**Item 1.01 Entry into a Material Definitive Agreement.**

On October 15, 2007, Holly Energy Partners, L.P. (the Partnership), Holly Corporation (Holly), and certain of their respective subsidiaries, entered into an agreement (the Amendment) that amended the Pipelines and Terminals Agreement dated July 13, 2004, by and among Holly, Navajo Refining Company, L.P., and Holly Refining and Marketing Company, on the one hand, and the Partnership, Holly Energy Partners Operating, L.P., HEP Logistics Holdings, L.P., Holly Logistic Services, L.L.C., and HEP Logistics GP, L.L.C., on the other. The Pipelines and Terminals Agreement was previously filed by the Partnership with the SEC as Exhibit 10.8 to the Partnership's Quarterly Report on Form 10-Q for its quarterly period ended June 30, 2004, and is further described in the Partnership's Annual Report on Form 10-K for the year ended December 31, 2006. Pursuant to the Amendment, the Partnership has agreed to expand its refined products pipeline system between Artesia, New Mexico and El Paso, Texas (the South System). The expansion of the South System will include (a) replacing approximately 85 miles of eight-inch pipe with twelve-inch pipe, (b) adding 150,000 barrels of refined product storage at the Partnership's El Paso Terminal, (c) improving pumps on the South System, (d) adding a tie-in to the Kinder Morgan pipeline to Tucson and Phoenix, Arizona, and (e) making related modifications to the South System. The Amendment also provides for a tariff increase, effective May 1, 2008, on Holly shipments on the Partnership's refined product pipelines and monetary incentives for the Partnership to complete the South System expansion as soon as practicable (with a target date of January 31, 2009).

In addition to the relationship between the Partnership and Holly created under the Pipelines and Terminals Agreement, as amended, Holly owns 7,000,000 subordinated units and 70,000 common units of the Partnership, representing a 45% ownership interest in the Partnership, including the 2% general partner interest. The Partnership, Holly and certain of their respective subsidiaries are also parties to the Pipelines Agreement, dated July 8, 2005, as amended, relating to the intermediate pipelines transferred to subsidiaries of the Partnership in July 2005, which expires in 2020, as further described in the Partnership's Annual Report on Form 10-K for the year ended December 31, 2006.

A copy of the Amendment is attached hereto as Exhibit 10.1.
