PROXY STATEMENT

FOR ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD ON DECEMBER 6, 2006

INFORMATION CONCERNING THE SOLICITATION

This Proxy Statement is furnished to the holders of Common Stock, \$.01 par value per share ("Common Stock") of Napco Security Systems, Inc. (the "Company") in connection with the solicitation of proxies on behalf of the Board of Directors of the Company for the Annual Meeting following Fiscal Year 2006, to be held on December 6, 2006, and at any adjournment thereof (the "Meeting"), pursuant to the accompanying Notice of Annual Meeting of Stockholders. Proxies in the enclosed form, if properly executed and returned in time, will be voted at the Meeting. Any stockholder giving a proxy may revoke it prior to its

Edgar Filing: NAPCO SECURITY SYSTEMS INC - Form DEF 14A

exercise by attending the Meeting and reclaiming the proxy, by executing a later dated proxy or by submitting a written notice of revocation to the Secretary of the Company at the Company's office or at the Meeting. Stockholders attending the Meeting may vote their shares in person. This Proxy Statement and the form of proxy were first mailed to the stockholders on or about November 3, 2006. A copy of the 2006 Annual Report of the Company, including financial statements, is being mailed herewith.

Only stockholders of record at the close of business on October 24, 2006 (the "Record Date") are entitled to notice of and to vote at the Meeting. The outstanding voting securities of the Company on the Record Date consisted of 19,955,313 shares of Common Stock.

On all matters requiring a vote by holders of the Common Stock, each share of Common Stock entitles the holder of record to one vote. At the Meeting, the holders of record of Common Stock will vote on: Item 1, the election of three directors; and the transaction of any other business as may properly come before the Meeting and require a vote of the stockholders.

The presence, in person or by proxy, of the holders of a majority of the outstanding shares of Common Stock authorized to vote will constitute a quorum for the transaction of business at the Meeting.

The affirmative vote of a plurality of the votes cast at the Annual Meeting is required for the election of directors. A properly executed proxy marked "WITHHOLD" with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although it will be counted for purposes of determining whether there is a quorum. If you hold your shares in "street name" through a broker or other nominee, your broker or nominee may not be permitted to exercise voting discretion with respect to certain matters. Thus, if you do not give your broker or nominee specific instructions, your shares may not be voted on those matters and will not be counted in determining the number of shares necessary for approval. Shares represented by such "broker non-votes" will, however, be counted in determining if there is a quorum.

THEREFORE, THE COMPANY URGES YOU TO SIGN, DATE AND RETURN
THE ENCLOSED PROXY CARD.

CORPORATE GOVERNANCE AND BOARD MATTERS

INDEPENDENCE OF DIRECTORS

The Board currently consists of seven directors, four of whom the Board has affirmatively determined have no relationship with the Company or its subsidiaries which would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and are independent as defined by the applicable NASDAQ Listing Standards. The four independent directors are Paul Stephen Beeber, Randy B. Blaustein, Arnold Blumenthal and Andrew J. Wilder.

BOARD STRUCTURE AND COMMITTEE COMPOSITION

The Board maintains three standing committees: Audit, Compensation/Stock Option, and Nominating. Each Committee is composed entirely of independent directors as defined in the applicable NASDAQ Listing Standards.

During fiscal 2006, the Board held four meetings. Each director attended at least 75% of all Board meetings and meetings of committees of which such director was a member.

Directors are expected to attend the Company's annual meetings of stockholders. All directors attended the last annual meeting of stockholders on December 14, 2005.

NAPCO maintains an investors section on its website, www.napcosecurity.com, setting forth the Company's committee charters for the Audit and Nominating Committees.

AUDIT COMMITTEE

the Board in oversight of (1) the integrity of the Company's financial statements, (2) the Company's independent auditor's qualifications and independence, and (3) the performance of the Company's internal audit function and independent auditors. In addition, the Committee renders its report for inclusion in the Company's annual proxy statement.

The Audit Committee has the authority to obtain advice and assistance from outside legal, accounting or other advisors as the Audit Committee deems necessary to carry out its duties. The Audit Committee held five meetings in fiscal year 2006. The current members of the Audit Committee are Andrew J. Wilder (Chairman), Paul Stephen Beeber and Arnold Blumenthal, each of whom meets the NASDAQ Listing Standards for the independence of audit committee members. The Board has determined that Andrew Wilder is an audit committee financial expert.

Buchel providing for payments equal to nine months of salary and six months of health insurance in the event of a non-voluntary termination of employment without cause.

COMPENSATION/STOCK OPTION COMMITTEE REPORT

The Compensation/Stock Option Committee approves the compensation for the CEO and other executive officers and establishes the policies that govern the Company's executive compensation program.

Compensation Policy for Executive Officers

The Committee's policy is that the Company's executive officers should (i)

Edgar Filing: NAPCO SECURITY SYSTEMS INC - Form DEF 14A

be paid a salary commensurate with their responsibilities, (ii) receive short-term incentive compensation in the form of a bonus tied to the Company's sales and earnings, and (iii) receive long-term incentive compensation in the form of stock options granted from time to time.

For fiscal 2006 Messrs. Hevia and Carrieri's salaries were determined by the employment agreement between the Company and the respective officers. The Committee's policy for Mr. Buchel's salary is that such salary should be in an amount recommended by the CEO, and the 2006 fiscal year salary of Mr. Buchel is in the amount so recommended. The considerations entering into the determination by the CEO of the salary recommendation for Mr. Buchel were the CEO's subjective evaluations of the ability and past performance of the executive and the CEO's judgment of the executive's potential for enhancing the profitability of the Company.

In addition, the Committee's policy is that executive officers, other than the CEO, should receive short term incentive compensation in the form of bonuses targeted to the Company's sales and earnings. A bonus for an executive officer is based upon the Company achieving certain targeted sales and earnings and the executive's position and the extent to which the executive could contribute to the Company's performance. For fiscal 2006, the Company did not achieve the targeted sales and earnings, although it did achieve record earnings for the Company. Based upon his subjective judgment of the performance of such executives, the CEO recommended and the Committee concurred in the award of bonuses of \$74,869, \$74,869 and \$52,408 to each of Messrs. Buchel, Hevia and Carrieri.

The Committee's policy is generally to grant options to such executives under the Company's Stock Option Plans after consideration of the amounts recommended by the CEO. The recommendations of the CEO for option grants reflect the subjective judgment of the CEO of the performance of such executives and the potential benefit to the Company from the grant of this form of incentive compensation. Based upon the recommendation of the CEO, each of Messrs. Hevia, Carrieri and Buchel were granted options in fiscal 2006 to purchase 22,500 shares at \$5.733 per share.

Section 162(m) of the Internal Revenue Code, enacted in 1993, generally disallows a tax deduction to public companies for compensation over \$1,000,000 paid to the CEO and other named executive officers. Because of the range of compensation paid to its executive officers, the Committee has not established any policy regarding annual compensation to such executive officers in excess of \$1,000,000.

11

Compensation of the CEO in 2006

For fiscal 2006, Mr. Soloway's salary was based upon the employment agreement between the Company and Mr. Soloway which became effective June 26, 2003. Mr. Soloway's bonus for fiscal year 2006 was based principally on the Committee's subjective evaluation of Mr. Soloway's contribution to the Company's overall strategy and increased profits. The Committee believes that granting the CEO stock options best aligns his interests with those of the Company's stockholders. In fiscal 2006, Mr. Soloway was awarded options to purchase 37,500 shares at \$11.16 per share.
