EXPLANATORY NOTE

The Company's stockholders approved the Plan on May 5, 2008 (the "Effective Date"). The Plan provides that, in addition to the 900,000 shares authorized for grant under the Plan (the "New Shares"), shares remaining available for future grants under the Prior Plans as of the Effective Date are available for grant under the Plan. The Company's authority to grant new awards under the Prior Plans terminated upon stockholder approval of the Plan.

The purpose of this Registration Statement is (i) to register the New Shares, and (ii) to carry forward the Carryover Shares (i.e., the shares remaining available for future grant as of the Effective Date under the Prior Plans to the extent such shares were previously registered) to this Registration Statement. The Carryover Shares consist of 274,298 shares previously registered under the Prior Plans on Form S-8, filed with the Securities and Exchange Commission on May 9, 2007 (Registration Statement 333-142780). (That Form S-8 registered a total of 488,000 shares under the StarTek, Inc. Stock Option Plan and 12,000 shares under the StarTek, Inc. Directors' Stock Option Plan.) The registration fee paid with respect to the registration of the Carryover Shares on the foregoing Form S-8 was approximately \$79.66.

In accordance with the principles set forth in Interpretation 89 under Section G of the Manual of Publicly Available Telephone Interpretations of the Commission's Division of Corporation Finance (July 1997) and Instruction E to the General Instructions to Form S-8, this Registration Statement is hereby filed to carry forward the 274,298 Carryover Shares from the Prior Plans to the Plan and the \$79.66 registration fee previously paid with respect to the registration of those shares. A post-effective amendment to the foregoing Form S-8 to deregister the Carryover Shares is being filed contemporaneously with the filing of this Registration Statement.

Item 6. Indemnification of Directors and Officers.

Under Section 145 of the Delaware General Corporation Law (DGCL), a corporation may indemnify its directors, officers, employees and agents and its former directors, officers, employees and agents and those who serve, at the corporation s request, in such capacities with another enterprise, against expenses (including attorneys fees), as well as judgments, fines and settlements in nonderivative lawsuits, actually and reasonably incurred in connection with the defense of any action, suit or proceeding in which they or any of them were or are made parties or are threatened to be made parties by reason of their serving or having served in such capacity. The DGCL provides, however, that such person must have acted in good faith and in a manner such person reasonably believed to be in (or not opposed to) the best interests of the corporation and, in the case of a criminal action, such person must have had no reasonable cause to believe his or her conduct was unlawful. In addition, the DGCL does not permit indemnification in an action or suit by or in the right of the corporation, where such person has been adjudged liable to the corporation, unless, and only to the extent that, a court determines that such person fairly and reasonably is entitled to indemnity for costs the court deems proper in light of liability adjudication. Indemnity is mandatory to the extent a claim, issue or matter has been successfully defended.

Article VIII of the Company s Restated Certificate of Incorporation and Article V of the Company s Restated Bylaws require the Company to indemnify any director or officer of the Company to the fullest extent permitted by the DGCL. Pursuant to Article V of the Company s Restated Bylaws, the Company is required to indemnify a director or officer of the Company in connection with a proceeding (or part thereof) initiated by such director or officer only if the proceeding (or part thereof) was authorized by the Company s board of directors, except that the Company must indemnify a director or officer of the Company against expenses incurred by such director or officer in a successful (in whole or in part) prosecution of such director s or officer s unpaid claim for indemnification.

Section 102(b)(7) of the DGCL permits a corporation to include in its certificate of incorporation a provision eliminating or limiting the personal liability of a director to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, provided that such provision shall not eliminate or limit the liability of a director: (1) for any breach of the director s duty of loyalty to the corporation or its stockholders; (2) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law; (3) under Section 174 of the DGCL (relating to unlawful payment of dividends and unlawful stock purchase and redemption); or (4) for any transaction from which the director derived an improper personal benefit.

Article VII of the Company s Restated Certificate of Incorporation provides that, to the fullest extent that the DGCL permits the limitation or elimination of the liability of directors, a director of the Company shall not be liable to the Company or its stockholders for monetary damages for breach of fiduciary duty as a director. Neither the amendment nor repeal of such Article VII will apply to or have any effect on the liability or alleged liability of any director of the Company with respect to any acts or omissions of such director occurring prior to such amendment.

The Company has entered into indemnification agreements with all of its directors and executive officers and has purchased directors and officers liability insurance. The indemnification agreements may require the Company to indemnify its directors and officers against liabilities that may arise by reason of their status or service as directors or officers, to the maximum extent allowed under the Company s Restated Certificate of Incorporation, the Company s Restated Bylaws and the DGCL, as described above. These indemnification agreements may also require the Company to advance any expenses incurred by its directors or officers as a result of any proceeding against them as to which they could be indemnified.

Item 9. Undertakings.

A. Post-Effective Amendments.

The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(a) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(b) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which is registered) and deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement;

(c) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement; *provided, however*, that paragraphs (a) and (b) above will not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act that are incorporated by reference in this registration statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

B. Subsequent Documents Incorporated by Reference.

The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

C. Claims for Indemnification.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or other controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
