\$1.67	N/A
TOTAL	6,474,500	\$1.64	860,500

As of July 31, 2005, we had outstanding warrants to purchase approximately 19.7 million shares of Common Stock, the exercise price of which ranged from \$0.46 per share to \$2.00 per share. Of the potential 19.7 million shares of Common Stock, approximately 3.1 million shares relate to warrants that were issued as compensation to various service providers. The weighted average exercise price of such warrants is approximately \$1.30. Included in the warrants to purchase 19.7 million shares of Common Stock, approximately 3 million shares of Common Stock are issuable to certain investors upon exercise of warrants as a result of certain contractual anti-dilution rights then held by such investors, including 2.6 million shares of Common Stock issuable to Dr. Lindsay A. Rosenwald upon exercise of warrants.

In addition, the Company granted 200,000 shares of restricted Common Stock to a professional service provider and its designees as a payment for services provided.

STOCK OPTION PLANS

The Company has three stock option plans. The plans were adopted in 1992 (the 1992 Plan), 1997 (the 1997 Plan) and 1998 (the 1998 Plan), respectively (collectively referred to as the Plans). All three Plans have been approved by the Company s stockholders. The 1992 Plan and 1997 Plan each provide for the issuance of options to purchase 500,000 shares of Common Stock, and the 1998 Plan provides for the issuance of options to purchase 3,400,000 shares of Common Stock, for a total of 4,400,000 shares. The Plans are administered by the Compensation Committee (the Committee) of the Board of Directors. The Committee has sole discretion and authority, consistent with the provisions of the Plans, to select the eligible participants to whom options will be granted under the Plans, the number of shares which will be covered by each option and the form and terms of the agreement to be used. All of the Company s employees, officers and directors are eligible to participate in the Plans.

At July 31, 2005, options to purchase 0, 0 and 860,500 shares of Common Stock were reserved for issuance pursuant to the 1992 Plan, the 1997 Plan and the 1998 Plan, respectively. The exercise prices for the outstanding options reserved under the 1992 Plan and the 1997 Plan range between \$.63 and \$1.67 per share; and the exercise prices for the outstanding options reserved under the 1998 Plan range between \$.63 and \$2.69 per share.

The Committee is empowered to determine the exercise price of options granted under the Plans, but the exercise price of incentive stock options (ISOs) issued under the 1998 Plan must be equal to or greater than the fair market value of a share of Common Stock on the date the option is granted (110% with respect to optionees who own at least 10% of the Company s outstanding Common Stock). The Committee has the authority to determine the time or times at which options granted under the Plans become exercisable, but options expire no later than 10 years from the date of grant. Options are nontransferable, other than by will and the laws of descent, and generally may be exercised only by an employee while employed by the Company or within 90 days after termination of employment (one year from termination resulting from death or disability).

No ISO may be granted to an employee if, as the result of such grant, the aggregate fair market value (determined at the time each option was granted) of the shares with respect to which ISOs are exercisable for the first time by such employee during any calendar year (under all such Plans) exceeds \$100,000. The Plans do not confer upon any employee any right with respect to the continuation of employment by the Company, nor do the Plans interfere in any way with the employee s right or the Company s right to terminate the employee s employment at any time.

NON-PLAN OPTIONS

As of July 31, 2005, the Company had 4,050,000 non-plan options outstanding exercisable as follows:

\$1.84	\$.75 per	\$1.93 per	\$1.30	\$1.51	\$3.18	\$3.02	\$1.95	\$1.85	\$1.65	\$2.15
per	share	share	per	per	per	per	per	per	per	per
share			share	share	share	share	share	share	share	share
600,000	1,050,000	1,000,000	200,000	200,000	250,000	150,000	300,000	100,000	100,000	100,000

Following informal discussions with the staff of the American Stock Exchange (the AMEX), on July 29, 2005, the Company notified the AMEX that, since its listing on the AMEX on May 11, 2004, the Company had made seven grants of options to purchase a total of 450,000 shares of Common Stock of the Company (the Old Options) to six directors and one executive officer of the Company (each, a Holder) that were not issued pursuant to a plan which had previously received stockholder approval. Since Section 711 of the AMEX Company Guide provides that stockholder approval is required with respect to the establishment of a stock option plan or other equity compensation arrangement pursuant to

Edgar Filing: NOVADEL PHARMA INC - Form DEF 14A

which options may be issued to directors and officers, the grants of the Old Options appear to have violated Section 711 of the AMEX Company Guide.

The Company has in place its 1998 Stock Option Plan (the 1998 Plan), which was adopted by the Board and approved by the stockholders of the Company. Following discussions with staff members at the AMEX, on July 28, 2005, the Compensation Committee (the Committee) of the Board of Directors of the Company authorized the issuance of 450,000 new options pursuant to the 1998 Plan (the New Options) to be exchanged for the Old Options held by each of the Holders in the same amounts as the Old Options held by each Holder. The New Options contain provisions that are substantially similar to those of the Old Options. The terms and exercise prices of the New Options are identical to those of the Old Options held by each of the respective Holders. There were sufficient shares available for issuance under the 1998 Plan, and the New Options could be issued under the 1998 Plan without any amendment thereof. On July 28, 2005, each of the seven Holders agreed to the exchange of the Old Options held by him or her for New Options in a like amount, and the New Options were issued to each of the Holders in amounts equal to the number of Old Options held by such Holder.

Following the Company's notification to the AMEX of the Company's noncompliance with Section 711 of the AMEX Company Guide as described above, the staff of the AMEX indicated verbally to the Company that it considered the Company's remedial actions to have brought the Company into compliance with Section 711 and that it considers the matter to be closed.

EMPLOYMENT AGREEMENTS AND CHANGE IN CONTROL ARRANGEMENTS

Gary A. Shangold, M.D. In December 2002, the Company entered into a three-year employment agreement with Dr. Shangold pursuant to which he agreed to serve as the Company's President and Chief Executive Officer. The Company agreed to pay Dr. Shangold an annual base salary of \$350,000 and an annual bonus of \$150,000. In addition, Dr. Shangold was eligible to receive an annual discretionary bonus of up to \$262,500, which was determined at the sole discretion of the Board of Directors. Dr. Shangold's employment agreement also entitled him to receive an investment and fee bonus of up to \$375,000 based on investments in or fees earned by NovaDel during fiscal year 2003. In fiscal year 2003, the Company paid Dr. Shangold such investment and fee bonus in the amount of \$249,780. Pursuant to the employment agreement, Dr. Shangold was also granted non-plan options to purchase 1,000,000 shares of Common Stock (at an exercise price of \$1.93 per share). Such options are currently exercisable and have a term of five years and expire on December 2, 2007.

On September 2, 2005, the Company notified Dr. Shangold that his employment agreement would not be extended at the end of its term. Accordingly, the effect of this action is that Dr. Shangold's employment agreement will expire on its stated expiration date. On December 22, 2005, Dr. Shangold will therefore cease to be the President and Chief Executive Officer of the Company. Dr. Shangold has served as President and Chief Executive Officer of NovaDel since December 2002, and has also been a member of the Board of Directors since March 2003. The Company expects that Dr. Shangold will continue to serve as a Director until the Company's next annual stockholders' meeting.

On November 29, 2005 the Company entered into a Confidential Separation Agreement and General Release (the "Separation Agreement") and a Consulting Agreement (the "Consulting Agreement") with Dr. Shangold. Pursuant to the Separation Agreement, the Company will pay to Dr. Shangold a separation payment of \$150,000, pay Dr. Shangold's COBRA health insurance premium less any active employee contribution for up to one year from December 23, 2005, enter into the Consulting Agreement with Dr. Shangold, and permit Dr. Shangold's 100,000 stock options issued pursuant to the Nonqualified Stock Option and Incentive Stock Option Agreements, dated January 24, 2005, to vest as if Dr. Shangold were still an employee of the Company for as long as he provides consulting services to the Company pursuant to the Consulting Agreement and, in the event that the Consulting Agreement expires at the end of one year, to allow the 33,334 stock options that would otherwise vest on January 24, 2007, to vest on the expiration date of the Consulting Agreement. The Company will extend the post-termination exercise period applicable to Dr. Shangold's vested options (other than non-plan options) to a date that is 90 days after the termination of the Consulting Agreement. In exchange for the Company's agreement to provide the aforementioned consideration to Dr. Shangold, Dr. Shangold will release the Company from any and all claims he may have against the Company. In addition, Dr. Shangold will refrain from competition with the Company until the later of June 22, 2007 or 6 months after termination of the Consulting Agreement.

Pursuant to the Consulting Agreement, the Company will retain Dr. Shangold as an independent contractor to provide the Company with consulting services related to the drug regulatory and approval process. The Company will pay to Dr. Shangold an amount equal to \$2,500 per day worked, with a minimum guaranteed payment of \$25,000 per month in which he provides service to the Company regardless of whether the Company has requested his services for ten (10) days during the month, provided that the Company need not pay the entire \$25,000, but rather an amount for days worked at the per day rate, for any month in which the Company requested 10 or more days of service and Dr. Shangold was unavailable to provide his services after good faith efforts by both parties to accommodate the scheduling of services. In addition, the Company will reimburse Dr. Shangold for expenses incurred in the performance of these services. The Consulting Agreement will commence on December 23, 2005 and will continue for a period of 1 year, unless terminated earlier in accordance with the terms of the Consulting Agreement. The Consulting Agreement may be extended by mutual consent of the parties.

Barry C. Cohen. In May 2003, the Company entered into a three-year employment agreement with Mr. Cohen, who was appointed Vice-President, New Business and New Product Development. Pursuant to the agreement, he received a base salary of \$185,000, plus incentive bonuses. In addition, Mr. Cohen was issued options to purchase 75,000 shares of Common Stock at \$2.04 per share under the 1998 Plan. Of such options, 55,000 have vested and 20,000 vest on May 13, 2006. These options expire in May 2008. In January 2005, Mr. Cohen was given an increase of salary to approximately \$219,000 per year. In the event Mr. Cohen's employment is terminated by reason of death, the agreement provides that the Company shall pay to Mr. Cohen's estate: (i) base salary and any accrued and unpaid bonus and expense reimbursement amounts through the date of his death; (ii) continue to pay to his estate his base salary for three (3) months following his death; and (iii) for the shorter of six months following his death or the balance of the term of the agreement, provide continued coverage to the members of his family under all major medical and other health, accident, life or other disability plans and programs in which such family members participated immediately prior to his death. Any stock options granted to Mr. Cohen that have not vested as of the date of his death shall vest upon the date of Mr. Cohen's death. Should Mr. Cohen's employment be terminated due to disability, the agreement provides that the Company shall pay his base salary and any accrued bonus and expense reimbursement amounts through the date of termination. In addition, the agreement provides for the following benefits: for the shorter of six (6) months following such termination or the balance of the term of the agreement, the Company shall (i) continue to pay his base salary in effect at the time of such termination, less the amount, if any, then payable under any disability benefits of the Company and (ii) provide continued coverage under all major medical and other health, accident, life or other disability plans and programs in which Mr. Cohen participated immediately prior to such termination. All outstanding stock options, except unvested stock options, shall vest upon the effective date of his termination due to disability. In the event that Mr. Cohen's employment is terminated upon a change-in-control of the Company, the agreement provides for the following benefits: (i) continuation of the payment of Mr. Cohen's base salary for a period of six months following such termination (which shall be reduced by any amounts actually earned by Mr. Cohen during the six-month period following such termination); (ii) payment of any accrued and unpaid bonus through the date of termination; and (iii) payment of any accrued and unpaid expense reimbursement amounts owed to Mr. Cohen through the date of termination. In addition, all stock options that have not vested as of such termination date shall be accelerated and deemed to have vested as of the date of termination. Lastly, for the shorter of six months following such termination and the balance of the term of Mr. Cohen's agreement, the Company shall provide Mr. Cohen continued coverage under all major medical and other health, accident, life or other disability plans or programs in which Mr. Cohen participated immediately prior to such termination.

The Company agreed to pay Ms. Frydman an annual base salary of \$200,000, and certain incentive bonuses. In January 2005, Ms. Frydman was given an increase in salary to approximately \$215,000 per year. In addition, Ms. Frydman was also granted non-plan options to purchase 100,000 shares of Common Stock at an exercise price of \$1.98 per share (110% of the fair market value on the grant date) which vest, subject to certain conditions, over a three-year period. Such options have a term of 10 years. On July 28, 2005, these options were exchanged for options under the 1998 Plan, the terms of which are identical to those in the original grant of non-plan options. On September 2, 2005, the Company entered into an amendment to its employment agreement with Ms. Frydman. The amendment provides for a new formula that is tied to the Company's goals, for determining Ms. Frydman's bonus payment at the end of Calendar Year 2005 and provides for increased payments upon termination of Ms. Frydman's employment in certain circumstances. In the event Ms. Frydman's employment is terminated by reason of death, the agreement provides for the following benefits to be paid to her estate: (i) base salary and any accrued and unpaid bonus and expense reimbursement amounts through the date of her death; (ii) for the shorter of six months following her death or the balance of the term of the agreement will provide

continued coverage to the members of her family under all major medical and other health, accident, life or other disability plans and programs in which such family members participated immediately prior to her death. Any stock options granted to Ms. Frydman that have not vested as of the date of her death shall be deemed to have expired as of such date. Should Ms. Frydman's employment be terminated due to disability, the agreement provides that the Company shall pay her base salary and any accrued bonus and expense reimbursement amounts through the date of termination. In addition, the agreement provides for the following benefits: for the shorter of six (6) months following such termination or the balance of the term of the agreement, the Company shall (i) continue to pay her base salary in effect at the time of such termination, less the amount, if any, then payable under any disability benefits of the Company and (ii) provide continuation coverage under all major medical and other health, accident, life or other disability plans and programs in which Ms. Frydman participated immediately prior to such termination. All stock options that have not vested as of the date of termination shall be deemed to have expired as of such date. In the event that Mr. Spicer's employment is terminated upon a change-in-control of the Company, the agreement provides for the following benefits: (i) continuation of the payment of Mr. Spicer's base salary for a period of one year following such termination (which shall be reduced by any amounts actually earned by Mr. Spicer during the one-year period following such termination); (ii) payment of any accrued and unpaid bonus through the date of termination; and (iii) payment of any accrued and unpaid expense reimbursement amounts owed to Mr. Spicer through the date of termination. In addition, all stock options that have not vested as of such termination date shall be accelerated and deemed to have vested as of the date of termination.

Jan H. Egberts, M.D. On September 26, 2005, the Company entered into a two-year employment agreement with Dr. Jan H. Egberts pursuant to which he agreed to serve as the Company's Chief Operating Officer. Pursuant to the agreement, Dr. Egberts will assume the position of President and Chief Executive Officer on December 23, 2005. Pursuant to the agreement, Dr. Egberts receives a base salary of \$350,000 and an annual bonus of 50% of his base salary as target. On the date he assumes the position of President and Chief Executive Officer, he will receive an interim bonus for the period from September 26, 2005 through the date he assumes the position of President and Chief Executive Officer, in an amount equal to 50% of his pro-rated base salary for such period. In addition, Dr. Egberts was also granted non-plan options to purchase 1,622,700 shares of Common Stock (at an exercise price of \$1.70 per share). The options vest in three annual installments, subject to certain conditions, on September 26, 2006, September 26, 2007 and September 26, 2008. Such options have a five-year term and expire on September 24, 2010. In addition, the Company has also agreed to grant Dr. Egberts options to purchase an additional 400,000 shares of Common Stock of the Company upon the signing of a third-party agreement which provides milestone opportunities in excess of \$30 million in revenue, but no earlier than March 26, 2006. Such stock option grant will have a term of five (5) years and will vest ratably over a three-year period ending on the third anniversary of the grant. In the event Dr. Egberts's employment is terminated by reason of death or disability, the agreement provides for the following benefits to be paid to his estate, as applicable: (i) base salary and any accrued and unpaid bonus and expense reimbursement amounts through the date of his death or disability and the pro-rata portion of his guaranteed bonus and stock options earned by him during the year of his death or disability; and (ii) for the longer of twelve (12) months following his death, disability or the balance of the term of the agreement, provide continued coverage to the members of his family and, in the case of termination for disability, for Dr. Egberts, under all major medical and other health, accident, life or other disability plans and programs in which such family members and, in the case of termination for disability, for Dr. Egberts, participated immediately prior to his death or disability. All stock options that are scheduled to vest by the end of the calendar year in which such termination occurs shall be accelerated and deemed to have vested as of the termination date. All stock options that have not vested (or been deemed pursuant to the preceding sentence to have vested) as of the date of termination shall be deemed to have expired. Any stock options that have vested as of the date of his death or disability shall remain exercisable for a period of 90 days after the date of his death or disability. In the event that Dr. Egberts's employment is terminated upon a change-in-control of the Company, the agreement provides for the following benefits: (i) continuation of the payment of Dr. Egberts's base salary for a period of one year following such termination; (ii) payment of any accrued and

unpaid bonus through the date of termination; and (iii) payment of any accrued and unpaid expense reimbursements owed to Dr. Egberts through the date of termination. In addition, all stock options that have not vested as of such termination date shall be accelerated and deemed to have vested as of the date of termination.

The foregoing agreements also provide for certain non-competition and non-disclosure covenants on the part of the applicable executive. However, with respect to the non-competition covenants, a court may determine not to enforce such provisions or only partially enforce such provisions. Additionally, each of the foregoing agreements provides for certain fringe benefits, such as inclusion in pension, profit sharing, stock option, savings, hospitalization and other benefit plans at such times as the Company may adopt them.

Report of the Compensation Committee on Executive Compensation

The Compensation Committee is responsible for the establishment and review of the Company's compensation policies and programs.

Compensation Philosophy

The primary objectives of our executive compensation policies include the following:

- To attract, motivate and retain a highly qualified executive management team;
- To link executive compensation to our financial performance as well as to defined individual management objectives established by the Committee;
- To compensate competitively with the practices of similarly situated companies; and
- To create management incentives designed to enhance stockholder value.

To meet our objectives successfully, we must attract and retain highly qualified personnel with specialized skills. The Compensation Committee's compensation philosophy seeks to align the interests of stockholders and management by tying compensation to our performance, either directly in the form of salary or annual bonuses paid in cash, or indirectly in the form of stock options granted to employees through our stock option plans.

Executive Compensation

We have a compensation program which consists of two principal components: cash-based compensation and equity-based compensation. These two principal components are intended to attract, retain, motivate and reward executives who are expected to manage both the short-term and long-term success of our Company.

Cash-Based Compensation. Cash-based compensation consists of salary, or base pay, and a discretionary bonus. The salaries and bonuses of each of the Named Executive Officers, other than the Chief Executive Officer, for the year ended July 31, 2005 were approved by the Compensation Committee upon the recommendation of the Chief Executive Officer. In its review, the Compensation Committee takes into account peer group practices and other appropriate factors, such as corporate and individual performance.

Equity Incentive Programs. Long-term equity incentives, including stock options granted pursuant to our 1998 Stock Option Plans, align the economic interests of the Named Executive Officers with those of its stockholders. Stock options are a particularly strong incentive because they are valuable to the Named Executive Officers only if the fair market value of the Common Stock increases above the exercise price, which will generally be set at the fair market value of the Common Stock on the date the

Edgar Filing: NOVADEL PHARMA INC - Form DEF 14A

option is granted. In addition, the Named Executive Officers must generally remain employed for a fixed period of time in order for the options to vest fully. The Board of Directors or the Compensation Committee may grant options with vesting schedules that differ from the general schedule.

The number of options granted to each Named Executive Officer, other than the Chief Executive Officer, were approved by the Compensation Committee upon the recommendation of the Chief Executive Officer. In making its determination, the Compensation Committee considers the Named Executive Officer's position, his or her individual performance, the number of options held by the executive and other relevant factors.

Chief Executive Officer Compensation

On September 2, 2005, the Company notified Dr. Shangold that his employment agreement will not be extended at the end of its term. Accordingly, the effect of this action is that Dr. Shangold's employment agreement will expire on its stated expiration date. On December 22, 2005, Dr. Shangold will therefore cease to be the President and Chief Executive Officer of the Company. Dr. Shangold has served as President and Chief Executive Officer of NovaDel since December 2002, and has also been a member of the Board of Directors since March 2003. The Company expects that Dr. Shangold will continue to serve as a Director until the Company's next annual stockholders' meeting.

On November 29, 2005 the Company entered into a Confidential Separation Agreement and General Release (the "Separation Agreement") and a Consulting Agreement (the "Consulting Agreement") with Dr. Shangold. Pursuant to the Separation Agreement, the Company will pay to Dr. Shangold a separation payment of \$150,000, pay Dr. Shangold's COBRA health insurance premium less any active employee contribution for up to one year from December 23, 2005, enter into the Consulting Agreement with Dr. Shangold, and permit Dr. Shangold's 100,000 stock options issued pursuant to the Nonqualified Stock Option and Incentive Stock Option Agreements, dated January 24, 2005, to vest as if Dr. Shangold were still an employee of the Company for as long as he provides consulting services to the Company pursuant to the Consulting Agreement and, in the event that the Consulting Agreement expires at the end of one year, to allow the 33,334 stock options that would otherwise vest on January 24, 2007, to vest on the expiration date of the Consulting Agreement. The Company will extend the post-termination exercise period applicable to Dr. Shangold's vested options (other than non-plan options) to a date that is 90 days after the termination of the Consulting Agreement. In exchange for the Company's agreement to provide the aforementioned consideration to Dr. Shangold, Dr. Shangold will release the Company from any and all claims he may have against the Company. In addition, Dr. Shangold will refrain from competition with the Company until the later of June 22, 2007 or 6 months after termination of the Consulting Agreement.

Pursuant to the Consulting Agreement, the Company will retain Dr. Shangold as an independent contractor to provide the Company with consulting services related to the drug regulatory and approval process. The Company will pay to Dr. Shangold an amount equal to \$2,500 per day worked, with a minimum guaranteed payment of \$25,000 per month in which he provides service to the Company regardless of whether the Company has requested his services for ten (10) days during the month, provided that the Company need not pay the entire \$25,000, but rather an amount for days worked at the per day rate, for any month in which the Company requested 10 or more days of service and Dr. Shangold was unavailable to provide his services after good faith efforts by both parties to accommodate the scheduling of services. In addition, the Company will reimburse Dr. Shangold for expenses incurred in the performance of these services. The Consulting Agreement will commence on December 23, 2005 and will continue for a period of 1 year, unless terminated earlier in accordance with the terms of the Consulting Agreement. The Consulting Agreement may be extended by mutual consent of the parties.

The compensation of the Company's Chief Executive Officer is determined by his employment agreement with the Company dated December 3, 2002 which entitles him to an annual base salary of

Edgar Filing: NOVADEL PHARMA INC - Form DEF 14A

\$350,000. See Employment Agreements and Change in Control Arrangements on page 24. Dr. Shangold was paid an annual salary of \$350,000 through July 31, 2005. In addition, Dr. Shangold's employment agreement provides for a guaranteed bonus of \$150,000 and an annual discretionary bonus of up to \$262,500, which shall be determined at the sole discretion of the Board. Dr. Shangold received his guaranteed bonus of \$150,000 for the fiscal year ending July 31, 2005. Upon execution of his employment agreement, Dr. Shangold was also granted non-plan options to purchase 1,000,000 shares of Common Stock (at an exercise price of \$1.93 per share) which vest over a three year period beginning in December 2003. Such options have a term of 5 years and expire December 2, 2007. On February 24, 2004, Dr. Shangold was granted an option to purchase 125,000 shares of Common Stock (at an exercise price of \$1.82 per share) which vested immediately. Such options have a term of 5 years and expire February 22, 2009. On January 24, 2005 Dr. Shangold was granted an option to purchase 100,000 shares of Common Stock (at an exercise price of \$1.47) which vest in three annual installments, subject to certain conditions, on January 24, 2006, January 24, 2007, and January 24, 2008. Such options have a term of 10 years and expire January 23, 2015.

The determination by the Compensation Committee of Dr. Shangold's remuneration is based upon methods consistent with those used for other senior executives. The Compensation Committee considers certain quantitative factors, including the Company's financial, strategic and operating performance for the year. The qualitative criteria include such person's leadership qualities and management skills, as exhibited by their innovations, time and effort devoted to the Company and other general considerations. The Compensation Committee also takes note of comparable remuneration of other similarly situated executives at comparable companies. Based on the performance of the Company, the Compensation Committee believes that such compensation was appropriate.

Policy on Deductibility of Compensation. Section 162(m) of the Internal Revenue Code limits the tax deduction to \$1 million for compensation paid to any one executive officer, unless certain requirements are met. The Compensation Committee may award compensation that is not deductible under Section 162(m) if it believes that such awards would be in the best interest of the Company and its stockholders.

Charles Nemeroff, M.D., Ph.D.

In accordance with the rules of the SEC, the information contained in the Report of the Compensation Committee set forth above shall not be deemed to be soliciting material, or to be filed with the SEC or subject to the SEC's Regulation 14A, or to the liabilities of Section 18 of the Securities Exchange Act of 1934, as amended, except to the extent that the Company specifically requests that the information be treated as soliciting material or specifically incorporates it by reference into a document filed under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended.

Section 16(a) Beneficial Ownership Reporting Compliance

Directors, Executive Officers and beneficial owners of more than 10% of our Common Stock are required by Section 16(a) of the Exchange Act and related regulations to file ownership reports on Forms 3, 4 and 5 with the Securities and Exchange Commission and the principal exchange upon which such securities are traded or quoted and to furnish us with copies of the reports. Based solely on a review of the copies of such forms furnished to us, we believe that from August 1, 2004, to July 31, 2005, Dr. Shangold, Dr. Nemeroff, Mr. Cohen and Dr. El-Shafy were not in compliance with their respective Section 16(a) filing requirements. Dr. Shangold and Mr. Cohen each had a Form 5 reporting two transactions that were filed late; Dr. El-Shafy had one Form 5 reporting three transactions that were filed late, and Dr. Nemeroff had one Form 4 reporting one transaction that was filed late. In addition, with

respect to the beneficial owners, the Company is aware that Dr. Lindsay A. Rosenwald had one Form 4 reporting one transaction that was filed late and one Form 5 reporting one transaction that was filed late and may have failed to file one Form 4 reporting one transaction. The Company has revised its administrative procedures to enhance the ability of the Company's Executive Officers and Directors to comply with such requirements. All others required to file reports have done so.

Certain Relationships and Related Transactions

To the best of management's knowledge, other than (i) compensation for services as Executive Officers and Directors or (ii) as set forth below, there were no material transactions, or series of similar transactions, or any currently proposed transactions, or series of similar transactions, to which the Company was or was to be a party, in which the amount involved exceeds \$60,000 during fiscal 2004 or fiscal 2005, and in which any Director or Executive Officer, or any security holder who is known by the Company to own of record or beneficially more than 5% of any class of the Common Stock, or any member of the immediate family of any of the foregoing persons, has an interest.

In January 2003, we engaged Paramount to assist us in the placement of units on a best efforts basis in connection with a private placement. Dr. Rosenwald is Chairman and Chief Executive Officer of Paramount. In connection with this offering, we entered into a non-exclusive Placement Agent Agreement with Paramount, pursuant to which we paid to Paramount for its services, a cash payment equal to approximately \$360,000 and issued to Paramount or its designees 160,017 warrants with an exercise price equal to \$1.65 per share and warrants to purchase 40,004 shares of common stock at an exercise price equal to \$2.00 per share. We also agreed to pay to Paramount a non-accountable expense allowance equal to \$25,000 to reimburse Paramount for its out-of-pocket expenses.

In April 2003, the Company entered into a license and development agreement with Manhattan Pharmaceuticals, Inc., for the worldwide, exclusive rights to its oral spray technology to deliver propofol for pre-procedural sedation. In November 2003, the Company received \$375,000 from Manhattan for license fees. The Company has included these license fees in deferred revenue and is recognizing these license fees over the 20-year term of the license. During the years ended July 31, 2005 and 2004, the Company invoiced Manhattan approximately \$119,000 and \$400,000, respectively, for the Company's reimbursable expenses. Dr. Rosenwald may be deemed to be an affiliate of Manhattan.

In November 2003, we engaged Paramount to assist us in the placement of units on a best efforts basis in connection with a private placement. In connection with this offering, we entered into a non-exclusive Placement Agent Agreement dated as of November 14, 2003, with Paramount, pursuant to which we paid to Paramount for its services, a cash payment equal to approximately \$1,000,000 and issued to Paramount or its designees 14 unit purchase options with a per unit exercise price equal to \$110,000. Upon full exercise of such unit purchase options, we shall issue to Paramount or its designees 1,330,296 shares of our common stock and warrants to purchase 399,082 shares of our common stock for a purchase price equal to \$1.40 per share. We also agreed to pay to Paramount a non-accountable expense allowance equal to \$25,000 to reimburse Paramount for its out-of-pocket expenses.

In September 2004, the Company entered into a license and development agreement with Velcera Pharmaceuticals Inc. in connection with veterinary applications for currently marketed veterinary drugs. In September 2004, the Company received \$1,500,000 from Velcera as an upfront payment in connection with the commercialization agreement. The Company may receive additional milestone payments and royalty payments over the 20-year term of the agreement. During the years ended July 31, 2005 and 2004, the Company invoiced Velcera approximately \$183,000 and \$0, respectively, for reimbursable expenses. Additionally, during the year ended July 31, 2005, the Company invoiced Velcera \$50,000 for a contractual milestone that was reached. Dr. Rosenwald may be deemed to be an affiliate of Velcera.

Edgar Filing: NOVADEL PHARMA INC - Form DEF 14A

In October 2004, the Company entered into a license agreement with Hana Biosciences Inc., for the marketing rights in the United States and Canada for the Company's ondansetron oral spray technology. Pursuant to the terms of the agreement, in exchange for \$1,000,000, Hana purchased 400,000 shares of the Company's Common Stock at a per share price equal to \$2.50, a premium of \$.91 per share or \$364,000 over the then market value of the Company's Common Stock. The Company accounted for this premium as deferred revenue related to the license. In connection with the agreement, Hana issued to the Company \$500,000 worth of common stock of Hana (73,121 shares based on a market value of \$6.84 per share). The Company may receive additional license fees and royalties over the 20-year term of the agreement. During the year ended July 31, 2005, the Company invoiced Hana approximately \$84,000 for pass-through expenses incurred by the Company on behalf of Hana. Dr. Rosenwald may be deemed to be an affiliate of Hana.

During the fiscal years ended July 31, 2005 and 2004, the Company paid Robert F. Schaul, a former director and counsel of the Company, approximately \$1,000 and \$195,000, respectively, for legal services rendered.

During fiscal years ended July 31, 2005 and 2004, the Company paid John H. Klein, the Company's former Chairman of the Board of Directors, approximately \$1,000 and \$186,000, respectively, pursuant to a consulting agreement between Mr. Klein and the Company, as well as additional finder fees relating to the Company's licensing agreements. In the future, the Company may be required to pay additional fees to Mr. Klein. Such amounts, if any, will be determined by the net revenue received by the Company in connection with a license and supply agreement the Company entered into with Par Pharmaceutical, Inc.; and are primarily dependent on the amount of milestone payments received by the Company from Par Pharmaceutical. At no time will the fees be more than four percent (4%) of the net revenue received by the Company in connection with the Par Pharmaceutical agreement.

In April 2005, the Company engaged Paramount to assist it in the placement of shares in connection with a private placement. In connection with the offering, the Company paid a cash commission equal to approximately \$495,000 and issued a warrant to purchase 336,651 shares of Common Stock to Paramount, who acted as its placement agent. Such warrant is exercisable at an initial exercise price equal to \$1.30 per share (subject to adjustment). Paramount was also entitled to an expense allowance of up to \$50,000 to reimburse it for its out of pocket expenses incurred in connection with the offering. The Company agreed to indemnify Paramount against certain liabilities, including liabilities under the Securities Act of 1933, incurred in connection with the offering. Paramount and its affiliates are beneficial owners of approximately 9.9 million shares of Common Stock and securities exercisable for shares of Common Stock and, accordingly, Paramount may be deemed to be an affiliate of the Company. In connection with any future offering by the Company of its debt or equity securities for gross proceeds of greater than \$1 million that is intended to be exempt from Section 5 of the Securities Act on or before May 27, 2006, the Company has granted Paramount the right of first refusal to act as a placement agent or co-agent. Prior to engaging in any such offering, the Company must offer Paramount the opportunity to match the terms, conditions and limitations of any such proposed future private offering (including, but not limited to, cash fees and placement warrant coverage, if any; offering price of securities, including warrants, if any, as well as any applicable warrant exercise price and percentage of warrant coverage; and the quality and suitability of any proposed investors as stockholders of the Company). Should Paramount be unwilling to match or propose superior terms, conditions and limitations than those offered by an alternate placement agent, the Company may engage the alternate placement agent as its exclusive placement agent, investment banker, finder or broker-dealer, as applicable, and Paramount will have no right to participate in the subsequent private offering. Should Paramount match or propose superior terms, conditions and limitations than those originally proposed by the alternate placement agent, after providing the alternate placement agent with the opportunity to match Paramount's offer, then either (i) Paramount and the alternate placement agent will each be allowed to participate in equal amounts toward the final total capital raise, as co-agents, or (ii) Paramount will be engaged by the Company to act as the exclusive placement agent for the subsequent private offering. The Board of Directors of the Company,

at its sole discretion, will make the final and binding determination as to whether proposals are equal, substantially similar or superior to each other.

In December 2005, Mr. J. Jay Lobell was elected a Director of the Company. Mr. Lobell was designated by Dr. Lindsay A. Rosenwald, a security holder, pursuant to Dr. Rosenwald's right to designate a director nominee under the Common Stock and Warrant Purchase Agreement dated December 12, 2001 between the Company and Dr. Rosenwald. Mr. Lobell has served as Chief Executive Officer, Secretary and a member of the Board of Directors of Paramount Acquisition Corp. since October 2005. Since December 2004, Mr. Ratoff has served as a venture partner with ProQuest Investments, a health care venture capital firm. Mr. Ratoff does not currently own any shares of Common Stock of the Company.

- (ff) **Restricted Shares** shall mean Shares granted to a Participant pursuant to Section 9 that are subject to forfeiture if the Participant does not satisfy the conditions specified in the Award Agreement applicable to those Shares.
- (gg) **Rule 16b-3** shall mean Rule 16b-3 as promulgated under the 1934 Act, as amended from time to time, together with any successor rule.
- (hh) **Section 16 Participant** shall mean a person who is subject to the provisions of Section 16 of the 1934 Act and the regulations promulgated thereunder with respect to transactions involving equity securities of the Company.
- (ii) **Section 162(m) Exemption** shall mean the exemption from the limitation on deductibility imposed by 162(m) of the Code that is set forth in Section 162(m)(4)(C) of the Code or any successor provision thereto.
- (jj) **Share** shall mean a share of the Company's Common Stock.
- (kk) **Stock Appreciation Right** or **SAR** shall mean a right granted to a Participant under Section 8.
- (ll) **Subsidiary** shall mean a subsidiary company as defined in Section 424(f) of the Code (with the Company being treated as the employer corporation for purposes of this definition).
- (mm) **Ten Percent Owner** shall mean a person who owns capital stock possessing ten percent or less of the total combined Voting Power of all classes of capital stock of the Company or any Subsidiary. A person shall be considered to own: (i) the shares owned, directly or indirectly, by or for his or her brothers and sisters (whether by whole or half blood), spouse, ancestors and lineal descendants; (ii) the shares owned, directly or indirectly, by or for a corporation, partnership, estate, or trust in proportion to such person's stock interest, partnership interest or beneficial interest therein; and (iii) the shares which such person may purchase under any outstanding options of the Company or of a Subsidiary.

(nn) Voting Power shall mean the combined voting power of the then-outstanding securities of the Company entitled to vote generally in the election of directors.

Section 4. Administration.

- (a) The Plan shall be administered by a Committee which shall consist of two or more members of the Board, all of whom shall qualify as outside directors as defined for purposes of the regulations under Section 162(m) of the Code and as non-employee directors under Rule 16b-3(b)(3)(i) under the 1934 Act. The number of members of the Committee shall from time to time be increased or decreased, and shall be subject to such conditions, in each case as the Board deems appropriate to permit transactions in Shares pursuant to the Plan to satisfy the conditions of Rule 16b-3 and Section 162(m) of the Code as then in effect.
- (b) The Committee has full power and authority to administer and interpret the Plan and to adopt such rules, regulations, agreements, guidelines and instruments for the administration of the Plan as the Committee deems necessary or appropriate. The Committee's powers include, but are not limited to, the following:
- i. to determine when and to whom Awards should be granted and the terms, conditions and restrictions applicable to each Award, including, without limitation, (A) the exercise price of the Award, (B) the method of payment for Shares purchased upon the exercise of an Award, (C) the method of satisfaction of any tax withholding obligation arising in connection with an Award, (D) the timing, terms and conditions of the exercisability or vesting of an Award, (E) the vesting, conditions, limitations or restrictions with respect to any Award, (F) the effect of the Participant's termination of employment or service with the Company on any of the foregoing, (G) all other terms, conditions and restrictions applicable to the Award or Shares acquired pursuant to an Award not inconsistent with the terms of the Plan, (H) the benefit payable under any SAR, and (I) whether or not specific Awards shall be identified with other specific Awards, and if so whether they shall be exercisable cumulatively with, or alternatively to, such other specific Awards;
 - ii. to determine the amount, if any, that a Participant shall pay for Restricted Shares, whether to permit or require the payment of cash dividends thereon to be deferred and the terms related thereto, when Restricted Shares (including Restricted Shares acquired upon the exercise of any Award) shall be forfeited and whether such Shares shall be held in escrow;
 - iii. to determine the terms, conditions and restrictions of all Award Agreements (which need not be identical and need not be in the form attached hereto as Exhibits A, B and C, if expressly approved by the Committee) and, with the consent of the Participant, to amend any such Award Agreement at any time, except that the consent of the Participant shall not be required for any amendment which (A) does not adversely affect the rights of the Participant or (B) is necessary or advisable (as determined by the Committee) to carry out the purpose of the Award as a result of any change in applicable law;
 - iv. to accelerate the exercisability of, and to accelerate or waive any or all of the terms, conditions and restrictions applicable to, any Award or any group of Awards, provided that the Committee determines that such acceleration, waiver or other adjustment is necessary or desirable in light of extraordinary circumstances;
 - v. subject to Section 7(c) and (d) hereof, to extend the time during which any Award or group of Awards may be exercised;
 - vi. to make such adjustments or modifications to Awards to Participants working outside the United States as are advisable to fulfill the purposes of the Plan; and

vii. to impose such additional terms, conditions and restrictions upon the grant, exercise or retention of Awards as the Committee may, before or concurrent with the grant thereof, deem appropriate.

Section 5. Eligibility. The Committee may, in its discretion, grant Awards to any Eligible Participant, provided, however that ISOs may only be granted to an Employee or Ten Percent Owner of the Company or a Subsidiary.

Section 6. Conditions to Grants. Awards shall be evidenced by written Award Agreements specifying the number of Shares covered thereby, in the forms attached hereto as Exhibits A, B and C; provided, however, that the Committee may issue any Award pursuant to an Award Agreement in such other form as may be expressly approved by the Committee that does not conflict with the terms of the Plan. By accepting an Award, a Participant thereby agrees that the Award shall be subject to all of the terms and provisions of the Plan and the applicable Award Agreement. Award Agreements may incorporate all or any of the terms of the Plan by reference and shall comply with and be subject to the following terms and conditions:

- (a) The Grant Date of an Award shall be the date on which the Committee grants the Award or such later date as specified in advance by the Committee;
- (b) The term of each Award shall be for the period as determined by the Committee, provided that in no event shall the term of any Option or SAR exceed ten (10) years from its Grant Date, or if Section 7(c)(ii) applies, five (5) years from its Grant Date;
- (c) An Award may not be exercised for fractional shares of the Company's Common Stock; and
- (d) Any terms and conditions of an Award not set forth in the Plan shall be set forth in the Award Agreement related to that Award.

Section 7. Stock Options.

(a) **Grant of Options.** Each Option shall be clearly identified in the applicable Award Agreement as either an ISO or a Nonstatutory Stock Option. No later than the Grant Date of any Option, the Committee shall determine the Exercise Price of such Option.

(b) **Exercise Price.** Subject to Section 7(c)(i) hereof, the Exercise Price of an Option may be the Fair Market Value of a Share on the Grant Date or may be more than such Fair Market Value, but shall not be less than such Fair Market Value. An Option shall be exercisable for unrestricted Shares, unless the Award Agreement provides that it is exercisable for Restricted Shares.

(c) **Grant of ISOs.** At the time of the grant of any Option to an Employee, the Committee may, in its discretion, designate that such Option shall be made subject to additional restrictions to permit the Option to qualify as an incentive stock option under the requirements of Section 422 of the Code. Any Option designated as an ISO:

i. shall have an Exercise Price that is not less than the Fair Market Value of a Share on the Grant Date and, if granted to a Ten Percent Owner, shall have an Exercise Price that is not less than 110% of the Fair Market Value of a Share on the Grant Date;

Edgar Filing: NOVADEL PHARMA INC - Form DEF 14A

ii. shall be exercisable for a period of not more than ten (10) years and, if granted to a Ten Percent Owner, not more than five (5) years, from the Grant Date and shall be subject to earlier termination as provided herein or in the applicable Award Agreement;

iii. shall meet the limitations of this subparagraph 7(c)(iii). If the aggregate Fair Market Value of Shares with respect to which ISOs first become exercisable by a Participant in any calendar year exceeds the limit determined in accordance with the provisions of Section 422 of the Code (the Limit) taking into account Shares subject to all ISOs granted by the Company which are held by the Participant, the excess will be treated as Nonstatutory Stock Options. To determine whether the Limit is exceeded, the Fair Market Value of Shares subject to Options shall be determined as of the Grant Dates of such Options. In reducing the number of Options treated as ISOs to meet the Limit, the most recently granted Options will be reduced first. If a reduction of simultaneously granted Options is necessary to meet the Limit, the Committee may designate which Shares are to be treated as Shares acquired pursuant to an ISO;

iv. shall require the Participant to notify the Committee of any disposition of any Shares issued upon the exercise of the ISO under the circumstances described in Section 421(b) of the Code (relating to certain disqualifying dispositions, each a Disqualifying Disposition), within ten (10) business days after such Disqualifying Disposition; and

v. unless otherwise permitted by the Code, shall by its terms not be assignable or transferable other than by will or by the laws of descent and distribution and may be exercised, during the Participant's lifetime, only by the Participant, except that the Participant may, in accordance with Section 12 hereof, designate in writing a beneficiary to exercise its ISOs after the Participant's death.

(d) Exercise of Options.

i. Subject to Section 7(c)(ii) hereof, each Option shall become exercisable at such time or times as may be specified by the Committee from time to time, but no later than ten (10) years from the date of grant of such Option.

ii. An Option shall be exercised by the delivery to the Company during the Option Term of (A) a written notice of intent to purchase a specific number of Shares subject to the Option in accordance with the terms of the Option by the person entitled to exercise the Option and (B) payment in full of the Exercise Price of such specific number of Shares in accordance with Section 7(b) hereof plus the amount of any federal and state income tax withholding in accordance with Section 14.

iii. Payment of the Exercise Price may be made by cash, check or wire transfers.

Section 8. SARs.

(a) Grant of SARs. When granted, SARs may, but need not, be identified with a specific Option of the Participant (including any Option granted on or before the Grant Date of the SARs) in a number equal to or different from the number of SARs so granted; provided, however, that in the case of an ISO, SARs may be granted only at the time of the grant of the ISO. If SARs are identified with Shares subject to an Option, then, unless otherwise provided in the applicable Award Agreement, the Participant's associated SARs shall terminate upon (A) the expiration, termination, forfeiture or cancellation of such Option or (B) the exercise of such Option.

Edgar Filing: NOVADEL PHARMA INC - Form DEF 14A

- (b) The Committee shall establish the Base Amount of the SAR at the time the SAR is granted. Unless the Committee determines otherwise, the Base Amount of each SAR shall be equal to the per share Exercise Price of the related Option or, if there is no related Option, an amount equal to or greater than the Fair Market Value of a Share on the Grant Date of the SAR. In no event shall the Base Amount of any SAR be reduced following the grant of such SAR, nor shall the SAR be cancelled in exchange for a replacement SAR with a lower Base Amount.
- (c) The term of a SAR granted without identification to an Option of the Participant, shall be no longer than ten (10) years.
- (d) Exercise of SARs.
- i. Subject to Section 8(a) hereof, and except as otherwise provided in the applicable Award Agreement, (A) each SAR not identified with any other Award shall become exercisable with respect to one-third (1/3rd) of the Shares subject thereto on each of the first three (3) anniversaries of the Grant Date of such SAR, and (B) each SAR which is identified with any other Award shall become exercisable as and to the extent that the Option with which such SAR is identified may be exercised or becomes nonforfeitable, as the case may be.
- ii. SARs shall be exercised by delivery to the Company of written notice of intent to exercise a specific number of SARs. Unless otherwise provided in the applicable Award Agreement, the exercise of SARs which are identified with Shares subject to an Option shall result in the cancellation or forfeiture of such Option to the extent of such exercise.
- iii. The exercise of a SAR related to an Option will entitle the holder to receive payment of an amount determined by multiplying:
- (1) the excess of the Fair Market Value of a Share on the Exercise Date of such SAR over the Base Amount specified for such related Option, by
- (2) the number of Shares as to which such SAR is exercised.
- iv. A SAR granted without relationship to an Option will entitle the holder to receive payment of an amount determined by multiplying:
- (1) the excess of (x) the Fair Market Value of a Share of Common Stock on the exercise date of such SAR over (y) the greater of the Fair Market Value of a Share on the SAR's Grant Date or such greater amount as may be set forth in the applicable Award Agreement, by
- (2) the number of Shares as to which such SAR is exercised.
- v. Notwithstanding (iii) and (iv) above, the Committee may place a limitation on the amount payable upon exercise of a SAR. Any such limitation must be determined as of the Grant Date and set forth in the applicable Award Agreement.
- vi. The payment with respect to any SAR shall be made in a manner that complies with Section 409A of the Code.

Section 9. Grant of Restricted Shares.

- (a) The Committee shall determine the amount, if any, that a Participant shall pay for Restricted Shares. Any such payment shall be made in full by the Participant before the delivery of the Shares and in any event no later than ten (10) business days after the Grant Date.
- (b) During the Restriction Period, a Participant may not sell, assign, transfer, pledge, hypothecate or otherwise dispose of or encumber the Shares.
- (c) If Restricted Shares are forfeited and the Participant was required to pay for such shares or acquired such Restricted Shares upon the exercise of an Option, the Participant shall be deemed to have resold such Restricted Shares to the Company at a price equal to the lesser of (1) the amount paid by the Participant for such Restricted Shares, or (2) the Fair Market Value of a Share on the date of forfeiture, multiplied by the number of Restricted Shares, which shall be paid to the Participant in cash as soon as administratively practicable. Such Restricted Shares shall cease to be outstanding and shall no longer confer on the Participant thereof any rights as a stockholder of the Company, from and after the date of the event causing the forfeiture, whether or not the Participant accepts the Company's tender of payment for such Restricted Shares.
- (d) The Committee may provide that the certificates for any Restricted Shares (1) shall be held (together with a stock power executed in blank by the Participant) in escrow by the Secretary of the Company until such Restricted Shares become nonforfeitable or are forfeited, or (2) shall bear an appropriate legend restricting the transfer of such Restricted Shares. If any Restricted Shares become nonforfeitable, the Company shall cause certificates for such shares to be issued without such legend.
- (e) Unless the Committee determines otherwise, during the Restriction Period the Participant shall have the right to vote the Restricted Shares and to receive any dividends or other distributions paid on such Shares, subject to any restrictions deemed appropriate by the Committee and set forth in the Award Agreement.

Section 10. Grant of Bonus Shares. The Committee may grant Bonus Shares to any Eligible Participant. In the event the Committee grants Bonus Shares, a certificate for the Shares constituting such Bonus Shares shall be issued in the name of the Participant to whom such grant was made and delivered to such Participant as soon as practicable after the date on which the Bonus Shares are granted.

Section 11. Qualified Performance-Based Awards.

- (a) Options and SARs. The provisions of the Plan are intended to ensure that all Options and SARs granted hereunder to any Covered Employee shall qualify for the Code Section 162(m) Exemption.
- (b) Other Awards. When granting an Award other than an Option or a SAR, the Committee may designate such Award as a Qualified Performance-Based Award, based upon a determination that the recipient is or may be a Covered Employee with respect to such Award, and the Committee wishes such Award to qualify for the Section 162(m) Exemption. If an Award is so designated, the Committee shall establish performance goals for such Award within the time period prescribed by Section 162(m) of the Code.

(c) **Performance Goal.** The Committee shall determine objective performance goals based upon one or more of the following criteria: certain scientific milestones; earnings (either in the aggregate or on a per share basis); operating income; cash flow; EBITDA (earnings before interest, taxes, depreciation and amortization); return on equity; indices related to EVA (economic value added); per share rate of return on the Common Stock (including dividends); market share (in one or more markets); customer retention rates; market penetration rates; revenues; reductions in expense levels; or the attainment by the Common Stock of a specified market value for a specified period of time.

(d) **Achievement of Performance Goals.** Each Qualified Performance-Based Award shall be earned, vested and payable (as applicable) only upon the achievement of performance goals established by the Committee based upon one or more of the criteria set forth in Section 11(c), together with the satisfaction of any other conditions, such as continued employment, as the Committee may determine to be appropriate; provided, however, that the Committee may provide, either in connection with the grant thereof or by amendment thereafter, that achievement of such performance goals will be waived upon the death or Disability of the Participant, or upon a Change in Control.

(e) **Certification of Performance Goals.** Any payment of a Qualified Performance-Based Award granted with performance goals shall be conditioned on the written certification of the Committee in each case that the performance goals and any other material conditions were satisfied. No Qualified Performance-Based Award held by a Covered Employee may be amended, nor may the Committee exercise any discretionary authority it may otherwise have under the Plan with respect to a Qualified Performance-Based Award under the Plan, or in any manner to waive the achievement of the applicable performance goals or to increase the amount payable pursuant thereto or the value thereof, or otherwise in a manner that would cause the Qualified Performance-Based Award to cease to qualify for the Section 162(m) Exemption.

Section 12. Limitations on Transfer. No right or interest of a Participant in any unexercised or restricted Award may be pledged, encumbered, or hypothecated to or in favor of any party other than the Company, or shall be subject to any lien, obligation, or liability of such Participant to any party other than the Company. No unexercised or restricted Award shall be assignable or transferable by a Participant other than by will or the laws of descent and distribution or, except in the case of an ISO, pursuant to a domestic relations order that would satisfy Section 414(p)(1)(A) of the Code if such section applied to an Award under the Plan. A Participant may, if permitted by the Committee, in its discretion, designate in writing a beneficiary to exercise an Award after his or her death (if that designation has been received by the Company prior to the Participant's death). If no beneficiary has been designated or survives the Participant, any payments shall be made to the Participant's estate. A beneficiary designation may be changed or revoked by a Participant at any time provided the change or revocation is filed with the Company. Notwithstanding anything herein to the contrary, the Committee may (but need not) permit other transfers where the Committee concludes that such transferability (1) does not result in accelerated taxation, (2) does not cause any Option intended to be an ISO to fail to be described in Code Section 422(b), and (3) is otherwise appropriate and desirable, taking into account any factors deemed relevant, including without limitation, state or federal tax or securities laws applicable to transferable Awards. Any purported transfer in violation of this Section 12 shall be null and void.

Section 13. Notification under Section 83(b) upon Exercise. If a Participant, in connection with the exercise of any Option or the grant of Restricted Shares, makes the election permitted under Section 83(b) of the Code to include in such Participant's gross income in the year of transfer the amounts specified in Section 83(b) of the Code, then such Participant shall notify the Company, in writing, of such election within ten (10) days after filing the notice of the election with the Internal Revenue Service, in addition to any filing and notification required pursuant to regulations issued under Section 83(b) of the Code.

Section 14. Mandatory Tax Withholding. Whenever under the Plan a SAR is exercised or when Shares are to be delivered upon exercise or payment of an Award or upon Restricted Shares becoming nonforfeitable, or any other event with respect to rights and benefits hereunder, the Company shall be entitled to require (i) that the Participant remit an amount in cash, sufficient to satisfy all federal, state and local taxes withholding requirements (including the Participant's FICA obligation) related thereto (Required Withholding), (ii) the withholding of such Required Withholding from compensation otherwise due to the Participant, or (iii) any combination of (i) and (ii).

Section 15. Termination of Employment or Service

(a) For Cause. Except as otherwise provided by the Committee in an Award Agreement, if a Participant's employment or service is terminated for Cause (i) the Participant's Restricted Shares that are then forfeitable shall be forfeited immediately, subject to the provisions of Section 9(c) hereof regarding repayment of certain amounts to the Participant, and (ii) any unexercised Option or SAR shall terminate effective immediately.

(b) On Account of Death. Except as otherwise provided by the Committee in an Award Agreement, if a Participant's employment or service terminates on account of death (or if a Participant dies within ninety (90) days following termination of employment due to Disability), then:

i. the Participant's Restricted Shares that were forfeitable shall thereupon become nonforfeitable; and

ii. any unexercised Option or SAR, to the extent exercisable on the date of death, may be exercised, in whole or in part, within the first one hundred eighty (180) days (but only during the Option Term) after the death of the Participant by (A) his or her personal representative or by the person to whom the Option or SAR, as applicable, is transferred by will or the applicable laws of descent and distribution, or (B) the Participant's designated beneficiary and, to the extent that any such Option or SAR was not exercisable on the date of death, it will immediately terminate. All Options that are forfeitable upon the date of the Participant's death shall expire.

(c) On Account of Disability. Except as otherwise provided by the Committee in an Award Agreement, if a Participant's employment or service terminates on account of Disability, then:

i. the Participant's Restricted Shares that were forfeitable shall thereupon become nonforfeitable; and

ii. any unexercised Option or SAR, to the extent exercisable on the date of such termination of employment or service due to Disability, may be exercised in whole or in part, within the first ninety (90) days after such termination of employment or service due to Disability (but only during the Option Term) by the Participant, or by his or her legal guardian or representative, and to the extent that any such Option or SAR was not exercisable on the date of such termination of employment due to Disability, it will immediately terminate.

Section 16. Change in Control. Except as otherwise provided by the Committee in an Award Agreement, if a Participant's employment is terminated without Cause or if the Participant resigns for Good Reason within six months after the effective date of a Change in Control, then (1) all of that Participant's outstanding Options and SRS shall become fully exercisable, and (2) all restrictions on the Participant's Restricted Shares shall lapse.

Section 17. Other Termination or Nonrenewal of Employment Agreement Except as otherwise provided by the Committee in an Award Agreement, if (A) the Participant's employment is terminated prior to the end of the term under any employment agreement between the Company and the Participant other than as a result of the Participant's death or Disability and other than for Cause or due to a Change in Control, (B) the Participant's employment is terminated by the Participant, (C) the Participant's employment agreement is not renewed by the Participant at the end of its initial term, or (D) the Company provides notice to the Participant that his employment agreement will not be renewed, any portion of an Option or SAR that has not vested shall expire as of the termination date or nonrenewal date, and any unexercised portion of a vested Option or SAR shall remain exercisable for a period of ninety (90) days after the termination date, the date of nonrenewal or the expiration of the Option or SAR, whichever is earlier. All Restricted Shares that are subject to forfeiture as of the termination date or nonrenewal date shall be forfeited and returned to the Company pursuant to the terms of Section 9(c) on such date.

Section 18. Plans of Foreign Subsidiaries. The Committee may authorize any foreign Subsidiary to adopt a plan for granting Awards (Foreign Plan). All Awards granted under such Foreign Plan shall be treated as Awards under the Plan. Such Foreign Plans shall have such provisions as the Committee permits not inconsistent with the provisions of the Plan. Awards granted under a Foreign Plan shall be governed by the terms of the Plan, except to the extent that the provisions of the Foreign Plan are more restrictive than the provisions of the Plan, in which case the Foreign Plan shall control.

Section 19. Securities Law Matters.

(a) If the Committee deems it necessary in order to comply with any applicable securities law, the Committee may require a written investment intent representation by the Participant and may require that a restrictive legend be affixed to certificates representing the Shares. If, based upon the advice of counsel to the Company, the Committee determines that the exercise or nonforfeitability of, or delivery of benefits pursuant to, any Award would violate any applicable provision of (i) federal or state securities laws or regulations or (ii) the listing requirements of any national exchange or national market system on which any of the Company's equity securities are listed, then the Committee may postpone any such exercise, nonforfeitability or delivery, as applicable, but the Company shall use all reasonable efforts to cause such exercise, nonforfeitability or delivery to comply with all such provisions at the earliest practicable date.

(b) Grants of Options to Section 16 Participants shall comply with Rule 16b-3 and shall contain such additional conditions or restrictions as may be required thereunder for such grants to qualify for exemption from liability under Section 16(b) promulgated under the 1934 Act.

Section 20. No Employment Rights; No Consultant Rights; No Director Rights. Subject to a separate written agreement to the contrary, neither the establishment of the Plan nor the grant of any Award shall (A) give any Participant the right to remain employed or otherwise engaged, hired or retained by the Company or any Subsidiary, or to any benefits not specifically provided by the Plan; (B) confer upon any Participant any right with respect to continuing the Participant's relationship as Consultant or Director of the Company or any Subsidiary; (C) permit any Participant to interfere in any way with the Participant's right or the Company's right to terminate such relationship at any time, with or without Cause; or (D) modify the right of the Company or any Subsidiary to modify, amend or terminate any employee benefit plan.

Section 21. No Rights as a Stockholder. A Participant shall not have any rights as a stockholder of the Company with respect to the Shares (other than Restricted Shares) which may be deliverable upon exercise or payment of such Award until such Shares have been delivered to the Participant. Restricted Shares, whether held by a Participant or in escrow by the Company, shall confer on the Participant all rights of a stockholder of the Company, except as otherwise provided in the Plan or

in the applicable Award Agreement. At the time of a grant of Restricted Shares, the Committee may require the payment of cash dividends thereon to be deferred and, if the Committee so determines, reinvested in additional Restricted Shares. Stock dividends or deferred cash dividends issued with respect to Restricted Shares shall be subject to the same restrictions and other terms as apply to the Restricted Shares with respect to which such dividends are issued. The Committee may in its discretion provide for payment of interest on deferred cash dividends.

Section 22. Nature of Payments. Awards shall be special incentive payments to the Participant and shall not be taken into account in computing the amount of salary or compensation of the Participant for purposes of determining any pension, retirement, death or other benefit under (a) any pension, retirement, profit-sharing, bonus, insurance or other employee benefit plan of the Company or any Subsidiary or (b) any agreement between (i) the Company or any Subsidiary and (ii) the Participant, except as such plan or agreement shall otherwise expressly provide.

Section 23. Non-Uniform Determinations. The Committee's determinations under the Plan need not be uniform and may be made by the Committee selectively among persons who receive, or are eligible to receive, Awards, whether or not such persons are similarly situated. Without limiting the generality of the foregoing, the Committee shall be entitled to enter into non-uniform and selective Award Agreements as to (a) the identity of the Participants, (b) the terms and provisions of Awards, and (c) the treatment of termination of employment or service.

Section 24. Adjustments. In the event of a corporate event or transaction involving the Company (including, without limitation, any stock dividend, stock split, extraordinary cash dividend, recapitalization, reorganization, merger, consolidation, split-up, spin-off, combination or exchange of shares), the authorization limits under Section 2 shall be adjusted proportionately, and the Committee may adjust the Plan and Awards to preserve the benefits or potential benefits of the Awards. Action by the Committee may include (A) adjustment of the number and kind of shares which may be delivered under the Plan; (B) adjustment of the number and kind of shares subject to outstanding Awards; (C) adjustment of the exercise price of outstanding Awards or the measure to be used to determine the amount of benefit payable on an Award; and (D) any other adjustments that the Committee determines to be equitable. In addition, the Committee may, in its sole discretion, provide (U) that Awards will be settled in cash rather than in Shares, (V) that Awards will become immediately vested and exercisable and will expire after a designated period of time to the extent not then exercised, (W) that Awards will be assumed by another party to the transaction or otherwise be equitably converted or substituted in connection with such transaction, (X) that outstanding Awards may be settled by payment in cash or cash equivalents equal to the excess of the Fair Market Value of the underlying Shares as of a specified date associated with the transaction, over the Exercise Price of the Award, (Y) that performance targets and performance periods for Qualified Performance-Based Awards will be modified, consistent with Code Section 162(m) where applicable, or (Z) any combination of the foregoing. The Committee's determination need not be uniform and may be different for different Participants whether or not such Participants are similarly situated. Without limiting the foregoing, in the event of a subdivision of the outstanding Shares (stock-split), a declaration of a dividend payable in Shares, or a combination or consolidation of the outstanding Shares into a lesser number of Shares, the authorization limits under Section 2 shall automatically be adjusted proportionately, and the Shares then subject to each Awards shall automatically be adjusted proportionately without any change in the aggregate purchase price therefor. To the extent that any adjustments made pursuant to this Section 24 cause ISOs to cease to qualify as ISOs such Options shall be deemed to be Nonstatutory Stock Options.

Section 25. Reservation of Shares. The Company, during the term of this Plan, will at all times reserve and keep available such number of Shares as shall be sufficient to satisfy the requirements of the Plan.

Section 26. Amendment of the Plan. The Committee may from time to time, in its discretion, amend the Plan without the approval of the Company's stockholders, except that the Company shall obtain stockholder approval of any Plan amendment to the extent necessary to comply with any and all laws, rules, or listing requirements relating to the administration of stock option plans under state corporate laws, federal and state securities laws and regulations, the Code, any stock exchange or quotation system on which the Common Stock is listed or quoted and the applicable laws of any foreign country or jurisdiction where Options are, or will be, granted under the Plan. No termination, amendment or modification of the Plan shall adversely affect any Award previously granted under the Plan, without the written consent of the Participant affected thereby. An outstanding Award shall not be deemed to be adversely affected by a Plan amendment if such amendment would not reduce or diminish the value of such Award determined as if the Award had been exercised, vested, cashed in or otherwise settled on the date of such amendment (with the per-share value of an Option or SAR for this purpose being calculated as the excess, if any, of the Fair Market Value as of the date of such amendment over the Exercise Price or Base Amount of such Award).

Section 27. Term of the Plan. The Plan shall continue in effect until the earlier of its termination by the Committee or the date on which all of the Shares available for issuance under the Plan have been issued and all restrictions on such Shares under the terms of the Plan any Award Agreements have lapsed; provided, however, that no Awards shall be granted after the tenth (10th) anniversary of the Effective Date of the Plan. Notwithstanding the foregoing, if the maximum number of Shares issuable pursuant to the Plan has been increased at any time, all Awards shall be granted, if at all, no later than the last day preceding the ten (10) year anniversary of the earlier of (a) the date on which the latest such increase in the maximum number of Shares issuable under the Plan was approved by the stockholders of the Company or (b) the date such amendment was adopted by the Committee. No termination shall affect any Award then outstanding under the Plan.

Section 28. No Illegal Transactions. The Plan and all Awards granted pursuant to it are subject to all applicable laws and regulations. Notwithstanding any provision of the Plan or any Award, Participants shall not be entitled to exercise, or receive benefits under, any Award and the Company shall not be obligated to deliver any Shares or deliver benefits to a Participant, if such exercise or delivery would constitute a violation by the Participant or the Company of any applicable law or regulation.

Section 29. Constructive Sales. No Participant shall directly or indirectly, through related parties or otherwise, sell short or short against the box (as those terms are generally understood in the securities markets), or otherwise directly or indirectly (through derivative instruments or otherwise) dispose of or hedge, any securities of the Company issuable upon exercise of such Participant's Award(s).

Section 30. Controlling Law. This Plan and any actions taken hereunder shall be governed by, and construed in accordance with, the laws of the State of Delaware, without regard to the application of the conflicts of laws provisions thereof.

Section 31. Severability. If any part of the Plan is declared by any court or governmental authority to be unlawful or invalid, such unlawfulness or invalidity shall not invalidate any other part of the Plan. Any Section hereof or part of a Section hereof so declared to be unlawful or invalid shall, if possible, be construed in a manner which will give effect to the terms of such Section to the fullest extent possible while remaining lawful and valid.

Section 32. Unfunded Status of Awards. The Plan is intended to be an unfunded plan for incentive and deferred compensation. With respect to any payments not yet made to a Participant pursuant to an Award, nothing contained in the Plan or in any Award Agreement shall give the Participant

any rights greater than those of a general creditor of the Company. The Plan is not intended to be subject to ERISA.

Section 33. Titles and Headings The titles and headings of the sections and the Plan are for convenience of reference only, and in the event of any conflict, the text of the Plan, rather than such titles or headings, shall control.

Section 34. Gender and Number Except where otherwise indicated by the context, any masculine terms used herein also shall include the feminine; the plural shall include the singular and the singular shall include the plural.

Section 35. No Limitations on Rights of Company. The grant of any Award shall not in any way affect the right or power of the Company to make adjustments, reclassifications or changes in its capital or business structure or to merge, consolidate, dissolve, liquidate, sell or transfer all or any part of its business or assets. The Plan shall not restrict the authority of the Company, for proper corporate purposes, to grant or assume awards, other than under the Plan, to or with respect to any person. If the Committee so directs, the Company may issue or transfer Shares to a Subsidiary, for such lawful consideration as the Committee may specify, upon the condition or understanding that the Subsidiary will transfer such Shares to a Participant in accordance with the terms of an Award granted to such Participant and specified by the Committee pursuant to the provisions in the Plan.

Section 36. Notice. Except as otherwise provided in this Plan, all notices or other communications required or permitted to be given under this Plan to the Company shall be in writing and shall be deemed to have been duly given if delivered personally or mailed, postage pre-paid, as follows: (i) if to the Company, at its principal business address to the attention of the Secretary; and (ii) if to any Participant, at the last address of the Participant known to the Company at the time the notice or other communication is sent.

Section 37. Special Rules This Plan is designed and intended to comply, to the extent applicable, with Section 162(m) of the Code, and all provisions hereof shall be construed in a manner to so comply. The Plan is also intended to comply with the provisions of Section 409A of the Code and, notwithstanding anything in the Plan or in an Award Agreement to the contrary, any provision of an Award which is subject to Section 409A of the Code but which does not comply with the requirements of such section shall be null and void and of no force or effect and the Committee shall, upon notice of such non-compliance and in its complete discretion, reform such Award so as to comply with the provision of Section 409A of the Code. Subject to Section 162(m) of the Code and Section 16 of the 1934 Act, to the extent the Committee deems it necessary, appropriate or desirable to comply with foreign law or practices and to further the purpose of the Plan, the Committee may, without amending this Plan, establish special rules applicable to Awards granted to Participants who are foreign nationals, are employed outside the United States, or both, including rules that differ from those set forth in the Plan, and grant Awards (or amend existing Awards) in accordance with those rules.

1. **Grant of Shares.** The committee (the Committee) appointed by the Board of Directors of the Company to administer the 2006 NovaDel Pharma Inc. Equity Incentive Plan (the Plan), hereby grants to the Participant named above, subject to the restrictions and the other terms and conditions in the Plan and in this Award Agreement, the number of Shares indicated on page 1 hereof (the Restricted Shares). Unless otherwise indicated, any capitalized terms used but not defined herein shall have the meaning ascribed to such term in the Plan. By accepting the Restricted Shares, the Participant is deemed to agree to comply with the terms of the Plan, this Award Agreement and all applicable laws and regulations.
2. **Restrictions.** The Restricted Shares are subject to each of the following restrictions set forth in this Section. Restricted Shares may not be sold, transferred, exchanged, assigned, pledged, hypothecated or otherwise encumbered. Any attempted sale, transfer, exchange, assignment, pledge, hypothecation or other encumbrance of the Restricted Shares in violation of this Award Agreement shall be void and of no effect and the Company shall have the right to disregard the same on its books and records and to issue stop transfer instructions to its transfer agent. If the Participant's employment with the Company terminates as provided in Section 6 hereof, then the Participant shall forfeit all of the Participant's right, title and interest in and to the Restricted Shares as of the date of termination and such Restricted Shares shall immediately revert to the Company. The restrictions imposed under this Section shall apply to all Shares or other securities issued with respect to Restricted Shares hereunder in connection with any merger, reorganization, consolidation, recapitalization, stock dividend or other change in corporate structure affecting the Shares.
3. **Expiration and Termination of Restrictions.** The restrictions imposed under Section 2 will cumulatively expire (the period prior to such expiration being referred to herein as the Restricted Period) as follows:

If a certificate for Restricted Shares is issued during the Restriction Period with respect to such Restricted Shares, such certificate shall be registered in the name of the Participant and shall bear a legend delineating such restriction.

Stock certificates for the Shares with a legend shall be delivered to the Participant (or the Participant's designee upon request of the Participant) after the expiration of the Restriction Period, but delivery may be postponed for such period as may be required for the Company with reasonable diligence to comply if deemed advisable by the Company, with registration requirements under the 1933 Act, listing requirements under the rules of any stock exchange, and requirements under any other law or regulation applicable to the issuance or transfer of the Restricted Shares.
5. **Voting and Dividend Rights.** The Participant, as beneficial owner of the Restricted Shares, shall have full voting and dividend rights with respect to the Restricted Shares from and after the Grant Date (i.e., throughout the Restriction Period). 6. **Termination.**

(a) **For Cause.** If, during the Restriction Period as to any Restricted Shares hereunder, the Participant's employment or service is terminated for Cause or by the Participant, then all Restricted Shares hereunder shall be forfeited.

(b) **Other.** If, during the Restriction Period as to any Restricted Shares hereunder, (i) the Participant's employment is terminated prior to the end of the term under any employment agreement between the Company and the Participant other than as a result of the Participant's death or Disability and other than due to a Change in Control, (ii) the Participant's employment agreement is not renewed by the Participant at the end of its initial term, or (iii) the Company provides notice to the Participant that his employment agreement will not be renewed, any Restricted Shares hereunder shall be forfeited.

7. **Provisions of Plan Control.** This Award Agreement is subject to all the terms, conditions and provisions of the Plan, including, without limitation, the amendment provisions thereof, and to such rules, regulations and interpretations relating to the Plan as may be adopted by the Committee and as may be in effect from time to time. The Plan is incorporated herein by reference. If and to the extent that this Award Agreement conflicts or is inconsistent with the terms, conditions and provisions of the Plan, the Plan shall control, and this Award Agreement shall be deemed to be modified accordingly, provided that to the extent the Plan provides the Committee with discretion to determine the terms of the Restricted Shares, the exercise of such discretion shall not be considered to be inconsistent with the terms of the Plan. This Award Agreement contains the entire understanding of the parties with respect to the subject matter hereof and supersedes any prior agreements between the Company and the Participant with respect to the subject matter hereof.

8. **Amendment.** The Committee may amend, modify or terminate this Award Agreement without approval of the Participant; provided, however, that such amendment, modification or termination shall not, without the Participant's consent, reduce or diminish the value of the award hereunder determined as if it had been fully vested (i.e., as if all restrictions on the Restricted Shares hereunder had expired) on the date of such amendment or termination.

9. **Notices.** All notices or other communications required or permitted to be given under this Award Agreement to the Company shall be in writing and shall be deemed to have been duly given if delivered personally or mailed, postage pre-paid, as follows: (i) if to the Company, at its principal business address to the attention of the Secretary; and (ii) if to the Participant, at the last address of the Participant known to the Company at the time the notice or other communication is sent.

Edgar Filing: NOVADEL PHARMA INC - Form DEF 14A

- 1. Grant of Option.** The committee (the Committee) appointed by the Board of Directors of the Company to administer the 2006 NovaDel Pharma Inc. Equity Incentive Plan (the Plan), hereby grants to the Participant named above, under the Plan, an incentive stock option (the ISO) to purchase from the Company, on the terms and conditions set forth in this Award Agreement, the number of shares (Shares) indicated above of the Company's \$0.001 par value common stock (Common Stock), at the exercise price per share set forth above (the Exercise Price). Unless otherwise indicated, any capitalized terms used but not defined herein shall have the meaning ascribed to such term in the Plan. By accepting the ISO, the Participant is deemed to agree to comply with the terms of the Plan, this Award Agreement and all applicable laws and regulations.
- 2. Tax Matters.** The ISO granted hereunder is intended to qualify as an incentive stock option under Section 422 of the Code. If the aggregate Fair Market Value of Shares with respect to which the ISO first become exercisable by the Participant in any calendar year exceeds the limit determined in accordance with the provisions of Section 422 of the Code (the Limit) taking into account Shares subject to all ISOs granted by the Company which are held by the Participant, the excess will be treated as nonstatutory stock options which shall continue to be subject to all provisions in this Award Agreement and the Plan. To determine whether the Limit is exceeded, the Fair Market Value of Shares subject to an ISO shall be determined as of the Grant Dates of such ISOs. In reducing the number of options treated as ISOs to meet the Limit, the most recently granted options will be reduced first. If a reduction of simultaneously granted options is necessary to meet the Limit, the Committee may designate which Shares are to be treated as Shares acquired pursuant to an ISO.
- 3. Vesting.** The ISO shall become exercisable as provided below, which shall be cumulative. To the extent that the ISO has become exercisable with respect to a number of Shares as provided below, the ISO may thereafter be exercised by the Participant, in whole or in part, at any time or from time to time prior to the expiration of the ISO as provided herein and in accordance with the Plan, including, without limitation, the filing of such written form of exercise notice, if any, as may be required by the Committee and payment in full of the Exercise Price multiplied by the number of Shares so exercised. Upon expiration of the ISO, the ISO shall be cancelled and no longer exercisable. The following table indicates each date upon which the Participant shall be entitled to exercise the ISO with respect to the percentage of Shares vested indicated beside that date provided that the Participant is continuously employed at all times until the applicable vesting date:

Vesting Date	Number of Shares Vested
One Year after Grant Date (as indicated above)	33%
Two Years after Grant Date	33%
Three Years after Grant Date	34%

There shall be no proportionate or partial vesting in the periods prior to each vesting date and all vesting shall occur only on the appropriate vesting date.

- 4. Option Term.** The term of the ISO shall be ten (10) years after the Grant Date, subject to earlier termination in the event of the Participant's termination of employment or service as set forth in Section 5.
- 5. Termination.**

 - a. For Cause.** If the Participant's employment or service is terminated for Cause any unexercised ISO shall terminate effective immediately.
 - b. On Account of Death.** If the Participant's employment or service terminates on account of death (or if the Participant dies within ninety (90) days following termination of employment due

to Disability), then any unexercised ISO, to the extent exercisable on the date of death, may be exercised, in whole or in part, within the first one hundred eighty (180) days (but only during the Option Term) after the death of the Participant by (A) his or her personal representative or by the person to whom the ISO is transferred by will or the applicable laws of descent and distribution, or (B) the Participant's designated beneficiary and, to the extent that any such ISO was not exercisable on the date of death, it will immediately terminate

c. On Account of Disability. If the Participant's employment or service terminates on account of Disability, then any unexercised ISO, to the extent exercisable on the date of such termination of employment or service due to Disability, may be exercised in whole or in part, within the first ninety (90) days after such termination of employment or service due to Disability (but only during the Option Term) by the Participant, or by his or her legal guardian or representative, and to the extent that any such ISO was not exercisable on the date of such termination of employment due to Disability, it will immediately terminate.

d. Other. If (i) the Participant's employment is terminated prior to the end of the term under any employment agreement between the Company and the Participant other than as a result of the Participant's death or Disability and other than for Cause or due to a Change in Control, (ii) the Participant's employment is terminated by the Participant other than for Good Reason, (iii) the Participant's employment agreement is not renewed by the Participant at the end of its initial term, or (iv) the Company provides notice to the Participant that his employment agreement will not be renewed, any portion of the ISO that has not vested shall expire as of the termination date or nonrenewal date, and any unexercised portion of a vested ISO shall remain exercisable for a period of three (3) months after the termination date, the date of nonrenewal or the expiration of the ISO, whichever is earlier.

7. Provisions of Plan Control. This Award Agreement is subject to all the terms, conditions and provisions of the Plan, including, without limitation, the amendment provisions thereof, and to such rules, regulations and interpretations relating to the Plan as may be adopted by the Committee and as may be in effect from time to time. The Plan is incorporated herein by reference. If and to the extent that this Award Agreement conflicts or is inconsistent with the terms, conditions and provisions of the Plan, the Plan shall control, and this Award Agreement shall be deemed to be modified accordingly, provided that to the extent the Plan provides the Committee with discretion to determine the terms of the ISO the exercise of such discretion shall not be considered to be inconsistent with the terms of the Plan. This Award Agreement contains the entire understanding of the parties with respect to the subject matter hereof and supersedes any prior agreements between the Company and the Participant with respect to the subject matter hereof.

8. Notices. All notices or other communications required or permitted to be given under this Award Agreement to the Company shall be in writing and shall be deemed to have been duly given if delivered personally or mailed, postage pre-paid, as follows: (i) if to the Company, at its principal business address to the attention of the Secretary; and (ii) if to the Participant, at the last address of the Participant known to the Company at the time the notice or other communication is sent.
