ABOUT THIS PROSPECTUS

YOU SHOULD RELY ONLY ON THE INFORMATION CONTAINED OR INCORPORATED BY REFERENCE IN THIS PROSPECTUS OR ANY ACCOMPANYING PROSPECTUS SUPPLEMENT. WE HAVE NOT AUTHORIZED ANYONE TO PROVIDE YOU WITH INFORMATION DIFFERENT FROM THAT CONTAINED OR INCORPORATED BY REFERENCE IN THIS PROSPECTUS OR ANY ACCOMPANYING PROSPECTUS SUPPLEMENT. WE ARE OFFERING TO SELL SECURITIES AND SEEKING OFFERS TO BUY SECURITIES ONLY IN JURISDICTIONS WHERE OFFERS AND SALES ARE PERMITTED. THE INFORMATION CONTAINED IN THIS PROSPECTUS AND IN ANY ACCOMPANYING PROSPECTUS SUPPLEMENT IS ACCURATE ONLY AS OF THE DATE ON THEIR COVERS, REGARDLESS OF THE TIME OF DELIVERY OF THIS PROSPECTUS OR ANY ACCOMPANYING PROSPECTUS SUPPLEMENT OR ANY SALE OF THE SECURITIES.

In this prospectus, the terms "Company," "Cumulus," "we," "us" and "our" refer to Cumulus Media Inc. and its consolidated subsidiaries. The term "Class A Common Stock" means our Class A Common Stock, par value \$.01 per share. The term "selling shareholders" refers to BA Capital Company, L.P., referred to as BA Capital, the State of Wisconsin Investment Board, referred to as SWIB, and ING Capital LLC, referred to as ING Capital.

WE HAVE NOT TAKEN ANY ACTION TO PERMIT A PUBLIC OFFERING OF THE SHARES OF SECURITIES OUTSIDE THE UNITED STATES. PERSONS OUTSIDE THE UNITED STATES WHO COME INTO POSSESSION OF THIS PROSPECTUS MUST INFORM THEMSELVES ABOUT AND OBSERVE ANY RESTRICTIONS RELATING TO THE OFFERING OF THE SHARES OF SECURITIES AND THE DISTRIBUTION OF THIS PROSPECTUS OUTSIDE THE UNITED STATES.

THE COMPANY

Cumulus Media Inc. is the parent company of Cumulus Broadcasting, Inc., which, along with other subsidiaries, owns and operates FM and AM radio station clusters serving mid-size markets throughout the United States. Giving effect to the completion of all of our currently pending acquisitions and divestitures, we will own and operate 245 radio stations in 53 mid-sized U.S. media markets. In addition, we own and operate a multi-market radio network in the English-speaking Caribbean. We also provide sales and marketing services under local marketing agreements, or LMA's, (pending Federal Communications Commission, or FCC, approval of acquisitions) for 14 stations in six U.S. markets. We are the second largest radio broadcasting company in the United States based on number of stations owned or operated. According to the Fall 2001 Arbitron Market Report, we have assembled market-leading groups or clusters of radio stations which rank first or second in terms of revenue share or audience share in substantially all of our markets.

Relative to the 50 largest markets in the United States, we believe that the mid-size markets represent attractive operating environments and generally are characterized by:

- a greater use of radio advertising, as evidenced by the greater percentage of total media revenues captured by radio than the national average;
- rising advertising revenues, as the larger national and regional

## Edgar Filing: CUMULUS MEDIA INC - Form S-3/A

retailers expand into these markets;

- small independent operators, many of whom lack the capital to produce high-quality locally originated programming or to employ more sophisticated research, marketing, management and sales techniques; and
- lower overall susceptibility to economic downturns.

We believe that the attractive operating characteristics of mid-size markets, together with the relaxation of radio station ownership limits under the Telecommunications Act of 1996 and the FCC rules, create significant opportunities for growth from the formation of groups of radio stations within these markets. We believe that mid-size radio markets provide an excellent opportunity to acquire attractive properties at favorable purchase prices due to the size and fragmented nature of ownership in these markets and to the greater attention historically given to the larger markets by radio station acquirers. According to the FCC's records, there are approximately 8,285 FM and 4,727 AM stations in the United States.

To maximize the advertising revenues and broadcast cash flow of our stations, we seek to enhance the quality of radio programs for listeners and the attractiveness of our radio stations in a given market. Broadcast cash flow consists of operating income (loss) before depreciation, amortization, LMA fees, corporate, general and administrative expense, and restructuring and impairment charges, and is a measure widely used in the broadcast industry to evaluate a radio broadcasting company's operating performance. We also seek to increase the amount of locally originated programming content which airs on each station. Within each market, our stations are diversified in terms of format, target audience and geographic location, enabling us to attract larger and broader listener audiences and thereby a wider range of advertisers. This diversification, coupled with our favorable advertising pricing, also has provided us with the ability to compete successfully for advertising revenue against other media competitors such as print media and television.

We believe that we are in a position to generate revenue growth, increase audience and revenue shares within these markets and, by capitalizing on economies of scale and by competing against other media for incremental advertising revenue, increase our broadcast cash flow growth rates and margins to those levels found in large markets. As we have assembled our portfolio of stations over the past five years, many of our markets are still in the development stage with the potential for substantial growth as we implement our operating strategy.

We are an Illinois corporation with our principal executive offices located at 3535 Piedmont Road, Building 14, Fourteenth Floor, Atlanta, Georgia 30305. ### RISK FACTORS

Investing in our Class A Common Stock involves a high degree of risk. Please see the risk factors described under the caption "Risk Factors" beginning on page 43 of our Annual Report on Form 10-K for the year ended December 31, 2001, which is incorporated by reference in this prospectus. Before making an investment decision, you should carefully consider these risks as well as other information we include or incorporate by reference in this prospectus and in any accompanying prospectus supplement.

## Edgar Filing: CUMULUS MEDIA INC - Form S-3/A

### CAUTIONARY STATEMENT CONCERNING FORWARD-LOOKING INFORMATION

In various places in this prospectus, any prospectus supplement and the documents we incorporate by reference, we use statements that constitute "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. These statements relate to our future plans, objectives, expectations and intentions. Although we believe that, in making any of those statements, our expectations are based on reasonable assumptions, any such statement may be influenced by factors that could cause actual outcomes and results to be materially different from those projected. When used in this document, the words "anticipates," "believes," "expects," "intends," and similar expressions, as they relate to us or our management, are intended to identify such forward-looking statements. These forward-looking statements are subject to numerous risks and uncertainties, including those referred to under "Risk Factors" and as otherwise described in our periodic filings with the SEC from time to time.

Important facts that could cause actual results to differ materially from those in forward-looking statements, certain of which are beyond our control, include:

- the impact of general economic conditions in the United States and in other countries in which we currently do business;
- industry conditions, including existing competition and future competitive technologies;
- the popularity of radio as a broadcasting and advertising medium;
- capital expenditure requirements;
- legislative or regulatory requirements;
- risks and uncertainties relating to our leverage;
- interest rates;
- consummation and integration of pending acquisitions;
- access to capital markets; and
- fluctuations in exchange rates and currency values.

Our actual results, performance or achievements could differ materially from those expressed in, or implied by, these forward-looking statements. Accordingly, we cannot be certain that any of the events anticipated by the forward-looking statements will occur or, if any of them do, what impact they will have on us. We assume no obligation to update any forward-looking statements as a result of new information or future events or developments, except as required under Federal securities laws. Investors are cautioned not to place undue reliance on any forward-looking statements, which speak only as of the date of this prospectus or, in the case of any document we incorporate by reference, the date of such document.

### USE OF PROCEEDS

Except as otherwise set forth in the accompanying prospectus supplement, we intend to use the net proceeds from the issuance of Class A Common Stock issued by us under this prospectus for general corporate purposes, which could include repayment of indebtedness or potential future acquisitions. We may temporarily invest funds not required immediately for such purposes in short-term investment-grade

securities. In the event a selling shareholder sells any shares of Class A Common Stock under this prospectus, that selling shareholder will receive all of the net proceeds from such a sale.

Additional information on the use of net proceeds from the sale of our Class A Common Stock issued under this prospectus will be set forth in the prospectus supplement relating to such offering.

#### PROSPECTUS SUPPLEMENTS

This prospectus provides you with a general description of the proposed offering of shares of our Class A Common Stock. Each time that we or the selling shareholders sell securities under this prospectus, we will provide a prospectus supplement that will contain specific information about the terms of that offering. The prospectus supplement may also add to or change information contained in this prospectus. If so, the prospectus supplement should be read as superseding this prospectus. You should read both this prospectus and any prospectus supplement together with additional information described under the heading "Where You Can Find More Information."

The prospectus supplement to be attached to the front of this prospectus will describe the terms of any securities that we or the selling shareholders offer and any initial offering price to the public in that offering, the purchase price and net proceeds that we or the selling shareholders will receive and the other specific terms related to that offering of the securities.

#### SELLING SHAREHOLDERS

No offer or sale of shares of Class A Common Stock under this prospectus may be made by a selling shareholder until that shareholder has notified us and a supplement to this prospectus has been filed or an amendment to the registration statement has become effective.

The table below lists the following information:

- the name of each selling shareholder;
- the number of shares and percentage of Class A Common Stock beneficially owned by each selling shareholder as of March 31, 2002;
- the maximum number of shares of Class A Common Stock that may be offered for sale by each selling shareholder; and
- the number of shares and percentage of Class A Common Stock beneficially owned by each such shareholder after all shares that may be offered under this prospectus have been sold.

Beneficial ownership is determined in accordance with the rules of the SEC, and includes voting or investment power with respect to shares. The information in the table reflects the most recent information furnished to us by each identified selling shareholder. As of March 31, 2002, there were approximately 35,230,452 shares of our Class A Common Stock issued and outstanding, 14,858,682 shares of our nonvoting Class B Common Stock, which may be converted into shares of Class A Common Stock on a one-for-one basis, issued and outstanding, and 1,529,277 shares of our Class C Common Stock, which may be converted into shares

Edgar Filing: CUMULUS MEDIA INC - Form S-3/A

of Class A Common Stock on a one-for-one basis, issued and outstanding.

- (1) We do not know when or in what amounts a selling shareholder may offer shares for sale. Because the selling shareholders may offer all or some of the shares pursuant to this prospectus, we cannot estimate the number of the shares that will be held by the selling shareholders at any given time in the future. However, for purposes of this table, we have assumed that the selling shareholders will sell all shares covered by this prospectus.
- (2) The number of shares of Class A Common Stock beneficially owned by BA Capital gives effect to the conversion into shares of Class A Common Stock of all of BA Capital's 1,979,996 shares of Class B Common Stock and assumes the exercise of its options to purchase 41,375 shares of Class A Common Stock. BancAmerica Capital Investors SBIC I, L.P., or BACI, an affiliate of BA Capital, also owns 8,944,369 shares of Class B Common Stock and a warrant to purchase an additional 706,424 shares of Class B Common Stock. BACI is not a selling shareholder and the number of shares included in the foregoing table does not reflect any shares or the warrant held by BACI.
- (3) The number of shares of Class A Common Stock beneficially owned by SWIB gives effect to the conversion into shares of Class A Common Stock of all of SWIB's 3,240,619 shares of Class B Common Stock.

- (4) The number of shares of Class A Common Stock beneficially owned by ING Capital gives effect to the exercise in full of its warrants to purchase 30,552 shares of Class B Common Stock, and the conversion of those shares of Class B Common Stock into shares of Class A Common Stock. ING Capital is an affiliate of ING Groep N.V., a Dutch corporation.

BA Capital is an affiliate of BACI, which indirectly owned a majority of the equity interests in Aurora Communications, LLC, which we acquired on March 28, 2002. Robert H. Sheridan, III, one of our directors, is a senior vice president and managing director of both BA Capital and BACI. BA Capital and BACI are both affiliates of Bank of America Corporation. BA Capital has the right to designate one member of our board and Mr. Sheridan currently serves on our board

## Edgar Filing: CUMULUS MEDIA INC - Form S-3/A

as BA Capital's designee.

As of March 31, 2002, BA Capital and BACI together owned 840,250 shares, or 2.4%, of our Class A Common Stock and 10,924,335 shares, or 73.5%, of our nonvoting Class B Common Stock, which is convertible into shares of Class A Common Stock, BACI held a warrant to purchase 706,424 shares of our Class A Common Stock or Class B Common Stock, and BA Capital held presently exercisable options to purchase 41,375 shares of Class A Common Stock. Assuming this warrant were exercised for shares of Class A Common Stock and the options were exercised, and giving effect to the conversion into shares of Class A Common Stock of all shares of Class B Common Stock held by BA Capital and BACI, BA Capital and BACI would hold approximately 20.1% of the total voting power of our common stock.

In addition, Banc of America Securities LLC, or BA Securities, acted as one of the financial advisors to Aurora Communications in connection with our acquisition of Aurora Communications. Furthermore, in connection with the financing that we entered into in order to refinance our existing indebtedness and to finance the cash portion of the acquisition of Aurora Communications, BA Securities acted as joint lead arranger and joint bookrunner, and Bank of America, N.A. acted as syndication agent and is a lender. BA Securities and Bank of America, N.A. are each affiliates of BA Capital, BACI and Bank of America Corporation.

ING Capital is a participant and a lender under our senior credit facilities.

### PLAN OF DISTRIBUTION

The name of any such underwriter or agent involved in the offer and sale of the Class A Common Stock, the amounts underwritten and the nature of its obligation to purchase the Class A Common Stock will be described in the applicable prospectus supplement.

The distribution of the Class A Common Stock may be effected from time to time in one or more transactions at a fixed price or prices, at market prices prevailing at the time of sale, at prices related to such prevailing market prices, or at negotiated prices. Prices may change over time.

In connection with the sale of Class A Common Stock, underwriters or agents may receive compensation from us, the selling shareholders or from purchasers of the securities, for whom they may act as agents, in the form of discounts, concessions or commissions. Underwriters may sell securities to or through dealers, and such dealers may receive compensation in the form of discounts, concessions or commissions from the underwriters and/or commissions from the purchasers for whom they may act as agents. Underwriters, dealers, and agents that participate in the distribution of securities may be deemed to be underwriters under the Securities Act of 1933, as amended, referred to as the Securities Act. Any discounts or commissions they receive from us or the selling shareholders and any profit on the resale of securities they realize may be deemed to be underwriting discounts and commissions under the Securities Act. Any underwriter or agent will be identified, and any compensation received from us or any selling shareholder will be described, in the applicable prospectus supplement.

To facilitate the offering of Class A Common Stock, certain persons

## Edgar Filing: CUMULUS MEDIA INC - Form S-3/A

participating in the offering may engage in transactions that stabilize, maintain, or otherwise affect the price of the Class A Common Stock. This may include over-allotments or short sales, which involve the sale by persons participating in the offering of more shares than we sold to them. In these circumstances, these persons would cover such over-allotments or short positions by making purchases in the open market or by exercising their over-allotment option, if any. In addition, these persons may stabilize or maintain the price of the Class A Common Stock by bidding for or purchasing shares in the open market or by imposing penalty bids, whereby selling concessions allowed to dealers participating in the offering may be reclaimed if shares sold by them are repurchased in connection with stabilization transactions. The effect of these transactions may be to stabilize or maintain the market price of the Class A Common Stock at a level above that which might otherwise prevail in the open market. These transactions may be discontinued at any time.

Any shares of Class A Common Stock sold pursuant to a prospectus supplement will be listed on the Nasdaq National Market by us, subject to official notice of issuance.

Under agreements into which we may enter, underwriters, dealers and agents who participate in the distribution of securities may be entitled to indemnification by us against certain liabilities, including liabilities under the Securities Act.

Underwriters, dealers and agents may engage in transactions with, or perform services for, us in the ordinary course of business.

ITEM 17. UNDERTAKINGS

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the registration statement is on Form S-3 or Form S-8, and the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement;

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; and

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities

annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.
