Item 1.01 Entry into a Material Definitive Agreement

On January 12, 2006 the Board of Directors of Neurocrine Biosciences approved amendments to the Company's 2003 Incentive Stock Plan and Nonqualified Deferred Compensation Plan. The amendment to the Company's Nonqualified Deferred Compensation Plan was made to conform the definition of "retirement" to the definition contained in the 2003 Incentive Stock Plan. A copy of the amended Nonqualified Deferred Compensation Plan is included in this Form 8-K as Exhibit 10.1. The primary reason for amending the 2003 Incentive Stock Plan was to allow for restricted stock units to also be granted as equity compensation under the terms of the Plan. A copy of the amended 2003 Incentive Stock Plan is included in this Form 8-K as Exhibit 10.2.
