Pro Forma Financial Information

In April 2004, McAfee, Inc. (formerly Networks Associates, Inc.) (the Company) entered into an agreement to sell its Sniffer Technologies (Sniffer) product line to Network General Corporation (the Buyer). The transaction consideration paid to the Company consisted of approximately \$217 million in cash. The sale closed on July 16, 2004.

The unaudited pro forma condensed consolidated financial statements reported below consist of unaudited pro forma condensed consolidated statements of operations for the three months ended March 31, 2004 and for the year ended December 31, 2003 and an unaudited pro forma condensed consolidated balance sheet as of March 31, 2004. The unaudited pro forma financial statements should be read in conjunction with the Company's historical consolidated financial statements and the related notes included in the Company's Annual Report on Form 10-K for the year ended December 31, 2003, and Quarterly Report on Form 10-Q for the quarter ended March 31, 2004 (and the planned amendment thereto).

The following unaudited pro forma condensed consolidated financial statements have been prepared giving effect to the sale of the Company's Sniffer product line, as if it had occurred as of March 31, 2004 for the unaudited pro forma condensed consolidated balance sheet, and as of January 1, 2003 for the unaudited pro forma condensed consolidated statements of operations. The unaudited pro forma condensed consolidated statements of operations do not include any estimated gain on the sale of Sniffer, nor do they include any amounts related to the Transaction Services Agreement between the Company and Buyer. The Company is providing certain transactional services for

the Buyer beginning July 16, 2004, for a period of up to nine months and is being reimbursed for costs plus a profit margin.

Table of Contents

The Company believes that the pro forma adjustments used in the unaudited pro forma condensed consolidated financial statements provide a reasonable basis on which to present such statements. The unaudited pro forma condensed consolidated financial statements included in this Form 8-K/A have been derived from the Company's consolidated financial statements and do not purport to represent what the Company's financial position or results of operations actually would have been had the sale occurred on the dates indicated.

On July 27, 2004, the Company filed an 8-K with the SEC indicating that it would restate operating results for the quarter ended March 31, 2004 to increase revenue by \$2.5 million, reduce expenses by \$0.2 million, increase net income by \$2.0 million and increase diluted earnings per share by \$0.01. In conjunction with this restatement, the Company is preparing and will file a Form 10-Q/A for the quarter including the restated condensed consolidated financial statements. The financial information for the quarter ended March 31, 2004 (marked as restated), and the corresponding pro forma information giving effect to the Sniffer disposition, reflects the currently anticipated impact of the restatement.

NOTES TO UNAUDITED PRO FORMA

CONDENSED CONSOLIDATED FINANCIAL STATEMENTS

Unaudited Pro Forma Condensed Consolidated Balance Sheet

(A) The unaudited pro forma condensed consolidated balance sheet reflects the receipt of net cash proceeds of approximately \$218 million from the sale of Sniffer, based upon the working capital calculation had the sale occurred on March 31, 2004. At the actual closing on July 16, 2004, the Company received approximately \$217 million in cash due to changes in balances included in the working capital calculation.

(B) The pro forma adjustment to prepaid expenses reflects the elimination of assets sold.

(C) The pro forma adjustment to deferred income taxes reflects the reversal of deferred taxes related to Sniffer and the addition to accrued liabilities relates to the estimated income taxes payable on the gain on sale of Sniffer at a statutory income tax rate of 35%.

(D) The pro forma adjustment to property and equipment reflects the elimination of assets sold.

(E) The pro forma adjustment to goodwill reflects allocation of goodwill associated with Sniffer.

(F) The pro forma adjustment to accounts payable and accrued liabilities reflects the elimination of liabilities assumed by the Buyer.

(G) The pro forma adjustments to deferred revenue reflects the deferred revenue associated with Sniffer assumed by the Buyer.

(H) The adjustment reflects the net realized gain of approximately \$113 million as of March 31, 2004, including estimated income taxes at a 35% statutory income tax rate.

Unaudited Pro Forma Condensed Consolidated Statements of Operations

(I) The operating results of Sniffer have been removed from the unaudited pro forma condensed consolidated statements of operations. The pro forma adjustment to net revenue reflects direct revenues in fiscal 2003 and the first quarter of 2004 generated by Sniffer. The corresponding cost of net product revenue has also been removed, as well as removal of salaries related to the Company's former employees that have joined the Buyer.

(J) The pro forma adjustment to research and development expenses removes all expenses directly incurred by Sniffer during fiscal 2003 and the first quarter of 2004.

(K) The pro forma adjustments to marketing and sales expenses include the removal of marketing expenses directly incurred by Sniffer, and the salaries of the Company's former employees that have joined the Buyer. The adjustments to marketing and sales expenses exclude commission expenses paid to sales personnel because the expenses can not be isolated and objectively measured.

(L) The pro forma adjustments to general and administrative expenses reflect the salaries of the Company's former employees that have joined the Buyer and costs incurred during 2004 related to the sale of Sniffer. Other general and

administrative costs are shared across the Company, and therefore, no allocations were made.

(M) The pro forma adjustments to income taxes were made at a statutory income tax rate of 35%.

These unaudited pro forma condensed consolidated financial statements have been derived from the Company's consolidated financial statements and do not purport to represent what the Company's financial position or results of operations would have been had the sale occurred on the dates indicated, nor do these unaudited condensed consolidated financial statements intend to purport what Sniffer's financial results would have been if it were a stand-alone organization for the periods presented.
