PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

May 1, 2003

This proxy statement, which was first mailed to shareholders on March 17, 2003, is furnished in connection with the solicitation by the Board of Directors of CTS Corporation of proxies to be voted at the Annual Meeting of Shareholders to be held on Thursday, May 1, 2003. Following is important information in a question-and-answer format regarding the Annual Meeting and this proxy statement.

Q: What may I vote on?

A: The election of nominees to serve on our Board of Directors.

Q: How does the Board recommend I vote?

A: The Board recommends a vote FOR each of the nominees identified in this proxy statement.

Q: How will voting on any other business be conducted?

A: Although we do not know of any business to be considered at the 2003 Annual Meeting other than as described in this proxy statement, if any other business is properly presented at the Annual Meeting, your signed proxy card gives authority to Donald K. Schwanz, CTS Chairman, President and Chief Executive Officer, and Richard G. Cutter, CTS Vice President, General Counsel and Secretary, to vote on those matters at their discretion.

Q: How many votes are needed for approval of each item?

A: Assuming that at least a majority of shares are present, either in person or by proxy, at the Annual Meeting, the eight director-nominees receiving the most votes will be elected. Only votes cast for a nominee will be counted. Your proxy will be voted for the eight nominees unless it contains contrary instructions. Abstentions, broker non-votes and instructions on your proxy to withhold authority to vote for one or more of the nominees will result in those nominees receiving fewer votes.

Q: Who is entitled to vote?

A: Shareholders as of the close of business on March 7, 2003, (the Record Date) are entitled to vote at the Annual Meeting. As of the Record Date, 34,251,132 shares of CTS common stock were issued and outstanding. Every shareholder of common stock is entitled to one vote for each share of common stock held on the Record Date.

Q: How do I vote?

A: Please sign and date each proxy you receive and return it in the prepaid envelope provided at your earliest convenience, or register your vote by telephone (1-877-779-8683) or the Internet (<http://www.eproxyvote.com/cts/>). If you return your signed proxy but do not mark the boxes showing how you wish to vote, your shares will be voted FOR the proposal. You have the right to revoke your proxy or change your vote at any time before the meeting by:

- (1) notifying CTS Secretary;
- (2) returning a later-dated proxy card; or
- (3) voting in person at the meeting.

If you choose to submit your proxy with voting instructions by telephone or through the Internet, you will be required to provide your assigned control number noted on the enclosed proxy card before your proxy will be accepted. In addition to the instructions that appear on the enclosed proxy card and information sheet, step-by-step instructions will be provided by recorded telephone message or at the designated Web site on the Internet. Once you have indicated how you want to vote, in accordance with those instructions, you will receive confirmation that your proxy has been successfully submitted by telephone or through the Internet. To revoke a proxy previously submitted by telephone or through the Internet, you may simply vote again at a later date, using the same procedures, in which case your later submitted vote will be recorded and your earlier vote revoked.

Q: What does it mean if I get more than one proxy card?

A: It means you hold shares registered in more than one account. Please sign and return or register your vote by telephone or the Internet for all proxies you receive to ensure that all your shares are voted.

Q: Who solicits proxies and how much will this proxy solicitation cost?

A: Georgeson & Co., Inc. was hired by CTS to solicit votes for \$5,500, plus reasonable expenses. Automatic Data Processing, Inc. also distributes proxy materials on CTS' behalf and is reimbursed by CTS for mailing and distribution expenses. We also reimburse banks, brokers and other custodians, fiduciaries and nominees for their costs of sending proxy and solicitation materials to our shareholders. In addition, proxies may be solicited by executive officers of CTS, for which no additional compensation is paid.

Q: Other members of my household and I hold shares of CTS stock in street name and we received only one copy of the proxy statement and annual report. How can we receive additional copies of these materials?

A: Under the Securities and Exchange Commission's householding rules, a company or broker who provides notice may deliver a single copy of the proxy statement and annual report to shareholders who share an address unless a shareholder submits contrary instructions. If you would prefer to receive separate copies of these documents, you may notify your broker or you may direct a written or oral request to CTS Corporation, Investor Relations, 905 West Boulevard North, Elkhart, Indiana 46514, (574) 293-7511.

Q: Are director nominations accepted from shareholders? If so, what steps need to be followed?

A: Director candidates for 2004 may be nominated by shareholders by sending a notice to CTS which must be received no earlier than December 18, 2003, and no later than February 1, 2004. The notice of nomination is required to contain certain representations and information about the nominee, which are described in CTS' bylaws. Copies of the bylaws may be obtained free of charge from the CTS Secretary.

Q: When are shareholder proposals for the 2004 Annual Meeting due?

A: All shareholder proposals to be considered for inclusion in next year's proxy statement must be submitted in writing and received by the Secretary of CTS at CTS Corporate Office no later than November 18, 2003. In addition, CTS advance notice bylaw provisions require that in order to be presented from the floor of the 2004 Annual Meeting, any shareholder proposal, including the nomination of a candidate for director, must be submitted in writing to CTS Corporate Office no earlier than December 18, 2003, and no later than February 1, 2004. Certain information is required to be included with shareholder proposals. This information is described in CTS bylaws. Copies of the bylaws may be obtained free of charge from the CTS Secretary.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires CTS directors, executive officers and certain persons who own more than 10% of CTS common stock to file with the Securities and Exchange Commission and the New York Stock Exchange initial reports of ownership and reports of changes in ownership of CTS common stock. Executive officers, directors and greater than 10% shareholders are required to furnish CTS with copies of all Section 16(a) reports they file.

Based solely on written representations from reporting persons and on our review of Section 16(a) reports provided by those persons, CTS believes that all required Section 16(a) filings were completed in a timely manner with respect to 2002. CTS Corporation prepares and files the executive officers and directors required reports. However, in January of 2003, CTS inadvertently failed to file within the two-day reporting period the required Form 4 for each non-employee director listed in this proxy statement (and Randall J. Weisenburger, a current director not standing for reelection) showing a credit granted on January 1, 2003, of 800 stock units (convertible to stock upon the termination of the director's Board service for any reason) to each director's deferred stock account. The required Form 4s were filed on January 17, 2003.

DIRECTOR COMPENSATION

Employee directors receive no additional compensation for serving on the Board of Directors or Board Committees.

Non-employee directors receive the following fees for their service on the Board:

Annual Board Retainer	\$ 22,500
Annual Retainer for each Audit Committee Member	\$ 4,000
Annual Retainer for each Finance, Nominating and Governance and Compensation Committee Member	\$ 2,500
Additional Annual Retainer for Audit Committee Chairman	\$ 3,000
Additional Annual Retainer for Finance, Nominating and Governance and Compensation Committee Chairman	\$ 2,000
Meeting Fee for each Board or Committee Meeting	\$ 1,500

In 1990, CTS adopted the Stock Retirement Plan for Non-employee Directors. Under that plan, a deferred stock account is established for each non-employee director. Except as described below, 800 common stock units are credited annually to each non-employee director's account. Each account is credited annually with additional common stock units representing cash dividends on CTS common stock paid in the previous calendar year. Deferred common stock units are not distributable until after the director leaves the Board of Directors. CTS accrued \$55,117 in 2002 for the common stock units credited to the deferred stock accounts of non-employee directors, including units credited for quarterly 2002 dividends.

In 2002, the Board established a \$30,000 annual stock based compensation target for each non-employee director in order to bring non-employee director compensation up to competitive levels and to balance cash and stock compensation in accordance with prevalent board compensation practices. To achieve this target, each year the value of the 800 common stock units to be credited under the Stock Retirement Plan for Non-employee Directors is calculated based on the closing price of CTS common stock on the New York Stock Exchange on the credit date. If the calculated value of the common stock units exceeds \$33,000, the number of common stock units credited to each director is reduced as necessary to achieve a value of approximately \$30,000. If the calculated value of the common stock units is less than \$30,000, each non-employee director receives a stock option award sufficient to make up the difference between that value and \$30,000. On July 31, 2002, each non-employee director received a pro-rated option grant for the year 2002 of 3,200 shares at a purchase price of \$7.70 per share. The options vest in equal installments over the next four years beginning July 31, 2003.

- (1) The persons named in this table are referred to as the Named Executive Officers.
- (2) In 2002, CTS changed its policy of providing automobiles to executives for business and personal use. As part of the transition to CTS new policy, executives may purchase their current company-provided automobiles at CTS book value. The difference between the Kelly Blue Book private party value and the CTS book value is imputed to the executive as income in the year of purchase. Under the new policy, executives receive a perquisite allowance on a quarterly basis which they may use at their discretion, but which is intended to reimburse them for vehicle costs.
- (3) Dividends are paid on restricted stock awards. Restricted stock awards vest in installments of 20% per year. At December 31, 2002, the Named Executive Officers held the following restricted shares on which transfer restrictions had not lapsed:

	Number of Shares	Net Value at December 31, 2002
Donald K. Schwanz	12,000	\$ 93,000

As of December 31, 2002, Mr. Cummins and Mr. Schroeder each held 10,800 shares of restricted stock subject to payment of a purchase price of \$12.50 per share upon lapse of the restrictions. The closing price of CTS common stock on the New York Stock Exchange on December 31, 2002, was \$7.75 per share.

Employment Agreement With Donald K. Schwanz. Mr. Schwanz has an employment agreement with CTS which provides that for five years beginning on October 1, 2001, (the Term), Mr. Schwanz will be employed by CTS as President and Chief Executive Officer, at an initial annual salary of \$630,000. During the Term of the agreement, if Mr. Schwanz's employment is terminated as a result of his death or disability, for good reason (as defined) or by CTS without cause (as defined), Mr. Schwanz will receive severance benefits equal to his then current annual salary for the remainder of the Term, plus an annual bonus for each year remaining in the Term equal to the largest cash and stock bonus that he received for any year during the Term, but no less than \$330,000. In addition, if Mr. Schwanz's employment is terminated by Mr. Schwanz for good reason or by CTS without cause, Mr. Schwanz may instead receive a lump sum equal to 3 1/3 times the sum of his then current annual salary and the largest cash and stock bonus that he received for any year during the Term, but no less than \$330,000. Any payments to Mr. Schwanz upon a change in control are increased to compensate Mr. Schwanz for any excise tax payable by him pursuant to Section 280G of the Internal Revenue Code of 1986, as amended. The payments and benefits to Mr. Schwanz under his employment agreement are reduced automatically by any corresponding payments or benefits under his severance agreement described below.

Mr. Schwanz's employment agreement also provides that for every year of service he accrues after June 30, 2002, an extra year will be credited to him under the CTS Corporation Salaried Employees' Pension Plan and/or the CTS Corporation Supplemental Executive Retirement Plan, thereby enhancing the pension benefits which would have otherwise accrued to him under such Plans.

Change in Control Severance Agreements. Each of the active Named Executive Officers has executed a severance agreement with CTS, which becomes operative only upon a change in control of CTS. The term of each agreement is automatically extended each January 1 unless notice is given otherwise. Severance benefits are provided if within three years of a change in control, a covered executive terminates his employment for good reason (as defined) or his employment is terminated for any reason other than cause (as defined), disability or death. Severance benefits include: (i) a lump sum equal to three times the sum of the greater of base salary at the time of the change in control or average base salary over the three years prior to termination plus the greater of average incentive pay over the three years prior to the change in control or target incentive pay for the year in which the change in control occurred; (ii) continued participation for 36 months following termination in welfare

benefit plans and similar benefit programs; (iii) a lump sum payment equal to the increase in actuarial value of the benefits under CTS qualified and supplemental retirement plans that the executive would have received had he remained employed; (iv) a lump sum payment (\$105,000 for Mr. Schwanz and \$67,500 for the other Named Executive Officers) in lieu of any perquisites the executive would otherwise have been provided; (v) outplacement services; (vi) reimbursement of legal, tax and estate planning expense related to the severance agreement; (vii) reimbursement of relocation expenses incurred during the 36 month period following termination; (viii) a lump sum payment equal to target incentive pay for the year in which the termination occurs, prorated based on actual service during the year; and (ix) accelerated vesting, exercise rights and lapse of restrictions on equity based compensation awards. In addition, if any payments made to a covered executive are subject to excise tax under Section 4999 of the Internal Revenue Code, CTS will make an additional payment to put the executive in the same after-tax position as if no excise tax had been imposed.

STOCK OPTIONS

The following table reflects information about stock options awarded to the Named Executive Officers in 2002. These stock options are exercisable in four substantially equal annual installments commencing on July 31, 2003 in accord with the terms set forth in the stock option agreements. Upon termination of employment due to death, total and permanent disability or a change in control of CTS (as defined), the option would become fully vested on an accelerated basis and would be exercisable anytime before its expiration. Upon termination of employment due to qualified retirement (as defined), the option would continue to vest on its schedule and would be exercisable anytime before its expiration. Upon termination of employment for any other reason, the option would be exercisable within the three month period following the termination date, but only to the extent vested as of the termination date.

James L. Cummins	12,000	2.9%	\$ 7.70	7-30-2012	\$ 58,110	\$ 147,262

(1) Potential realizable value is determined by assuming an initial value equal to the option price per share, the market closing price for CTS common stock on the date of grant, and applying the stated annual appreciation rate compounded annually for the remaining term of the option, subtracting the exercise price and multiplying the remainder by the number of shares subject to options granted. Actual gains, if any, on stock option exercises are dependent on the future performance of the common stock and overall stock market conditions.

(2) Mr. Semprevio's options terminated upon his resignation.

PENSION PLAN

The following table shows the estimated annual retirement benefits payable to a covered participant in the CTS Corporation Salaried Employees Pension Plan. The benefit formula is calculated as 1.25% of highest average monthly pay during any three calendar years of a participant's last ten calendar years of service, multiplied by a participant's credited service. Covered compensation is essentially equal to the salary and bonus columns in the Summary Compensation Table, together with the cash payments received in connection with the lapse of transfer restrictions on restricted shares as described in footnote (2) to the Summary Compensation Table. These benefits are not subject to any deduction for social security or other offsets.

The years of service credited to the Named Executive Officers as of December 31, 2002 are: Donald K. Schwanz 2.56 years; Vinod M. Khilnani 1.78 years; Donald R. Schroeder 30.44 years; H. Tyler Buchanan 25.78 years; Philip G. Semprevio 7.78 years; and James L. Cummins 25.78 years.

Section 415 of the Internal Revenue Code generally places a limit of \$160,000 on the amount of annual pension benefits that may be paid at age 65 from a plan like that of CTS. The Code also places a \$12,000 limit, subject to adjustment by the Internal Revenue Service, on annual contributions by an employee to the CTS Corporation Retirement Savings Plan. Under a supplemental benefit provided for by this plan and an unfunded plan adopted in 1996, however, CTS will make payments as permitted by the Code to certain participants in CTS pension plan in an amount equal to the difference, if any, between the benefits that would have been payable under this plan without regard to the limitations imposed by the Code and the actual benefits payable under the plan as described in the above chart.

In addition, as described on page 12 under the heading Employment Agreement with Donald K. Schwanz, the unfunded supplemental retirement plan may be used to further enhance retirement benefits in special situations, beyond those set out in the above chart. Mr. Schwanz's Employment Agreement will, under certain circumstances, provide him with annual retirement benefits approximately equal to two times those reflected in the above chart.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee acts pursuant to its written charter adopted by the Board of Directors, a copy of which is attached hereto as Appendix A. All members of the CTS Audit Committee are independent as defined in Section 303.01(B)(2)(a) and (3) of the New York Stock Exchange listing standards.

The CTS Audit Committee has reviewed and discussed with CTS management and PricewaterhouseCoopers LLP (PwC), CTS's independent auditor, the audited consolidated financial statements of the Company for 2002; has discussed with PwC the matters required to be discussed by Statement on Auditing Standards No. 61; has received from the independent auditor the written disclosures and letter required by Independence Standards Board Standard No. 1; and has discussed with the independent auditor the auditor's independence. Based on the review and discussions described above, the Audit Committee recommended to CTS's Board of Directors that the financial statements be included in CTS's Annual Report on Form 10-K for the fiscal year ended December 31, 2002, for filing with the Securities and Exchange Commission.

REPORT OF THE COMPENSATION COMMITTEE

The Committee's Responsibilities: The Compensation Committee of the Board has responsibility for setting and administering CTS's executive compensation policies. The Committee is composed entirely of non-employee, outside directors. Reports of the Committee's actions and decisions are presented to the full Board. The purpose of this report is to summarize the principles, specific program objectives and other factors considered by the Committee in reaching its determinations regarding executive compensation.

Compensation Philosophy: The Committee has implemented executive compensation programs which are intended to:

Encourage strong financial and operational performance of CTS;

Link compensation to the interests of shareholders;

Emphasize performance-based compensation;

Provide a competitive level of total compensation necessary to attract and retain talented and experienced executives.

Compensation Methodology: The Committee believes that CTS's executive compensation programs reflect this philosophy and provide executives with strong incentives to maximize CTS's performance and enhance shareholder value. The executive compensation programs consist of both annual and long-term components and include performance-based and equity-based components. Each year the Committee reviews market data and assesses CTS's competitive position in the area of executive compensation. CTS also retains independent compensation and benefits consultants to assist in evaluating executive compensation programs. The use of independent consultants provides additional assurance that CTS's programs are reasonable and appropriate.

Components of Compensation:

Base Salary: Annual base salary is designed to compensate CTS executives for their qualifications, responsibilities and performance. CTS' objective is to compensate executives within the mid-level of the range of base salaries paid for similar positions at similar companies.

Annual Incentives: CTS has maintained an annual management incentive plan for a number of years which provides cash compensation incentives based on the financial performance of CTS. Under the 2002 Management Incentive Plan, specific financial objectives based on CTS' Earnings Per Share (EPS) and/or the contribution to EPS of specific business units were established by the Compensation Committee. For 2002, CTS did not achieve the established EPS target. Although certain business units achieved their established contribution to EPS targets, none of the executive officers qualified for a bonus under the terms of the Plan.

Long-Term, Stock-Based Compensation: CTS uses two forms of long-term, stock-based incentives, restricted stock grants and stock options, under shareholder approved plans. The Committee believes that stock ownership and stock-based compensation are valuable tools for motivating employees to improve the long-term performance of CTS. We also believe that they are the best way to tie a significant amount of an executive's potential income to enhanced shareholder value. CTS' stock compensation plans have change of control provisions under which, upon a change of control of CTS, benefits thereunder accelerate and vest immediately.

Stock options are generally awarded on an annual basis by the Compensation Committee at fair market value and vest over a four-year period. During 2002, options for a total of 124,000 shares were granted to the Named Executive Officers, as described in the chart entitled Option Grants in Last Fiscal Year on page 13 of this proxy statement. The number of shares previously awarded to the Named Executive Officers, their market value, vesting schedules and related bonuses, are set forth in the Summary Compensation Table on pages 10 and 11 of this proxy statement. Restricted stock grants are used selectively to provide incentives to key employees who contribute or are expected to contribute materially to the success of CTS. In 2002, restricted stock grants were made to six of the Named Executive Officers, as described in the Summary Compensation Table on pages 10 and 11 of this proxy statement.

Compensation for the Chief Executive Officer (CEO) In September 2001, Donald K. Schwanz entered into an employment agreement to serve as Chief Executive Officer of CTS, the terms of which are summarized on page 12 of this proxy statement. As described above under the Base Salary Component of Compensation, CTS strives to establish the base salary of the CEO at approximately the fiftieth percentile of CEO base salaries paid by similarly situated companies. Use of CEO comparative compensation data supplied by Towers Perrin led to the establishment of Mr. Schwanz's base salary at \$630,000. Mr. Schwanz's base salary is subject to annual review by the Board of Directors. The Board made no adjustment to Mr. Schwanz's base salary for the year 2002. Mr. Schwanz did not receive a bonus under the 2002 Management Incentive Plan because CTS did not achieve the established financial targets under the Plan. Mr. Schwanz received stock options and restricted stock grants in 2002 as described in this proxy statement in the Option Grants in Last Fiscal Year chart on page 13 and the Summary Compensation Table on pages 10 and 11.

Deductibility of Certain Executive Compensation: Federal income tax law caps at \$1,000,000 the deductible compensation per year for each of the Named Executive Officers in the proxy statement, subject to certain exceptions. In developing and implementing executive compensation policies and programs, the Compensation Committee considers whether particular payments and awards are deductible for federal income tax purposes, along with other relevant factors. Consistent with this policy, the Committee has taken what it believes to be appropriate steps to maximize the deductibility of executive compensation. While it is the general intention of the Committee to meet the requirements for deductibility, the Committee may approve payment of non-deductible compensation from time to

time if circumstances warrant. The Committee will continue to review and monitor its policy with respect to the deductibility of compensation.
