This prospectus supplement provides supplemental information to the reoffer prospectus concerning selling shareholders. On page three of the reoffer prospectus, the discussion under the caption "Selling Shareholders" is supplemented and updated to read as follows:

SELLING SHAREHOLDERS

The shares of our common stock to which this Prospectus relates are being registered for reoffers and resales by the selling shareholders, who acquired or may acquire shares of common stock pursuant to the Southside Bancshares, Inc. 1993 Incentive Stock Option Plan, as amended. The selling shareholders may resell all, a portion or none of these shares of common stock from time to time. The following table sets forth with respect to each selling shareholder, based upon information available to us as of May 16, 2003, the name of such selling shareholder, the number of shares beneficially owned, the number of shares offered by this Prospectus and the number and percent of shares of common stock owned after this offering, assuming the sale of all of the shares offered hereby. The ownership amounts set forth in the table also include shares underlying options that have been granted and are exercisable within 60 days.

We may amend or supplement this Prospectus from time to time in the future to update or change this list of selling shareholders and shares that may be resold.
