Item 1.01. Entry into a Material Definitive Agreement

On October 3, 2006, WESCO International, Inc. announced the signing by WESCO Distribution, Inc. (WESCO) and Communications Supply Holdings, Inc. (CSC) of an Agreement and Plan of Merger (the Agreement) pursuant to which WESCO Voltage, Inc., an indirect wholly-owned subsidiary of WESCO, will merge with and into CSC (as so merged, the Surviving Corporation). Pursuant to the Agreement, WESCO will become the sole shareholder of the Surviving Corporation and the securityholders (including optionholders) of CSC will receive cash consideration in exchange for their interests in CSC.

The purchase price is approximately \$525 million, subject to adjustment based on working capital at closing and certain other costs. The purchase price will include a \$15 million escrow at closing, with step downs through January 31, 2008, to address potential indemnification claims of WESCO. The purchase price, based on a pro forma trailing 12 months earnings before interest, taxes, depreciation and amortization (EBITDA) multiple at close, including acquisitions made in 2006 by Communications Supply Corporation, is anticipated to be in the range of 9.5 to 9.7 times. Based on anticipated sales, operational and SG&A synergies, the 2007 purchase price EBITDA multiple is expected to be below 8.0 times.

The parties have made customary representations, warranties and covenants in the Agreement, including, among others, CSC's covenants (i) to conduct its business in the ordinary course and in substantially the same manner as previously conducted, and (ii) not to solicit, encourage, initiate or participate in, or provide any information in connection with, any other merger, sale of shares, or sale of all or substantially all of CSC's assets.

The Agreement is conditioned, among other things, on the termination or expiration of the waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended.

Item 9.01. Financial Statements and Exhibits.
